Item 1.01. Entry into a Material Definitive Agreement.

On July 30, 2013, Theravance, Inc., a Delaware corporation (the Company), entered into a Common Stock Purchase Agreement (the Common Stock Purchase Agreement) with Glaxo Group Limited, a limited liability company organized under the laws of England and Wales (the Investor), and, solely with respect to certain enumerated sections therein, GlaxoSmithKline LLC, a Delaware limited liability company, the successor entity to SmithKline Beecham Corporation, a Pennsylvania corporation (which, together with the Investor, is referred to as GSK). Pursuant to the terms of the Common Stock Purchase Agreement, the Company has agreed to sell 3,064,407 unregistered shares of its common stock (the Shares) to the Investor at a price of \$36.50 per share in a private transaction (the Private Placement). The closing of the purchase and sale of the Shares is expected to occur on August 2, 2013.

518,071 of the Shares to be purchased are pursuant to the Company s obligation under Section 2.1(d)(ii) of the Amended and Restated Governance Agreement by and among the GSK and other affiliate entities (the Governance Agreement) related to exercise of stock options and vesting of restricted stock, and 2,546,336 of the Shares to be purchased are pursuant to the Company s obligation under Section 2.1(d)(v) of the Governance Agreement following the conversion of all of the Company s 3% Convertible Subordinated Notes due 2015 into approximately 6.7 million shares of Common Stock.

The foregoing is a summary of the terms of the Common Stock Purchase Agreement and is qualified in its entirety by reference to the Common Stock Purchase Agreement, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 3.02. Unregistered Sales of Equity Securities.

The information set forth in Item 1.01 of this Current Report on Form 8-K that relates to an agreement to sell unregistered equity securities of the Company in a private placement is incorporated herein by reference. The Private Placement is scheduled to close within three (3) business days of the execution and delivery of the Common Stock Purchase Agreement. The Private Placement will result in aggregate gross proceeds to the Company of approximately \$111.9 million before deducting transaction expenses. Neither the Company nor the Investor engaged any investment advisors with respect to the Private Placement, and no finders fees or commissions will be paid to any party in connection therewith.

The Shares will be issued and sold by the Company in a private placement transaction in reliance upon an exemption from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended, based on representations made to the Company by the Investor regarding its status as an accredited investor and the absence of any general solicitation in connection with the transaction.
