Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Compensatory Arrangements of Certain Officers.

The Board of Directors of Accuray Incorporated (the Company) or its delegated committee generally reviews the terms of the Company's employment agreements with its executive officers every two years and, if applicable, authorizes the Company to enter into new employment agreements with such officers. On January 1, 2017, the Company entered into new employment agreements (each, an Employment Agreement, and collectively, the Employment Agreements) with each of Joshua H. Levine, Kelly Londy, Kevin Waters, and Alaleh Nouri (each, an Executive Officer), which amended and restated the employment agreements previously entered into between the Company and each such Executive Officer.

Each Employment Agreement is for a three-year term that begins on January 1, 2017 and automatically renews for successive three-year terms unless the Company or the applicable Executive Officer provides timely notice of non-renewal. Each Employment Agreement sets forth the applicable Executive Officer's title and salary, as well as the target annual incentive bonus that such Executive Officer is eligible to receive under the Company's Performance Bonus Plan, which is based on the attainment of certain performance criteria established and evaluated by the Company. The table below shows each Executive Officer's title, salary and target annual bonus (shown as a percentage of base salary actually earned, which will be calculated in accordance with the Company's Performance Bonus Plan) under such Executive Officer's Employment Agreement:

| Executive Officer | Title | Base Salary | Bonus Percentage |
|-------------------|--|-------------|------------------|
| Joshua H. Levine | President and Chief Executive Officer | \$ 710,000 | 120% |
| Kelly Londy | Executive Vice President and Chief Operating Officer | \$ 450,500 | 75% |
| Kevin Waters | Senior Vice President and Chief Financial Officer | \$ 381,600 | 60% |
| Alaleh Nouri | Senior Vice President, General Counsel and Corporate Secretary | \$ 347,000 | 55% |

Each Employment Agreement provides that during the applicable Executive Officer's employment with the Company, such Executive Officer may be granted options to purchase shares of Company common stock, restricted stock units, market stock units, and performance stock units under the Company's 2016 Equity Incentive Plan.

Each Employment Agreement also provides that the applicable Executive Officer is entitled to severance benefits in the event of termination of such Executive Officer's employment by the Company without cause or such Executive Officer's resignation of employment for good reason, including (i) a lump sum payment equal to six months of base salary for each Executive Officer other than Mr. Levine, the Company's Chief Executive Officer, whose lump sum payment will be equal to twelve months of his base salary; (ii) a prorated portion of the bonus he or she would have received for the fiscal year in which his or her employment terminates; (iii) reimbursement of health insurance premiums for six months for each Executive Officer other than Mr. Levine, who will receive twelve months of reimbursement; (iv) payment for outplacement services; and (v) other customary benefits. In the event of termination of employment because of death or incapacity, each Executive Officer's Employment Agreement provides for six months of accelerated vesting of such Executive Officer's then-outstanding equity awards, with the exception of Mr. Levine's Employment Agreement, which provides that Mr. Levine will receive twelve months of accelerated vesting of his then-outstanding equity awards. In the event that an Executive Officer is terminated without cause or resigns for good reason three months prior to or within twelve months following a change in control of the Company, each Executive Officer's Employment Agreement provides that such Executive Officer will be entitled to enhanced severance benefits, including (i) a lump sum payment equal to twenty-four months of such Executive Officer's base salary; (ii) 200% of such Executive Officer's target bonus for the fiscal year in which such change in control occurs; (iii) the full acceleration of all of such Executive Officer's then-outstanding unvested equity awards; and (iv) other customary benefits. Such

enhanced severance benefits will be in lieu of any severance benefits an Executive Officer would otherwise be entitled to receive as a result of the termination of such Executive Officer's employment by the Company without cause or such Executive Officer's resignation for good reason independent of a change in control.

The benefits and payments described above may be subject to a delay of up to six months, as necessary to avoid the imposition of additional tax under Section 409A of the Internal Revenue Code (the Code). In addition, if any payments or benefits payable to the Executive Officers under their respective Employment Agreements would be subject to the excise tax provided under Section 4999 of the Code, then such payments or benefits will be reduced to the extent necessary to ensure that no amount will be subject to such excise tax; provided, however, that a reduction will be made only if, as a result of such reduction, the Executive Officer's net after-tax benefit exceeds the net after-tax benefit such Executive Officer would realize if the reduction were not made.

The Company will file the Employment Agreements as exhibits to its Quarterly Report on Form 10-Q for the quarter ended March 31, 2017. The foregoing description of the material terms of the Employment Agreements is subject to, and qualified in its entirety by reference to, the Employment Agreements when filed.
