**TAIWAN GREATER CHINA FUND  
PROXY STATEMENT**

**INTRODUCTION**

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Trustees (the "Board of Trustees" or the "Board", the trustees of the Board are referred to as the "Trustees") of the Taiwan Greater China Fund (the "Trust", formerly known as The R.O.C. Taiwan Fund) for use at a Special Meeting (the "Meeting") of holders of shares (each, a "Shareholder" and collectively, the "Shareholders") of the Trust (the "Shares") to be held at the offices of Clifford Chance US LLP, 31 W. 52nd Street, New York, New York, on Tuesday, November 21, 2006 at 9:30 a.m., Eastern time, and at any adjournment thereof.

This Proxy Statement and the accompanying proxy are first being mailed to Shareholders on or about October 9, 2006. Any Shareholder giving a proxy has the power to revoke it by mail (addressed to The Altman Group, 1200 Wall Street West, 3rd Floor, Lyndhurst, NJ 07071), or in person at the Meeting, by executing a superseding proxy or by submitting a notice of revocation to the Trust. All properly executed proxies received by mail on or before the close of business on November 20, 2006 or delivered personally at the Meeting will be voted as specified in such proxies or, if no specification is made, for the approval of Proposal 1.

The Board of Trustees has fixed the close of business on Wednesday, September 13, 2006, as the record date for the determination of Shareholders entitled to notice of and to vote at the Meeting and at any adjournment thereof. Shareholders of record will be entitled to one vote for each Share.

As of the record date, the Trust had 16,881,479 Shares outstanding. Abstentions will be counted as present for all purposes in determining the existence of a quorum.

One-third of the Trust's outstanding Shares, present in person or represented by proxy at the Meeting, will constitute a quorum for the transaction of business at the Meeting. The affirmative vote of a majority of the Trust's outstanding Shares is required to approve amendment of the Trust's current fundamental investment policy regarding lending. As provided under the Investment Company Act of 1940, as amended (the "Investment Company Act"), this means the affirmative vote of the lesser of (a) 67% or more of the outstanding Shares present or represented at the Meeting, if holders of more than 50% of the outstanding Shares of the Trust entitled to vote are present or represented by proxy at the Meeting, or (b) more than 50% of the outstanding Shares of the Trust entitled to vote.

Abstentions will be treated as votes present and not cast at the Meeting. Accordingly, abstentions will have the effect of votes in opposition to Proposal 1.

The Trust knows of no business that may or will be presented for consideration at the Meeting, other than that mentioned in Proposal 1 described herein. If any matter not referred to above is properly presented, the persons named on the enclosed proxy will vote in accordance with their discretion. However, any business that is not on the agenda for the Meeting may be presented for consideration or action at the Meeting only with the approval of the Board of Trustees.

The address of Brown Brothers Harriman, which provides certain administrative services for the Trust, is 40 Water Street, Boston, Massachusetts 02109-3661.

**PROPOSAL 1. AMENDMENT TO THE FUNDAMENTAL INVESTMENT POLICY OF THE TRUST TO ALLOW FOR SECURITIES LENDING TO THE EXTENT PERMITTED BY LAW**

The Trust is registered as a diversified, closed-end management investment company under the Investment Company Act and has operated as a closed-end fund since the reorganization of The Taiwan (R.O.C.) Fund, which was an open-end fund not registered in the United States, into the Trust on May 19, 1989. The Trust is required under the Investment Company Act to adopt a fundamental policy with respect to the making of loans. The Trust's policy currently states that the Trust may not:

“make any loan (other than bank deposits or by investment in debt securities or entry into repurchase agreements) or enter into any guaranty of any loan.”

The Board of Trustees has adopted the following investment policy with respect to the making of loans, subject to approval of Shareholders, and recommends that Shareholders approve such a change to permit the Trust to lend its portfolio securities:

“The Fund may not make loans to other persons (other than bank deposits or by investment in debt securities or entry into repurchase agreements), except that the Fund may lend its securities to the extent permitted by the Investment Company Act of 1940, the rules or regulations thereunder or any exemption therefrom, as such statutes, rules or regulations may be amended or interpreted from time to time.”

The Fund would continue to be permitted to make bank deposits, purchase debt securities and enter into repurchase agreements. If Shareholders approve the proposed modification to the current lending policy, the Fund would be able to lend its portfolio securities, subject to the limitations and requirements of the Investment Company Act.

Securities lending generally involves the temporary loan of securities for cash or other securities of an equivalent or greater value (commonly referred to as the “collateral”) with a contractual obligation to re-deliver a like quantity of the same securities at a future date. The goal of securities lending is to generate additional income from the Trust’s existing portfolio assets. The income generated from securities lending activities typically takes the form of income earned on the invested cash collateral or by loaning the securities for a fee. The Board of Trustees believes that securities lending is in the best interests of the Trust and its shareholders because of its potential to increase the income of the Trust.

The Fund’s investment objective is long-term capital appreciation through investment primarily in publicly-traded equity securities of R.O.C. issuers. The Fund also has invested and, if conditions warrant, may in the future invest in debt securities of R.O.C. issuers (including the R.O.C. government). The Fund incurs expenses associated with its management and operations including portfolio management, shareholder communication and trustee fees. The Fund intends to use the income generated by securities lending activities to help pay its expenses. Income earned in excess of expenses will be used by the Fund to pay declared dividends and/or distributions or may be invested by the Fund consistent with its investment objective, policies and strategies.

The Board of Trustees understands and acknowledges that there are risks associated with securities lending activities, including the risk that the counterparty or “borrower” of the portfolio securities will default on its obligations and the risk that the value of the collateral held by the Trust will be less than the value of the portfolio securities on loan. There also is the risk that the reinvestment of cash collateral will result in a loss or failure to generate any income. In order to mitigate these risks, the Trust will engage in securities lending pursuant to the limitations and requirements of the Investment Company Act. Additionally, the Board of Trustees has approved adoption of various non-fundamental policies regarding securities lending, including policies limiting (i) the amount of the Trust’s portfolio that may be lent, (ii) the permitted counterparties, and (iii) the types of acceptable collateral. A summary of the non-fundamental policies adopted by the Board of Trustees with respect to securities lending is set forth in [Appendix A](#). Non-fundamental policies may be amended by the Board of Trustees as deemed necessary and prudent without the need for approval by Shareholders.

Specifically to help mitigate risks, the Fund has adopted a non-fundamental policy, consistent with the current position of the staff of the U.S. Securities and Exchange Commission (the “SEC”), that it will not enter into a loan if, after giving effect thereto, portfolio securities having a value in excess of 33 1/3% of the market value of the Fund’s total assets, including collateral received from such loans, would be subject to securities loans. Market value is computed at the time of the loan. In the event that the staff of the SEC changes its position to either increase or decrease the amount that a fund may loan or otherwise changes its position with respect to securities lending activities, the Fund intends, with approval of its Board of Trustees, to amend its non-fundamental policies to conform to then current SEC standards.

Specifically to mitigate counterparty risks, the Fund will limit lending to any one counterparty to an amount equal to no more than 25% of the Fund’s assets available for lending. The Fund also will lend only to counterparties whose corporate entities have issued securities with a Standard & Poor’s long-term credit rating of A- or better or a Standard & Poor’s short-term credit rating of A-1 or better and are approved by the Fund.

A critical factor to the success of any securities lending program is the selection and appointment of the securities lending agent (the “Agent”), who will be responsible for, among other things, negotiating the terms of the loans with the borrowers and maintaining and monitoring the collateral. The Agent will perform its duties pursuant to the Trust’s fundamental lending and non-fundamental securities lending policies. In selecting and appointing the Agent, the Board of Trustees will consider, among other qualities, the Agent’s experience and control environment. The Trust will

pay a fee to the Agent that will generally take the form of a share of the revenue generated by the securities lending activities. The Agent also may receive compensation from the counterparties to the securities lending transactions.

Prior to its reorganization into the Trust effective May 18, 1989, the Trust operated as a securities investment trust fund organized in 1983 under the laws of the Republic of China. As such, the Trust was subject to the oversight of the Republic of China Securities and Futures Bureau, Financial Supervisory Commission (formerly the Republic of China Securities and Exchange Commission or "ROC SEC") (the "ROC FSC") and operated under a policy requiring that consent of the ROC FSC be obtained prior to changing certain policies of the Trust, including its lending policy. Due to the Trust's reorganization, however, the Trust is no longer subject to ROC FSC's oversight. Nevertheless, the Trust intends to obtain confirmation from the ROC FSC that the consent requirement is no longer applicable to the Trust and upon receiving such confirmation, the Board of Trustees intends to approve the elimination of this policy. If so eliminated, the consent requirement will no longer apply to any change to policies of the Trust.

### **REQUIRED VOTE**

As provided by the Investment Company Act, approval of Proposal 1 requires the affirmative vote of a majority of the outstanding voting securities of the Trust, which means the affirmative vote of the lesser of (a) 67% or more of the outstanding Shares present or represented at the Meeting, if holders of more than 50% of the outstanding Shares of the Trust entitled to vote are present or represented by proxy at the Meeting, or (b) more than 50% of the outstanding Shares of the Trust entitled to vote. Abstentions and broker "non-votes" will be treated as votes present but not cast for purposes of Proposal 1 and will therefore have the effect of a vote cast against Proposal 1.

**The Board of Trustees believes that amendment to the Trust's fundamental investment policy permitting the Trust to engage in securities lending is in the best interests of Shareholders of the Trust. Accordingly, the Board of Trustees unanimously recommends that Shareholders vote "FOR" Proposal 1. The persons named in the accompanying proxy will, in the absence of contrary instructions, vote all proxies "FOR" Proposal 1.**

### **COMMUNICATIONS WITH THE BOARD OF TRUSTEES**

Shareholders who wish to communicate with the Board of Trustees with respect to matters relating to the Trust may address their correspondence to the Board as a whole or to individual members c/o Brown Brothers Harriman, P.O. The Trust has also retained The Altman Group to assist in the solicitation of proxies from Shareholders at an anticipated cost not to exceed \$7,000 plus reimbursement of out-of-pocket expenses. The expenses connected with the solicitation of these proxies and with any further proxies that may be solicited by such officers or employees or by The Altman Group in person or by telephone, email or facsimile will be borne by the Trust. The Trust will reimburse banks, brokers and other persons holding Shares registered in their names or in the names of their nominees for their expenses incurred in sending proxy material to and obtaining proxies from the beneficial owners of such Shares.

In the event that a quorum is not obtained for the transaction of business at the Meeting by November 20, 2006, the persons named as proxies in the enclosed proxy may propose one or more adjournments of the Meeting to permit further solicitation of proxies in order to obtain such a quorum. Any such adjournment would require the affirmative vote of the holders of a majority of the Shares voting that are present in person or by proxy at the session of the Meeting to be adjourned. The persons named as proxies in the enclosed proxy will vote in favor of such adjournment if a quorum is not obtained. The costs of any such additional solicitation and of any adjourned session will be borne by the Trust.

#### **SHAREHOLDER PROPOSALS AND NOMINATIONS**

Any proposal by a Shareholder intended to be presented at the 2007 Annual Meeting of Shareholders must be received by the Taiwan Greater China Fund c/o Brown Brothers Harriman, P.O. The Board of Trustees will consider whether any such proposal should be submitted to a Shareholder vote in light of applicable rules and interpretations promulgated by the S.E.C.; but a Shareholder's timely submission of a proposal will not automatically confer a right to have that proposal presented for a vote at the Trust's 2007 Annual Meeting of Shareholders. Any nomination by a Shareholder of a person to stand for election as a Trustee at the 2007 Annual Meeting of Shareholders must be received by the Trust c/o Secretary, Bank Tower, Room 1001, 205 DunHua North Road, Taipei, Taiwan, Republic of China not later than February 25, 2007.
