By Order of the Board of Directors

June 26, 2009
Syosset, New York

TO ASSURE YOUR REPRESENTATION AT THE ANNUAL MEETING OF STOCKHOLDERS PLEASE SIGN, DATE AND RETURN YOUR PROXY IN THE ENCLOSED ENVELOPE WHETHER OR NOT YOU EXPECT TO ATTEND IN PERSON. STOCKHOLDERS WHO ATTEND THE MEETING MAY REVOKE THEIR PROXIES AND VOTE IN PERSON IF THEY DESIRE.

PROXY STATEMENT
SYNERGX SYSTEMS INC.

SOLICITATION OF PROXIES

The accompanying Proxy is solicited on behalf of the board of directors of Synergx Systems Inc. (the "Company") for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Tuesday, July 28, 2009, at 11:00 a.m. Eastern Standard Time, or any adjournment thereof, at the offices of 500 5th Avenue, Suite 1540, New York, New York 10110. The approximate date on which proxy materials are first being sent to stockholders is June 26, 2009.

The cost of soliciting proxies will be borne by the Company. In addition to solicitation by mail, officers, directors, and regular employees of the Company may, without additional compensation, use their personal efforts to solicit proxies by telephone, telecopier or in person. The Company expects to reimburse brokers, banks, custodians and other nominees for their reasonable out-of-pocket expenses in handling proxy materials for beneficial owners of the Common Stock. Should the Company's management deem it necessary, the Company may also retain the services of a proxy solicitation firm to aid in the solicitation of proxies for which the Company will pay a fee not expected to exceed \$5,000 plus reimbursement for out-of-pocket expenses.

Vote Required

The election of the Company's directors requires a plurality of the votes represented in person or by proxy at the Annual Meeting.

Effect of an Abstention and Broker Non-Votes

A stockholder who abstains from voting on any or all proposals will be included in the number of stockholders present at the Annual Meeting for the purpose of determining the presence of a quorum. Abstentions will not be counted either in favor of or against the election of the nominees or any other proposal. Consequently, abstentions will have no affect on the vote required to approve the nominees for director or the other proposals being considered at the Annual Meeting.

If you hold shares of our common stock in your broker's name (sometimes called "street name" or "nominee name"), then you must provide voting instructions to your broker. If you do not provide instructions to your broker, your shares will not be voted on any matter on which your broker does not have discretionary authority to vote for you. A vote that is not cast for this reason is called a "broker non-vote." We will treat broker non-votes as shares present for the purpose of determining whether a quorum is present at the meeting, but we will not consider them present for purposes of calculating the vote on a particular matter, nor will we count them as a vote FOR or AGAINST a matter or as an ABSTENTION on the matter.

Stockholders can ensure that their shares are voted at the Annual Meeting by signing and returning the enclosed proxy in the envelope provided. Shares of Common Stock par value \$.001 per share ("Common Stock") represented by the accompanying proxy will be voted if the proxy is properly executed and is received by the Company prior to the time of voting. Sending in a signed proxy will not affect a stockholder's right to attend the Annual Meeting and vote in person. The Company's principal executive offices are located at 209 Lafayette Drive, Syosset, New York 11791.

Proxies may be revoked at any time prior to the voting thereof by written notice mailed or delivered to the Secretary, by receipt of a proxy properly signed and dated subsequent to an earlier proxy, or by revocation by request in person at the Annual Meeting, but if not so revoked, the shares represented by such proxy will be voted in accordance with

the authority conferred by such proxy. Where specific choices are not indicated on the proxy, proxies will be voted in accordance with the recommendations of the board of directors.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

Five (5) directors will be elected to hold office until the next Annual Meeting of Stockholders and until their successors have been elected and duly qualified. The persons named on the accompanying proxy will vote all shares for which they have received proxies for the election of the nominees named below unless contrary instructions are given. The directors up for election are elected at the Annual Meeting by a plurality of the votes cast at the meeting by the holders of the shares represented and entitled to vote in the election. Thus, assuming a quorum is present, the person or persons receiving the greatest number of votes “FOR” will be elected to serve as a member of the board. Accordingly, abstentions and non-votes with respect to the election of directors will not affect the outcome of the election of directors. If the nominee should be unable or unwilling to serve as a director, an event that is not anticipated, the proxies will be voted for a substitute nominee designated by the board.

The board has determined that the following named nominees, if elected, will be “independent” as defined by Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards: Harris Epstein, Peter Barotz and Ronald P. Fetzer.

There are no family relationships between any Director or Executive Officer of Synergx and any other Director or Executive Officer of Synergx.

Directors hold office for a period of one year from the Annual Meeting of Stockholders at which they are elected or until their successors are duly elected and qualified. Officers are appointed by the board of directors and hold office at the will of the Board.

Nominating Committee

We have not established a Nominating Committee nor have we adopted a charter for the nominating process. Currently, the independent directors perform the functions of a nominating committee, including identifying individuals qualified to become board members, recommending nominees to fill vacancies in the membership of the board as they occur and, prior to each annual meeting of stockholders, recommending director nominees for election at such meeting, and making recommendations concerning the size and composition of the board. Board candidates are considered based upon various criteria, such as skills, knowledge, perspective, broad business judgment and leadership, relevant specific industry or regulatory affairs knowledge, business creativity and vision, experience, and any other factors appropriate in the context of an assessment of the needs of the board at that time. In addition, the board will consider whether the individual satisfies criteria for independence as may be required by applicable regulations and personal integrity and judgment. Accordingly, we seek to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

The board has the sole authority to retain, compensate and terminate any search firm or firms to be used in connection with the identification, assessment, and/or engagement of directors and director candidates. No such firm has been retained by the Company in the past.

The board will consider proposed nominees whose names are submitted to it by stockholders; however, it does not have a formal process for that consideration. The Company has not adopted a formal process because it believes that the informal consideration process has served the board's and the stockholders' needs. The board intends to review periodically whether a more formal policy should be adopted. If a stockholder wishes to suggest a proposed name for board consideration, the name of that nominee and related personal information should be forwarded to the board, in care of the corporate Secretary, at least six months before the next annual meeting to assure time for meaningful consideration by the board.

Stockholder Communication with Board Members

Although the Company has not to date developed formal processes by which stockholders may communicate directly to directors, it believes that the informal process, in which stockholder communications which are received by the Secretary for the board's attention are forwarded to the board, has served the board's and the stockholders' needs. In view of recently adopted Securities and Exchange Commission disclosure requirements relating to this issue, the board may consider development of more specific procedures. Until any other procedures are developed and posted on the Company's corporate website, any communications to the board of directors should be sent to it in care of the Secretary.

The Company has no policy on attendance by directors at the annual meeting of stockholders, although the By-Laws provide that the annual meeting of directors shall be held as soon as possible after the annual meeting of stockholders.

AUDIT COMMITTEE

The board of directors has a standing audit committee, with a written charter, which, during fiscal 2008 was comprised of Harris Epstein, Ronald P. Fetzer and Peter Barotz. During fiscal 2008, the Audit Committee held four meetings.

The board of directors has determined that Messrs. Epstein, Fetzer and Barotz each qualifies as a financial expert and that each of Messrs. Epstein, Fetzer and Barotz is an “independent director” as such term is defined by Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards.

Report of the Audit Committee

The following “Report of the Audit Committee” shall not be deemed incorporated by reference by any general statement incorporating this Proxy Statement into any filing under the Securities Act of 1933 (Securities Act), or under the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under the Securities Act or the Exchange Act.

The Audit Committee has reviewed and discussed the audited financial statements with management. The Audit Committee has discussed with the independent registered public accountants the matters required to be discussed by Statement of Auditing Standards No. 61, “Communication with Audit Committees,” as may be modified or supplemented. The Audit Committee has received the written disclosures and the letter from the independent registered public accountants required by Independence Standards Board Standard No. 1, as may be modified or supplemented, and has discussed with the independent registered public accountants their independence. Based on the review and discussions referred to above in this report, the Audit Committee recommended to the board of directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the last fiscal year for filing with the SEC.

In March 2004, Synergx's Board of Directors and its stockholders adopted a nonqualified stock option plan ("2004 Plan"), which will expire September 30, 2009. Under the 2004 Plan, the Board of Directors may grant options to eligible employees at exercise prices not less than 100% of the fair market value of the common shares at the time the options are granted. The number of shares of Common Stock that may be issued shall not exceed an aggregate of up to 10% of our issued and outstanding shares from time to time. Options vest at a rate of 20% per year commencing one year after date of grant. Issuances under the 2004 Plan are to be reduced by options outstanding under a prior 1997 nonqualified stock option plan.

In December 1995, the Board of Directors voted to institute a 401(k) plan for nonunion employees to be effective January 1, 1996. The plan includes a profit sharing provision at the discretion of the board of directors. There was no profit sharing contribution in 2008 or in 2007.

Employment Agreements. Each of our executive officers is covered by Employment Agreements (each, an "Employment Agreement").

In June 2008, we entered into an Employment Agreement with Paul Mendez under which Mr. Mendez will serve as our President and Chief Executive Officer. Under the terms of the original employment agreement, Mr. Mendez received a salary of \$20,000. Mr. Mendez does not participate in the Company's health-care plans.

Mr. Poserina's Employment Agreement, executed January 1, 1997 provides that if Mr. Poserina is terminated without "Cause" (as such term is defined in the Employment Agreement) by us he will be entitled to receive, for up to six months (the "severance period"), his annual base salary reduced by the compensation he may receive from any new employment. If there is a sale of all or substantially all of our assets or equity, then the severance period shall be 12 months without regard to any other compensation he might receive from new employment.

retainer of \$5,000. Directors also receive \$600 for each committee or special meeting attended by each non-management director. Each of our non-management directors were paid \$29,200 during the fiscal year ended September 30, 2008. The directors did not receive any equity compensation or other compensation.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act ("SEC") of 1934 requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten-percent shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based on its review of the copies of such forms received by it, the Company believes that, during fiscal 2008, all filing requirements applicable to its officers, directors and greater than ten-percent shareholders were met.

Code of Business Conduct and Ethics

On January 24, 2005, the Company adopted a Code of Business Conduct and Ethics that applies to our directors, officers and employees in the performance of their responsibilities with respect to the Company's business. The Company's Code of Business Conduct and Ethics is available on the Company's website at www.synergxsystems.com under the Corporate Governance section, and are available in print to any shareholder upon written request to the Secretary of the Company.

Certain Relationships and Related Transactions

At September 30, 2007, Firecom, Inc. ("Firecom") (a privately owned company involved in the fire alarm business) owned 1,352,544 shares or approximately 26.0% of our outstanding shares of common stock. During the fiscal year ended September 30, 2008, Firecom purchased an additional 225,568 shares increasing its beneficial ownership to 1,578,012 shares equal to 30.3% of our outstanding shares of common stock. On January 30, 2009, Firecom purchased 490,000 Shares of the Issuer from Heartland Advisors, Inc., at \$0.60 a share for a total purchase price of \$294,000, bringing its ownership to 39.7% of our outstanding shares of common stock.

Paul Mendez, our President and Chief Executive Officer, also serves as Chairman of the Board of Directors and Chief Executive Officer of Firecom. Peter Barotz, one of our directors, also serves as a director of Firecom.

In June 2008, we entered into an Employment Agreement with Paul Mendez under which Mr. Mendez will serve as our President and Chief Executive Officer. Under the terms of the original employment agreement, Mr. Mendez received a salary of \$20,000. On January 15, 2009, we entered into an Amendment to the Employment Agreement with Paul Mendez, effective October 1, 2008. As a result, we will pay Mr. Mendez an annual base salary of \$250,000 from October 1, 2008. Mr. Mendez does not participate in the Company's health-care plans. Pursuant to the Employment Agreement, both our Board of Directors and Mr. Mendez may terminate his employment without cause and at any time. Mr. Mendez has also agreed to certain non-competition and confidentiality provisions.

We have entered into several transactions with Firecom in the ordinary course of business that are not material to our revenues, gross profit or net income. Firecom has provided certain sales leads to us for products Firecom does not sell. These sales leads have resulted in additional sales of products to customers. We have paid Firecom 2% sales commissions related to these sales. Firecom has manufactured and sold to us certain fire alarm equipment made to our specifications. This equipment was sold to us for \$35,000 during the year ended September 30, 2008. From time to time, we have purchased and sold certain products used in Firecom's business. During the year ended September 30, 2008 these products were sold to Firecom for \$85,000. We have a consulting agreement with Firecom pursuant to

which Firecom provides certain hardware and software engineering and field trouble-shooting services. In offering these services, Firecom has agreed to keep information confidential and refrain from use of the information in its business.

Firecom also provides us with a full time employee who serves as President of our fire alarm products and services activities. Since February 2008, we paid Firecom \$135,000 for the services of this individual, which includes reimbursement for salary, payroll taxes and other employee benefits for such full-time employee.

During the fiscal year ended September 30, 2007, the Company retained its principal auditor, Marcum & Kliegman, LLP to provide services. On September 3, 2008, we dismissed Marcum & Kliegman LLP as our principal accountants. We engaged Nussbaum Yates Berg & Wolpov, LLP as the Company's new independent accountants to audit the Company's consolidated financial statements for the fiscal year ending September 30, 2008. We paid the following amounts for accounting services to our accountants:

Audit Related Fees	\$ 125,000	\$ 92,000
Tax Fees	26,000	25,000
All Other Fees	9,500	11,005

Consistent with SEC and PCAOB requirements regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee approves all audit and permissible non-audit services provided by the independent registered public accounting firm.
