Item 1.02. Termination of a Material Definitive Agreement.

As previously disclosed in the Telephone and Data Systems, Inc. ( TDS ) Quarterly Report on Form 10-Q for the period ended March 31, 2008, during the period April 1, 2008 through May 7, 2008, TDS early-settled or had agreed to early-settle variable prepaid forward contracts ( forward contracts ) related to 46,969,689 Deutsche Telekom shares. The early settlement of forward contracts with respect to 10,000,000 of such Deutsche Telekom shares was reported under Part II, Item 5 Other Information, of such Form 10-Q. After May 7, 2008 through May 14, 2008, TDS settled forward contracts related to 27,969,689 of such Deutsche Telekom shares. These forward contracts were settled prior to their scheduled maturity dates in May 2008 through September 2008. TDS settled these forward contracts by delivery of Deutsche Telekom shares. The Deutsche Telekom shares retained by TDS related to such forward contracts were subsequently sold. As a result of the settlements, the following agreements were terminated:

- On May 12, 2008, the Guaranty by TDS dated December 5, 2002 was terminated early due to the early termination by TDS of the forward contracts relating to the monetization of 8,969,689 Deutsche Telekom ordinary shares. The Guaranty was in favor of WestLB AG. TDS and its affiliates do not have any material relationships with WestLB AG except with respect to the forward contracts.
- On May 14, 2008, the Guaranty by TDS dated October 22, 2002 was terminated early due to the early termination by TDS of the forward contracts relating to the monetization of 19,000,000 Deutsche Telekom ordinary shares. The Guaranty was in favor of Société Générale. TDS and its affiliates do not have any material relationships with Société Générale except with respect to the forward contracts and U.S. Cellular s revolving credit agreement.

TDS did not incur any material early termination penalties.

As part of the early settlement of the 46,969,689 Deutsche Telekom shares mentioned above, on May 7, 2008, TDS settled a forward contract with Citibank N.A. relating to the monetization of 9,000,000 Deutsche Telekom ordinary shares. However, the related Guaranty by TDS in favor of Citibank N.A. dated August 19, 2002 was not terminated because TDS continues to have one remaining forward contract with Citibank N.A. relating to the monetization of 9,000,000 Deutsche Telekom ordinary shares that matures on June 16, 2008. This Guaranty will not be terminated until TDS settles this remaining forward contract with Citibank N.A..
