**LEADING PROXY ADVISOR FIRM EGAN-JONES JOINS GLASS LEWIS IN RECOMMENDING THAT SHAREHOLDERS NOT
CONSENT TO HOTEL UNION S CALL FOR SPECIAL MEETING**

DALLAS, November 11, 2014 Ashford Hospitality Trust (NYSE: AHT) (Ashford Trust or the Company) today announced that a second leading, independent proxy voting and corporate governance advisory firm, Egan-Jones Proxy Services, has joined Glass Lewis & Co. in recommending that shareholders not consent to the shareholder proposal from the hotel union regarding a special shareholders meeting.

Regarding the request from the hotel union for a special meeting, Egan-Jones noted,(1) We believe that the hotel union s real interest is to assert its influence into a labor dispute at one of Ashford Trust s hotels in Alaska by threatening to disrupt the value creating separation of Ashford Inc.

Egan-Jones further stated, We take this position because we believe the spin-off of Ashford Inc. will result in significant value creation for the shareholders, and any delay in the timing of the spin-off will impact the ability to capitalize on current opportunities, which could result in the loss of enhanced value creating opportunities.

In its report recommending that shareholders not consent to the special meeting, leading proxy advisory firm, Glass Lewis, said, Given that Unite Here s interests are likely more aligned with workers it represents rather than shareholders of the companies it engages, as evidenced by the

(1) Permission to use quotations was neither sought nor obtained

union's nominal ownership of 0.001% of the Company's outstanding shares, we believe it is appropriate to question the Dissident's true motivations in this case.

Glass Lewis also noted that a vote is not required in this case under securities laws, state laws or the Company's bylaws and would, in fact, be a rare occurrence for a U.S.-listed company.

Ashford Trust's Board and management team have driven tremendous value creation over its 11-year history as a public company, growing Ashford Trust into a leader in the hospitality industry, with more than \$4 billion of assets, and one of the highest total shareholder returns of any hotel REIT.

Ashford Trust's Board and management team continue to take actions to create shareholder value, including the announced spin-off of its asset management business, Ashford Inc. The Company believes Ashford Inc. will benefit from the success of Ashford Trust and Ashford Prime, and will drive additional value across the Ashford portfolio of companies.

If shareholders have already submitted a written request card to the union supporting the calling of a special meeting, they can revoke such request. Shareholders can contact MacKenzie Partners, Inc. toll-free at 1-800-322-2885 or 212-929-5500 or e-mail proxy@mackenziepartners.com if they have any questions or need assistance in revoking any request that may have previously been submitted to the union.

As previously announced, the spin-off of Ashford Trust's asset management business into a new, separate publicly-traded C-Corp will be completed through a pro-rata taxable dividend of Ashford Inc. common stock on November 12, 2014 (the Distribution Date) to Ashford Trust shareholders of record as of the close of business of the New York Stock Exchange on November 11, 2014 (the Record Date).

Ashford Hospitality Trust is a real estate investment trust (REIT) focused on investing opportunistically in the hospitality industry across all segments and at all levels of the capital structure primarily within the United States.
