Item 1.01 Entry into a Material Definitive Agreement

Item 2.03 Creation of a Direct Financial Obligation

On December 5, 2014, certain direct and indirect wholly owned subsidiaries of Alliance Resource Operating Partners, L.P. ("AROP"), the intermediate partnership of Alliance Resource Partners, L.P., entered into a \$100,000,000 accounts receivable securitization facility ("Securitization Facility") which provides additional liquidity and funding for those subsidiaries.

The documentation for the Securitization Facility includes, (i) a Purchase and Sale Agreement among Alliance Resource Operating Partners, L.P., and certain wholly owned direct and indirect subsidiaries of AROP, (namely, Alliance Coal, LLC; Gibson County Coal, LLC; Hopkins County Coal, LLC; Mettiki Coal (WV), LLC; Mt. Vernon Transfer Terminal, LLC; River View Coal, LLC; Sebree Mining, LLC; Tunnel Ridge, LLC; and White County Coal, LLC) (the "Originators") (the "Purchase and Sale Agreement"); (ii) a Sale and Contribution Agreement among AROP and AROP Funding, LLC, a wholly owned special purpose subsidiary of AROP (the "Borrower") (the "Sale and Contribution Agreement"); and (iii) a Receivables Financing Agreement among the Borrower, PNC Bank, National Association, as Administrative Agent (the "Administrative Agent") as well as the letter of credit bank (the "LC Bank"), the persons from time to time party thereto as lenders (the "Lenders"), the persons from time to time party thereto as letter of credit participants (the "LC Participants"), and Alliance Coal, LLC, as initial servicer (the "Servicer") (the "Receivables Financing Agreement").

Under the Purchase and Sale Agreement, each Originator will sell, on an ongoing basis, trade accounts receivable and the right to the collections on those accounts receivable to AROP. AROP will in turn sell and/or contribute such assets to the Borrower under the Sale and Contribution Agreement. The servicing, administration and collection of the accounts receivable will be conducted by the Servicer. To finance its purchase of the accounts receivable, Borrower will borrow, on a revolving basis, up to \$100,000,000 from the Administrative Agent, the LC Bank, the Lenders, and the LC Participants (collectively, the "Credit Parties"), which borrowings will be secured by the receivables. The Receivables Financing Agreement has an initial term of 364 days.

Loans under the Receivables Financing Agreement bear interest based upon a Euro-Rate (as defined in the Receivables Financing Agreement) with respect to amounts advanced under the Securitization Facility.

The Receivables Financing Agreement contains various customary representations and warranties and affirmative and negative covenants, and also contains customary default, indemnification and termination provisions, which provide for acceleration of amounts owed under the Receivables Financing Agreement upon the occurrence of certain specified events. The Purchase and Sale Agreement and the Sale and Contribution Agreement also contain various customary representations and warranties and affirmative and negative covenants and provide for customary indemnification and remedial provisions. The receivables in the Securitization Facility are subject to customary criteria, limits and reserves.

The loans under the Receivables Financing Agreement are an obligation of the Borrower and not the Originators, AROP or the Servicers. None of the Originators, AROP or the Servicers has guaranteed the collectability of the trade receivables or the creditworthiness of the obligors of the receivables. AROP has provided to the Administrative Agent (for the benefit of the Credit Parties) a customary Performance Guaranty (the Guaranty) with respect to certain obligations of the Originators and Servicer under the Agreements.

The foregoing descriptions of the Purchase and Sale Agreement, the Sale and Contribution Agreement, the Receivables Financing Agreement, and the Guaranty are qualified in their entirety by reference to the respective documents which are filed as Exhibits 10.1, 10.2, 10.3 and 10.4, respectively, to this Current Report on Form 8-K and incorporated herein by reference.
