Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) In connection with the settlement of the Contracts (as defined below), each of TLPCRT, L.P and TLP Investment, L.P. (collectively the "Counterparties") (the Counterparties are limited partnerships for which the reporting person directly or indirectly holds all of the outstanding beneficial interest) converted 1,000,000 shares of Class B Common Stock subject to the Contracts to Class A Common Stock (on a one for one basis) in order to settle the Contracts in Class A Common Stock pursuant to the terms of the Contracts.

(2) On November 19, 2004, each of the Counterparties entered into a pre-paid variable equity forward contract (collectively the "Contracts") with an unaffiliated third party buyer (the "Buyer"). In exchange for a cash payment, each of the Counterparties pledged 1,000,000 shares of Class B Common Stock of Tyson Foods, Inc. (the "Company") and agreed to settle the Contracts with either a payment of cash or the delivery of up to 1,000,000 shares of the Company's Class A Common Stock (or Class B Common Stock immediately convertible into Class A Common Stock). The Counterparties chose to settle the Contracts through the delivery of shares.

(3) Under the terms of the Contracts, the Counterparties agreed to collectively deliver a number of shares of Class A Common Stock (or Class B Common Stock immediately convertible into Class A Common Stock) on the expiration date of the Contracts as follows: (i) if the Final Price (as defined below) is less than the Floor Price (as defined below), then 2,000,000 shares; (ii) if the Final Price is less than or equal to the Cap Price (as defined below), but greater than or equal to the Floor Price, then a number of shares equal to 2,000,000 times the Floor Price divided by the Final Price; or (iii) if the Final Price is greater than the Cap Price, then a number of shares equal to 2,000,000 multiplied by a fraction, the numerator of which is the sum of the Floor Price and the difference between the Final Price and the Cap Price, and the denominator of which is the Final Price.

(4) The Contract had a Floor Price equal to \$16.6385/share and a Cap Price equal to \$19.9662 /share, each based on an average market price of the Company's Class A Common Stock of \$16.6385/share over a four trading day period ending on November 19, 2004.

(5) On the expiration date the Final Price was \$14.56 (based on the closing price for the Company's Class A Common stock on August 22, 2006) which was less than the Floor Price, resulting in the reporting person delivering all 2,000,000 shares of the Company's Class A Common Stock to the Buyer.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
