Cautionary Statement Regarding Forward-Looking Statements:

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), regarding, among other things, our plans, strategies and prospects, both business and financial. Although we believe that our plans, intentions and expectations reflected in or suggested by these forward-looking statements are reasonable, we cannot assure you that we will achieve or realize these plans, intentions or expectations. Forward-looking statements are inherently subject to risks, uncertainties and assumptions. Many of the forward-looking statements contained in this release may be identified by the use of forward-looking words such as "believe," "expect," "anticipate," "should," "planned," "will," "may," "intend," "estimated" and "potential," among others. Important factors that could cause actual results to differ materially from the forward-looking statements we make in this release are set forth in reports or documents that we file from time to time with the SEC, and include, but are not limited to:

- our ability to sustain and grow revenues and cash flows from operating activities by offering video, high-speed Internet, telephony and other services and to maintain a stable customer base, particularly in the face of increasingly aggressive competition from other service providers;
- the availability of funds to meet interest payment obligations under our debt and to fund our operations and necessary capital expenditures, either through cash flows from operating activities, further borrowings or other sources;
- our ability to comply with all covenants in our indentures and credit facilities, any violation of which would result in a violation of the applicable facility or indenture and could trigger a default of other obligations under cross-default provisions;
- our ability to repay or refinance debt as it becomes due;
- our ability to reach (and then implement) a final approved settlement with respect to the putative class action, the unconsolidated state action, and derivative shareholders litigation against us on the terms of the stipulations of settlement;
- our ability to obtain programming at reasonable prices or to pass cost increases on to our customers;
- general business conditions, economic uncertainty or slowdown; and
- the effects of governmental regulation, including but not limited to local franchise taxing authorities, on our business.

All forward-looking statements attributable to us or any person acting on our behalf are expressly qualified in their entirety by this cautionary statement. We are under no duty or obligation to update any of the forward-looking statements after the date of this release.
