We refer to these offers as the "Exchange Offers" and each, an "Exchange Offer". When we use the term "Notes" in this prospectus, the term includes the Original Notes and the Exchange Notes unless otherwise indicated or the context otherwise requires. The terms of the Exchange Offers are summarized below and are more fully described in this prospectus.

The terms of each series of Exchange Notes are identical to the terms of the corresponding series of Original Notes, except that the transfer restrictions, registration rights and additional interest provisions applicable to the Original Notes do not apply to the Exchange Notes.

We will accept for exchange any and all Original Notes of each series validly tendered and not validly withdrawn prior to 5:00 p.m., New York City time, on November 16, 2016, unless extended with respect to the relevant Exchange Offer (the "Expiration Date"). You may withdraw tenders of Original Notes of each series at any time prior to the Expiration Date of the relevant Exchange Offer.

Edgar Filing: CREDIT SUISSE GROUP AG - Form 424B3

We will not receive any cash proceeds from the issuance of the Exchange Notes in the Exchange Offers. The Original Notes surrendered and exchanged for the Exchange Notes will be retired and canceled. Accordingly, the issuance of the Exchange Notes will not result in any increase in our outstanding indebtedness.

The exchange of Original Notes of each series for the corresponding series of Exchange Notes will not be a taxable event for U.S. federal income tax purposes.

Each broker-dealer that receives Exchange Notes for its own account pursuant to the Exchange Offers must acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Notes. The letter of transmittal states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of Exchange Notes received in exchange for Original Notes where such Original Notes were acquired by such broker-dealer as a result of market-making activities or other trading activities. We have agreed that, for up to 180 days after the consummation of the Exchange Offers, we will make this prospectus available to any broker-dealer for use in connection with any such resale. See "Plan of Distribution."

Consistent with the Original Notes, by its acquisition of the Exchange Notes, each holder of the Exchange Notes (including each beneficial owner) acknowledges, agrees to be bound by, and consents to the exercise of, any Swiss Resolution Power with respect to the Guarantor that results in the write-down and cancellation and/or conversion into equity of the Guarantor of the entire, or a portion of the, principal amount of, and/or accrued interest on, the Exchange Notes, irrespective of whether such amounts have already become due and payable prior to such action. By its acquisition of the Exchange Notes, each such holder (including each beneficial owner) further acknowledges, agrees to be bound by, and consents to the ordering of, any Restructuring Protective Measures that result in the deferment of payment of principal and/or interest under the Exchange Notes. By its acquisition of the Exchange Notes, each holder of Exchange Notes (including each beneficial owner) further acknowledges and agrees that its rights are subject to, and, if necessary, will be altered without such holder's consent, including by means of an amendment or modification to the terms of the Indentures, as defined herein, or of the Exchange Notes, so as to give effect to any such exercise of any Swiss Resolution Power or any such ordering of Restructuring Protective Measures. See "Description of the Exchange Notes Agreement with Respect to the Exercise of Swiss Resolution Power and the Ordering of Restructuring Protective Measures" for more information, including the definitions of Swiss Resolution Power, Swiss Resolution Authority, Restructuring Protective Measures and Restructuring Proceedings.

The Issuer will, without the consent of the holders, automatically substitute the Guarantor for itself for all purposes under the Exchange Notes upon the occurrence of a Restructuring Event, which we refer to as a "Restructuring Issuer Substitution". Upon a Restructuring Issuer Substitution, the Issuer shall be released from its obligations under the Exchange Notes and the Guarantor shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under the Exchange Notes with the same effect as if the Guarantor had been named as issuer under the Indentures and the Exchange Notes. Upon a Completion Event, under certain circumstances described herein, the Exchange Notes will be exchanged for a like principal amount of new Exchange Notes issued by the Issuer and guaranteed by the Guarantor on a one-for-one basis and any accrued and unpaid interest on the Exchange Notes to (but excluding) the date of such exchange will be paid in cash by the Guarantor to the Trustee, as herein defined, on behalf of the holders. See "Description of the Exchange Notes Issuer Substitution" and "Description of the Exchange Notes Exchange Following a Completion Event" for more information, including the definitions of Restructuring Event and Completion Event.

Like the Original Notes, the Exchange Notes are expected to be provisionally admitted to trading on the SIX Swiss Exchange AG (the "SIX Swiss Exchange") from November 25, 2016. The last trading day for each series of Exchange Notes is expected to be the second trading day prior to the date on which such series of Exchange Notes is fully redeemed, in accordance with the terms of the relevant Indenture. Application will be made to the SIX Swiss Exchange for listing of the Exchange Notes.

See "Risk Factors" beginning on page 20 of this prospectus.

The Exchange Notes are not deposit liabilities and are not insured by the Federal Deposit Insurance Corporation or any other governmental agency of the United States, Switzerland, the Bailiwick of Guernsey or any other jurisdiction. The Exchange Notes do not have the benefit of any agency or governmental guarantee.

Neither the Securities and Exchange Commission (the "SEC"), nor any state securities commission has approved or disapproved of these securities or passed upon the accuracy or adequacy of this prospectus. Any representation to the contrary is a criminal offense.

This prospectus is an advertisement and not a prospectus for the purposes of EU Directive 2003/71/EU (as amended).

You may elect to hold interests in the Exchange Notes through either The Depository Trust Company ("DTC") (in the United States), or Clearstream Banking, société anonyme, which we refer to as "Clearstream, Luxembourg," or Euroclear Bank, S.A./N.V., or its successor, as operator of the Euroclear System, which we refer to as "Euroclear" (outside of the United States), if you are participants of such systems, or indirectly through organizations which are participants in such systems. Interests held through Clearstream, Luxembourg and Euroclear will be recorded on DTC's books as being held by the U.S. depository for each of Clearstream, Luxembourg and Euroclear, which U.S. depositories will in turn hold interests on behalf of their participants' customers' securities accounts.

The date of this prospectus is October 18, 2016

countries and 47,180 employees from over 150 different nations. Our broad footprint helps us to generate a geographically balanced stream of revenues and net new assets and allows us to capture growth opportunities around the world. We serve our clients through three regionally focused divisions: Swiss Universal Bank, International Wealth Management and Asia Pacific. These regional businesses are supported by two other divisions specializing in investment banking capabilities: Global Markets and Investment Banking & Capital Markets. The Strategic Resolution Unit consolidates the remaining portfolios from the former non-strategic units plus additional businesses and positions that do not fit with our strategic direction. Our business divisions cooperate closely to provide holistic financial solutions, including innovative products and specially tailored advice.

Swiss Universal Bank

The Swiss Universal Bank division offers comprehensive advice and a wide range of financial solutions to private, corporate and institutional clients primarily domiciled in our home market of Switzerland, which offers attractive growth opportunities and where we can build on a strong market position across our key businesses. Our private banking business has a leading franchise in our Swiss home market and serves ultra-high-net-worth individuals, high-net-worth individuals and retail clients. Our corporate and institutional banking business serves large corporate clients, small and medium-sized enterprises, institutional clients and financial institutions.

International Wealth Management

The International Wealth Management division offers tailored financial solutions to wealthy private clients and external asset managers in Europe, the Middle East, Africa and Latin America through its private banking business. We offer institutional investors access to broader financial markets and differentiated product offerings.

Global Markets

The Global Markets division offers a broad range of equities and fixed income products and services and focuses on client-driven businesses and on supporting our private banking businesses and their clients. Our suite of products and services includes global securities sales, trading and execution services, prime brokerage, underwriting and comprehensive investment research. you are not an affiliate of ours;

Table of Contents

you are acquiring the Exchange Notes in the ordinary course of your business;

you are not participating, do not intend to participate, and have no arrangement or understanding with anyone to participate, in the distribution (within the meaning of the Securities Act) of the Exchange Notes; and

if you are a broker-dealer that will receive Exchange Notes for your own account in exchange for Original Notes that were acquired as a result of market-making activities or other trading activities, you will deliver a prospectus (or to the extent permitted by law, make available a prospectus to purchasers) in connection with any resale of such Exchange Notes. For further information regarding resales of the Exchange Notes by broker-dealers, see the discussion under the caption "Plan of Distribution."

Accrued Interest on the Exchange Notes and Original Notes

The Exchange Notes will bear interest from (and including) the most recent date on which interest on the applicable series of Original Notes has been paid or, if no interest has been paid on the applicable series of Original Notes, from (and including) the issue date of the applicable series of Original Notes. If your Original Notes are accepted for exchange, you will receive interest on the corresponding Exchange Notes and not on such Original Notes, provided that you will receive interest on the Original Notes and not the Exchange Notes if and to the extent the record date for such interest payment occurs prior to completion of the relevant Exchange Offer. Any Original Notes not tendered will remain outstanding and continue to accrue interest according to their terms.

Conditions to the Exchange Offers

Our obligation to accept Original Notes tendered in the Exchange Offers is subject to the satisfaction of certain customary conditions, including that we will not be obligated to consummate the Exchange Offers upon the occurrence of an event or events or the likely occurrence of an event or events that would or might reasonably be expected to prohibit, restrict or delay the consummation of the Exchange Offers or materially impair the contemplated benefits of the Exchange Offers. No Exchange Offer is conditioned upon any minimum amount of Original Notes being tendered or on the consummation of any other Exchange Offer. Subject to applicable law, we may waive any of these conditions in our sole discretion.

See "The Exchange Offers Conditions to the Exchange Offers."

Use of Proceeds

We will not receive any cash proceeds from the issuance of the Exchange Notes in the Exchange Offers. The Original Notes surrendered and exchanged for the Exchange Notes will be retired and canceled.

Resales

Based on existing interpretations of the Securities Act by the SEC staff set forth in several no-action letters to third parties, and subject to the immediately following sentence, we believe Exchange Notes issued under the Exchange Offers in exchange for Original Notes may be offered for resale, resold and otherwise transferred by the holders thereof (other than holders that are broker-dealers) without further compliance with the registration and prospectus delivery provisions of the Securities Act. However, any holder of Original Notes that (i) is an affiliate of ours, (ii) participates, intends to participate or has an arrangement or understanding with any person to participate in the Exchange Offers for the purpose of distributing any of the Exchange Notes, or (iii) is a broker-dealer that purchased any of the Original Notes from us for resale pursuant to Rule 144A or any other available exemption under the Securities Act, in each case (x) will not be able to rely on the interpretations of the SEC staff set forth in the above mentioned no-action letters, (y) will not be entitled to tender its Original Notes in the Exchange Offers and (z) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any sale or transfer of the Original Notes unless such sale or transfer is made pursuant to an exemption from such requirements.

Any broker-dealer that will receive Exchange Notes for its own account in exchange for Original Notes that were acquired as a result of market-making activities or other trading activities must deliver a prospectus (or to the extent permitted by law, make available a prospectus to purchasers) in connection with any resale of such Exchange Notes.

Consequences Of Not Exchanging Original Notes	If we complete the Exchange Offers and you do not exchange your Original Notes in the Exchange Offers, your Original Notes will continue to be subject to the existing restrictions on transfer described in the legend on your Original Notes. Although your Original Notes will continue to accrue interest, they will generally retain no rights under the Registration Rights Agreements. We currently do not intend to register any series of Original Notes under the Securities Act. Under limited circumstances, holders of the Original Notes, including holders that are not permitted to participate in the Exchange Offers or that may not freely sell Exchange Notes received in the Exchange Offers, may require us to file, and to cause to become effective, a shelf registration statement covering resales of Original Notes by these holders. For more information regarding the consequences of not tendering your Original Notes and our obligations to file a shelf registration statement, see "The Exchange Offers Consequences of Exchanging or Failing to Exchange the Original Notes" and "The Exchange Offers Registration Rights."

Guarantee

The Exchange Notes are fully and unconditionally guaranteed by the Guarantor on an unsubordinated basis, except that the relevant Guarantee will cease to exist upon the occurrence of any Issuer Substitution (as defined below) pursuant to which the Guarantor will be substituted for the Issuer for all purposes under any series of Exchange Notes. If, for any reason, the Issuer does not make any required payment of principal, premium, if any, of, and interest, if any, on the Exchange Notes when due, whether on the normal due date, on acceleration, redemption or otherwise, the Guarantor will cause the payment to be made to, or to the order of, the Trustee. Acknowledgement of Swiss Resolution Power and Restructuring Protective Measures

By its acquisition of the Exchange Notes, each holder of the Exchange Notes (including each beneficial owner) acknowledges, agrees to be bound by, and consents to the exercise of, any Swiss Resolution Power (as defined below) with respect to the Guarantor that results in the write-down and cancellation and/or conversion into equity of the Guarantor of the entire, or a portion of the, principal amount of, and/or accrued interest on, the Exchange Notes, irrespective of whether such amounts have already become due and payable prior to such action. By its acquisition of the Exchange Notes, each such holder (including each beneficial owner) further acknowledges, agrees to be bound by, and consents to the ordering of, any Restructuring Protective Measures (as defined below) that result in the deferment of payment of principal and/or interest under the Exchange Notes. By its acquisition of the Exchange Notes, each holder (including each beneficial owner) further acknowledges and agrees that its rights are subject to, and, if necessary, will be altered without such holder's consent, including by means of an amendment or modification to the terms of the Indentures or of the Exchange Notes, so as to give effect to any such exercise of Swiss Resolution Power or any such ordering of Restructuring Protective Measures. For the avoidance of doubt, this acknowledgement and consent does not qualify as a waiver of the rights, procedural or otherwise, existing for creditors generally, and the holders of the Exchange Notes specifically, under the applicable banking regulation pursuant to which any Swiss Resolution Power is exercised. See "Description of the Exchange Notes Agreement with Respect to the Exercise of Swiss Resolution Power and the Ordering of Restructuring Protective Measures" for more information.

"Restructuring Protective Measures" means any Protective Measures ordered by the Swiss Resolution Authority with respect to the Guarantor that are ordered or confirmed upon the opening of or during any Guarantor Restructuring Proceedings.

"Restructuring Proceedings" means restructuring proceedings within the meaning of article 28 et seq. of the Swiss Banking Act, and article 40 et seq. of the Ordinance of August 30, 2012 of the Swiss Financial Market Supervisory Authority FINMA (together with any successor thereto referred to herein as "FINMA") on the Insolvency of Banks and Securities Dealers, as may be amended from time to time (referred to herein as the "Swiss Banking Insolvency Ordinance"), or any successor Swiss law or regulation or analogous Swiss law or regulation applicable to banks or bank holding companies in Switzerland such as the Guarantor.

"Swiss Resolution Authority" means FINMA or any other authority in Switzerland that is competent under Swiss law to exercise a Swiss Resolution Power or to order Protective Measures at the relevant time.

Table of Contents

"Swiss Resolution Power" means any statutory power of the Swiss Resolution Authority that it may exercise during Restructuring Proceedings as set forth in article 28 et seq. of the Swiss Banking Act and article 40 et seq. of the Swiss Banking Insolvency Ordinance, or in any successor Swiss law or regulation or analogous Swiss law or regulation applicable to bank holding companies in Switzerland such as the Guarantor, including, without limitation, the power to (a) transfer the assets of the entity subject to such Restructuring Proceedings, or portions thereof, together with such entity's debt and other liabilities, or portions thereof, and contracts, to another entity, (b) stay (for a maximum of two business days) the termination of, and the exercise of rights to terminate, netting rights, rights to enforce or dispose of certain types of collateral or rights to transfer claims, liabilities or certain collateral, under contracts to which the entity subject to such Restructuring Proceedings is a party, (c) convert the debt of the entity subject to such Restructuring Proceedings into equity of the Guarantor, and/or (d) partially or fully write-down the obligations of the entity subject to such Restructuring Proceedings.

Waiver of Set-Off

By its acquisition of the Exchange Notes, each holder of the Exchange Notes (including each beneficial owner) will be deemed to have waived any right of set-off, compensation or retention, or in respect of such other netting arrangement in respect of any amount with respect to the Exchange Notes or the applicable Indenture that they might otherwise have against the Issuer or the Guarantor, whether before or during any respective Restructuring Proceedings or any winding up of the Issuer or the Guarantor.

Issuer Substitution

The Issuer may, without consent of the holders or the Trustee, substitute the Guarantor for itself for all purposes under the Exchange Notes of any series and the applicable Indenture at any time, provided that at such time interest on the Exchange Notes of such series may be paid without the deduction by the Guarantor of Swiss withholding tax (such substitution referred to herein as a "Voluntary Issuer Substitution").

Table of Contents

Whether or not interest on the Exchange Notes may be paid without the deduction by the Guarantor of Swiss withholding tax, and provided that a Voluntary Issuer Substitution has not previously occurred, the Issuer will, without the consent of the holders or the Trustee (which consent the holders shall be deemed to have given by their acquisition of the Exchange Notes), automatically and by operation of the terms of the applicable Indenture, substitute the Guarantor for itself for all purposes under the Exchange Notes and the applicable Indenture upon the occurrence of a Restructuring Event (such substitution referred to herein as a "Restructuring Issuer Substitution"). Upon any Issuer Substitution, the Issuer shall be released from its obligations under the relevant series of Exchange Notes and the applicable Indenture, and the Guarantor shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under the relevant series of Exchange Notes and the applicable Indenture with the same effect as if the Guarantor had been named as issuer under the applicable Indenture and the relevant series of Exchange Notes, and the relevant Guarantee shall cease to exist. See "Description of the Exchange Notes Issuer Substitution" for more information.

"Restructuring Event" refers to a Bank Restructuring Event or a Guarantor Restructuring Event, as applicable. A "Guarantor Restructuring Event" shall be deemed to have occurred upon the opening of Restructuring Proceedings by the Swiss Resolution Authority with respect to the Guarantor, referred to herein as "Guarantor Restructuring Proceedings." A "Bank Restructuring Event" shall be deemed to have occurred upon the opening of Restructuring Proceedings by the Swiss Resolution Authority with respect to Credit Suisse, referred to herein as "Bank Restructuring Proceedings."

Exchange Following a Completion Event

Upon a Completion Event (as defined below), if and to the extent that (a) the Exchange Notes of any series have not been fully written-down and/or converted into equity of the Guarantor and (b) the Guarantor is or would be required to deduct Swiss withholding tax from interest payments on the Exchange Notes under Swiss laws in effect at such time, then the Guarantor will exchange the Exchange Notes of such series for a like principal amount of New Notes (as defined below) on a one-for-one basis by (i) redeeming the Exchange Notes of the relevant series by delivering New Notes in lieu of cash to the Trustee on behalf of the holders and (ii) paying to the Trustee on behalf of the holders in cash any accrued and unpaid interest on the Exchange Notes of the relevant series up to (but excluding) the date of such exchange (for the avoidance of doubt, to the extent that such interest has not been written-down and cancelled or converted into equity of the Guarantor in connection with the relevant Guarantor Restructuring Proceedings) in each case on the date specified therefor in the Completion Event Notice (as defined below), which we refer to as a "Post-Restructuring Exchange." Receipt by the Trustee of the New Notes in exchange for the outstanding Exchange Notes of the relevant series and the required cash payment, if any, by the Guarantor will constitute good and complete discharge of the Guarantor's obligations in respect of the Exchange Notes of the relevant series. Notwithstanding the foregoing, if at the time of the Completion Event, the Guarantor is not and will not be required to deduct Swiss withholding tax from interest payments on the Exchange Notes under Swiss laws in effect at such time, the Guarantor may, but will not be required to, exchange the Exchange Notes of any series pursuant to a Post-Restructuring Exchange.

A "Completion Event" means, following a Restructuring Event, the publication of the notice by the Swiss Resolution Authority that the Guarantor Restructuring Proceedings have been completed; provided, however, that if the Restructuring Event occurred as a result of Bank Restructuring Proceedings only, and no Guarantor Restructuring Event has since occurred, then Completion Event means the publication of the notice by the Swiss Resolution Authority that the Bank Restructuring Proceedings have been completed (the Issuer agreeing to provide a copy of any notice referred to in this definition directly to DTC (as defined below) with an informational copy to the Trustee).
