NOTES TO FINANCIAL STATEMENTS
(U.S. DOLLARS)

1. BASIS OF PRESENTATION

These unaudited consolidated financial statements have been prepared in accordance with generally accepted accounting principles in the United States for interim financial information. These financial statements are condensed and do not include all disclosures required for annual financial statements. The organization and business of the Company, accounting policies followed by the Company and other information are contained in the notes to the Company's audited financial statements filed as part of the Company's December 31, 2000 Form 10-SB-12G.

In the opinion of the Company's management, these financial statements reflect all adjustments necessary to present fairly the Company's financial position at June 30, 2001 and December 31, 2000 and the results of operations and cash flows for the six months ended June 30, 2001 and 2000. The results of operations for the six months ended June 30, 2001 are not necessarily indicative of the results to be expected for the entire fiscal year.

ITEM 2. DISCUSSION AND ANALYSIS OR PLAN OF OPERATION.

(A) PLAN OF OPERATION FOR THE NEXT TWELVE MONTHS.

(1) CASH REQUIREMENTS AND OF NEED FOR ADDITIONAL FUNDS, TWELVE MONTHS. We have estimated and still do, that we would require about \$250,000 in the next twelve month to meet overhead (rent, salaries, and operational expenses) and also expenses connected with marketing (cost of goods sold, buying chips, mainly,) and also general working capital. These necessary funds must be raised by offering additional shares of stock in one or a combination of the following: a public offering pursuant to the Securities Act of 1933; and/or, one or more private placements of restricted securities. We have not determined yet what plan or plans of capital formation we will pursue. We would require about \$50,000 to launch fully, to establish our dynamic link relationships with major markets, and to produce and circulate brochures and initial advertising announcements. The term "dynamic link" refers to the common commercial practice by which one web site features a direct link to another web site. We would require about \$200,000 in initial working capital to insure liquidity for the first twelve months following our launch.

We have begun to make sales, even without the funding to enable us to make a full-scale launch. It is our hope that by starting our business operations we can become more attractive to potential investors. In our present posture, we cannot build inventory, but must acquire products as we receive orders. With

Edgar Filing: SAFE ID CORP - Form 10QSB

proper funding we could consummate favorable supply arrangements and triple our profit margins enjoyed at present.

It is apparent that our cash on hand is insufficient for any material purpose, other than to fill orders as they come in, with relatively low volume of sales. Accordingly, expenses incurred which exceed our available cash on hand must be and will be advanced by management.

We do not anticipate any contingency upon which we would voluntarily cease filing reports with the SEC, even though we might cease to be required to do so. It is in our compelling interest to report our affairs quarterly, annually and currently, as the case may be, generally to provide accessible public information to interested parties, and also specifically to maintain our qualification for the OTCBB.

(2) SUMMARY OF PRODUCT RESEARCH AND DEVELOPMENT. We do not have any new products in development. We do not develop new products. We may re-sell products developed by others in the future, when and if they are demonstrated to be marketable and properly warranted by their manufacturers.

(3) EXPECTED PURCHASE OR SALE OF PLANT AND SIGNIFICANT EQUIPMENT. None.

(4) EXPECTED SIGNIFICANT CHANGE IN THE NUMBER OF EMPLOYEES. We have no firm expectations. We hope to grow. Growth would be accompanied by additional employees.

(B) MANAGEMENT DISCURSION AND ANALYSIS. We have enjoyed only minimal revenues since inception January 27, 1996. These represent our first sales.
