Item 1.01. Entry into a Material Definitive Agreement.

Merger Agreement

On October 21, 2018, EnLink Midstream, LLC (the ENLC), EnLink Midstream Manager, LLC, the managing member of ENLC (the Manager), NOLA Merger Sub, LLC, a wholly-owned subsidiary of ENLC (the Merger Sub), EnLink Midstream Partners, LP (the Partnership), and EnLink Midstream GP, LLC, the general partner of the Partnership (the General Partner), entered into a definitive Agreement and Plan of Merger (the Merger Agreement). Subject to the satisfaction or waiver of certain conditions in the Merger Agreement, Merger Sub will merge with and into the Partnership, with the Partnership surviving the merger as a wholly-owned subsidiary of ENLC (the Merger and, together with the other transactions contemplated by the Merger Agreement, the Transactions).

At the effective time of the Merger (the Effective Time), each issued and outstanding common unit representing a limited partner interest in the Partnership (collectively, the Partnership Common Units), except for any Partnership Common Units held by ENLC and its subsidiaries, will be converted into the right to receive 1.15 common units representing a limited liability company interest in ENLC (collectively, the ENLC Common Units). Each Series B Cumulative Convertible Preferred Unit representing a limited partner interest in the Partnership (the Partnership Series B Units) and each 6.000% Series C Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Unit representing a limited partner interest in the Partnership issued and outstanding immediately prior to the Effective Time will continue to be issued and outstanding following the Merger, except that certain terms of the Partnership Series B Units will be modified pursuant to the Amended Partnership Agreement (as defined below). All equity-based awards issued and outstanding immediately prior to the Effective Time under the EnLink Midstream GP, LLC Long-Term Incentive Plan will be converted into an award with respect to ENLC Common Units with substantially similar terms as were in effect immediately prior to the Effective Time, with certain adjustments to the performance-based vesting terms of applicable awards related to the performance of ENLC.

Following the recommendation of the Conflicts Committee (the ENLC Conflicts Committee) of the Board of Directors of the Manager (the Manager Board), the Manager Board approved the Merger Agreement and resolved to submit the ENLC Common Unit Issuance (as defined below) for the approval of the holders of ENLC common units and to recommend that the holders of ENLC's common units approve the ENLC Common Unit Issuance. Concurrently with the execution of the Merger Agreement, GIP III Stetson II, L.P. (the GIP Stetson II), in its capacity as the holder of a majority of the outstanding ENLC Common Units, approved the ENLC Common Unit Issuance by written consent (the GIP II Written Consent). The GIP II Written Consent constitutes the requisite approval of the holders of ENLC Common Units under Rule 312.03(c) of the Listed Company Manual of the New York Stock Exchange (the NYSE) to approve the ENLC Common Unit Issuance. As a result, ENLC has not solicited and is not soliciting approval of the ENLC Common Unit Issuance by holders of ENLC Common Units.

Following the recommendation of the Conflicts Committee (the Partnership Conflicts Committee) of the Board of Directors of the General Partner (the General Partner Board), the

Edgar Filing: EnLink Midstream, LLC - Form 8-K

General Partner Board approved and resolved to submit the Merger Agreement to a vote of the holders of outstanding common units and Partnership Series B Units, voting together as a single class (the Partnership Voting Unitholders), and to recommend that the Partnership's Voting Unitholders adopt the Merger Agreement.

The Merger Agreement contains customary representations, warranties, and covenants by the parties, including, among others, a covenant that the Partnership and ENLC will conduct their respective businesses in the ordinary course, consistent with past practice, during the interim period between the execution of the Merger Agreement and the consummation of the Transactions. Subject to certain exceptions, the Partnership has agreed not to directly or indirectly solicit competing acquisition proposals or to enter into discussions concerning, or provide confidential information in connection with, any unsolicited alternative acquisition proposal. ENLC and the Partnership have also agreed to use their reasonable best efforts to cooperate with each other to make certain regulatory filings and to respond to and comply with any requests for information with respect to antitrust and competition laws.

The Merger Agreement provides that the Partnership will convene a meeting of Partnership Voting Unitholders to consider and vote on the approval of the Merger Agreement (the Partnership Unitholder Meeting), subject to the terms and conditions of the Merger Agreement.

The Merger Agreement also contains customary closing conditions, including, among others: (i) approval of the Merger Agreement by the holders of a majority of the Partnership Voting Unitholders; (ii) approval of the ENLC Common Unit Issuance by the holders of ENLC Common Units, which has been completed pursuant to the written consent of GIP Stetson II; (iii) all required filings, consents, approvals, permits, and authorizations of any governmental authority in connection with the Transactions having been made or obtained; (iv) the absence of certain legal injunctions or impediments prohibiting the Transactions; (v) the distribution of the joint proxy statement/information statement of the Partnership and ENLC to holders of ENLC Common Units (in accordance with Regulation 14C promulgated under the Securities Exchange Act of 1934, as amended) at least 20 calendar days prior to the closing of the Transactions; (vi) the effectiveness of a registration statement on Form S-4 registering the issuance by ENLC of the ENLC Common Units to be issued as consideration in the Merger; and (vii) approval for the listing of the ENLC Common Units to be issued as consideration in the Merger on the NYSE.

The Merger Agreement contains certain termination rights for ENLC and the Partnership, including, among others, (i) by the mutual written agreement of the Partnership (duly authorized by the Partnership Conflicts Committee) and ENLC (duly authorized by the Manager Board); (ii) by either ENLC or the Partnership, if (A) the Merger has not been consummated on or before June 30, 2019; or (B) the requisite approval of Partnership Voting Unitholders of the Merger Agreement is not obtained; (iii) by ENLC, if (A) the Partnership Conflicts Committee makes a Recommendation Change (as defined in the Merger Agreement) prior to the Partnership Unitholder Meeting or (B) if under certain conditions, there has been a material breach by the Partnership of any of its representations, warranties, or covenants set forth in the Merger Agreement that is not cured within 30 days of notice of such breach; and (iv) by the Partnership, if (A) subject to certain conditions, the Partnership has received a Superior Proposal (as defined in the Merger Agreement) and the General Partner Board (upon recommendation of the

Partnership Conflicts Committee) or the Partnership Conflicts Committee has determined in good faith that the failure to terminate the Merger Agreement would be inconsistent with its fiduciary duties, or (B) under certain conditions, there has been a material breach by ENLC of any of its representations, warranties, or covenants set forth in the Merger Agreement that is not cured within 30 days of notice of such breach. The Merger Agreement further provides that, upon termination of the Merger Agreement under certain circumstances, the Partnership or ENLC, as applicable, may be required to reimburse the other party's expenses up to \$5 million, and, in certain circumstances, the Partnership may be required to pay ENLC a termination fee equal to \$55 million.

The Merger Agreement and the above descriptions have been included to provide investors and security holders with information regarding the terms of the Merger Agreement. They are not intended to provide any other factual information about ENLC, the Manager, Merger Sub, the Partnership, or the General Partner, or their respective subsidiaries or affiliates or equity holders. The representations, warranties, and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates; were solely for the benefit of the parties to the Merger Agreement; and may be subject to limitations agreed upon by the parties, including being qualified by certain disclosures made by each contracting party to the other as a way of allocating contractual risk between them that differ from those applicable to investors. Investors should be aware that these representations, warranties, and covenants or any description thereof alone may not describe the actual state of affairs of ENLC, the Manager, Merger Sub, the Partnership, or the General Partner or their respective subsidiaries, affiliates, businesses, or equity holders as of the date they were made or at any other time. Moreover, information concerning the subject matter of the representations, warranties, and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in ENLC's or the Partnership's public disclosures.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is filed with this Current Report on Form 8-K (this Current Report) as Exhibit 2.1 and is incorporated herein by reference.

Support Agreement

Concurrently with the execution of the Merger Agreement, GIP III Stetson I, L.P. (GIP Stetson I), ENLC, Acacia Natural Gas Corp I, Inc., a wholly-owned subsidiary of ENLC (Acacia), EnLink Midstream, Inc., a wholly-owned subsidiary of ENLC (EMI) and, together with GIP Stetson I, and Acacia, the Unitholders, and the Partnership entered into a Support Agreement (the Support Agreement), pursuant to which, among other things, each of the Unitholders agreed to vote in favor of the adoption of the Merger Agreement. The Support Agreement will terminate upon the earliest of (i) such date and time as the Merger Agreement is terminated for any reason in accordance with its terms, (ii) the Effective Time, and (iii) the mutual written agreement of the parties to the Support Agreement, with, in the case of the Partnership, the approval of the Partnership Conflicts Committee, to terminate the Support Agreement.

The foregoing description of the Support Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Support Agreement, a copy of which is filed with this Current Report as Exhibit 10.1 and is incorporated herein by reference.

Preferred Restructuring Agreement

Concurrently with the execution of the Merger Agreement, Enfield Holdings, L.P. (Enfield), TPG VII Management, LLC (TPG), WSEP Egypt Holdings, LP (WSEP), WSIP Egypt Holdings, LP (WSIP) and, together with WSEP, the Goldman Parties and, together with Enfield and TPG, the Enfield Parties), ENLC, the Manager, the Partnership, and the General Partner (ENLC, the Manager, the Partnership, and the General Partner collectively referred to as the EnLink Parties) entered into a Preferred Restructuring Agreement (the Preferred Restructuring Agreement), pursuant to which, among other things, Enfield and the EnLink Parties agreed that (i) each Partnership Series B Unit issued and outstanding immediately prior to the Effective Time shall, at the Effective Time, continue to be issued and outstanding and represent a limited partner interest in the Partnership, with terms and conditions modified in accordance with the Amended Partnership Agreement, including exchangeability of the Partnership Series B Units, under certain conditions, into ENLC Common Units instead of Partnership Common Units, subject to the election of the Partnership to instead redeem for cash any such exchanged Partnership Series B Units, and no additional consideration will be delivered to any holder of Partnership Series B Units in respect of the Merger and the Preferred Restructuring Agreement and (ii) ENLC will issue to Enfield, for no additional consideration, a new class of non-economic common units representing limited liability company interests in ENLC (the Class C Common Units) equal to the number of Partnership Series B Units held by Enfield immediately following the Effective Time in order to provide Enfield with certain voting rights at ENLC in accordance with the Amended Operating Agreement (as defined below). For each additional Partnership Series B Unit issued by the Partnership pursuant to the Amended Partnership Agreement, ENLC will issue an additional Class C Common Unit to the applicable holder of such Partnership Series B Unit pursuant to the Amended Operating Agreement.

In connection with such treatment of the Partnership Series B Units, the EnLink Parties and the Enfield Parties agreed that (i) the General Partner will cause the Ninth Amended and Restated Agreement of Limited Partnership of the Partnership, dated as of September 21, 2017, as amended, to be amended and restated pursuant to a form of the Tenth Amended and Restated Agreement of Limited Partnership of the Partnership that is attached as an exhibit to the Preferred Restructuring Agreement (the Amended Partnership Agreement), and (ii) the Manager will cause the First Amended and Restated Operating Agreement of Parent, dated as of March 7, 2014, to be amended and restated pursuant to a form of the Second Amended and Restated Operating Agreement of ENLC that is attached as an exhibit to the Preferred Restructuring Agreement (the Amended Operating Agreement), in each case to, among other things, reflect the previously described modifications to the terms of the Partnership Series B Units and the issuance of the Class C Common Units.

In addition, pursuant to the Preferred Restructuring Agreement, (i) ENLC has agreed to execute and deliver, as of the Effective Time, an Amended and Restated Registration Rights Agreement with Enfield in a form that is attached to the Preferred Restructuring Agreement, pursuant to which that certain Registration Rights Agreement, dated as of January 7, 2016, by and between Enfield and the Partnership, will be amended and restated in its entirety, in order to,

among other things, provide Enfield with certain registration rights with respect to the ENLC Common Units that are issuable upon exchange of the Partnership Series B Units (the ENLC Exchange Issuance and, together with the issuance of ENLC Common Units in the Merger and the issuance of the Class C Common Units, the ENLC Common Unit Issuance), (ii) the Manager and ENLC have agreed to execute and deliver, as of the Effective Time, an Amended and Restated Board Representation Agreement with TPG in a form that is attached to the Preferred Restructuring Agreement, pursuant to which that certain Board Representation Agreement, dated as of January 7, 2016, by and among the Partnership, the General Partner, EMI, and TPG will be amended and restated in its entirety, in order to, among other things, provide TPG with the right to appoint one member of the Manager Board, and (iii) the Manager, ENLC, and the Goldman Parties have agreed to execute and deliver, as of the Effective Time, an Amended and Restated Board Information Rights Letter Agreement in a form that is attached to the Preferred Restructuring Agreement, pursuant to which that certain Board Information Rights Letter Agreement, dated January 6, 2016, by and among the Partnership, the General Partner, EMI, and the Goldman Parties will be amended and restated in its entirety, in order to provide the Goldman Parties certain information rights with respect to materials provided to the Manager Board.

The Preferred Restructuring Agreement will terminate upon the earliest of (i) such date and time as the Merger Agreement is terminated for any reason in accordance with its terms, (ii) the mutual written agreement of the parties to the Preferred Restructuring Agreement, (iii) the conversion of all of the Partnership Series B Units into Partnership Common Units, and (iv) certain amendments to the Merger Agreement.

The foregoing description of the Preferred Restructuring Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Preferred Restructuring Agreement, a copy of which is filed with this Current Report as Exhibit 10.2 and is incorporated herein by reference.
