**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On October 24, 2007, we amended our Third Amended and Restated Articles of Incorporation by changing the address of our Registered Agent. Our Statement of Change of Registered Office/Agent which was filed with the Texas Secretary of State is incorporated herein by reference as Exhibit No. 3(i) to this report.

At a meeting held on March 25, 2008, our Board of Directors approved certain amendments to our Amended and Restated Bylaws and adopted the Second Amended and Restated Bylaws, a copy of which is incorporated herein by reference as Exhibit No. 3(ii). The amendments include the following:

Section 1.1 Registered Office was amended to reflect the current location of our Registered Office and to set forth how such location may be changed.

Section 2.14 Inspectors of Election was amended to remove language regarding votes cast by the proxy committee and further amended to clarify that the inspector(s) of election shall only report votes cast by those that are entitled to vote.

Section 2.16 Voting List was amended to change the minimum number of days before each meeting of shareholders by which time the shareholders list must be prepared and available for inspection (from 10 days prior to the meeting to 11 days prior). This change was made to conform with the requirement of the Texas Business Organizations Code, which becomes our governing law on January 1, 2010.

Section 2.22 Action Without Meeting was amended to clarify that the writing evidencing action taken at a meeting of the shareholders without a meeting must be dated as well as signed. Additionally, more description was added regarding the procedure for taking such an action without a meeting. These changes were made to conform with the requirements of the Texas Business Organizations Code, which becomes our governing law on January 1, 2010.

Section 3.4 Vacancies was amended to clarify that a vacancy would exist where the terms of Directors elected pursuant to dividend default voting rights expire prior to a meeting of the shareholders.

Section 3.7 Filling Vacancies by Shareholders - Reduction of Authorized Number of Directors was amended to clarify that the shareholders right to fill a vacancy on the Board of Directors expires if the Board of Directors fills the vacancy prior to the shareholders vote. This language clarified the Board's existing right to fill such vacancies of generally elected Directors. Previously, shareholders had the right to fill such vacancies only if the Board failed to act within 10 days to fill such vacancy.

Section 3.21 Committees was amended to add additional procedures pertaining to the meetings of and composition of our committees. These changes were made to conform with the requirements of the Texas Business Organizations Code, which becomes our governing law on January 1, 2010.

## Edgar Filing: RETRACTABLE TECHNOLOGIES INC - Form 8-K

Section 3.23 Compensation of Directors was added to clarify that our Directors may receive compensation and reimbursement of expenses if such payments are approved by resolution of the Board of Directors, as previously authorized under Texas law.

Section 3.24 Resignations was added to clarify the procedure to be followed by resigning Directors.

Section 4.9 Secretary was amended to address both uncertificated shares and certificated shares and also to address the custodian of the Share Register.

## Edgar Filing: RETRACTABLE TECHNOLOGIES INC - Form 8-K

Section 6.5 Consideration for Shares was amended to allow the receipt of promissory notes and the promise of future services as consideration for the issuance of shares as allowed under revised Texas laws.

Section 7.4 Inspection of Records by Shareholders was amended to clarify that shareholders who examine our books and records must pay certain costs to make extracts of such records.

Section 7.10 Corporate Seal was amended to clarify that the corporate seal is still effective if a reproduction of the seal is used.

Sections 9.3 through 9.6 were added to address: Invalid Provisions; Relation of Bylaws to Articles of Incorporation, as amended; Section Headings; and Gender and Number (as referred to in the Bylaws).

Certain additional amendments were made to incorporate newer methods of electronic communication and file preservation, all of which are permissive methods pursuant to Texas law. Additional clarifying language was inserted to conform to the Texas Business Organizations Code and to remove specific references to the Texas Business Corporation Act, which will no longer be our governing law on January 1, 2010. In keeping with our decision to allow the transfer of uncertificated shares as well as certificated shares, we changed language and added language throughout our Second Amended and Restated Bylaws (especially in Article VI) to encompass both forms of shares. Other clarifying and non-substantive amendments were also made to other provisions.

This summary should be read in conjunction with, and is qualified in its entirety by reference to, the Second Amended and Restated Bylaws, a copy of which is incorporated herein by reference as Exhibit No. 3(ii) to this report.
