In accordance with rules and regulations adopted by the Securities and Exchange Commission, instead of mailing a printed copy of our proxy materials to every stockholder, we are now furnishing proxy materials to our stockholders on the Internet. If you received a Notice of Internet Availability of Proxy Materials by mail, you may not receive a printed copy of the proxy materials other than as described below. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review all of the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs you as to how you may submit your proxy by telephone or over the Internet. If you received a Notice of Internet Availability of Proxy Materials by mail and did not receive proxy materials by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

The Securities and Exchange Commission’s rules permit us to deliver a single Notice or set of Annual Meeting materials to one address shared by two or more of our stockholders. This delivery method is referred to as “householding” and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one proxy statement and annual report to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of the Notice or Annual Meeting materials, as requested, to any stockholder at the shared address to which a single copy of those documents was delivered. If you prefer to receive separate copies of the proxy statement or annual report, contact Broadridge Financial Solutions, Inc. at 1.800.542.1061 or in writing at Broadridge, Household Department, 51 Mercedes Way, Edgewood, New York 11717. If you are currently a stockholder sharing an address with another stockholder and wish to receive only one copy of future Notices, proxy statements and annual reports for your household, please contact Broadridge at the above phone number or address.

Shares cannot be voted at the Annual Meeting unless the owner is present in person or by proxy. All properly executed and unrevoked proxies in the accompanying form that are received in time for the Annual Meeting will be voted at the Annual Meeting or any adjournment thereof in accordance with instructions thereon, or if no instructions are given, will be voted “FOR” the election of the named nominees as Directors of the Company, “FOR” the ratification of the appointment of BDO USA, LLP, as the Company’s independent registered public accounting firm, for the fiscal year ending June 28, 2015 and “FOR” the approval of the executive compensation and will be voted in accordance with the discretion of the person appointed as proxy with respect to other matters which may properly come before the Annual Meeting. Any person giving a proxy may revoke it by written notice to the Company at any time prior to the exercise of the proxy. In addition, although mere attendance at the Annual Meeting will not revoke the proxy, a stockholder who attends the Annual Meeting may withdraw his or her proxy and vote in person. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting. Abstentions will be counted in tabulations of the votes cast on each of the proposals presented at the Annual Meeting, whereas broker non-votes will not be counted for purposes of determining whether a proposal has been approved.

Board Leadership Structure

Mr. J. McCann serves as both our Chairman of the Board and our Chief Executive Officer. The Board has no policy that requires the combination or separation of the roles of Chairman and Chief Executive Officer. At this time, the Board believes that Mr. J. McCann is the director best suited to serve as Chairman of the Board. As the founder of the Company, he is most familiar with the Company's business and industry. He is uniquely situated to identify strategic priorities and to lead the Board in discussions regarding strategy and business planning and operations. The Board believes that Mr. J. McCann's dual role allows for a unified leadership and direction for the Board and the Company's executive management team. In addition, his service on other public company boards of directors and their committees provide the Board with valuable board-level experience. The Company does not currently have a lead independent director.

Board Oversight of Risk Management

The Board of Directors, as a whole and through its committees, oversees the Company's risk management process, including operational, financial, legal, strategic, marketing and brand reputation risks. The Audit Committee assists the Board in the oversight of the risk management process. In addition, the Board is guided by management presentations at Board meetings and throughout the fiscal year that serve to provide visibility to the Board about the identification, evaluation and management of risks the Company is facing as well as how to mitigate such risks.

Information about the Board and its Committees

Each of our Directors, other than Messrs. James F. McCann and Christopher G. McCann, qualifies as an "independent director" as defined under the published listing requirements of the NASDAQ Stock Market. The NASDAQ independence definition includes a series of objective tests. For example, an independent director may not be employed by us and may not engage in certain types of business dealings with the Company. In addition, as further

required by NASDAQ rules, the Board has made a subjective determination as to each independent Director that no relationship exists which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a Director. In making these determinations, the Board reviewed and discussed information provided by the Directors and by the Company with regard to each Director's business and personal activities as they may relate to the Company and the Company's management. In addition, as required by NASDAQ rules, the Board determined that the members of the Audit Committee each qualify as "independent" under special standards established by NASDAQ and the U.S. Securities and Exchange Commission (the "Commission") for members of audit committees. The Board does not have a formal policy with respect to diversity. The Board and Nominating and Corporate Governance Committee believe that it is critical for the Directors to have varying points of view, with a broad spectrum of experience, education, skills, backgrounds, professional and life experience that when viewed as the collective group, provide an ample blend of perspectives to allow the Board to fulfill its duties to the long-term interests of the Company's shareholders.

The table below provides current membership and meeting information for each of the Board committees for Fiscal 2014.

Stockholders should understand that these designations relate to our Audit Committee members' experience and understanding with respect to certain accounting and auditing matters and do not impose upon any of them any duties, obligations or liabilities that are greater than those generally imposed on a member of the Audit Committee or of the Board.

The Compensation Committee of the Board of Directors establishes the Company's compensation philosophy and makes a final determination on all forms of compensation to be provided to the Company's Section 16 Executive Officers ("Executive Officers"), including base salary and the provisions of the Sharing Success Program under which annual incentive compensation may be awarded. In addition, the Compensation Committee administers the Company's 2003 Long Term Incentive and Share Award Plan ("2003 Plan") under which option grants, stock appreciation rights, restricted awards, performance awards and equity awards may be made to Directors, officers, employees of, and consultants to, the Company and its subsidiaries. See "Named Executive Officer

Compensation—Compensation Discussion and Analysis—Sharing Success Program and Long-Term Incentive Equity Awards.” The Board of Directors has authorized a Secondary Committee of the Compensation Committee (the “Secondary Committee”), which consists of Mr. James F. McCann, to also review awards for all of the Company’s employees, other than its Executive Officers. The Compensation Committee also makes recommendations to the Board of Directors regarding Directors’ compensation. The Company’s Board of Directors adopted a written charter for the Compensation Committee in June 2003, as amended in June 2013, which outlines the responsibilities of the Compensation Committee. All of the members of the Company’s compensation committee are independent directors and have never been employees of the Company. A current copy of the charter of the Compensation Committee is available on our web site located at www.1800flowers.com under the Investor Relations section of the website.

The Nominating and Corporate Governance Committee will consider recommendations for prospective nominees for the Board from other members of the Board, management and others, including Stockholders, and may employ third-party search firms. The Company’s Board of Directors adopted a written charter for the Nominating and Corporate Governance Committee in June 2003, which outlines the responsibilities of the Committee. A current copy of the charter of the Nominating and Corporate Governance Committee is available on our website located at www.1800flowers.com under the Investor Relations section of the website.

No member of the Compensation Committee was an officer or employee of the Company at any time during Fiscal 2014.

Communication with Board of Directors

The Nominating and Corporate Governance Committee, on behalf of the Board, reviews letters from stockholders concerning the Company’s Annual Meeting of Stockholders and governance process, including recommendations of director candidates, and makes recommendations to the Board based on such communications. Stockholders can send communications to the Board and to the non-management Directors by mail in care of the Corporate Secretary at One Old Country Road, Suite 500, Carle Place, NY 11514, Attention: Gerard M. Gallagher, and should specify the intended recipient or recipients. All such communications, other than unsolicited commercial solicitations or communications, will be forwarded to the appropriate Director or Directors for review. Any such unsolicited commercial solicitation or communication not forwarded to the appropriate Director or Directors will be available to any non-management Director who wishes to review it.

Attendance at Meetings

During Fiscal 2014, the Board of Directors held four meetings and acted by unanimous written consent on four occasions. During Fiscal 2014, all incumbent Directors attended at least 75 % of the meetings of the Board of Directors and the meetings held by all committees of the Board of which they were a member. We expect Messrs. J. McCann and C. McCann, and no other directors, to attend the Annual Meeting; Messrs. J. McCann, C. McCann and DeMark, and no other directors, attended last year’s Annual Meeting of the Stockholders.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 ("Exchange Act") requires our Executive Officers and Directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the Commission. Executive Officers, Directors, and greater than 10% stockholders are required by Commission regulations to furnish us with copies of all reports they file pursuant to Section 16(a).

Based on a review of the copies of such reports furnished to us, we believe that all Section 16(a) filing requirements applicable to our Executive Officers, Directors and greater than 10% stockholders have been satisfied for Fiscal 2013 except that Arnie Leap inadvertently filed a late Form 3 and Mark Nance inadvertently filed a late Form 4.

(2) Stock awards reflect the aggregate grant date fair value of restricted stock awards computed in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718, "Compensation — Stock Compensation." The aggregate grant date fair value for restricted stock awards is calculated by multiplying the number of restricted stock awards by the closing market price of the Common Stock on the date the restricted stock awards are credited to a director's account. These award fair values have been determined based on the assumptions set forth in Note 13, "Stock Based Compensation" in the Notes to the Consolidated Financial Statements in the Company's Annual Report on Form 10-K for the fiscal year ended June 29, 2014.

On the date of each Annual Meeting, each Independent Director receives shares of the Company's Class A Common Stock equal to a value of \$20,000. The actual number of shares is determined by the closing price of the shares on the date of the Annual Meeting (the "Grant Date"). These shares fully vest on the first anniversary of the Grant Date. Shares granted on or after December 13, 2013 fully vest on the first anniversary of the Grant Date, whereas shares granted prior to December 13, 2013 vest ratably over 3 years from the Grant Date.

Compensation Discussion and Analysis

Compensation Philosophy and Objectives

This section discusses compensation to our Named Executive Officers, which consist of our Chief Executive Officer, our Chief Financial Officer and the three next most highly compensated Executive Officers of the Company, as determined under the rules of the Commission (collectively, the "NEO's").

The Compensation Committee believes that the compensation programs for its NEO's, as well as all of its Executive Officers, should reflect the Company's performance and the value created for the Company's stockholders. In addition, the compensation programs should support the short-term and long-term strategic goals and values of the Company and should reward individual loyalty to the Company and contribution to the Company's success. The Company is engaged in a very competitive industry, and the Company's success depends upon its ability to attract and retain qualified Executive Officers through the competitive compensation packages it offers to such individuals.

The fundamental policy of the Compensation Committee is to provide the Company's NEO's, as well as its Executive Officers, with competitive compensation opportunities based upon their contribution to the development and financial success of the Company. It is the Compensation Committee's philosophy that a significant portion of each NEO's and Executive Officer's compensation should be contingent upon the Company's financial performance. The Company also acknowledges the importance of attracting and retaining talented, motivated and success-oriented Executive Officers who share our overall corporate philosophy and will enable our Company to achieve its short and long-term goals. Accordingly, the compensation package for each NEO and Executive Officer is comprised of three elements: (i) base salary; (ii) annual incentives and (iii) long-term incentive equity awards.

Guiding Principles:

- Growth - To create an atmosphere that encourages superior growth and performance of the Company while also offering personal and professional growth.
- Teamwork - To encourage executives to work together effectively and efficiently so that company goals can be fully realized.
- Innovation - To encourage and reward creativity and innovation, including the development of new ideas and business opportunities for the Company.

- Market competitiveness - To offer a strong, comprehensive compensation package that will enable the Company to attract and retain qualified executive talent.

Setting Executive Compensation

We compete for senior executive talent with many leading companies. In order to stay competitive in the marketplace, a critical component of which is the recruitment and retention of executive talent, we periodically review the market competitiveness of our Executive Officer compensation programs. The Compensation Committee also reviews the Company's recent historical compensation practices for its executives, and considers recommendations from the Chief Executive Officer and President regarding the compensation of their direct reports, who include the other NEO's.

Elements of Compensation

The Compensation Committee believes that we can maximize the effectiveness of our compensation program by ensuring that all program elements are working in concert to motivate and reward performance. The elements of our executive compensation program are detailed below, together with the principal factors which the Compensation Committee considers in reviewing the components of each Executive Officer's compensation package. In general, for each compensation element, these factors include: the key role each Executive Officer performs for the Company; the benefit to the Company in assuring the retention of his or her services; the performance of the Company during the past fiscal year; the competitive market conditions for executive compensation; the executive's prior year compensation; and the objective evaluation of the Executive Officer's performance. The Compensation Committee may also, however, in its discretion, apply other factors with respect to executive compensation. We believe that our executive compensation program effectively strengthens the mutuality of interests between the Executive Officers and the Company's stockholders, which results in greater Company performance.

Base Salary. The Compensation Committee views base salary as the assured element of compensation that permits income predictability. Subject to existing employment agreements, our objective is to set base salary levels at the competitive norm. However, individual salaries may be above or below the competitive norm to reflect the strategic role, experience, proficiency and performance of the executive. Incumbents who have been in their positions for a longer period of time, and whose performance is superior, may be paid above the competitive norm. In addition, in the case of seasoned executives with strategic value who are newly hired into the Company, it may be necessary to pay above the competitive norm in order to attract the best candidates to the Company.

The minimum base salaries for Messrs. J. McCann and C. McCann are primarily prescribed in their employment agreements (see below for description of the employment agreements in the "Narrative Disclosure to Summary Compensation Table—Grants of Plan-Based Awards—Employment Agreements"). Annual base salary increases for the NEO's and other Executive Officers are determined on the basis of the employment agreements (for Messrs. J. McCann, C. McCann), as well as the following factors: the performance of the executive versus job responsibilities; the relationship between current salary and the range for the executive's level, ranges having been set in part based on the competitive norm in the industry; the average size of salary increase based upon the Company's financial performance; and whether the responsibilities or criticality of the position of the incumbents have been changed during the preceding year. The weight given to each of these factors may differ from individual to individual as the Compensation Committee deems appropriate. Increases for Fiscal 2014 for Messrs. J. McCann, C. McCann, Shea, Gallagher and Taiclet were 0%, 3.0%, 4.0%, 2.0% and 2.0%, respectively.

Annual Incentive Award. Annual incentive awards play a significant role in the Company's overall compensation package for its Executive Officers. The annual incentive award for the NEO's is based upon the Company's financial performance and, in the case of Messrs. C. McCann and Taiclet, also includes brand specific financial performance. This balance supports the accomplishment of the Company's overall financial objectives and rewards the individual contributions of our NEO's. Annual incentive programs for Executive Officers support the following

company objectives:

- Communication of important goals through performance targets that are aligned with business strategies.
 - Motivation for the entire management team to work together toward a common set of goals.
 - Reward executives on the basis of results achieved.
- Deliver annual incentive opportunities and payments through a structured, performance driven, objective mechanism.
 - Deliver a competitive level of compensation that is fully competitive with industry practice.

NEO's are eligible to receive annual incentive awards under the Company's Sharing Success Program.

Sharing Success Program. The Sharing Success Program is intended to cover management positions, including the NEO's. Each eligible plan participant is assigned a target award (expressed as a percentage of base salary) which represents the level of incentive award the participant can expect to earn in the event all performance measures are achieved at 100% during the ensuing fiscal year. For each fiscal year, specific performance measures are established by the Compensation Committee that reflect the key strategic and business goals established by the business plan for that year. EBITDA as used for purposes of the Sharing Success Program is defined as net income before interest, taxes, depreciation, amortization and stock based compensation expense on a pre-bonus basis, adjusted to exclude the impact of acquisitions and dispositions completed during the fiscal year ("Plan EBITDA"). Modified Free Cash Flow as used for purposes of the Sharing Success Program is defined as Plan EBITDA adjusted for the change in inventory for the fiscal year ("Modified Free Cash Flow"). Brand-specific Plan EBITDA as used for purposes of the Sharing Success Program is defined as EBITDA for the brand less corporate expenses ("Brand-specific Plan EBITDA"). Corporate expenses consist of the Company's enterprise shared service cost centers, and include, among other items, Information Technology, Human Resources, Accounting and Finance, Legal, and Executive, as well as Stock-Based Compensation. In order to leverage the Company's infrastructure, these functions are operated under a centralized management platform, providing support services throughout the organization. Brand performance is measured based on segment contribution margin or Brand-specific Plan EBITDA, reflecting only the direct controllable revenue and operating expenses of the segments. Brand-specific Modified Free Cash Flow as used for purposes of the Sharing Success Program is defined as Brand-specific Plan EBITDA adjusted for brand-specific inventory for the fiscal year ("Brand-specific Modified Free Cash Flow").

For Fiscal 2014, in the case of Messrs. J. McCann and Gallagher, the achievement of Company-wide Plan EBITDA was the performance measure selected for their annual incentive awards. For Mr. Shea, performance measures were the achievement of Company-wide Plan EBITDA and Modified Free Cash Flow. For Mr. C. McCann, performance measures were the aggregate of: (i) the achievement of brand-specific Plan EBITDA, (ii) brand-specific Modified Free Cash Flow, (iii) the achievement of Company-wide Plan EBITDA and (iv) the achievement of Company-wide Modified Free Cash Flow. For Mr. Taiclet, performance measures were the aggregate of: (i) the achievement of brand-specific Plan EBITDA, (ii) brand-specific Modified Free Cash Flow and (iii) the achievement of Company-wide Plan EBITDA. In order for Mr. Taiclet to receive an award related to Company-wide Plan EBITDA, 80% of the brand-specific performance measures must have been achieved.

The following table presents the NEO's targeted incentive award opportunity, as a percentage of their salary ("target award"), and the performance measures and relative weighting of their components for Fiscal 2014:

Name	Target Award (% of Salary)	Weighting of Performance Measures										Total
		Company-wide Modified					Brand-specific Modified

When Company-wide and/or brand-specific actual results exceed or fall below performance measures, actual awards are proportionately increased or decreased from the target awards. Participants may earn no Company-wide or brand-specific bonus if the threshold performance measures are not met (defined as achievement of 80% of performance measures, resulting in a 50% pay-out of target award) and no participant may be paid an incentive award under the Sharing Success Program in excess of maximum (defined as achievement of 150% of performance measures, resulting in a 200% pay-out of target award), as presented in the table below. In addition, all participants must be actively employed at the time of payment in order to qualify for the award.

For Fiscal 2014, the Company’s performance measures were a function of achieving specified EBITDA and Modified Free Cash Flow targets. For Fiscal 2014, the Company-wide performance measures were as follows: Company-wide Plan EBITDA of \$63.4 mm and Modified Free Cash Flow of \$64.8 mm. Brand-specific measures for Fiscal 2014 for Consumer Floral (which for the purposes of the Sharing Success Program is defined as Consumer Floral, BloomNet and 1-800-Baskets) were as follows: (i) Plan EBITDA of \$78.9 mm and (ii) Modified Free Cash Flow of \$75.2 mm. Brand-specific measures for Fiscal 2014 for Gourmet Food & Gift Baskets were as follows: (i) Plan EBITDA of \$28.8 mm and (ii) Modified Free Cash Flow of \$30.2 mm.

The following table reflects the relationship of actual performance against the Company’s performance measures. The performance measures range from “threshold” (the minimum achievement level of the performance measure at which an executive may earn 50% of the target award) to “maximum” (the maximum achievement level of the performance measure at which an executive may earn 200% of the target award). The weighting of performance measures are applied to the Target Award Multiples to produce the executive’s cash bonus award.

During Fiscal 2014, the Company-wide Actual Award Multiple was 69.8%. The Company-wide Actual Award Multiple for Fiscal 2013, 2012, 2011 and 2010 was 74.8%, 99.3%, 130.9%, and 0% of the target award, respectively. See "Summary Compensation Table - Non-Equity Incentive Plan Compensation" for payout amounts for Fiscal 2014 and Fiscal 2013.

Long-Term Incentive Equity Awards. In order to structure a long term incentive program for the Company's Executive Officers that would tie a significant portion of their compensation to the profitability of the Company, the Compensation Committee evaluated its long term incentive equity awards. All award grants are designed to align the interests of each Executive Officer with those of the stockholders and provide each individual with a significant incentive to manage the Company from the perspective of an owner with an equity stake in the Company.

The grant of an award is set at a level intended to create a meaningful incentive based in part on the Executive Officer's and NEO's current position with the Company, the base salary associated with that position, the size of comparable awards made to individuals in similar positions within the industry, and the individual's personal performance in recent periods. The Compensation Committee also takes into account the number of awards held by the Executive Officer in order to maintain an appropriate level of incentive for that individual. The Compensation Committee has the authority to review extraordinary events that impact on the Company's performance and may adjust the calculation of an award by taking into account the effect of any such extraordinary events. The Compensation Committee did not exercise such authority in Fiscal 2014.

In Fiscal 2014, the Compensation Committee approved an equity award grant for management level employees with a grant date of November 1, 2013. This grant intended to align shareholder interest with the long-term growth of the Company, as well as address employee retention concerns. Therefore the shares granted thereunder are: 100% performance based for NEO's, 25% time-vested and 75% performance based for senior management and 50% time-vested and 50% performance based for all other eligible members of management. The Fiscal 2014 equity award grant provided for 100% of the performance-based target shares to be earned upon the achievement of \$63.4 million in Plan EBITDA and 50% of the performance-based target shares to be earned upon the achievement 85% of Plan EBITDA. All of the shares, time-vesting and performance-based, which were earned, vest ratably over a three year period from the grant date (See "Summary Compensation Table").

In Fiscal 2014, the Compensation Committee approved a grant to Mr. C. McCann of 333,000 restricted shares and specified a grant date of October 31, 2014. Subject to continued employment, the restricted shares will vest ratably

over an 8-year period from the grant date. This award was in recognition of Mr. C. McCann's continued service as both President of the Company and the Consumer Floral brand, as well as the continued improvement in the Consumer Floral brand's performance results under his leadership (See "Summary Compensation Table").

In Fiscal 2014, the Compensation Committee approved a special incentive plan for each of Mr. Taiclet and Mr. Hartnett. Under Mr. Taiclet's plan, he is eligible to earn 125,000 shares if the brand-specific Plan EBITDA for the Gourmet Food & Gift Baskets segment ("GFGB") exceeds plan by 10% for the fiscal year ending July 3, 2016 and up to 250,000 shares if brand-specific Plan EBITDA for GFGB exceeds plan by 20% for the fiscal year ending July 3, 2016. These shares, if earned, will vest 60% upon the close of Fiscal 2016 and 20% each year thereafter. Under Mr. Hartnett's plan, he is eligible to earn 15,000 shares in each of Fiscal 14, 15 and 16 based upon brand-specific EBITDA targets for the 1-800-Flowers brand e-commerce business in those years. the 1-800-Flowers brand e-commerce business achieves the plan in each of the three fiscal years, then Mr. Hartnett will earn an additional 15,000 shares for a maximum of 60,000 shares. The shares for Mr. Hartnett's plan are 75% performance based and 25% time based and have a 3 year ratable vesting period.

Executive Benefits

The Company's NEO's, except for Mr. Gallagher, are eligible for the same level and offering of benefits made available to other employees, including our 401(k) Profit Sharing Plan (which includes a discretionary annual Company contribution), health care plan and other welfare benefit programs. We do not currently maintain any qualified or nonqualified defined benefit pension plans or nonqualified deferred compensation plans for our NEO's, except for the Nonqualified Supplemental Deferred Compensation Plan discussed below.

During Fiscal 2014, the Company offered a Nonqualified Supplemental Deferred Compensation Plan for certain executives. Participants can defer from 1% up to a maximum of 100% of salary and performance and non-performance based bonus. The Company will match 50% of the deferrals made by each participant during the applicable period, up to a maximum of \$2,500. The participants are vested in the Company's contributions based upon years of participation in the Plan. Distributions will be made to participants upon termination of employment or death in a lump sum, unless installments are selected.

Perquisites

We do not routinely provide any significant perquisites to our NEO's. Except for Messrs. J. McCann and C. McCann's perquisite which is disclosed in the Summary Compensation Table, the value of perquisites to each other NEO in Fiscal 2014 did not exceed \$10,000.

Severance/Change of Control

We do not maintain any severance or change of control plans or agreements. However, pursuant to the terms of employment agreements and incentive plans, certain NEO's are eligible to receive severance and other benefits in the case of certain termination events and in the case of a change in control. See "Potential Payments upon Termination and Change in Control" below.

Management's Role in Setting Executive Compensation

Although the Compensation Committee of the Board of Directors establishes the Company's compensation philosophy and makes the final determinations on all compensation paid to our Executive Officers, the Chief Executive Officer and President work closely with the Senior Vice President of Human Resources to develop compensation programs and policies and make recommendations regarding annual adjustments to the Executive Officers' salaries and incentive award opportunities (other than their own compensation).

Compensation Deductibility Policy

A federal income tax deduction will generally be available for annual compensation in excess of \$1 million paid to the Chief Executive Officer and the three other most highly compensated executive officers of a public corporation (other than the Chief Financial Officer) only if such compensation is “performance-based” and complies with certain other tax law requirements. The 2003 Long Term Incentive and Share Award Plan, the Section 16 Executive Officers Bonus Plan and the Sharing Success Plan contain certain provisions which are intended to ensure that any compensation deemed paid in connection with the granting of Awards or bonus compensation will qualify as performance-based compensation. Although our policy is to maximize the deductibility of all executive compensation, the Compensation Committee retains the discretion to award compensation that is not deductible under Section 162(m) of the Code when it is in the best interests of the Company to do so.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis provisions to be included in the Company’s filings pursuant to the Securities Exchange Act of 1934. Based on the reviews and discussions referred to above, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis referred to above be included in such filings.

Potential Payments upon Termination and Change in Control

The Company does not have a formalized severance policy. In accordance with the Company's 2003 Long Term Incentive and Share Award Plan (the "Plan") in the event of a Change of Control, as defined in the Plan, all outstanding Awards pursuant to which a Participant may have rights the exercise of which is restricted or limited, shall automatically become fully exercisable immediately prior to the time of the Change of Control and all performance criteria and other conditions shall be deemed to be achieved or fulfilled and shall be waived by the Company immediately prior to the time of the Change of Control so that the Shares subject to the Award will be entitled to participate in the Change of Control transaction.

In addition, as disclosed in Potential Payments Upon Termination and Change in Control, certain executives within the Company have individual employment agreements that contain negotiated provisions that trigger payments or provision of benefits upon termination or a change in control. Payment and benefit levels under the various circumstances that trigger payments or provision of benefits upon termination or a change in control for Messrs. James McCann and Christopher McCann were calculated and presented in accordance with the provisions of their respective employment agreements. For Fiscal 2014, potential payments under the circumstances triggered upon termination or change of control did not have a material impact on the Compensation Committee's evaluation of all other elements of compensation or total compensation.

The following table sets forth the potential payments to our NEO's under existing agreements, plans or arrangements, for various scenarios involving a change in control or termination of employment, assuming a June 29, 2014 termination date and using the closing price of the Company's Class A common stock on June 29, 2014 (\$5.74). Pursuant to the terms of the Sharing Success Program, the amounts shown do not include the Non-Equity Incentive Plan Awards which were earned as of June 29, 2014. The exact amount of payments and benefits that would be provided can only be determined at the actual time of the NEO's separation from the Company.

Certain Business Relationships with Directors and Officers

The Company has a policy providing that all material transactions between it and one or more of its Directors, Executive Officers, nominees for Director or a member of their immediate families must be approved either by a majority of the disinterested members of the Board or by the stockholders of the Company.

While the policy is not in writing, the Company's legal and finance staff is primarily responsible for the development and implementation of processes and controls to obtain information from the directors and executive officers with respect to related person transactions and for then determining, based on the facts and circumstances, whether the Company or a related person has a direct or indirect material interest in the transaction. This includes inquiries of its Directors and Officers, as well as a questionnaire that Directors and Officers are required to complete periodically. In determining whether to approve or ratify a related party transaction, the disinterested members of the Board will consider the relevant facts and circumstances, which may include the relationship of the individual with the Company,

the materiality of the transaction to the Company and the individual, and the business purpose and reasonableness of the transaction. As required under SEC rules, transactions that are determined to be directly or indirectly material to the Company or a related person, are disclosed in the Company's proxy statement. The Company considers individual transactions, or any series of transactions which, in the aggregate exceed \$120,000, to be material and requiring of disclosure.

Below are the transactions that occurred during Fiscal 2014 in which, to the Company's knowledge, the Company was or is a party, in which the amount involved exceeded \$120,000, and in which any Director, Director nominee, Executive Officer, holder of more than 5% of the Common Stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

For Fiscal 2014, Julie Mulligan, the sister of Directors and Executive Officers, James F. McCann and Christopher G. McCann, was employed as a Senior Vice President of Product Development. Ms. Mulligan's compensation was unanimously approved by the Independent Directors of the Board. Ms. Mulligan's base salary for Fiscal 2014 was \$256,918. Ms. Mulligan received a bonus under the Company's annual incentive plan ("Sharing Success Program") of \$58,365 for Fiscal 2014.

Gallagher, our General Counsel, Senior Vice President and Corporate Secretary, is the founder and managing partner in the law firm of Gallagher, Walker, Bianco & Plataras, LLP based in Mineola, New York. The Company, with the approval of the Board, also pays the law firm fees for services rendered by other members of the firm on the Company's behalf.

The section titled "Summary Compensation Table" sets forth the compensation paid in Fiscal 2014 by the Company to the firm for services provided by Mr. Gallagher. For legal services provided by the other members of the firm the Company paid \$475,393.00 in fees and \$27,281.82 in disbursements. The Company believes that collectively these fees and disbursements are fair and reasonable.

To the Board of Directors
of 1-800-FLOWERS.COM, INC. (the "Company"):

We, the members of the Audit Committee, assist the Board of Directors in its oversight of the Company's financial accounting, reporting and controls. We also evaluate the performance and independence of the Company's independent registered public accounting firm. We operate under a written charter that both the Board and we have approved. A current copy of the Audit Committee charter can be found on the Company's website located at www.1800flowers.com under the Investor Relations section of the website.

The Board annually reviews the NASDAQ listing standards definition of independence for audit committee members and has determined that each member of the Audit Committee meets that standard. In addition, although the Board has determined that each of the members of the Audit Committee meets NASDAQ regulatory requirements for financial literacy and that Eugene DeMark is an "audit committee financial expert," as defined by Commission rules, and is financially sophisticated under NASDAQ requirements, we would like to remind our stockholders that we are not professionally engaged in the practice of auditing or accounting and are not technical experts in auditing or accounting.

The Company's management is responsible for the preparation, presentation and integrity of the Company's consolidated financial statements, including setting the accounting and financial reporting principles and designing the Company's system of internal control over financial reporting and disclosure controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. The Company's management is responsible for objectively reviewing and evaluating the adequacy, effectiveness and quality of the Company's system of internal control. The Company's independent registered public accounting firm, BDO USA, LLP ("BDO"), is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States. The independent registered public accounting firm is also responsible for expressing opinions on the effectiveness of the Company's internal control over financial reporting as well as management's assessment thereof. Although the Board is the ultimate authority for effective corporate governance, including oversight of the management of the Company, the Audit committee's purpose is to assist the Board in fulfilling its responsibilities by overseeing these processes, as well as overseeing the qualifications and performance of the Company's independent registered public accounting firm.

The Audit Committee has policies and procedures that require the pre-approval by the Audit Committee of all fees paid to, and all services performed by, the Company's independent registered public accounting firm. At the beginning of each year, the Audit Committee approves the proposed services, including the nature, type and scope of service contemplated and the related fees, to be rendered by the firm during the year. In addition, Audit Committee pre-approval is also required for those engagements that may arise during the course of the year that are outside the scope of the initial services and fees approved by the Audit Committee. For each category of proposed service, the independent accounting firm is required to confirm that the provision of such services does not impair their independence. Pursuant to the Sarbanes-Oxley Act of 2002, the fees and services provided (as noted in the table below) were authorized and approved by the Audit Committee in compliance with the pre-approval policies and procedures described herein.

We reviewed and discussed the audited consolidated financial statements and related footnotes for the fiscal year ended June 29, 2014 with management and the independent registered public accounting firm. Management

represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. We also discussed with the independent registered public accounting firm the matters required to be discussed by Public Company Accounting Oversight Board No. 16. We received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firms' communications with the Audit Committee concerning independence, and discussed with BDO their independence. This review included a discussion with management and the independent registered public accounting firm of the quality (and not merely the acceptability) of the Company's accounting principles, the reasonableness of significant estimates and judgments, and the disclosures in the Company's Financial Statements, including the disclosures relating to critical accounting policies.

Based on the reports, discussions and reviews described in this report, we recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 29, 2014, for filing with the Securities and Exchange Commission.

PROPOSAL 2

RATIFICATION OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM

Upon the recommendation of the Audit Committee, the Board of Directors has appointed BDO USA, LLP (“BDO”) to serve as the Company’s independent registered public accounting firm for the fiscal year ending June 28, 2015, and the Board is asking stockholders to ratify such selection at the Annual Meeting. The stockholders’ ratification of the appointment of BDO will not impact the Audit Committee’s responsibility pursuant to its charter, to appoint, replace and discharge the independent auditors. In the event the stockholders fail to ratify this selection, the matter of the selection of independent auditors will be reconsidered by the Board of Directors.

We are not required to submit the appointment of BDO for ratification by our stockholders. However, we are doing so as a matter of good corporate practice. If the stockholders do not ratify the appointment of BDO, the audit committee may reconsider its decision. In any case, our audit committee may, in its discretion, appoint a new independent registered public accounting firm at any time during the year if it believes that such change would be in the Company’s best interest and the best interest of our stockholders.

The affirmative votes of the majority of the company’s outstanding Common Stock present in person or by proxy is required to ratify the appointment of the independent registered accounting firm. Unless otherwise instructed, the proxy holders will vote the proxies received by them “FOR” the ratification of BDO USA, LLP as the Company’s independent registered public accounting firm for Fiscal 2015. A representative of BDO USA, LLP will attend the Annual Meeting with the opportunity to make a statement if he or she so desires and will also be available to answer inquiries.

**THE BOARD RECOMMENDS A VOTE FOR THE RATIFICATION AND APPROVAL OF THE SELECTION OF
BDO USA, LLP TO SERVE AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING
FIRM FOR FISCAL 2015.**

Change in Independent Registered Public Accounting Firm

As reported in the current report on Form 8-K filed on February 25, 2014, the Audit Committee conducted a competitive process to determine the Company’s independent registered public accounting firm. As a result of this process, on February 20, 2014, the Company approved the engagement of BDO as the Company’s independent registered public accounting firm. On that same date, 1-800-Flowers dismissed Ernst & Young LLP (“Ernst & Young”) as the Company’s independent registered public accounting firm, effective immediately. The Committee approved these changes in the Company’s independent registered public accounting firm on February 20, 2014.

The reports of Ernst & Young on the Company’s financial statements for each of the two fiscal years ended June 30, 2013 and July 1, 2012 did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. In connection with the audits of the Company’s financial statements for the fiscal years ended June 30, 2013 and July 1, 2012, and in the subsequent interim period through February 20, 2014, there were no “disagreements” (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K) with Ernst & Young on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures which, if not resolved to the satisfaction of Ernst & Young would have caused Ernst & Young to make reference to the matter in their report. There were no “reportable events” (as that term is defined in Item 304(a)(1)(v) of Regulation S-K) during the fiscal years ended June 30, 2013 and July 1, 2012, except that as previously reported in the Company’s Annual Report on Form 10-K for the fiscal year ended July 1, 2012 (the “2012

Form 10-K”), management concluded that the Company’s internal control over financial reporting was not effective as of July 1, 2012 as a result of a material weakness in the accounting and disclosure for deferred income taxes; this material weakness was subsequently remediated by the Company. Ernst & Young’s report on the effectiveness of the Company’s internal control over financial reporting as of July 1, 2012, which was included in the 2012 Form 10-K, contained an adverse opinion thereon.

The Committee authorized Ernst & Young to respond fully to the inquiries of BDO concerning the material weakness in the Company’s internal control over financial reporting and any other matters. Ernst & Young furnished the Company with a letter addressed to the United States Securities and Exchange Commission stating that it agrees with the foregoing statements. A copy of Ernst & Young’s letter, dated February 25, 2014, was filed as Exhibit 16.1 to the current report on Form 8-K filed on February 25, 2014.

Fees Paid to Independent Public Accounting Firms

The independent registered public accounting firm and the Company’s management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, including fees for the services performed to date. In addition, the Audit Committee also may pre-approve particular services on a case-by-case basis, as required.

PROPOSAL 3

NON-BINDING, ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, requires us to enable our shareholders to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in our proxy statements in accordance with the rules of the Securities and Exchange Commission (commonly known as a “Say on Pay” proposal).

As described under the heading “Executive Compensation and Other Information – Compensation Discussion and Analysis,” our executive compensation program is a comprehensive package designed to motivate our executive officers to achieve our corporate objectives and is intended to be competitive and allow us to attract and retain highly qualified executives. We believe that the various elements of our executive compensation program work together to promote our goal of ensuring that total compensation should be related both to our performance as well as the individual executive’s performance.

Shareholders are urged to read the “Compensation Discussion and Analysis” section of this Proxy Statement which discusses how our executive compensation policies implement our compensation philosophy, and the “Summary Compensation Table” of this Proxy Statement which provides detailed information on the compensation of our named executive officers. The Compensation Committee and our Board of Directors believe that the policies and procedures set forth in the Compensation Discussion and Analysis section of this Proxy are effective in achieving our compensation objectives.

We are asking our shareholders to indicate their support for our executive compensation as described in this Proxy. This Say-on-Pay proposal gives our shareholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, we are asking our shareholders to approve, on an advisory basis, the compensation of the named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Summary Compensation table and the other related tables and disclosure.

The Say-on-Pay vote is advisory, and therefore not binding on us, the Compensation Committee or our Board of Directors. However, we value the opinion of our shareholders and to the extent that there is any significant vote against the named executive officer compensation as disclosed in this Proxy Statement, we will consider our shareholders’ concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Unless otherwise instructed, the proxy holders will vote the proxies received by them “FOR” the approval of the compensation of the named executive officers.

**THE BOARD RECOMMENDS A VOTE “FOR” THE APPROVAL OF
THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.**

OTHER MATTERS

The Board of Directors does not intend to bring any other business before the Annual Meeting, and so far as is known to the Board, no matters are to be presented for action at the Annual Meeting other than those set forth above. If any other matters properly come before the Annual Meeting, the persons named in the enclosed form of proxy will vote the shares represented by proxies in their discretion on such matters.

STOCKHOLDER PROPOSALS FOR THE 2015 ANNUAL MEETING

Shareholders who, in accordance with Commission Rule 14a-8 wish to present proposals for inclusion in the proxy materials to be distributed in connection with next year's Annual Meeting Proxy Statement must submit their proposals so that they are received at the Company's principal executive offices no later than the close of business on June 28, 2015. As the rules of the Commission make clear, simply submitting a proposal does not guarantee that it will be included.

In accordance with our Bylaws, in order to be properly brought before the 2015 Annual Meeting, a shareholder's notice of the matter the shareholder wishes to present, or the person or persons the shareholder wishes to nominate as a director, must be delivered to the secretary of the Company at its principal executive offices not later than the close of business on the 90th day, nor earlier than the close of business on the 120th day, prior to the first anniversary date of the 2014 Annual Meeting date. As a result, any notice given by a shareholder pursuant to these provisions of our Bylaws (and not pursuant to the Commission's Rule 14a-8) must be received no earlier than August 10, 2015 and no later than September 9, 2015. If, however, our 2015 Annual Meeting date is advanced by more than 30 days before, or delayed more than 70 days after, the one year anniversary of the 2014 Annual Meeting date, then proposals must be received no earlier than the close of business on the 120th day prior to the 2015 Annual Meeting and not later than the close of business on the later of the 90th day before the 2015 Annual Meeting or the 10th day following the date on which the 2015 Annual Meeting date is publicly announced.

To be in proper form, a shareholder's notice must include the specified information concerning the proposal or nominee as described in our Bylaws. A shareholder who wishes to submit a proposal or nomination is encouraged to seek independent counsel about our Bylaws and Commission requirements. The Company will not consider any proposal or nomination that does not meet the Bylaws requirements and the Commission's requirements for submitting a proposal or nomination. Notices of intention to present proposals at the 2015 Annual Meeting should be addressed to Corporate Secretary, 1-800-FLOWERS.COM, Inc., One Old Country Road, Suite 500, Carle Place, New York 11514. The Company reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

SOLICITATION OF PROXIES

Proxies are being solicited by the Board of Directors of the Company. Proxies may be solicited by officers, Directors and regular supervisory and executive employees of the Company, none of whom will receive any additional compensation for their services. Such solicitations may be made personally or by mail, facsimile, telephone, telegraph, messenger, or via the Internet. The Company may pay persons holding shares of Common Stock in their names or in the names of nominees, but not owning such shares beneficially, such as brokerage houses, banks and other fiduciaries, for expenses of forwarding solicitation materials to their principals. All of the costs of solicitation will be paid by the Company.

The Company will provide without charge to each beneficial holder of its Common Stock on the Record Date who did not receive a copy of the Company's Annual Report for the fiscal year ended June 29, 2014, on the written request of such person, a copy of the Company's Annual Report on Form 10-K as filed with the Commission. Any such request should be made in writing to the Secretary of the Company at the address set forth on the first page of this Proxy Statement.
