FORWARD LOOKING STATEMENTS

This Form 8-K and other reports filed by Registrant from time to time with the Securities and Exchange Commission (collectively the "Filings") contain or may contain forward looking statements and information that are based upon beliefs of, and information currently available to, Registrant's management as well as estimates and assumptions made by Registrant's management. When used in the Filings the words "anticipate," "believe," "estimate," "expect," "future," "intend," "plan" or the negative of these terms and similar expressions as they relate to Registrant or Registrant's management identify forward looking statements. Such statements reflect the current view of Registrant with respect to future events and are subject to risks, uncertainties, assumptions and other factors relating to Registrant's industry, Registrant's operations and results of operations and any businesses that may be acquired by Registrant. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned.

Although Registrant believes that the expectations reflected in the forward looking statements are reasonable, Registrant cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States, Registrant does not intend to update any of the forward-looking statements to conform these statements to actual results.

ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On October 30, 2013, Aethlon Medical, Inc. ("Registrant" or the "Company") entered into a unit purchase agreement (the "Unit Purchase Agreement") and subscription agreements (the "Subscription Agreements") with three accredited investors (collectively, the "Purchasers"), pursuant to which the Purchasers purchased an aggregate of 18.4 units (collectively, the "Units") from the Company, with each Unit consisting of (a) one hundred thousand (100,000) shares of the Company's common stock, par value \$.001 per share (the "Common Stock"), at a purchase price of \$0.125 per share and (b) a warrant to purchase fifty thousand (50,000) shares of Common Stock (collectively, the "Warrants"). The Purchasers acquired an aggregate of 1,840,000 shares of Common Stock and Warrants to acquire up to an aggregate of 920,000 shares of Common Stock for an aggregate purchase price of \$230,000. Each Warrant is exercisable for a period of five years from the date of issuance at an exercise price of \$0.22, subject to adjustment. A Purchaser may exercise a Warrant on a cashless basis. In the event a Purchaser exercises a Warrant on a cashless basis, we will not receive any proceeds. The exercise price of the Warrants is subject to customary adjustments provisions for stock splits, stock dividends, recapitalizations and the like.

Each Purchaser has contractually agreed to restrict its ability to exercise its Warrant such that the number of shares of the Common Stock held by the Purchaser and its affiliates after such exercise does not exceed 4.99% of the Company's then issued and outstanding shares of Common Stock.

A FINRA registered broker-dealer was engaged as placement agent in connection with the private placement. We paid the placement agent a cash fee in the amount of \$52,600 (representing a \$25,000 activation fee, a 10% sales commission, and a 2% non-allocable expense allowance) and will issue the placement agent or its designees warrants to purchase an aggregate of 276,000 shares of Common Stock at \$0.22 per share. The warrants issued to the placement agent may be exercised on a cashless basis. In the event the placement agent exercises the warrants on a cashless basis, we will not receive any proceeds.

The securities sold in the private placement were not registered under the Securities Act, or the securities laws of any state, and were offered and sold in reliance on the exemption from registration afforded by Section 4(2) and Regulation D (Rule 506) under the Securities Act and corresponding provisions of state securities laws, which exempt transactions by an issuer not involving any public offering. Each Purchaser is an “accredited investor” as such term is defined in Regulation D promulgated under the Securities Act. This current report shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall such securities be offered or sold in the United States absent registration or an applicable exemption from the registration requirements and certificates evidencing such shares contain a legend stating the same.
