(2) Amounts set forth in the restricted share awards column represent the grant-date value of restricted share awards. The aggregate number and year-end value of the restricted shares, if they had been issued, for Messrs. Demshur, Bergmark, Davis and Denson were 100,000 shares (\$3,736,000), 55,000 shares (\$2,054,800), 55,000 shares (\$2,054,800) and 25,000 shares (\$934,000), respectively, based on the closing price of our shares on December 31, 2005 of \$37.36. These share totals include, with respect to Messrs. Demshur, Bergmark, Davis and Denson, 80,000, 40,000, 40,000 and 20,000 performance shares, respectively. Holders of restricted shares would receive the same cash dividends as other shareholders owning common shares.

Some or all of the restricted shares may vest prior to June 1, 2007 in the event of a change in control or the termination of the participant's employment by reason of death, disability, an involuntary termination without cause, or after attaining the age of 60 and completing 10 years of employment with us.

The table excludes the value of performance-based restricted share awards that are subject to performance-based criteria, in addition to lapse of time and/or continued service. If such performance-based restricted shares vest, then the dollar value of such vested shares will be disclosed in the table as a payout of long-term incentive compensation. Please see "Long-Term Incentive Plan Table - Awards in 2005."

(4) The amounts in this column for 2004 include a restricted share award on September 1, 2004 based on a \$22.66 per share price. (2) Computed based on the difference between aggregate fair market value and aggregate exercise price. The fair market value of our common shares on December 30, 2005, the last trading day of 2005 was based on \$37.64, the average of the high and low sales prices on the NYSE on such date.

No stock options were granted to our named executive officers during 2005.

Long-Term Incentive Plans - Awards in 2005

The following table sets forth performance restricted share awards granted in 2005 to our executive officers:

Name	Number of Shares, Units or Other Rights (1)	Performance or Other Period Until Maturation or Payout
------	---	--

David M. Demshur	40,000	(1)
Richard L. Bergmark	20,000	(1)
Monty L. Davis	20,000	(1)
John D. Denson	10,000	(1)

(1) Includes contingent rights to acquire common shares awarded to Messrs. Demshur (40,000), Bergmark (20,000), Davis (20,000) and Denson (10,000) that are subject to a performance goal that is based on a calculated return on equity versus a pre-determined target return on equity of 20%. The return on equity is calculated by dividing earnings before interest and income tax from continuing operations over the performance period by ending shareholders' equity over the performance period ("ROE"). Unless there is a change in control, none of these shares will be issued if our ROE is less than 20% for the three-year performance period. If our ROE for the performance period equals 20%, then 50% of the shares will be issued, and if our ROE for the performance period equals or exceeds 24%, then 100% of the shares will be issued. If our ROE for the performance period is greater than 20% but less than 24%, then the number of shares to be issued would be interpolated based on the terms of the agreement. If we undergo a change in control prior to the last day of the performance period and while the executive officer is employed by us, then all of the executive officer's performance shares will vest as of the date of the change in control.

Employment and Change of Control Agreements

David M. Demshur Employment Agreement

Mr. Demshur serves as our President and Chief Executive Officer pursuant to an employment agreement that is currently set to expire in 2006. If Mr. Demshur's employment is terminated for any reason within three years following a "change in control," as defined in his employment agreement, he will be entitled to the same benefits described above except that (A) the options vested pursuant to the fourth bullet point above shall remain exercisable for a period of one year and (B) the lump sum payment described in the first bullet point above shall be equal to the sum of:

- 300% of his base salary as in effect immediately prior to the change in control; and
- three times the higher of (A) 45% of the maximum annual incentive bonus he could have earned pursuant to his employment contract or (B) the highest annual bonus he received in the three years prior to the change of control.

Additionally, if any of the payments or benefits described above would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended, then Mr. Demshur will be entitled to receive a gross-up payment equal the amount of excise tax imposed plus all taxes imposed on the gross-up payment.

Bergmark, David M. Demshur and Joseph R. Perna participate in the Group SERP. Each participant is entitled to receive a retirement benefit of \$250,000 per year, which begins on the later of participant's retirement date or attaining the age of 65 years and is paid in annual installments until the participant's death. If a participant dies on or after his retirement date and prior to receiving 15 annual installments of his retirement benefit, then the participant's designated beneficiary is entitled to receive \$250,000 each year until such payments have been made for an aggregate of 15 years to both the participant and such designated beneficiary. If the participant dies before his retirement date, the designated beneficiary of the deceased participant is entitled to receive \$225,000 each year for 15 years. Each participant's benefit under the Group SERP is fully vested and fully accrued. Additionally, the participant may make a prior election to receive a lump sum payment upon a "change of control" of our Company equal to the discounted present value of the retirement benefits that would have been paid upon the participant's retirement. Benefits under the Group SERP may be forfeited only in the event of a participant's termination for cause.

In 1999, we adopted the Core Laboratories Supplemental Executive Retirement Plans for Monty L. Davis and John D. Denson, which we refer to as the "Individual SERPs." The terms of the Individual SERPs are similar to that of the Group SERP except that the amount of the retirement benefit is determined using a formula that takes into consideration the participant's compensation, years of employment, and a five year vesting schedule. The following table represents the total estimated annual benefits payable to Messrs. Davis and Denson in fixed annual payments for life, subject to a minimum of 15 annual payments, under the Individual SERPs.

Amounts shown as "Final Average Compensation" in this table represent the average annual covered compensation paid for five consecutive calendar years immediately preceding the year in which the individual's employment terminates. For 2005, covered compensation for Messrs. Davis and Denson in the Summary Compensation Table on page 9 is the same as the total of their salary amounts shown in that table. As of March 1, 2006, Messrs. Davis and Denson had 25 years and 14.5 years of credited service with the Company, respectively. The benefits listed in the table are not subject to any deduction for Social Security.

We have purchased insurance coverage on the lives of Messrs. Demshur, Bergmark, Perna, Davis and Denson to assist us in providing benefits under the Group and Individual SERPs. We are the owner and beneficiary of the insurance coverage for which all of the Group SERP and the Individual SERP premiums are fully paid. Based on actuarial calculations (including a 12% earnings rate assumption), we expect that the death benefits paid to us under the insurance policies will be sufficient to cover the costs of the Group and Individual SERPs' benefits for these individuals. However, to the extent the death benefits under the policies are insufficient to cover those costs, we are obligated to pay the remainder out of our other general assets to absorb any shortfall.

Director Compensation

Each Supervisory Director who is not our full-time employee is paid:

an annual retainer of \$30,000, payable semiannually in arrears; or if the Audit Committee chair, an annual retainer of \$45,000, or if the chair of either the Compensation Committee or Nominating and Governance Committee, an annual retainer of \$35,000; \$1,500 per meeting of the Supervisory Board at which the individual is present in person; \$1,500 per meeting for each committee meeting at which the individual is present in person; and reimbursement for all out-of-pocket expenses incurred in attending any Supervisory Board or committee meeting.

Supervisory Directors who are our full-time employees receive no compensation for serving as Supervisory Directors.

Our 1995 Nonemployee Director Stock Option Plan, as amended, which we refer to as the "Director Plan," provides for the issuance of up to 700,000 of our common shares to eligible Supervisory Directors. Under the Director Plan, each nonemployee director is generally granted an option to acquire 1,000 common shares on the date such individual first becomes an eligible director. In addition, an option to acquire 10,000 common shares will be granted to each nonemployee Supervisory Director (20,000 common shares if such nonemployee Supervisory Director is the Chairman) each year generally on the first date in the calendar year set by the Supervisory Board for the issuance of stock options to more than ten employees under our 1995 Long-Term Incentive Plan, as amended, which we refer to as the "Incentive Plan." Supervisory Directors who are also our employees receive no grants under the Director Plan. Options granted will be exercisable for a period of up to ten years and will vest one year following the date of grant. The exercise price of options granted under the Nonemployee Director Plan will be equal to the market price of our common shares on the date of grant. The Board of Supervisory Directors has approved the amendment and restatement of the Director Plan, which is described below as Item 7 for your approval.

Compensation Committee Interlocks and Insider Participation

a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served on our Compensation Committee; a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served as one of our Supervisory Directors; or a director of another entity, one of whose executive officers served on our Compensation Committee or the board of directors of one of our subsidiaries.

Equity Compensation Plan Information

We have two main incentive plans, our Incentive Plan and our Director Plan, both of which have been approved by our shareholders. The table below provides information regarding our equity compensation plans as of December 31, 2005.

	Number of Common Shares to be Issued Upon Exercise of Outstanding Options, Warrants and Rights	Weighted Average Exercise Price of Outstanding Options, Warrants and Rights	Number of Common Shares Remaining Available for Future Issuance Under Equity Compensation Plans
Equity compensation plans approved by our shareholders	3,267,559	\$11.34	772,400
Equity compensation plans not approved by our shareholders (1)	-	-	-
Total	3,267,559	\$11.34	772,400

(1) We have assumed outstanding stock options in connection with certain of our acquisitions. The aggregate number of our common shares to be issued upon exercise of such options on December 31, 2005 was 57,409 shares and the weighted average exercise price of such outstanding options was \$2.23. These shares were granted under plans administered by the companies acquired by us but we did not assume the stock option plans of these acquired companies, and since the closing of the acquisitions, no additional stock options under these plans have been granted, nor are any authorized to be granted under such plans. Because the assumption of these options did not require shareholder approval, we did not obtain such approval.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have not engaged in any transactions, or series of transactions, since the beginning of 2005 with our directors, executive officers, five percent beneficial owners or their immediate family members requiring disclosure.
