PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

To Be Held On August 11, 2004

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of ABIOMED, Inc., a Delaware corporation with its principal executive offices at 22 Cherry Hill Drive, Danvers, Massachusetts 01923 (the Company), for use at the Annual Meeting of Stockholders to be held at the offices of Foley Hoag LLP, 155 Seaport Boulevard, Boston, Massachusetts on August 11, 2004 and at any adjournment or adjournments thereof (the Meeting).

The cost of the solicitation will be borne by the Company. Certain of the officers and regular employees of the Company may solicit proxies by correspondence, telephone or in person, without extra compensation. The Company may also pay to banks, brokers, nominees and other fiduciaries their reasonable charges and expenses incurred in forwarding proxy material to their principals. It is expected that this proxy statement and the accompanying proxy will be mailed to stockholders on or about July 12, 2004.

The Company has fixed the close of business on July 2, 2004 as the record date (Record Date) for the Meeting. Only stockholders of record at the close of business on the Record Date will be entitled to receive notice of, and to vote at, the Meeting. As of the Record Date, there were outstanding and entitled to vote 21,836,237 shares of Common Stock, \$.01 par value (the Common Stock), of the Company. The Company's by-laws require that a majority in interest of all stock issued, outstanding and entitled to vote at a meeting shall constitute a quorum. Abstentions and broker non-votes will be counted as present or represented for purposes of determining the existence of a quorum. A non-vote occurs when a broker or nominee holding shares for a beneficial owner does not vote on a proposal because the broker or nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

Proposal No. 1 (election of Directors) requires the affirmative vote of a plurality of the votes cast by holders of Common Stock entitled to vote thereon, provided a quorum is present. Abstentions and broker non-votes will not be included in calculating the number of votes cast on Proposal 1. Votes will be tabulated by American Stock Transfer & Trust Company, the Company's transfer agent.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board of Directors currently consists of nine directors and is divided into three classes. We refer to these classes as Class I, Class II and Class III. The term of one class of directors expires each year at the annual meeting of stockholders. Each director also continues to serve as a director until his or her successor is duly elected and qualified. This year, the term of the Class III directors is expiring.

Normally, only one class of directors is eligible at any annual meeting of stockholders. However, our Board of Directors has only recently appointed Messrs. David Gottlieb and Michael R. Minogue to our Board and chose to elect them as Class III directors so that our stockholders would have the opportunity to elect them at our annual meeting. As a result, and in order to keep the number of directors in each class balanced, at the Meeting one Class I director is to be elected to serve for a term of one year and three Class III directors are to be elected to serve for a term of three years.

Our Board of Directors has nominated Mr. Paul B. Fireman to serve as a Class I director for a one-year term, until the 2005 Annual Meeting of Stockholders, and until his successor has been duly elected and qualified. In addition, our Board of Directors has nominated Dr. W. Gerald Austen and Messrs. David Gottlieb and Michael R. Minogue to serve as Class III directors for a three-year term, until the 2007 Annual Meeting of Stockholders, and until their respective successors have been duly elected and qualified.

All of these nominees are currently serving as directors of the Company. Our stockholders elected Dr. Austen and Mr. Fireman as Class III directors at our annual meeting of stockholders in August 2001. Our Board of Directors elected Mr. Gottlieb a Class III director in February 2004 and elected Mr. Minogue a Class III director in April 2004. The current term of each of these directors will expire at the upcoming annual meeting.

If any nominee at the time of the election is unable or unwilling to serve or is otherwise unavailable for election, and the Board of Directors designates another nominee, the persons named as proxies will vote the proxy for such substitute, if any. The Board of Directors has no reason to believe that any of the proposed nominees will be unable or unwilling to serve. The proposed nominees are not being nominated pursuant to any arrangement or understanding with any person.

Our Board of Directors recommends that you vote FOR the election of Dr. W. Gerald Austen and Messrs. Paul B. Fireman, David Gottlieb and Michael R. Minogue.

Information on Nominees and Directors

Set forth below is certain biographical information with respect to the nominees, including the year in which the nominee's term would expire, if elected, and with respect to each of the Class I and Class II directors whose terms will continue after the Meeting. The nominee for Class I director is indicated by an asterisk and the nominees for Class III directors are indicated by two asterisks.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

The Compensation Committee consists of Paul B. Fireman, John F. O'Brien and Henri A. Termeer. No member of the Compensation Committee is a former or current officer or employee of the Company. Dr. Lederman, while not a member of the Compensation Committee, makes recommendations to the Compensation Committee regarding executive officer compensation, including the awards of stock options, and often participates in the Committee's deliberations but does not vote on such matters. None of the Company's executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as members of the Company's Board of Directors or Compensation Committee.

Compensation Committee Report on Executive Compensation

The primary objectives of the Compensation Committee in developing executive compensation policies are to attract and retain superior talent to enable the Company to achieve its business objectives and to align the financial interests of its executive officers with the financial interests of the stockholders of the Company. The compensation of executive officers consists of base compensation, bonus, the grant of options and participation in benefit plans generally available to employees.

In setting overall compensation for the last fiscal year, the Compensation Committee reviewed the recommendations of the Chief Executive Officer and reviewed an independent compensation study prepared by an outside consulting firm. The Compensation Committee strove to maintain base compensation for the Company's executive officers at levels which the Compensation Committee believes are competitive with the compensation of comparable executive officers in similarly situated companies, while relying upon the Company's stock option plans and a bonus program to provide significant performance incentives.

The Company maintains an informal bonus plan for its executive officers. Under the bonus plan, a bonus was determined for each executive officer (other than the Chief Executive Officer) based on Company performance

and achievement of certain objective and subjective goals and the Chief Executive Officer's evaluation of the individual's performance. The goals established for each executive officer vary depending upon the responsibilities of the officer, and include goals based upon operating results, product development or regulatory milestones and the cost of achieving those milestones, and the achievement of certain sales objectives. Certain of the executive officers' goals, including certain of the Chief Executive Officer's goals, have milestones that do not directly correspond in timing with the Company's fiscal year-end and certain of the goals are measured in intervals of greater than one year. Accordingly, bonus amounts for which executive officers are eligible can vary from fiscal year to fiscal year. In granting these bonuses, the Committee gave substantial weight to and followed the Chief Executive Officer's recommendations and the independent compensation study of the outside consultant.

Each of the executives is eligible to receive grants of options under the 1998 Equity Incentive Plan and 2000 Stock Incentive Plan. In determining the number of options to be granted to each executive officer, the Compensation Committee reviews recommendations provided by the Chief Executive Officer based upon the officer's position of responsibility and anticipated contribution to the Company, the number of shares of Common Stock subject to options held or previously granted to the officer and the individual performance of the officer.

For the fiscal year ended March 31, 2004, Dr. Lederman, the Chief Executive Officer of the Company during the fiscal year, received a base salary of \$312,000 and a bonus of \$156,000. Dr. Lederman's base salary and bonus were determined by the Compensation Committee based upon review of industry references and Dr. Lederman's recommendation to keep his base salary at that level, notwithstanding the Compensation Committee's belief that this base salary and bonus were low compared to his responsibilities, importance and contributions to the Company. In establishing Dr. Lederman's bonus, the Compensation Committee also took into account Dr. Lederman's work in connection with the hiring of Mr. Minogue to succeed him as the new Chief Executive Officer and President of the Company.

Report of the Audit Committee

In fulfilling its responsibilities, the Audit Committee conferred with PricewaterhouseCoopers LLP (PwC), the Company's independent accountants for the fiscal year ended March 31, 2004, regarding the overall scope and plans for PwC's audit of the Company's financial statements for the fiscal year ended March 31, 2004.

The Audit Committee reviewed the Company's audited financial statements with management and PwC. The Audit Committee discussed with PwC the matters required to be discussed by Statement of Auditing Standards No. 61, including a discussion of PwC's judgments as to the quality, not just the acceptability, of the Company's reporting mechanisms and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee received from PwC the written disclosures and the letter required by Independence Standards Board Standard No. 1 and discussed these documents with PwC, as well as other matters related to PwC's independence from management and the Company.

Edgar Filing: ABIOMED INC - Form DEF 14A

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended March 31, 2004 for filing with the Securities and Exchange Commission.

The Board of Directors has reviewed and adopted an amended written charter for the Audit Committee, a copy of which is included as Appendix A.

OTHER MATTERS

Independent Registered Public Accounting Firm

Edgar Filing: ABIOMED INC - Form DEF 14A

The Board of Directors has not yet selected an independent accountant to audit the consolidated financial statements of the Company for the fiscal year ending March 31, 2005. At an upcoming meeting, the Audit Committee will recommend to the Board the selection of the Company's independent accountant for the current fiscal year.

A representative of PwC, our independent registered public accounting firm for fiscal 2004, will be present at the Annual Meeting to respond to appropriate questions and will be given an opportunity to make a statement if he so desires.

Audit and Other Fees

The following table shows fees for professional audit services paid by us to PwC for the audit of our annual financial statements for the fiscal years ended March 31, 2003 and March 31, 2004, and fees paid by us to PwC for other services during those fiscal years:

Fees	March 31, 2003	March 31, 2004
Audit fees	\$ 119,000	\$ 173,900
Audit-related fees		
Tax fees	53,500	63,475
All other fees		
Total	\$ 172,500	\$ 237,375

Audit fees. Audit fees include fees paid by the Company to PwC in connection with the annual audit of the Company's financial statements and the auditor's review of the Company's interim financial statements as reported in our quarterly filings with the SEC.

Audit-related fees. Audit related fees include fees paid by the Company to PwC that principally cover assurance and related services that are traditionally performed by the independent accountants, including special procedures required by regulatory requirements such as SEC registration statements.

Tax fees. Tax fees cover services performed by the tax personnel of PwC except those services specifically related to the audit of our financial statements, and include fees for tax compliance, tax planning and advice.

All other fees. No other fees were paid to PwC that were not audit or tax-related.

The Audit Committee has determined that PwC's services to the Company were at all times compatible with that firm's independence.

Policy on Pre-Approval of Audit and Non-Audit Services

The Audit Committee has the sole authority to approve the scope of the audit and any audit-related services as well as all audit fees and terms. The Audit Committee must pre-approve any audit and non-audit related services by our independent accountants. The Audit Committee will not approve the engagement of the independent accountants to perform any services that the independent accountants would be prohibited from

providing under the applicable securities laws or Nasdaq requirements. In assessing whether to approve use of the independent accountants for permitted non-audit services, the Audit Committee tries to minimize relationships that could appear to impair the objectivity of the independent accountants. The Audit Committee has delegated pre-approval authority for non-audit related services to the Chair of the Audit Committee within the guidelines discussed above. The Chair is required to inform the Audit Committee of each decision at the next regularly scheduled Audit Committee meeting following the decision to permit our independent accountants to perform non-audit related services.

Reporting Under Section 16(a) of the Securities and Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of the Company's Common Stock, to file reports of ownership and changes of ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission, and furnish the Company with copies of such Forms.

Based solely upon review of Forms 3, 4 and 5 and amendments thereto furnished to the Company with respect to the fiscal year ended March 31, 2004 and on written representations from certain reporting persons that

were not required to file Forms 5 with respect to the Company's most recent fiscal year, the Company believes that all Section 16(a) filing requirements applicable to its officers, directors and greater-than-10% stockholders were fulfilled in a timely manner.

In addition to the above responsibilities, the Committee shall undertake such other duties as the Board delegates to it or as are assigned to it by law, and shall report, at least annually, to the Board regarding the Committee's examinations, actions and recommendations.

Meetings:

It is anticipated that the Committee will meet at least four (4) times in each fiscal year. However, the Committee may establish its own schedule. Each meeting shall include an executive session that will allow the Committee to maintain free and open communications with the Company's independent auditors.

The Committee shall meet separately with the Chief Executive Officer and the Chief Financial Officer of the Company at least annually to review the financial affairs of the Company. The Committee shall meet with the independent auditors of the Company, at such times as it deems appropriate, to review the independent auditors' examination and management report.

The Committee is authorized, by majority vote or unanimous written consent of its members, to adopt its own rules of procedure, including the formalities of calling, noticing and holding meetings and for the taking of action of the Committee by vote at any such meeting or by unanimous written consent of the members thereof. Unless and until any such procedures are formally adopted by the Committee, the procedures with respect to calling, noticing and holding meetings of the Committee and conducting business of the Committee shall be the same as those provided in the By-laws of the Company with respect to calling, noticing and holding meetings of and taking action by the Board.

Edgar Filing: ABIOMED INC - Form DEF 14A

The Committee may present its reports or recommendations to the Board in written or oral form. The Committee's recommendations shall be incorporated as a part of the minutes of the Board meeting at which those recommendations are presented.

Minutes:

The Committee will maintain written minutes of its meetings, which minutes will be filed with the minutes of the meetings of the Board.

Other:

The Committee shall have the right, as and when it shall determine to be necessary or appropriate to the functions of the Committee:

1. at the Company's expense and not at the expense of the members thereof, to retain independent counsel (which may be, but need not be, the regular corporate counsel to the Company) and other advisors to assist it in connection with its functions;
2. at the Company's expense and not at the expense of the members thereof, to incur ordinary administrative expenses that are necessary or appropriate in carrying out its duties; and
3. to request, and to rely upon, advice, orally or in writing, from the Chief Executive Officer and the Chief Financial Officer of the Company and from any representative of the independent auditors to the Company participating in such independent auditors' engagement by the Company, concerning aspects of the operation or financial condition of the Company relevant to the functions of the Committee.

Cooperation:

The officers of the Company are requested to cooperate with the Committee and to render assistance to it as it shall request in carrying out its functions.

Limitation of Audit Committee Responsibility:

In adopting this Charter, the Board acknowledges that it is not the responsibility of the Committee to prepare the Company's financial statements, plan or conduct audits of those financial statements, or determine whether those financial statements are complete and accurate and conform to generally accepted accounting principles and applicable rules and regulations. These tasks are the responsibility of management and the Company's independent auditors.

Delegation:

Edgar Filing: ABIOMED INC - Form DEF 14A

To the extent permitted by law, the Committee may delegate any of its responsibilities to a subcommittee comprised of one or more members of the Committee.

Annual Reviews:

The Committee will review and reassess the adequacy of this Charter on at least an annual basis and will report to the Board the results of such review and reassessment. At least annually, the Committee will conduct an evaluation of its performance to determine whether it is functioning effectively.
