ITEM 2. ACQUISITION OF ASSETS.

On June 26, 2001, Hickory Tech Corporation (HickoryTech) closed on the previously announced agreement to purchase two digital personal communications services (PCS) licenses from McLeodUSA Incorporated for \$11,100,000 in cash.

Edgar Filing: HICKORY TECH CORP - Form 8-K

HickoryTech has purchased the Minnesota Basic Trading Areas (BTAs) of Mankato-Fairmont and Rochester-Austin-Albert Lea, an area covering a population of approximately 493,000 people. The BTAs are contiguous and are located in southeastern Minnesota, on the Iowa border. This area complements HickoryTech's current wireless operations and adds ten additional Minnesota counties and one Iowa county to the company's footprint to the west, east and south. There were no customers, existing revenue stream or physical property and equipment included with this acquisition as the BTAs are undeveloped.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, hereto duly authorized.
