### **Item 3. Source and Amount of Funds or Other Consideration**

The response set forth in Item 3 of the Original Schedule 13D is hereby amended by deleting the text of Item 3 in its entirety and replacing it with the following:

The initial acquisition of securities included herein were acquired in connection with the Issuer's emergence from bankruptcy on April 20, 2001. On that date, debt of the Issuer owned by FMA's investment management clients was exchanged for new securities, including the Common Stock. Such debt was acquired with funds of approximately \$122 million (including brokerage commissions). Thereafter, additional shares of Common Stock of the Issuer were acquired by FMA's investment management clients from time to time. All funds used for the acquisitions above were provided by FMA's investment management clients' working capital.

In connection with the acquisition of shares of Common Stock of the Issuer pursuant to the exercise of certain Series A Warrants and Series B Warrants of the Issuer, as described in further detail in Exhibit D hereto, the aggregate exercise price for the applicable exercise of such warrants was paid using a net issuance method, pursuant to which the Issuer retained from the total number of shares issuable pursuant to the exercise of the Series A Warrants and Series B Warrants, as applicable, that number of shares having a fair market value on the date of exercise equal to the aggregate exercise price payable on that date.

### **Item 5. Interest in Securities of the Issuer**

The response set forth in Item 5 of the Schedule 13D is hereby amended by deleting the text of Item 5 in its entirety and replacing it with the following:

(a-b) The 7,594,084 shares of Common Stock of the Issuer (the Securities), representing 19.5% of the outstanding Common Stock, are beneficially owned by one or more open-end investment companies or other managed accounts of FMA. Of the Securities, 34,750 shares represent the right to acquire shares of Common Stock within 60 days of the date hereof pursuant to the exercise of options granted to Michael J. Embler, an employee of FMA, in connection with his service on the Issuer's Board of Directors. In accordance with FMA's internal policy, all cash and non-cash compensation issued to FMA's employee in connection with such service will be distributed directly to

FMA's investment management clients.

Investment management contracts with FMA's investment management clients grant to FMA sole voting and investment power over the securities owned by or on behalf of its investment management clients. Therefore, FMA may be deemed to be, for purposes of Rule 13d-3 of the Act, the beneficial owner of the Securities.

FMA is a limited liability company, the managing member and sole member of which is Franklin/Templeton Distributors, Inc., which is a wholly-owned subsidiary of Franklin Resources, Inc. ("FRI"). Beneficial ownership by investment management subsidiaries and other affiliates of FRI is being reported in conformity with the guidelines articulated by the SEC staff in Release No. 34-39538 (January 12, 1998) relating to organizations, such as FRI, where related entities exercise voting and investment powers over the securities being reported independently from each other. The voting and investment powers held by FMA are exercised independently from FRI (FMA's parent holding company) and from all other investment management subsidiaries of FRI (FRI, its affiliates and investment management subsidiaries other than FMA are, collectively, FRI affiliates). Furthermore, internal policies and procedures of FMA and FRI establish informational barriers that prevent the flow between FMA and the FRI affiliates of information that relates to the voting and investment powers over the securities owned by their respective investment management clients. Consequently, FMA and the FRI affiliates report the securities over which they hold investment and voting power separately from each other for purposes of Section 13 of the Act.

Charles B. Johnson and Rupert H. Johnson, Jr. (the "Principal Shareholders") each own in excess of 10% of the outstanding common stock of FRI and are the principal stockholders of FRI. However, because FMA exercises voting and investment powers on behalf of its investment management clients independently of FRI, the Principal Shareholders, and their respective affiliates, beneficial ownership of the securities being reported by FMA is being attributed only to FMA. FMA disclaims any pecuniary interest in any of the Securities. In addition, the filing of this statement on behalf of FMA should not be construed as an admission that it is, and it disclaims that it is, the beneficial owner, as defined in Rule 13d-3, of any of the Securities.

Furthermore, FMA believes that it is not a "group" with FRI, the Principal Shareholders, or their respective affiliates within the meaning of Rule 13d-5 under the Act and that none of them are otherwise required to attribute to each other the beneficial ownership of the Securities held by any of them or by any persons or entities for whom or for which FRI subsidiaries provide investment management services.

(c) Other than the transactions described in Exhibit D of this statement, neither FMA nor, to the best of its knowledge, any of the persons listed in Exhibit A-1, have effected any transactions in the Common Stock during the 60-day period preceding the date this statement was filed.

CUSIP No. 494580103

(d) No person other than the respective investment management clients of FMA is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds of the sale of the securities being reported herein. Mutual Shares Fund, a series of Franklin Mutual Series Fund Inc., an investment company registered under the Investment Company Act of 1940, as amended, and an investment management client of FMA, has an interest in 2,873,783 shares, or 7.4%, of the class of securities being reported herein.

(e) Not applicable.
