**FOR IMMEDIATE RELEASE**

## **NextEra Energy Capital Holdings Announces Dates for Remarketing of its Series C Debentures due June 1, 2014**

JUNO BEACH, Fla. - NextEra Energy Capital Holdings, Inc. today announced that it will conduct a remarketing of its Series C Debentures due June 1, 2014 (the "Debentures") (CUSIP No. 302570BF2), which are currently outstanding in the aggregate principal amount of \$350 million, on May 16, 2012 (and, if necessary, on the following two business days). The Debentures were originally issued as part of NextEra Energy, Inc.'s Corporate Units (CUSIP No. 65339F309) on May 26, 2009 (the "Corporate Units") in conjunction with a Purchase Contract Agreement, dated as of May 1, 2009 (the "Purchase Contract Agreement"). The Debentures are guaranteed by NextEra Energy Capital Holdings' parent company, NextEra Energy, Inc.

If the remarketing is successful, the interest rate on the Debentures will be reset to a rate that will enable the Debentures to be remarketed at a price equal to the sum of the Remarketing Treasury Portfolio Purchase Price, the Separate Debentures Purchase Price and the Remarketing Fee (all terms as defined in the Purchase Contract Agreement). The reset rate and the subsequent interest payment dates will be established on the date of the successful remarketing and become effective on the third business day following the date of the successful remarketing. The Remarketing Fee will be up to 0.25% of the sum of the Remarketing Treasury Portfolio Purchase Price and the Separate Debentures Purchase Price.

Upon a successful remarketing, the proceeds of the remarketing of the Debentures that were components of the Corporate Units will be used to purchase a portfolio of U.S. Treasury securities (or principal or interest strips thereof), which will be substituted for the Debentures and pledged to secure the Corporate Units holders' obligation to purchase NextEra Energy common stock on June 1, 2012 pursuant to the Purchase Contract Agreement. The proceeds from the remarketing of any Debentures that are not a component of Corporate Units and whose holders elect to include some or all of those Debentures in the remarketing will be paid to such holders.
