THE SECURITIES EXCHANGE ACT OF 1934 AND SEC RULE 14F-1
NOTICE OF CHANGE IN THE COMPOSITION
OF THE BOARD OF DIRECTORS
June 6, 2007**

Preliminary Note

On April 23, 2007, Magic Communications, Inc., a Delaware corporation (the Company), filed an Information Statement on Schedule 14f-1 with the Securities and Exchange Commission. This Amendment No. 1 amends the information contained in the original Information Statement.

This Information Statement is being furnished to holders of record of the common stock of the Company, in accordance with the requirements of Section 14(f) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and Rule 14f-1 promulgated under the Exchange Act.

No vote or other action by the Company's stockholders is required in response to this Information Statement. Proxies are not being solicited.

INTRODUCTION

On April 12, 2007, the Company entered into a definitive Agreement and Plan of Merger (the Merger Agreement) with Post Tension of Nevada, a Nevada corporation (PTNV), and PTNV Acquisition Corp, a Florida corporation and a wholly-owned subsidiary of the Company (Acquisition Corp.). The Merger Agreement provides that, upon the terms and subject to the conditions set forth in the Merger Agreement, Acquisition Corp. will merge with and into PTNV. As a result of the Merger, PTNV will become a wholly-owned subsidiary of the Company.

Also as a result of the Merger each outstanding share of PTNV common stock was converted into the right to receive 10,160.064 shares of the Company's common stock as set forth in the Merger Agreement. Under the terms of the Merger Agreement at closing, the Company will issue, and the PTNV stockholders will receive, in a tax-free exchange, shares of Company common stock such that PTNV stockholders will own approximately 90% of the issued and outstanding shares of the Company. The Merger Agreement provides that the consummation of the Merger is subject to customary closing conditions, including state regulatory filings and issuance of the Company's common stock. The Merger was closed on April 12, 2007.

Post Tension of Nevada

Post-Tension of Nevada, a Henderson Nevada based company, provides post-tension components and systems that reinforce concrete construction for the residential and commercial markets of the western United States. The Company is 20 years old and management believes the Company is one of the largest domestically owned post tension companies.

The Company provides both full service and freight-on-board components. The full-service business accounts for 90% of the revenues. Before concrete slab (slab-on-ground or SOG) foundations are poured, the company installs the post-tension system. After the foundation is poured, with the system in place, when the proper psi is achieved, the post-tension cables are then tensioned to thirty-three thousand pounds each tendon. This creates a stronger base that eliminates unwanted expansion movement and settling that can otherwise damage interior and exterior walls. Post tension designs disburse the load throughout the slab, not only on perimeter or load-bearing walls.

As a consequence of the Merger, John Hohman, Ed Hohman and Kelly T. Hickel were appointed to the Board of Directors, effective ten days after the date of the filing of this Schedule with the Securities and Exchange Commission and the mailing of this Schedule to all stockholders of record of Magic who would be entitled to vote at a meeting for the election of directors.

Please read this Information Statement carefully. It contains certain biographical and other information concerning the Company's executive officers and directors after completion of the transactions under the reorganization agreement.

Change in Control of the Company

The Merger resulted in a change in control of the Company, as described herein. The issuance of the shares of the Company's common stock to the stockholders of PTNV resulted in the ownership by the stockholders of PTNV of approximately 90% of the shares of common stock of the Company immediately following the Merger. Of the shares of the Company's common stock issued in connection with the Merger, 12,700,080 (or approximately 37% of the total number of shares of the Company's common stock outstanding immediately following the Merger) were issued to Mr. Edward Hohman, and another 12,700,080 shares of the Company's common stock (or approximately 37% of the total number of shares of the Company's common stock outstanding immediately following the Merger) were issued to Mr. John Hohman. Edward and John Hohman were the principal stockholders of PTNV immediately prior to the Merger. In addition, 465,920 shares of the Company's common stock were issued to Mr. Kelly T. Hickel, and another 465,920 shares were issued to The Turnaround Group, LLC, an entity controlled by Mr. Hickel. Edward Hohman, John Hohman, and Kelly Hickel were also appointed to the board of directors of the Company in connection with the Merger. The source of the consideration paid by each of Edward Hohman, John Hohman, and Kelly Hickel for the shares of the Company's common stock issued to them was shares of PTNV owned by them immediately prior to the Merger 1,250 shares of PTNV common stock in the cases of each of Edward Hohman and John Hohman, and 46 shares of PTNV common stock in the cases of each of Kelly Hickel and The Turnaround Group, LLC. Following the Merger, there are 34,241,600 shares of the Company's common stock outstanding. Edward Hohman and John Hohman are brothers.

Table of Contents**Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.**

As a consequence of the Merger, Stephen D. Rogers and Maureen Rogers have resigned as directors, and Ed Hohman, John Hohman, and Kelly T. Hickel were appointed to the Board of Directors, effective ten days after the date of the filing of this Schedule 14f-1 with the Securities and Exchange Commission and the mailing of this Schedule to all stockholders of record of Magic who would be entitled to vote at a meeting for the election of directors. In addition, Stephen D. Rogers and Maureen Rogers resigned as officers of the Company. The Merger Agreement provides that Stephen D. Rogers and Maureen Rogers may designate two additional members to the Board of Directors.

As a consequence of the reverse merger transaction, Ed Hohman was appointed as President; John Hohman was appointed as Chief Operating Officer, and Kelly T. Hickel was appointed as acting Chief Financial Officer and Secretary.

BOARD OF DIRECTORS MEETINGS AND COMMITTEES

The Company presently does not have an audit committee, compensation committee or nominating committee. The Company does not have an audit committee charter or a charter governing the nominating process as the management of the Company believes that until the consummation of the Merger it has been premature at the early stage of the Company's management and business development to form audit, compensation and nominating committees. However, the new management of the Company may form an audit, compensation and nominating committee in the future. Until these committees are established, these decisions will continue to be made by the Board of Directors, and the entire Board of Directors is, by default, the Company's audit committee. Although the Board of Directors has not established any minimum qualifications for director candidates, when considering potential director candidates, the Board considers the candidate's character, judgment, skills and experience in the context of the needs of the Company and the Board of Directors. As of the date of this Information Statement, none of the Company's directors is independent, as that term is defined in Marketplace Rule 4200 of the NASDAQ Stock Market.

The Board of Directors did not hold any meetings during the fiscal year ended December 31, 2006.

The Board of Directors has discussed with its independent auditor the matters required to be discussed with its auditor, including matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1 AU Section 380, as adopted by the Public Company Accounting Standards Board in Rule 3200T. In addition, the Company's independent auditor provided to the Board of Directors the written disclosures and the letter required by Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*), as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and represented that it is independent from the Company.

Prior to the Merger, the Company did not have an audit committee financial expert, as determined under the rules of the Securities and Exchange Commission. The Board of Directors has determined that Kelly T. Hickel, a newly-appointed director as a result of the Merger, is the Company's audit committee financial expert. As Mr. Hickel is the Company's newly-appointed Chief Financial Officer, however, he is not an independent director, as that term is defined in Marketplace Rule 4200 of the NSADAQ Stock Market.

The Company's Board of Directors does not currently provide a process for stockholders to send communications to the Board of Directors as the Company management believes that until this point it has been premature given the limited liquidity of the common stock of the Company to develop such processes. However, the new management of the Company may establish a process for stockholder communications in the future.

STOCK OPTION PLAN

The board of directors, on November 24, 2002, adopted the Company's 2002 Non-Statutory Stock Option Plan (Plan) so as to provide a critical long-term incentive for employees, non-employee directors,

Table of Contents

consultants, attorneys and advisors of the Company and its subsidiaries, if any. The board of directors believes that the Company's policy of granting stock options to such persons will continue to provide it with a critical advantage in attracting and retaining qualified candidates. In addition, the Plan is intended to provide the Company with maximum flexibility to compensate plan participants. It is expected that such flexibility will be an integral part of the Company's policy to encourage employees, non-employee directors, consultants, attorneys and advisors to focus on the long-term growth of stockholder value. As of April 23, 2006, no options were issued.
