Item 5. Other Events.

In our Quarterly Report on Form 10-Q for the quarter ended June 30, 2003, we disclosed that we are the subject of a formal, nonpublic investigation by the Securities and Exchange Commission (SEC). On December 10, 2003, we received notice from the SEC indicating that the scope of its investigation had been expanded to include issues related to the valuation of our retained interests in securitized loans. As previously announced, our independent auditors, KPMG LLP, issued a letter to our Audit Committee noting a material weakness involving internal control relating to our policies and procedures for valuing these retained interests.

The SEC specifically advised us that its investigation is a fact-finding inquiry and that it has not reached any conclusions related to the matters under investigation. We are cooperating fully with the SEC in this investigation.
