Item 1.01. Entry into a Material Definitive Agreement.

On January 24, 2005, the Compensation Committee of Kirby's Board of Directors awarded discretionary bonuses to the Company's Chief Executive Officer and four other most highly compensated executive officers (the "named executive officers") under the Company's incentive bonus plan for 2004.

The Company's incentive bonus plan is based on the achievement of three equally weighted performance measures by each of the Company's three business groups - inland marine transportation, diesel engine services and offshore marine transportation - and by the Company as a whole. The three performance measures are EBITDA (net earnings before interest expense, taxes on income, depreciation and amortization), return on total capital and earnings per share.

At the beginning of the year, the Compensation Committee establishes objectives for each of the three performance measures for the year, based on the budget for the year approved by the Board of Directors. A target bonus expressed as a percentage of base salary was established for each participant. There is a range of possible bonuses under the plan, with no bonus earned unless at least 80% of the target performance is achieved and a maximum possible award of 200% of the target bonus if 120% of the target performance is achieved. Bonuses for employees of the Company itself (a holding company which conducts operations through its subsidiaries) are based entirely on the performance of the Company as a whole. Bonuses for the heads of the Company's business groups are based 50% on the performance of the business group and 50% on overall Company performance. Bonuses for all other employees in a business group are based 70% on the performance of the business group and 30% on Company performance.

Seventy-five percent of each participant's bonus is based on the achievement of the target performance by the Company and its business groups for the year (shown as the "formula bonus" in the table below); 25% of each participant's bonus is allocated based on a discretionary assessment of individual performance for the year (shown as the "discretionary bonus" in the table below).

At its January 24 meeting, the Compensation Committee awarded the full discretionary 25% of the bonus award to each named executive officer. The total bonuses earned by each named executive officer for 2004 were as follows:

Officer	Formula Bonus	Discretionary Bonus
Joseph H. Pyne President and Chief Executive Officer	\$ 454,286	\$ 151,428
C. Berdon Lawrence Chairman of the Board	\$ 347,637	\$ 115,879
Stephen P. Valerius President, Kirby Inland Marine, LP	\$ 205,406	\$ 68,468
Norman W. Nolen Executive Vice President, Treasurer and Chief Financial Officer	\$ 166,667	\$ 55,555
Mark R. Buese Senior Vice President- Administration	\$ 124,103	\$ 41,367
