Dear Fellow Shareholders:

On September 16, 2009, we will conduct an annual meeting at our corporate headquarters in San Diego, California. Among action items of the meeting will be the re-election of board members, the appointment of our auditors, and an amendment to increase the authorized shares of our common stock from 100 million to 250 million shares. At present, we have 55,206,942 shares issued and outstanding. However, when taking into account shares underlying warrants, options, and other commitments, we have limited shares remaining to fund operations and pursue other strategic opportunities. In this regard, I am asking for your support by returning your enclosed proxy in favor of increasing our authorized shares.

In the interim, I have executed an agreement that locks up a majority of my personal shares until the amendment to increase our authorized shares has been approved. This will insure we don't run into a common share deficit as we approach the commercialization of our science into the marketplace.

As a Company, we have taken a conservative approach to the use of equity and have a track record of responsible management of the Company and its pool of available shares. The increase in authorized shares represents an essential step to protect the financial soundness of our company and will further the interests of all shareholders and advance the vision for treating infectious disease and cancer. Please contact me directly if you have any questions at 619.368.2000.

Respectfully,

James Joyce
Chairman of the Board,
& Chief Executive Officer

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to Be Held on September 16, 2009: The Proxy Statement and Annual Report on Form 10-K are available at www.edocumentview.com/AEMD.

RECORD DATE

The record date for the Meeting is July 20, 2009 (the “Record Date”). Only stockholders of record at the close of business on the Record Date will be entitled to vote at the Meeting.

STOCKHOLDERS ENTITLED TO VOTE

Each share of the Company’s common stock, \$.001 par value (“Common Stock”), outstanding at the close of business on the Record Date will be entitled to one vote on all matters submitted to a vote at the Meeting. As of July 21, 2009, there were 55,123,681 shares of Common Stock outstanding. Each outstanding share is entitled to one vote on each matter properly brought before the Meeting.

QUORUM

A majority of the shares entitled to vote, present in person or represented by proxy at the Meeting, shall constitute a quorum. Votes cast by proxy or in person at the Meeting will be tabulated by the Inspectors of Election in conjunction with information received from our transfer agent. The Inspectors of Election will also determine whether or not a quorum is present.

Shares that abstain from voting as to the proposals, and shares held in “street name” by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to the proposals (“broker

non-votes”), will be counted for purposes of determining whether a quorum is present at the Meeting.

The affirmative vote of the holders of a majority of a quorum present at the Meeting in person or by proxy is required to elect the members of the Board of Directors. The affirmative vote of holders of a majority of the shares issued and outstanding is required to approve the amendment of the Company’s Articles of Incorporation.

PROXIES

All shares entitled to vote and represented by properly executed proxies received prior to the Meeting, and not revoked, will be voted as instructed on those proxies. If no instructions are indicated, the shares will be voted as recommended by the Board of Directors.

If any other matters are properly presented at the Meeting for consideration, the persons named in the enclosed form of proxy and acting thereunder will have discretion to vote on those matters in accordance with their own judgment to the same extent as the person signing the proxy would be entitled to vote. The Company does not anticipate that any other matters will be raised at the Meeting.

Any proxy may be revoked at any time before it is voted by (i) filing with the Secretary of the Company, at or before the taking of the vote at the Meeting, a written notice of revocation or duly executed proxy, in either case dated later than the prior proxy relating to the same shares or (ii) attending the Meeting and voting in person (although attendance at the Meeting will not of itself revoke a proxy). Any written notice of revocation or subsequent proxy should be sent so as to be delivered to Aethlon Medical, Inc., 3030 Bunker Hill Street, Suite 4000, San Diego, California 92109, Attention: Secretary, or hand delivered to the Secretary, before the taking of the vote at the Meeting.

PROPOSAL #1 – ELECTION OF DIRECTORS

A board of four directors is to be elected at the Meeting for a one-year term. Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the Company's nominees named below.

The four nominees selected by the Board of Directors are listed below. Each of the nominees must receive the vote of the majority of a quorum present at the Meeting to be elected. Any shares not voted, whether by abstention, broker non-vote, or otherwise, have no impact on the vote.

The Board of Directors intends to vote proxies equally for the nominees unless otherwise instructed on the proxy card. If you do not wish your shares to be voted for particular nominees, please identify the exceptions in the designated space provided on the proxy card.

If at the time of the Meeting one or more of the nominees have become unavailable to serve, shares represented by proxies will be voted for the remaining nominees and for any substitute nominee or nominees designated by the Board of Directors. All of the nominees are currently directors of the Company. All of the nominees have consented to serve if elected. The Board has no reason to anticipate that any of the nominees will not be able to serve, if elected.

Directors elected at the Meeting will hold office until the next Annual Meeting of Stockholders or until their successors have been elected and qualified. For each nominee there follows a brief listing of principal occupation for at least the past five years and other significant affiliations.

Barry and Broenniman are independent directors as that term is defined under Nasdaq Marketplace Rule 5605(a)(2).

Other than the Audit and Compensation Committees, the Company does not have any standing nominating or other committees of the Board of Directors. Each of the directors is serving for a term that extends to the next Annual Meeting of Stockholders of the Company.

Upon the recommendation of our Compensation Committee, in February 2005, we adopted our 2005 Directors Compensation Program (the "Directors Compensation Program"), which advances our interest by helping us to obtain and retain the services of outside directors upon whose judgment, initiative, efforts and/or services we are substantially dependent, by offering to or providing those persons incentives or inducements affording such persons an opportunity to become owners of our capital stock. Under the Directors Compensation Program, a newly elected director will receive a one-time grant of a non-qualified stock option of 1.5% of the Common Stock outstanding at the time of election. The options will vest one-third at the time of election to the Board and the remaining two-thirds will vest equally at year end over three years. Additionally, each director will also receive an annual \$25,000 non-qualified stock option retainer, \$15,000 of which is to be paid at the first of the year to all directors who are on the Board prior to the first meeting of the year and a \$10,000 retainer to be paid if a director attends 75% of the meetings either in person, via conference call or other electronic means. The exercise price for the options under the Directors Compensation Program will equal the average closing price of the last ten (10) trading days prior to the date earned. At March 31, 2009, we had issued under the Directors Compensation Program 1,337,825 options to outside directors and 3,965,450 options to employee-directors, for a total of 5,303,275 options, 4,744,550 of which remain outstanding.

No director of the Company has resigned or declined to stand for re-election to the Board of Directors because of disagreement with the Company on any matters relating to the Company's operations, policies or practices since the date of the last Annual Meeting of Stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE COMPANY'S STOCKHOLDERS VOTE "FOR" THE ELECTION OF THE FOREGOING SLATE OF NOMINEES FOR THE BOARD OF DIRECTORS, AND YOUR PROXY WILL BE SO VOTED UNLESS YOU SPECIFY OTHERWISE.

Under Rule 13d-3(d)(1), shares not outstanding that are subject to options, warrants, rights or conversion privileges exercisable by a person within 60 days are deemed outstanding for the purpose of calculating the number and percentage owned by such person but not deemed outstanding for the purpose of calculating the percentage owned by each other person listed. The Agreement also provides Mr. Joyce certain protections in the event the Company shall undergo a Change of Control Transaction while his options are suspended. Such protections include the right to receive, in the form of cash payments, the positive value of his options (which remain subject to suspension) at the time of such transaction. A copy of the Option Suspension Agreement is filed as an exhibit to the Annual Report.

In addition, Mr. Joyce has been granted 4,000,000 shares of restricted Common Stock, at a price per share of \$0.24, which shall vest in equal monthly installments over a thirty-six-month period commencing June 9, 2010; however, such shares will not be issued until the filing of the amended Articles of Incorporation.

Both Mr. Joyce's and Dr. Tullis' agreements provide for medical insurance and disability benefits, one year of severance pay if their employment is terminated by us without cause or due to change in our control before the expiration of their agreements, and bonus compensation and stock option grants as determined by our Board of Directors. Both agreements also contain restrictive covenants preventing competition with us and the use of confidential business information, except in connection with the performance of their duties for the Company, for a period of two years following the termination of their employment with us.

DIRECTORS COMPENSATION PROGRAM

Under the Directors Compensation Program, adopted by us in February 2005, a newly elected director will receive a one-time grant of a non-qualified stock option of 1.5% of the Common Stock outstanding at the time of election. The options will vest one-third at the time of election to the Board and the remaining two-thirds will vest equally at year

end over three years. Additionally, each director will also receive an annual \$25,000 non-qualified stock option retainer, \$15,000 of which is to be paid at the first of the year to all directors who are on the Board prior to the first meeting of the year and a \$10,000 retainer to be paid if a director attends 75% of the meetings either in person, via conference call or other electronic means. The exercise price for the options under the Directors Compensation Program will equal the average closing price of the last ten (10) trading days prior to the date earned. At March 31, 2009, under the 2005 Directors Compensation Program we had issued 1,337,825 options to outside directors and 3,965,450 options to employee-directors for a total of 5,303,275 options, of which 4,744,550 remained outstanding. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following describes all transactions since April 1, 2007, and all currently proposed transactions, in which the Company was or is to be a participant and the amount involved exceeds the lesser of \$120,000 or one percent of the average of the Company's total assets at year-end for the last two completed fiscal years, and in which any related person had or will have a direct or indirect material interest.

On June 29, 2009, Mr. Joyce, our Chief Executive Officer, entered into an Option Suspension Agreement, whereby Mr. Joyce has agreed not to exercise his stock options pending the filing of amended Articles of Incorporation of the Company increasing the Company's authorized capital. Accordingly, of Mr. Joyce's total options, 2,857,143 cannot be exercised until the amended Articles of Incorporation are filed, and 6,731,090 cannot be exercised until the later of June 9, 2010 or the filing of the amended Articles of Incorporation. The agreement also provides Mr. Joyce certain protections in the event the Company shall undergo a Change of Control Transaction while his options are suspended. Such protections include the right to receive, in the form of cash payments, the positive value of his options (which remain subject to suspension) at the time of such transaction. A copy of the Option Suspension Agreement is filed as an exhibit to the Annual Report.

In addition, Mr. Joyce has been granted 4,000,000 shares of restricted Common Stock, at a price per share of \$0.24, which shall vest in equal monthly installments over a thirty-six-month period commencing June 9, 2010; however, such shares will not be issued until the filing of the amended Articles of Incorporation.

MEETINGS OF THE BOARD OF DIRECTORS

During the last fiscal year, the Board of Directors held three meetings and took action 16 times by written consent. Each director attended at least 75% of the aggregate of (1) the total number of meetings of the Board of Directors held during the period he served as a director and (2) the total number of meetings held by committees of the Board of Directors on which he served during the period he served.

ATTENDANCE OF BOARD MEMBERS AT ANNUAL STOCKHOLDERS' MEETING

With the exception of Mr. James A. Joyce, who is required to attend our Meeting, we do not currently have a policy with regard to attendance by the remaining members of the Board of Directors. All members of the Board of Directors attended the previous Annual Meeting of Stockholders.

REPORT ON COMMITTEES

The Board of Directors has two standing committees, its Audit Committee and its Compensation Committee. Information regarding both is described below.

AUDIT COMMITTEE. Our Board of Directors formed an Audit Committee in May of 1999. Mr. Franklyn S. Barry, Jr. (the Chairman of the Committee) and Mr. Edward Broenniman serve as members of the Committee. The Audit Committee met four times during the 2009 fiscal year.

The Audit Committee assists the Board of Directors in its oversight of the quality and integrity of our accounting, auditing, and reporting practices. The Audit Committee's role includes overseeing our internal accounting and financial reporting and auditing processes and discussing with management our processes to manage business and financial risk, and for compliance with significant applicable legal, ethical, and regulatory requirements. The Audit Committee is responsible for the appointment, compensation, retention, and oversight of the independent auditor

engaged to prepare or issue audit reports on our financial statements and internal control over financial reporting. The Audit Committee relies on the expertise and knowledge of management and the independent auditor in carrying out its oversight responsibilities. The Audit Committee has a charter delineating its specific responsibilities.

COMPENSATION COMMITTEE. Our Board of Directors formed a Compensation Committee in May of 1999. Mr. Franklyn S. Barry, Jr. and Mr. Edward Broenniman (the Chairman of the Committee) serve as members of the Compensation Committee. The Compensation Committee met seven times during the 2009 fiscal year.

Our Board of Directors has delegated to the Compensation Committee strategic and administrative responsibility on a broad range of issues. The Compensation Committee's basic responsibility is to assure that the Chief Executive Officer, other officers, and key management are compensated effectively in a manner consistent with our compensation strategy and competitive practice. In addition, the Compensation Committee is responsible for establishing general compensation guidelines for non-management employees.

The Compensation Committee will be responsible for overseeing and, as appropriate, making recommendations to the Board regarding the annual salaries and other compensation of our executive officers, our general employee compensation and other policies and providing assistance and recommendations with respect to our compensation policies and practices. The Compensation Committee is authorized to carry out these activities and other actions reasonably related to the Compensation Committee's purposes or assigned by the Board from time to time. The Compensation Committee has a charter delineating its specific responsibilities. The Compensation Committee does not delegate its authority in determining or recommending amounts or forms of executive or director compensation.

The Board of Directors does not have a nominating committee. Due to the stage of growth of the Company and the small size of our Board, we consider it appropriate not to have a nominating committee but rather to discuss potential nominations at the full Board level.

DIRECTOR NOMINATION PROCESS

Nominees to our Board of Directors are selected by our Board of Directors. Each nominee to our Board of Directors expressed a willingness to serve during the 2009 fiscal year and, based on a review of their qualifications, was deemed to be suitable a candidate for nomination.

Our Board of Directors does not have a formal policy with regard to the consideration of any director candidates recommended by stockholders. While the Board of Directors may consider candidates recommended by stockholders, there is currently no requirement that it do so. To date, no stockholder has recommended a candidate for nomination to the Board. Given that we have not received director nominations from stockholders in the past and that we do not canvass stockholders for such nominations, we believe it is appropriate not to have a formal policy in that regard. We do not pay a fee to any third party to identify or evaluate or assist in identifying or evaluating potential nominees.

Stockholder recommendations for director nominations may be submitted to the Company at the following address: Aethlon Medical, Inc., 3030 Bunker Hill Street, Suite 4000, San Diego, California 92109. Such recommendations will be forwarded to the Board of Directors for consideration provided that they are accompanied by sufficient information to permit the Board to evaluate the qualifications and experience of the nominees.

We do not have specific minimum qualifications that must be met before a nominee to our Board of Directors may be considered. Instead, the members of the Board look at the total qualifications presented by the candidate, which may include, but not be limited to, business experience, experience in our industry, an understanding of the accounting principles applicable to our industry and generally accepted accounting principles, and education. A candidate for director must agree to abide by our Code of Business Conduct and Ethics.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. Management is responsible for our financial statements and the financial reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles. In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements that have been included in the Annual Report.

The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from the Company and its management, including the matters in the written disclosures provided to the Audit Committee as required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees.

Based on the foregoing, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, the inclusion of the audited financial statements in the Annual Report for filing with the SEC. The Audit Committee has also recommended the selection of the Company's independent auditors for the fiscal year ending March 31, 2010.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE APPOINTMENT OF SQUAR, MILNER, PETERSON, MIRANDA & WILLIAMSON, LLP AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE FISCAL YEAR ENDING MARCH 31, 2010.

PROPOSAL #3 – APPROVAL OF AMENDMENT TO ARTICLES OF INCORPORATION
TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF OUR COMMON STOCK
FROM 100,000,000 TO 250,000,000

We believe that an increase in the number of authorized shares of our Common Stock is prudent in order to assure that a sufficient number of shares of our Common Stock are available for issuance in the future if our Board of Directors deems it to be in our and our stockholders' best interests. A total of an additional 150,000,000 shares of Common Stock has been determined by our Board of Directors to be a reasonable estimate of what might be required in this regard for the foreseeable future to accommodate fundraising and other opportunities involving the issuance of our capital stock. Immediately following this increase, the Company will have approximately 194,876,319 shares of Common Stock authorized but unissued and available for issuance.

The remaining authorized but unissued shares of Common Stock will be available for issuance from time to time as may be deemed advisable or required for various purposes, including the issuance of shares in connection with financings or acquisition transactions and the issuance or reservation of Common Stock for employee stock options. The Company's Board will be able to authorize the issuance of shares for these transactions without the necessity, and related costs and delays, of either calling a special stockholders' meeting or waiting for the regularly scheduled Annual Meeting of Stockholders in order to increase the authorized capital. If in a particular transaction stockholder approval were required by law, applicable stock exchanges or markets, or were otherwise deemed advisable by the Board, then the matter would be referred to the stockholders for their approval notwithstanding that the Company might have the requisite number of voting shares to consummate the transaction.

The amendment of the Company's Articles of Incorporation (the "Amendment") is not intended to have any anti-takeover effect and is not part of any series of anti-takeover measures contained in any debt instruments or the Articles of Incorporation or the Bylaws of the Company in effect on the date of this Proxy Statement. However, the Company's stockholders should note that the availability of additional authorized and unissued shares of Common Stock could make any attempt to gain control of the Company or the Board more difficult or time-consuming and that the availability of additional authorized and unissued shares might make it more difficult to remove management. Although the Board currently has no intention of doing so, shares of Common Stock could be issued by the Board to dilute the percentage of Common Stock owned by any stockholder and increase the cost of, or the number of, voting shares necessary to acquire control of the Board or to meet the voting requirements imposed by Nevada law with respect to a merger or other business combination involving the Company. The Company is not aware of any proposed attempt to take over the Company. The Company has no present intention to use the increased number of authorized shares of Common Stock for anti-takeover purposes.

The text of the Amendment is attached to this Proxy Statement as Exhibit A. The Amendment will become effective once it is filed with the Secretary of State of Nevada.

Upon filing the Amendment with the Secretary of State of Nevada, the Company's authorized shares will increase from one hundred million shares to two hundred fifty million shares of which two hundred fifty million shares will be Common Stock.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE INCREASE IN AUTHORIZED SHARES.
