Item 1.01 Entry into a Material Definitive Agreement

On September 20, 2004, the Board of Directors of Greene County Bancshares, Inc. (the "Company") approved the Deferred Compensation Plan for Nonemployee Directors (the "Deferred Compensation Plan") which, effective July 1, 2004, enables nonemployee directors to defer board and committee meeting fees into certain investment vehicles, including a deemed investment in the Company's common stock. There are currently nine nonemployee directors eligible for participation in the Deferred Compensation Plan, and no nonemployee director is currently participating in the Deferred Compensation Plan. The Company's Board of Directors retains the right to declare the Deferred Compensation Plan terminated as to the Company or any group, division, operational unit or affiliate thereof, in which case the Board of Directors may elect to continue to maintain a participant's account or, before a change in control, as defined in the Deferred Compensation Plan, liquidate and distribute the account to the participant.

On September 20, 2004, the Board of Directors of the Company also approved the Change in Control Protection Plan (the "Change in Control Plan") which, effective July 1, 2004, provides that certain employees, who execute participation agreements and thereafter remain eligible participants under the terms of the Change in Control Plan, will receive as a change in control payment an amount equal to 1.99 times their "base amount" within the meaning of Section 280G(b)(3) of the Internal Revenue Code ("Section 280G") if the participant's employment is terminated under certain circumstances upon a change in control of the Company, as defined in the Change in Control Plan. The Change in Control Plan grants the Company the right to amend, extend the term of or terminate the Change in Control Plan upon one year's advance notice; provided, that any such amendment, extension or termination done in contemplation of a change in control, in connection with a change in control or within two years following a change in control shall only apply to those participants who consent individually in writing to the amendment or termination or whose vested benefit or rights under the Change in Control Plan are not adversely affected by such amendment or termination.

On October 22, 2004, the Company entered into Participation Agreements under the Change in Control Plan with each of Steve L. Droke, Ronald E. Mayberry and William F. Richmond. Pursuant to these Participation Agreements, each employee will receive a payment in the amount of 1.99 times his "base amount" within the meaning of Section 280G if, on or after a change in control, as defined in the Change in Control Plan, he resigns from the Company for "good reason" or his employment is terminated by the Company without "cause", as those terms are defined in the Change in Control Plan. The Participation Agreements terminate on the first to occur of the following:

termination of an employee's employment prior to a change in control;

termination of an employee's employment following a change in control for other than a "covered termination", as defined in the Change in Control Plan;

two years following a change in control; and

upon three months written notice of termination by the Company which notice must be given prior to a change in control.
