**Item 4. Purpose of Transaction**

The information set forth in Items 3 and 6 is incorporated herein by reference.

Fund V acquired the Common Stock in the ordinary course of business because of its belief that the Common Stock represented an attractive investment.

Subject to the limitations imposed by the Purchase Agreement and applicable federal and state securities laws, the Reporting Persons may dispose of the Common Stock from time to time, subject to market conditions and other investment considerations, and may cause the Common Stock to be distributed in kind to investors. To the extent permitted by the Purchase Agreement and applicable bank regulatory limitations, each Reporting Person may directly or indirectly acquire additional shares of Common Stock or associated rights or securities exercisable for or convertible into Common Stock, depending upon an ongoing evaluation of its investment in the Common Stock and securities exercisable for or convertible into Common Stock, applicable legal restrictions, prevailing market conditions, liquidity requirements of such Reporting Person and/or other investment considerations.

The Purchase Agreement also provides that from and after the First Closing Date, for so long as Fund V and its affiliates in the aggregate have a Minimum Ownership Interest, and do not have a Board Representative currently serving on the Board of Directors and the Bank Board (or have a Board Representative whose appointment is subject to receipt of regulatory approvals), the Company shall invite a person designated by Fund V and reasonably acceptable to the Company (the Board Observer) to attend meetings of the Board of Directors and the Bank Board in a nonvoting observer capacity. If the Board Observer attends more than two meetings of the Board of Directors or two meetings of the Bank Board in a given calendar year, then the Board Observer must agree to accept a nomination to be appointed to the Board of Directors and the Bank Board in accordance with the terms of the Purchase Agreement.

The foregoing reference to and description of the Purchase Agreement and the transactions contemplated thereby do not purport to be complete and are subject to, and are qualified in their entirety by reference to, the full text of the Purchase Agreement, which is attached hereto as Exhibit 2 and incorporated herein by reference.

#### **Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

The information set forth in Items 3 and 4 is incorporated herein by reference.

On August 22, 2014, the Company and Fund V entered into the Purchase Agreement. Pursuant to the Purchase Agreement, Fund V purchased 819,384 shares of Common Stock (the First Closing Purchased Shares) on November 25, 2014. The Purchase Agreement further provides that Fund V is required to purchase an additional 237,753 shares of Common Stock (the Second Closing Purchased Shares, and, together with the First Closing Purchased Shares, the Purchased Shares) if and when the conditions to such purchase have been satisfied or waived (the Second Closing). The following is a description of certain terms of the Purchase Agreement:

*Representations and Warranties.* Customary representations and warranties were made by the Company to Fund V relating to the Company, its business, and the issuance of the Common Stock, and by Fund V to the Company. The Company agreed to indemnify Fund V for breaches of its representations and warranties, subject to certain limitations as set forth in the Purchase Agreement.

*Board Representation.* Fund V is entitled to designate the Board Representative for election to the Board of Directors and the Bank Board for so long as Fund V owns a Minimum Ownership Interest, subject to applicable law, rules and regulations. The Purchase Agreement also provides that from and after the First Closing Date, for so long as Fund V and its affiliates in the aggregate have a Minimum Ownership Interest, and do not have a Board Representative currently serving on the Board of Directors and the Bank Board (or have a Board Representative whose appointment is subject to receipt of regulatory approvals), the Company shall invite a person designated by Fund V and reasonably acceptable to the Company (the Board Observer) to attend meetings of the Board of Directors and the Bank Board in a nonvoting observer capacity. If the Board Observer attends more than two meetings of the Board of Directors or two meetings of the Bank Board in a given calendar year, then the Board Observer will agree to accept a nomination to be appointed to the Board of Directors and the Bank Board in accordance with the terms of the Purchase Agreement.

*Avoidance of Control.* Neither the Company nor any of its subsidiaries is permitted under the Purchase Agreement to take any action (including any redemption, repurchase, or recapitalization of Common Stock or securities or rights, options or warrants to purchase Common Stock, or securities of any type whatsoever that are, or may become, convertible into or exchangeable into or exercisable for Common Stock in each case, where Fund V is not given the right to participate in such redemption, repurchase or recapitalization to the extent of the Fund V's pro rata proportion), that would reasonably be expected to pose a substantial risk that Fund V's ownership of any class of voting securities of the Company (together with the ownership by Fund V's Affiliates (as such term is used under the Bank Holding Company Act of 1956, as amended (the BHC Act)) of voting securities of the Company) would exceed 9.9% of such class after the First Closing Date or the Second Closing Date, in each case without the prior written consent of Fund V or such person, or to increase to an amount that would constitute control under the BHC Act, the Change of Bank Control Act of 1978, as amended (the CBCA) or any rules or regulations promulgated thereunder (or any successor provisions) or otherwise cause Fund V to control the Company under and for purposes of the BHC Act, the CBCA or any rules or regulations promulgated thereunder (or any successor provisions). In the event the Company breaches any of the foregoing obligations or believes that it is reasonably likely to breach such an obligation, it is required under the Purchase Agreement promptly notify Fund V and to cooperate in good faith with Fund V to modify ownership or make other arrangements or take any other action, in each case, as is necessary to cure or avoid such breach.

*Registration Rights.* Under the Purchase Agreement, the Company has agreed to file with the Securities and Exchange Commission (the SEC), upon Fund V's request at any time after the second anniversary of the Second Closing, a registration statement covering the resale of the Common Stock sold pursuant to the Purchase Agreement. The Company will be required to make certain payments as liquidated damages under the Purchase Agreement to Fund V and in certain circumstances if the registration statement is not (i) filed with the SEC within specific time periods, (ii) declared effective by the SEC within specified time periods or (iii) available (with certain limited exceptions) after having been declared effective. Additionally, the Purchase Agreement contains piggyback registration rights requiring the Company to include Fund V's shares of Common Stock acquired pursuant to the Purchase Agreement in future registration statements that may be filed by the Company (with certain limited exceptions).

*Preemptive Rights.* For so long as Fund V, together with its Affiliates, has a Qualifying Ownership Interest and Fund V is a non-objecting beneficial owner of the Qualifying Ownership Interest, if at any time after the date of the Purchase Agreement the Company makes any public or nonpublic offering or sale of any equity (including Common Stock, preferred stock or restricted stock), or any securities, options or debt that is convertible or exchangeable into equity or that includes an equity component (such as, an equity kicker) (including any hybrid security) (any such security, a New Security) (other than (i) any Common Stock or other securities issuable upon the exercise or conversion of any securities of the Company issued or agreed or contemplated (and disclosed to Fund V in writing) to be issued as of the date of the Purchase Agreement; (ii) pursuant to the granting or exercise of employee stock options, restricted stock or other stock incentives pursuant to the Company's stock incentive plans approved by the Board of Directors or the issuance of stock pursuant to the Company's

employee stock purchase plan approved by the Board of Directors or similar plan where stock is being issued or offered to a trust, other entity or otherwise, for the benefit of any employees, officers or directors of the Company, in each case in the ordinary course of providing incentive compensation; (iii) issuances of capital stock as full or partial consideration for a merger, acquisition, joint venture, strategic alliance, license agreement or other similar nonfinancing transaction; (iv) issuance of Common Stock upon exercise of warrants outstanding as of the date hereof; (v) issuances of any securities issued as a result of a stock split, stock dividend, reclassification or reorganization or similar event, but solely to the extent such issuance is made to all holders of Common Stock; or (vi) in connection with the rights offering under the Purchase Agreement); then Fund V shall be afforded the opportunity (provided, in the case of an offering that is not a registered public offering, that Fund V satisfied any applicable accredited investor, qualified institutional buyer or other investor criteria applicable to such offering) to acquire from the Company for the same price (net of any underwriting discounts or sales commissions) and on the same terms as such securities are proposed to be offered to others, up to the amount of New Securities in the aggregate required to enable it to maintain its proportionate Common Stock-equivalent interest in the Company immediately prior to any such issuance of New Securities.

*ERISA Matters.* Fund V and, at Fund V's request, each affiliate of Fund V that directly or indirectly has an interest in Fund V, the Company or the Bank, in each case, that is intended to qualify as a venture capital operating company as defined in the regulations (the Plan Asset Regulations) issued by the Department of Labor at Section 2510.3-101 of Part 2510 of Chapter XXV, Title 29 of the Code of Federal Regulations, as the same may be amended from time to time (a VCOC and each such person a VCOC Investor), was provided customary VCOC rights in the Purchase Agreement, including the right to receive regular financial reports (including, but not limited to, audited annual and quarterly financial reports), the right to inspect the books and records of the Company, and the right to consult with management of the Company on matters relating to the business and affairs of the Company; provided, however, that this provision does not entitle any VCOC Investor to consult with management of the Company on matters relating to the business and affairs of the Company more than once per quarter. The Company also agreed to consider, in good faith, the recommendations of the VCOC Investor or its designated representative in connection with the matters on which it is consulted as described above, recognizing that the ultimate discretion with respect to all such matters shall be retained by the Company and each of the Company's subsidiaries, as the case may be. Fund V and the Company entered into a letter agreement in furtherance of the foregoing on November 25, 2014 (the VCOC Letter Agreement), which is attached hereto as Exhibit 3 and incorporated herein by reference.

The foregoing reference to and description of the Purchase Agreement and the transactions contemplated thereby do not purport to be complete and are subject to, and are qualified in their entirety by reference to, the full text of the Purchase Agreement, which is attached hereto as Exhibit 2 and incorporated herein by reference.

*Passivity Commitments.* In connection with the Purchase Agreement, Fund V made certain customary passivity commitments to the Federal Reserve in a commitment letter to ensure that Fund V and its affiliates will not, among other things, exercise or attempt to exercise a controlling influence over the management or policies of the Company or any of its subsidiaries.
