## Edgar Filing: EASTERN AMERICAN NATURAL GAS TRUST - Form SC TO-T/A

This Amendment No. 2 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO filed with the Securities and Exchange Commission on February 13, 2013 (which, together with any subsequent amendments and supplements thereto, collectively constitute this Schedule TO). The Schedule TO relates to the exchange offer by Energy Corporation of America, a West Virginia corporation (ECA), for up to 3,197,385 outstanding depositary units (the NGT Depositary Units) of Eastern American Natural Gas Trust, a Delaware statutory trust (NGT), for up to 4,120,059 outstanding common units (ECT Common Units) of ECA Marcellus Trust I, a Delaware statutory trust (ECT), upon the terms and conditions set forth in the Prospectus dated February 13, 2013 (as it may be amended or supplemented from time to time, the

Prospectus), a copy of which is attached as Exhibit (a)(4), and the related letter of transmittal (as it may be amended or supplemented from time to time, the Letter of Transmittal), a copy of which is attached as Exhibit (a)(1)(A), which collectively constitute the Offer. This Amendment is being filed on behalf of ECA.

The information set forth in the Schedule TO remains unchanged, except that such information is hereby amended and supplemented to the extent specifically provided herein. Capitalized terms used but not defined herein have the meanings ascribed to them in the Offer to Exchange or in the Schedule TO.

### **Items 1, 4 and 11.**

### **Regulation M-A Items 1001, 1004 and 1011.**

Items 4(a) and 11(c) of this Schedule TO are hereby amended by replacing the final two paragraphs of such Items 4(a) and 11(c) with the following paragraphs:

On March 11, 2013, ECA issued a press release announcing the determination of the exchange ratio for the Offer. The final calculated per-unit value of the ECT Common Units, which was used to calculate the final exchange ratio, was \$16.56. The final exchange ratio of 1.361 was determined based on the volume weighted average trading prices of ECT Common Units for the 10-day period ending on March 11, 2013 (the 18th business day following commencement of the Offer). Based on the final exchange ratio, the maximum number of NGT Depositary Units that will be accepted is 3,027,229 NGT Depositary Units for up to 4,120,059 ECT Common Units.

Holders of NGT Depositary Units will receive 136 ECT Common Units and a cash payment equivalent to .1 ECT Common Units (\$1.65) for every 100 NGT Depositary Units validly tendered and delivered pursuant to the Offer and accepted for exchange by the Company. For purposes of determining the cash payment, each holder of NGT Depositary Units who would otherwise be entitled to a fraction of an ECT Common Unit will receive a cash payment calculated by multiplying such fractional interest by the final calculated per-unit value of ECT Common Units (\$16.56).

In addition, Items 1, 4(a), and 11(c) of this Schedule TO are hereby amended and supplemented by adding the following text thereto:

American Stock Transfer & Trust Company, LLC, the exchange agent for the Offer, has advised ECA that, as of 11:59 P.M., New York City time, at the end of the day on Wednesday, March 13, 2013, an aggregate of 948,750 NGT Depositary Units had been validly tendered for exchange into, and not properly withdrawn from, the Offer, including 107,450 NGT Depositary Units validly tendered for exchange through notices of guaranteed delivery. The NGT Depositary Units validly tendered for exchange represent approximately 25.4% of the outstanding

NGT Depositary Units. All NGT Depositary Units validly tendered for exchange in the Offer (other than NGT Depositary Units tendered through notices of guaranteed delivery) have been accepted for exchange, and ECA expects to pay the exchange consideration promptly for all such NGT Depositary Units. NGT Depositary Units validly tendered for exchange in satisfaction of notices of guaranteed delivery will also be accepted for exchange, and ECA expects to pay the exchange consideration on March 18, 2013 for all such NGT Depositary Units.

On March 14, 2013, ECA issued a press release announcing the expiration and results of the Offer. The full text of the press release is attached hereto as Exhibit (a)(5)(E) and it is incorporated herein by reference.
