PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
To be held January 20, 2011

INTRODUCTION

The Board of Directors of Meta Financial Group, Inc. (Meta Financial or the Company) is using this proxy statement to solicit proxies from the holders of Company common stock for use at Meta Financial s Annual Meeting of Stockholders (Annual Meeting). We are mailing this proxy statement and the enclosed proxy card to our stockholders on or about December 16, 2010.

Certain information provided herein relates to MetaBank, which is a wholly owned subsidiary of Meta Financial. MetaBank is referred to in this proxy statement as the Bank.

INFORMATION ABOUT THE ANNUAL MEETING

Time and Place of the Annual Meeting; Matters to be Considered at the Annual Meeting

Time and Place of the Annual Meeting. Our Annual Meeting will be held as follows:

Date: January 20, 2011
Time: 1:00 p.m., local time
Place: MetaBank
121 East Fifth Street
Storm Lake, Iowa

Edgar Filing: META FINANCIAL GROUP INC - Form DEF 14A

Matters to be Considered at the Annual Meeting. At the Annual Meeting, stockholders of Meta Financial are being asked to consider and vote on the election of two (2) directors, each for a three-year term. The stockholders also will transact any other business that may properly come before the Annual Meeting. As of the date of this proxy statement, we are not aware of any other business to be presented for consideration at the Annual Meeting other than the matters described in this proxy statement.

Voting Rights; Vote Required

Voting Rights of Stockholders. December 1, 2010 is the record date for the Annual Meeting (the Record Date). Only stockholders of record of Meta Financial common stock as of the close of business on that date are entitled to notice of, and to vote at, the Annual Meeting. You are entitled to one vote for each share of Meta Financial common stock you own. On December 1, 2010, 3,112,463 shares of Meta Financial common stock were outstanding and entitled to vote at the Annual Meeting.

Employee Plan Shares. We maintain the Meta Financial Employee Stock Ownership Plan and the MetaBank Profit Sharing 401(k) Plan (collectively, the *Employee Plans*), which hold collectively approximately 6.87% percent of the Meta Financial common stock outstanding. Subject to certain eligibility requirements, employees of Meta Financial and the Bank participate in one or both of the Employee Plans. Each participant in an Employee Plan is entitled to instruct the trustee of such Employee Plan how to vote such participant's shares of Meta Financial common stock allocated to his or her Employee Plan account. If an Employee Plan participant properly executes the voting instruction card distributed by the Employee Plan trustee, the Employee Plan trustee will vote such participant's shares in accordance with the participant's instructions. If properly executed voting instruction cards are returned to the Employee Plan trustee with no specific instruction as to how to vote at the Annual Meeting, the trustee may vote such shares in its discretion. In the event the Employee Plan participant fails to give timely voting instructions to the trustee with respect to the voting of the common stock that is allocated to the participant's Employee Plan account, the Employee Plan trustee may vote such shares in its discretion. The Employee Plan trustee will vote the shares of Meta Financial common stock held in the Employee Plans but not allocated to any participant's account in the manner directed by the majority of the participants who directed the trustee as to the manner of voting their allocated shares. As of the Record Date, all the shares held in the Employee Plans are allocated.

Shares held by a Broker. If you are the beneficial owner of shares held by a broker in street name, your broker, as the record holder of the shares, will vote the shares in accordance with your instructions. If you do not give instructions to your broker, your broker will nevertheless be entitled to vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items. In the case of non-discretionary items, the shares will be treated as broker non-votes. The election of directors is considered a non-discretionary item, in which case your broker may not vote your shares without instructions from you.

Votes Required for Election of Directors and a Quorum. Directors are elected by a plurality of the votes cast, in person or by proxy, at the Annual Meeting by holders of Meta Financial common stock. This means that the two director nominees with the most affirmative votes will be elected. Shares that are represented by a proxy which are marked *vote withheld* for the election of one or more director nominees and broker non-votes will have no effect on the vote for the election of directors, although they will be counted for purposes of determining whether there is a quorum. A quorum is necessary in order for us to conduct the Annual Meeting, and if one-third of all the shares entitled to vote are in attendance at the meeting, either in person or by proxy, then the quorum requirement is met.

If a director nominee is unable to stand for election, the Board of Directors may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority. As of the date of this proxy statement, we are not aware of any reason that a director nominee would be unable to stand for election.

Your Board of Directors unanimously recommends that you vote **FOR each of the director nominees set forth in this proxy statement.**

Voting of Proxies; Revocability of Proxies; Proxy Solicitation Costs

Voting of Proxies. You may vote in person at the Annual Meeting or by proxy. To ensure your representation at the Annual Meeting, we recommend that you vote now by proxy even if you plan to attend the Annual Meeting. You may change your vote by attending and voting at the Annual Meeting or by submitting another proxy with a later date. See *Revocability of Proxies* below.

Voting instructions are included on your proxy card. Shares of Meta Financial common stock represented by properly executed proxies will be voted by the individuals named in such proxy in accordance with the stockholder's instructions. If properly executed proxies are returned to Meta Financial with no specific instruction as how to vote at the Annual Meeting, the persons named in the proxy will vote the shares FOR the election of each of the director nominees.

VOTE BY TELEPHONE 1-800-690-6903. Use any touch-tone telephone to transmit your voting instructions up until 11:59 P.M. Eastern Time the day before the meeting date. Have your proxy card in hand when you call and then follow the instructions. **If you vote by telephone, please do not mail your Proxy Card.**

VOTE BY INTERNET www.proxyvote.com Use the Internet to transmit your voting instructions and for electronic delivery of information up until 11:59 p.m. Eastern Time the day before the meeting date. Have your proxy card in hand when you access the website and follow the instructions to obtain your records and to create an electronic voting instruction form. **If you vote by Internet, please do not mail your Proxy Card.**

The Internet voting procedures are designed to authenticate Meta Financial's stockholders' identities, to allow Meta Financial's stockholders to give their voting instructions and to confirm that Meta Financial's stockholders' instructions have been recorded properly. Stockholders who wish to vote over the Internet should be aware that there might be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies.

Any Meta Financial stockholder of record desiring to vote over the Internet will be required to enter the unique control number imprinted on such holder's Meta Financial proxy card and, therefore, should have their Meta Financial proxy card in hand when initiating the session. To vote over the Internet, log on to the website **www.proxyvote.com**, and follow the simple instructions provided. Instructions are also included on the proxy card.

The persons named in the proxy will have the discretion to vote on any other business properly presented for consideration at the Annual Meeting in accordance with their best judgment. We are not aware of any other matters to be presented at the Annual Meeting other than those described in the Notice of Annual Meeting of Stockholders accompanying this document.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children in which case you would receive three separate proxy cards to vote.

Revocability of Proxies. You may revoke your proxy before it is voted by:

- submitting a new proxy with a later date,

Edgar Filing: META FINANCIAL GROUP INC - Form DEF 14A

- notifying the Corporate Secretary of Meta Financial in writing before the Annual Meeting that you have revoked your proxy, or
- voting in person at the Annual Meeting.

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. However, if your shares are held in the name of your broker, bank or other nominee, you must bring an authorization letter from the broker, bank or nominee indicating that you were the beneficial owner of Meta Financial common stock on the Record Date if you wish to vote in person.

Proxy Solicitation Costs. We will pay our own costs of soliciting proxies. In addition to this mailing, Meta Financial's directors, officers and employees may also solicit proxies personally, electronically or by telephone. We will also reimburse brokers, banks and other nominees for their expenses in sending these materials to you and obtaining your voting instructions.

STOCK OWNERSHIP

Except as otherwise noted, the following table presents information regarding the beneficial ownership of Meta Financial common stock as of the Record Date, by:

- those persons or entities (or group of affiliated persons or entities) known by management to beneficially own more than 5% of our outstanding common stock;
- each director and director nominee of Meta Financial;
- each named executive officer of Meta Financial named in the Summary Compensation Table appearing under "Executive Compensation" below; and
- all of the executive officers and directors of Meta Financial as a group.

The persons named in the table below have sole voting power for all shares of common stock shown as beneficially owned by them, subject to community property laws where applicable and except as indicated in the footnotes to the table.

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission (the "SEC"). In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to outstanding options held by that person that are currently exercisable or exercisable within 60 days after the Record Date are deemed outstanding. Such shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person. Percentage ownership is based upon 3,112,463 shares of common stock outstanding on the Record Date.

Edgar Filing: META FINANCIAL GROUP INC - Form DEF 14A

The Compensation Committee, which has not adopted a charter, met two times during fiscal 2010. The functions of the Compensation Committee are as follows:

- Make salary and bonus recommendations to the Board of Directors and determine terms and conditions of employment of the officers of Meta Financial and MetaBank;
- Oversee the administration of our employee benefit plans covering employees generally (other than stock incentive plans administered by the Stock Option Committee); and
- Make recommendations to the Board of Directors with respect to our compensation policies and changes in year-to-year compensation packages.

The Stock Option Committee met one time during fiscal 2010. The functions of the Stock Option Committee are as follows:

- Administer our stock incentive plan; and
- Make recommendations to the Board of Directors with respect to our stock compensation policies.

The Nominating Committee, which met one time during fiscal 2010, is comprised entirely of independent directors, meeting the criteria for independence in Rule 10A-3(b)(1) under the Exchange Act and Rule 5602(a)(5) of the NASDAQ Listing Rules. The Nominating Committee operates pursuant to a written charter, a copy of which can be found on the Company's website at www.bankmeta.com, Meta Financial Group, Corporate Governance. Nominations of persons for election to the Board of Directors may be made only by or at the direction of the Nominating Committee, or by any stockholder entitled to vote for the election of directors who complies with the notice procedures set forth in the By-laws of Meta Financial. Pursuant to the By-laws, nominations by stockholders must be delivered in writing to the Secretary of Meta Financial at least 30 days prior to the date of the Annual Meeting; provided, however, that in the event that less than 40 days' notice or prior disclosure of the date of the Annual Meeting is given or made to stockholders, to be timely, notice by the stockholder must be received at the executive offices of Meta Financial not later than the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed or such public disclosure thereof was made. Except as may be required by rules promulgated by NASDAQ or the SEC, currently there are no specific, minimum qualifications that must be met by each candidate for the Board of Directors, nor are there any specific qualities or skills that are necessary for one or more of the members of the Board of Directors to possess. In evaluating candidates proposed by either the Board or stockholders, the Board looks for director candidates who possess the skills, experience, professional background and commitment necessary to contribute significantly to the Board. In making its determinations, the Board considers all relevant laws and regulations as well as other factors deemed important by it (such as the present composition of the Board). The Nominating Committee will also take into account whether a candidate satisfies the criteria for independence under the NASDAQ Listing Rules and, if a nominee is sought for service on the Audit Committee, the financial and accounting experience of a candidate, including whether an individual qualifies as an audit committee financial expert. Although the Nominating Committee and the Board do not have a formal policy with regard to the consideration of diversity in identifying a director nominee, diversity is considered in the identification process. While attributes such as relevant experience, financial acumen, and formal education are always considered in the identification process, the Nominating Committee and the Board will also evaluate a potential director nominee's personal character, community involvement, and willingness to serve so that he or she can help further the Company's role as a community-based financial institution.

The Company is incorporated in Delaware and has held its annual meetings in Iowa since its incorporation. Senior members of management have been present at each annual meeting to meet with stockholders and answer any questions. Historically, stockholder attendance has been limited, which we attribute to our policy of regular and detailed communications with our stockholders and investors through meetings with management and other investor relations activities. In view of the fact that stockholders have not historically attended our annual meetings, and that seven directors were present at the last annual meeting, we have not adopted a policy regarding the attendance of directors at the annual meeting.

Code of Ethics

The Company has adopted a written code of ethics within the meaning of Item 406 of SEC Regulation S-K, which applies to our principal executive officer and senior financial officers, a copy of which can be found on the Company's website at www.bankmeta.com, Meta Financial Group, Corporate Governance. If we make substantive amendments to the Code of Ethics that are applicable to our principal executive or financial officers, we will disclose the nature of such amendment or waiver in a report on Form 8-K in a timely manner.

Separation of Board Chairman and CEO

While the Board of Directors has no formal policy requiring the separation of the positions of Chairman of the Board and Chief Executive Officer, the Board acknowledges that such separation may be appropriate under certain circumstances. Currently, the positions of Chairman of the Board and Chief Executive Officer are separated. Separating the roles allows Mr. J. Tyler Haahr to focus solely on his duties as the Chief Executive Officer which better serves the Company.

Risk Oversight

The Board of Directors of the Company is actively involved in oversight of risks that could affect the Company. This oversight is conducted primarily through committees of the Board of Directors, but the full Board of Directors has retained responsibility for general oversight of risks. The Board of Directors satisfies this responsibility through reports by each committee chair regarding the committee's considerations and actions, as well as through reports directly from Company officers responsible for the oversight of particular risks within the Company, particularly the Bank's Chief Risk Officer who reports to the Company's Audit Committee. Risks relating to the direct operations of the Bank are overseen by the Board of Directors of the Company, as they also serve as directors of the Bank. The directors oversee risk of the Bank through the directors' membership on the Bank's Committees. In particular, all the Company's Audit Committee members serve on the Bank's Audit Committee. The Board of Directors of the Bank also has the Loan Committee and the Internal Control and Risk Committee that conduct risk oversight separate from the Company. Further, the Bank's Board of Directors oversees risks through the establishment of policies and procedures recommended by the Bank's Chief Risk Officer and other officers that are designed to guide daily operations in a manner consistent with applicable laws, regulations, and risks acceptable to the Bank.

Audit Committee Matters

The following Report of the Audit Committee of the Board of Directors shall not be deemed to be soliciting material or to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended (the Exchange Act), except to the extent Meta Financial Group, Inc., specifically incorporates this Report therein, and it shall not otherwise be deemed filed under such Acts.

- The Audit Committee has reviewed and discussed with the Company's management the Company's fiscal 2010 audited financial statements;
- The Audit Committee has discussed with the Company's independent registered public accounting firm (KPMG LLP) the matters required to be discussed by the Statement on

- The Audit Committee has received the written disclosures and letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence; and

- Based on the review and discussions referred to in the three items above, the Audit Committee recommended to the Board of Directors that the fiscal 2010 audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2010.

Audit Committee Member Independence; Audit Committee Financial Expert; and Audit Committee Charter. Each member of the Audit Committee is a non-employee director who (1) meets the criteria for independence set forth in Rule 10A-3(b)(1) under the Exchange Act and Rule 5602(a)(5) of the NASDAQ Listing Rules; (2) has not participated in the preparation of the financial statements of Meta Financial or any of its current subsidiaries at any time during the past three years; and (3) is able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement. Our Board of Directors has determined that our Audit Committee has at least one member who qualifies as an audit committee financial expert as that term is defined in the rules and regulations of the SEC. The Board has determined that Ms. Partlow, based upon her experience, training and education, qualifies as an audit committee financial expert by virtue of the fact that she has (a) an understanding of generally accepted accounting principles (GAAP) and financial statements; (b) the ability to assess the general application of GAAP in connection with accounting for estimates, accruals and reserves; (c) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements as well as experience actively supervising one or more persons engaged in such activities; (d) an understanding of internal controls and procedures for financial reporting; and (e) an understanding of audit committee functions.

COMPENSATION PROCESSES AND PROCEDURES

The Compensation Committee reviews annual salaries and bonuses of the Company's executive officers and makes recommendations to the Board of Directors for review and approval. The Stock Option Committee of the Board administers the Meta Financial Group, Inc. 2002 Omnibus Incentive Plan, including the approval of all grants of stock options, stock appreciation rights, restricted stock and performance awards. The members of the Stock Option Committee are also members of the Compensation Committee. As such, the Stock Option Committee members are involved in all discussions and determinations affecting the compensation package given to each executive officer; their determinations with respect to stock awards, however, are absolute and are not reviewed or approved by the Board of Directors.

The compensation approval process, which is undertaken in the last month of each fiscal year, consists of annual performance evaluations that are completed by each executive officer's immediate supervisor. Based on that individual evaluation, the relevant metrics for Company performance and updated salary data on comparable positions, the Chairman and President/CEO prepare proposed salary adjustments for all executives other than themselves. After such consultation between the Chairman and the President/CEO, the Chairman makes recommendations to the Compensation Committee with respect to compensation for all executive officers with the exception of his own position. The Compensation Committee makes salary adjustment recommendations to the Board of Directors with respect to the compensation of the Chairman and the remaining executives for review, discussion and approval. The full Board, with affected executive officers recusing themselves and abstaining from voting when appropriate, then reviews the recommendations of the Compensation Committee and approves the final compensation amounts except for awards made by the Stock Option Committee which, as described above, are awarded without review or approval by the Board of Directors. Regarding the compensation components, awards made by the Stock Option Committee are effective as of September 30th, and compensation adjustments are effective on the first payroll period following October 1st of each year and remain in effect until the following September 30th. The award of stock options under the 2002 Omnibus Incentive Plan is subject to the approval of such awards by the Stock Option Committee, depends on the availability of authorized shares under the Plan and is determined in accordance with the same criteria used by the Compensation Committee and the Board of Directors in determining the award of cash incentive compensation described above.

During 2010, the Compensation Committee engaged The Hay Group to conduct a total compensation review to analyze the competitiveness of the Company's compensation arrangements (base salary, bonus and long-term incentive compensation) for its senior executives. The total compensation review involved the analysis of the comparison of the Company's senior executive officer positions to similar positions within The Hay Group's proprietary General Industry database and of compensation paid at peer organizations in the financial services/banking industry. Findings were summarized for each senior executive's position against the comparator markets for base salary, total cash and total direct compensation and were considered by the Compensation Committee in determining incentive compensation awards for fiscal 2010 and establishing base salary, total cash, and total direct compensation for fiscal year 2011. This analysis was considered by the Stock Option Committee in its approving the stock options awards granted September 30, 2010, and the restricted stock awards granted October 1, 2010.

Director compensation is determined by the full Board of Directors. No compensation consultants are utilized to determine total non-employee director compensation, although the Board does utilize comparative sources and other secondary materials to determine, in its opinion, the adequacy of such compensation.

Material Terms of Employment

MetaBank has an employment agreement with each of James S. Haahr, J. Tyler Haahr and Bradley C. Hanson. Each employment agreement provides for a minimum annual base salary and a term of three years. Each agreement provides for extensions of one year, in addition to the then-remaining term under the agreement, on each anniversary of the effective date of the agreement, subject to a formal performance evaluation performed by disinterested members of the Board of Directors of MetaBank. The agreements terminate upon such executive's death, for cause, upon certain events specified by Office of Thrift Supervision regulations or by such executive upon 90 days' notice to MetaBank. Following the completion of performance reviews by the Company, the Board of Directors has authorized one-year extensions of the remaining terms of the employment agreements of James S. Haahr, J. Tyler Haahr and Bradley C. Hanson through September 30, 2012. Effective for the first pay period following October 1, 2010, the base salaries of James S. Haahr, J. Tyler Haahr and Bradley C. Hanson were \$305,000, \$385,000 and \$350,000, respectively, with no set bonuses.

An incentive compensation program has been established to reward those named executive officers who provide a level of performance to the Company which warrants recognition in the form of compensation above base compensation amounts. Incentive compensation is based upon (1) performance by the individual and (2) overall Company performance. Yearly incentive awards are tied to Company current year performance and to other quantifiable metrics that demonstrate the strengthening and broadening of the Company's banking and payments businesses. The compensation awards made at the conclusion of fiscal year 2010 were such that total cash incentive compensation could not exceed 50% of base compensation and stock options could not exceed 20% of base compensation. Neither the Board nor the Stock Option Committee is required to authorize incentive compensation to eligible executive officers if, as determined by the Board or the Stock Option Committee, respectively, the officer's performance does not warrant such awards.

Calculation of 2010 Stock Option Awards Pursuant to the 2002 Omnibus Incentive Plan

The number of stock options to be awarded is determined by taking the indicated percentage times base compensation, divided by a fixed price of \$11.07 per share as determined by the September 30, 2010 Black-Scholes valuation method. The exercise price of stock options awarded under this Plan shall be the fair market value of the underlying stock at the date of grant, determined by reference to the high bid price on the option grant date. Options are issued for 10-year periods with 100% vesting generally occurring either at grant date or over a four-year period.

Name	Number of shares of stock that have not vested (#)	Grant date	Vesting date (date award is vested in full)
Bradley C. Hanson	1,667	9/29/06	9/29/11

Retirement Benefits, Nonqualified Defined Contribution and Other Nonqualified Deferred Compensation Plans

Most of our employees, including the members of our Executive Management Team which includes the Named Executive Officers, participate in the MetaBank Profit Sharing 401(k) Plan and the Meta Financial Group, Inc. Employee Stock Ownership Plan. Mr. James S. Haahr, Mr. J. Tyler Haahr and Mr. Bradley C. Hanson participate in the Supplemental Employees' Investment Plan for Salaried Employees (the Benefit Equalization Plan or BEP) and related Trust Agreement. This plan is an excess benefit plan that provides for employer contributions to the extent that Code Section 401(a)(17) and/or Code Section 415 limits the amounts that may be contributed to a participant's qualified plan account.

An Amended and Restated Contract for Deferred Compensation (the "Contract") exists between MetaBank and James S. Haahr. This Contract is intended as an inducement by the Company to retain Mr. Haahr's services as the Chairman of the Board. It is contemplated that Mr. James S. Haahr shall remain as an employee of the Company until he reaches the age of eighty (80) years. The purpose of this Contract is to provide for compensation for years of service in the event of his death or retirement. If Mr. Haahr dies before his retirement date as set forth above, the Company shall pay to his wife \$2,000 per year for the period commencing October 1, 1979 and ending on Mr. Haahr's date of death, with such benefit payable in annual installments of \$2,000. In the event of the death of Mr. Haahr's wife, the compensation shall be paid to his children in equal shares. In the event Mr. Haahr retires on or after age 80 or severs his employment with the Company prior to age 80, the Company shall pay a lump sum payment of the accrued deferred compensation as soon as administratively feasible but no later than 90 days after his employment termination date, subject to a six-month payment delay for the Code Section 409A compliance purposes if Mr. Haahr is a specified employee (as defined under Code Section 409(a)) at the time of his employment termination.

Benefits payable under the BEP and the Contract are designed to be taxable as ordinary income at the time of distribution. Both the BEP and the Contract were amended during 2008 to comply with Code Section 409A.

Potential Payments Upon Termination or Change-in-Control

The employment agreement for each executive described above provides for payment to the executive of the greater of his salary for the remainder of the term of the agreement, or 299% of his base compensation, in the event there is a change in control of Meta Financial or MetaBank if employment terminates involuntarily in connection with such change in control or within 12 months thereafter. This termination payment is subject to reduction by the amount of all other compensation to the executive deemed for purposes of the Internal Revenue Code of

1986, as amended, to be contingent on a change in

control, and may not equal or exceed three times the executive's average annual compensation over the most recent five-year period or otherwise be non-deductible by MetaBank for federal income tax purposes. For the purposes of the employment agreements, a change in control is defined, in accordance with standard industry provisions, as any event which would require the filing of an application for acquisition of control or notice of change in control pursuant to 12 C.F.R. § 574.3 or § 574.4, respectively. These events may be triggered upon the acquisition or control of 10% of Meta Financial's common stock. Each agreement also guarantees participation in an equitable manner in employee benefits available to executive personnel.

Based on their current salaries, if the employment of Messrs. James S. Haahr, J. Tyler Haahr and Bradley C. Hanson had been terminated as of September 30, 2010, under circumstances entitling them to termination payments as described above, they would have been entitled to receive lump sum cash payments of approximately \$828,230, \$1,091,395 and \$985,549, respectively.

CERTAIN TRANSACTIONS

MetaBank has followed a written policy of granting loans to eligible directors, officers, employees and members of their immediate families for the financing of their personal residences and for consumer purposes. As of September 30, 2010, all loans or extensions of credit to executive officers and directors were made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to MetaBank, and do not involve more than the normal risk of collectibility or present other unfavorable features.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Meta Financial's directors and executive officers, and persons who own more than 10% of a registered class of Meta Financial's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of Meta Financial common stock and other equity securities of Meta Financial generally by the second business day following a transaction. Officers, directors and greater-than-10% stockholders are required by SEC regulations to furnish Meta Financial with copies of all Section 16(a) forms they file.

To Meta Financial's knowledge, based solely on a review of the copies of such reports furnished to Meta Financial and written representations that no other reports were required during the fiscal year ended September 30, 2010, all Section 16(a) filing requirements applicable to its officers, directors and greater-than-10% beneficial owners were complied with, except for reporting of the following transactions. Form 4s were not timely filed for each of E. Thurman Gaskill, Frederick V. Moore, Rodney G. Muilenburg, Jeanne Partlow, James S. Haahr, J. Tyler Haahr and Bradley C. Hanson to report the annual grant of restricted stock to directors; for James S. Haahr, J. Tyler Haahr and Troy Moore III to report one exercise of employee stock options; and for Rodney G. Muilenburg and Troy Moore III to report two and five sales, respectively. Form 5s were not timely filed for James S. Haahr, Frederick V. Moore and Rodney G. Muilenburg to report two, one and eight gift(s), respectively.
