**Item 2.01. Completion of Acquisition or Disposition of Assets.**

This Current Report on Form 8-K/A amends and supplements the registrant's Current Report on Form 8-K, as filed on July 9, 2014, to include the pro forma financial information required by Item 9.01(b) with respect thereto as set forth below.

**Item 9.01. Financial Statements and Exhibits.**

This Current Report on Form 8-K includes unaudited pro forma condensed consolidated financial statements, which include the sale by the Company of its entire stake of 22,000,000 common shares of beneficial interest of Select Income REIT ( "SIR" ), and the previously disclosed reclassification of certain properties from discontinued operations to continuing operations reported in the Company's Quarterly Report on Form 10-Q for the three months ended March 31, 2014. These unaudited pro forma condensed consolidated financial statements are not necessarily indicative of the expected results of operations for any future period. Differences could result from many factors, including future changes in the Company's portfolio of investments, changes in interest rates, changes in capital structure, changes in property level operating expenses, changes in property level revenues, including rents expected to be received pursuant to existing leases or entered into during 2014, and for other reasons. Consequently, actual future results are likely to be different than amounts presented in the unaudited pro forma condensed consolidated financial statements and such differences could be significant.

Introduction to Unaudited Pro Forma Condensed Consolidated Financial Statements

The following unaudited pro forma condensed consolidated balance sheet as of March 31, 2014 is intended to present the Company's consolidated financial position as if the sale by the Company of its entire stake of 22,000,000 common shares of beneficial interest of SIR had been completed as of March 31, 2014, and the estimated net proceeds are deposited in cash accounts pending the Company's evaluation of other options, including debt repayments and other corporate purposes. The following unaudited pro forma condensed consolidated statements of operations for the three months ended March 31, 2014 and the year ended December 31, 2013 are intended to present the Company's results of continuing operations as if the sale by the Company of its entire stake of 22,000,000 common shares of beneficial interest of SIR had been completed as of January 1, 2013. The unaudited pro forma condensed consolidated statement of operations for the year ended December 31, 2013 also presents the Company's results of continuing operations as if the reclassification of certain properties from discontinued operations to continuing operations as previously disclosed in the Company's Quarterly Report on Form 10-Q for the three months ended March 31, 2014 had been completed as of January 1, 2013. The following unaudited pro forma condensed consolidated statements of operations excludes certain data relating to discontinued operations and should be read in conjunction with the financial statements included in the Company's Quarterly Report on Form 10-Q for the three months ended March 31, 2014 and Annual Report on Form 10-K for the year ended December 31, 2013, which include certain data relating to discontinued operations not included in the unaudited pro forma condensed consolidated statements of operations included in this Current Report on Form 8-K. These unaudited pro forma condensed consolidated financial statements are provided for illustrative purposes only and are not necessarily indicative of the Company's expected financial position and results of operations for any future period. Differences could result from many factors, including future changes in the Company's portfolio of investments, changes in interest rates, changes in capital structure, changes in property level operating expenses, changes in property level revenues, including rents expected to be received pursuant to existing leases or entered into during 2014, and for other reasons. Consequently, actual future results are likely to be different than amounts presented in the unaudited pro forma condensed consolidated financial statements and such differences could be significant.

**Unaudited Pro Forma Condensed Consolidated Balance Sheet Adjustments**

(A) Represents the sale by the Company of its entire stake of 22,000,000 common shares of beneficial interest of SIR for \$31.51 per share, plus accrued dividends, raising aggregate gross proceeds of \$704,813 (\$704,715 net of estimated expenses). The Company is currently evaluating options for the use of proceeds from the sale, including potential debt repayments and other corporate purposes. The pro forma adjustment to cumulative net income represents the estimated gain on sale of this transaction resulting from the per share sales price exceeding the Company's per share carrying value. The estimated gain is calculated as follows:

Estimated net proceeds	\$	704,715
Carrying value of equity investment		(513,099)
Estimated gain on sale	\$	191,616

SIR is a real estate investment trust that is primarily focused on owning and investing in net leased, single tenant properties and was a consolidated subsidiary of the Company until July 2, 2013.

(B) Represents the effect on equity in earnings of investees from the sale by the Company of its entire stake of 22,000,000 common shares of beneficial interest of SIR, as if this sale occurred as of January 1, 2013.

**Unaudited Pro Forma Condensed Consolidated Statement of Operations Adjustments for the Year Ended December 31, 2013**

(C) Represents the effect on the condensed consolidated statement of operations from the sale by the Company of its entire stake of 22,000,000 common shares of beneficial interest of SIR, as if this sale occurred as of January 1, 2013. The pro forma adjustments include the operating results of SIR during the period when SIR was the Company's consolidated subsidiary, which was until July 2, 2013, and subsequent to July 2, 2013, when the Company began accounting for its investment in SIR under the equity method.

(D) Represents the operating results of two central business district properties (two buildings) and 29 suburban properties (65 buildings) with a combined 5,641,450 square feet that were reclassified to properties held and used in operations from discontinued operations during the three months ended March 31, 2014, as if that reclassification occurred as of January 1, 2013. These properties were previously classified as held for sale and included in discontinued operations as of December 31, 2013. As a result of the removal of the Company's prior Board of
