Item 1.01. Entry into a Material Definitive Agreement.

Amended and Restated Asset and Stock Purchase Agreement

On December 13, 2014, Regal Beloit Corporation (the Company) entered into an Asset and Stock Purchase Agreement (the Original Purchase Agreement) with Emerson Electric Co. (Emerson), pursuant to which the Company would acquire Emerson's Power Transmission Solutions business (the Acquisition), a copy of which was previously filed as Exhibit 2.1 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on December 15, 2014.

On January 30, 2015, the Company and Emerson entered into an Amended and Restated Asset and Stock Purchase Agreement (the Amended and Restated Purchase Agreement) in connection with the consummation of the Acquisition primarily to reflect certain technical requirements needed to implement the proper transfer of certain local operations in Brazil and the United Arab Emirates.

The foregoing description of the Amended and Restated Purchase Agreement is qualified in its entirety by reference to the full text of the Amended and Restated Purchase Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

Credit Agreement

On January 30, 2015, the Company entered into a Credit Agreement (the Credit Agreement) among the Company, certain of its subsidiaries, JPMorgan Chase Bank, N.A., as Administrative Agent and the lenders named therein, providing for a (x) 5-year unsecured term loan facility for the Company in the principal amount of \$1.25 billion (the Term Facility) and (y) a 5-year unsecured multicurrency revolving facility for the Company and, if so designated by the Company, certain of its subsidiaries, in the principal amount of \$500.0 million (the Multicurrency Revolving Facility). The Credit Agreement replaces the Company's existing credit agreement dated as of June 30, 2011.

The Multicurrency Revolving Facility will be used for general corporate purposes by the Company.

The Term Facility was drawn in full by the Company on January 30, 2015 in connection with the closing of the Acquisition, as described below in Item 2.01 Completion of Acquisition or Disposition of Assets. The loans under the Term Facility require quarterly amortization at a rate starting at 5.0% per annum, increasing to 7.5% per annum after two years and further increasing to 10.0% per annum for the last two years of the facility.

The Credit Agreement requires the Company to reduce Term Facility unused commitments and prepay the loans under the Term Facility with 100% of the net cash proceeds received from specified asset sales and incurrences of borrowed money indebtedness, subject to certain exceptions.

Edgar Filing: REGAL BELOIT CORP - Form 8-K

Borrowings under the Credit Agreement will bear interest at floating rates based upon indices determined by the currency of the borrowing, plus an applicable margin determined by reference to the Company's consolidated funded debt to consolidated EBITDA ratio or at an alternate base rate.

The Company will pay a non-use fee on the aggregate unused amount of the Multicurrency Revolving Facility at a rate determined by reference to the Company's consolidated funded debt to consolidated EBITDA ratio.

The Credit Agreement contains customary affirmative and negative covenants and events of default for an unsecured financing arrangement, including, among other things, limitations on consolidations, mergers and sales of assets. The Credit Agreement also requires that the Company maintain a consolidated funded debt to consolidated EBITDA ratio of (x) until the last day of the fifth full fiscal quarter following January 30, 2015, no greater than 4.0 to 1.0 and (y) for periods on and after the last day of the fifth full quarter following January 30, 2015, no greater than 3.75 to 1.0 (subject to a single step up to 4.0 to 1.0 for four fiscal quarters following a new acquisition subject to certain conditions).

The obligations of the borrowers (other than the Company) under the Credit Agreement are guaranteed by the Company.

The foregoing description of the Credit Agreement is qualified in its entirety by reference to the full text of the Credit Agreement, which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.

In the ordinary course of business, certain of the lenders under the Credit Agreement and their affiliates have provided, and may in the future provide, investment banking, commercial banking, cash management, foreign exchange or other financial services to the Company for which they have received, and may in the future receive, compensation.
