Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

On January 17, 2007, upon the recommendation of the Nominating Committee (the Nominating Committee) of the Board of Directors (the Board) of Senesco Technologies, Inc. (the Company), the Board increased the size of the Board from seven (7) members to eight (8) members, and appointed Jack Van Hulst to fill such vacancy. Mr. Van Hulst will serve until the Annual Meeting of Stockholders of the Company to be held in 2007.

Mr. Van Hulst, age 67, currently serves on the board of directors of Protein Sciences Corporation, a privately-held biotechnology company. Mr. Van Hulst also serves as a pharmaceutical industry consultant to Mehta Partners LLC. From February 1999 until December 2005, Mr. Van Hulst served as executive vice president of MOVA Pharmaceutical Corporation, a contract manufacturer to the pharmaceutical industry. Mr. Van Hulst began his career in 1968 at the multinational Dutch company Organon, which was subsequently acquired by AKZO, N.V., holding various positions of increasing responsibility, including president of AKZO s generic drug business from 1986 to 1989.

The Board determined that Mr. Van Hulst has no relationship with the Company or its subsidiaries, either directly or indirectly, that would be inconsistent with a determination of independence under the applicable rules and regulations of the American Stock Exchange or the Securities and Exchange Commission.

The Board is in the process of determining which committees Mr. Van Hulst shall serve upon, if any.

Mr. Van Hulst will receive compensation consistent with that awarded, as previously disclosed in the Company s proxy statement, to other Board members for his duties performed in serving on the Board.

Neither Mr. Van Hulst nor any member of his immediate family has engaged, directly or indirectly, in any transaction, or series of similar transactions, with the Company or any of its subsidiaries since June 30, 2005 in which the amount involved exceeds \$120,000. In addition, Mr. Van Hulst does not have any family relationship with any executive officer or director of the Company.

On January 18, 2007, the Company issued a press release announcing the appointment of Mr. Van Hulst to serve as director of the Company. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.
