North American Galvanizing & Coatings, Inc.

Annual Meeting of Stockholders
To Be Held on July 21, 2004

July 7, 2004

Dear Stockholder:

We are writing to correct a typographical error that appeared in the printed proxy statement recently mailed to you in connection with the solicitation of proxies for our 2004 Annual Meeting of Stockholders. Under Proposal 4, "Amendments of the Company's Restated Certificate of Incorporation to Effect a Reverse Stock Split Followed by a Forward Stock Split", the second hypothetical scenario on the bottom of page 22 should read as follows:

HYPOTHETICAL SCENARIO

RESULT

Ms. Eastwood has two separate record accounts. Immediately prior to the Reverse/Forward Split, she holds 100 shares of Common Stock in one account and 50 shares of Common Stock in the other. All of her shares are registered in her name only.

Each account will be treated individually. Because of the Minimum Number of shares, Ms. Eastwood will receive the cash-out price of her Common Stock in each account receiving fractional shares. Ms. Eastwood would receive \$150 (100 shares x \$1.00 plus 50 shares x \$1.00).

If Ms. Eastwood wants to continue her investment, she may choose to consolidate or transfer her two record accounts into one account with at least the Minimum Number of shares. Alternatively, she can buy at least 50 more shares in the first account or 100 more shares for the second account so that she meets the Minimum Number of shares in each account. She would have to complete this action prior to the Reverse/Forward Split so that the consolidation is completed prior to 5:00 p.m. (central time) on July 21, 2004. If she does consolidate these accounts, there is no need for a proxy. The shares will be consolidated by the Effective Date or, if she does not give timely notice to the transfer agent, that the financial institution holding the common stock will give timely notice to the transfer agent. If the transfer agent does not give timely notice, Ms. Eastwood will receive the cash-out price for her shares.

The proxy statement that we filed electronically with the SEC did not contain this typographical error.

We wanted to advise you of this typographical error in order to avoid any confusion. Please remember that your vote is important. Be sure to review the proxy materials previously provided to you to ensure that your shares are represented at the Annual Meeting.

Sincerely,

/s/ Paul R. Chastain
