Supplemental Disclosures to the Proxy Statement

This Current Report on Form 8-K discloses certain additional information relating to the proposed acquisition by Cimarex Energy Co. (*Cimarex*) of Resolute Energy Corporation (*Resolute*). Subject to the terms and conditions of the Agreement and Plan of Merger (the *Merger Agreement*), dated as of November 18, 2018, by and among Cimarex, Resolute, CR Sub 1 Inc., a Delaware corporation and a direct wholly owned subsidiary of Cimarex (*Merger Sub 1*), and CR Sub 2 LLC, a Delaware limited liability company and a direct wholly owned subsidiary of Cimarex (*Merger Sub 2*), Merger Sub 1 will merge with and into Resolute, with Resolute continuing as the surviving corporation, and thereafter Resolute will merge with and into Merger Sub 2, with Merger Sub 2 continuing as the surviving company. In connection with the proposed transaction, Cimarex has filed with the Securities and Exchange Commission (the *SEC*) a registration statement on Form S-4, as amended, that includes a proxy statement of Resolute and a prospectus of Cimarex.

Resolute is making the following amended and supplemental disclosures (the *Supplemental Disclosures*) to the definitive proxy statement on Schedule 14A filed by Resolute with the SEC on January 30, 2019, which also constitutes a prospectus of Cimarex (the *Proxy Statement*). The Supplemental Disclosures should be read in conjunction with the Proxy Statement, which should be read in its entirety. Defined terms used but not defined herein have the meanings set forth in the Proxy Statement.

While Cimarex and Resolute believe that the disclosures set forth in the Proxy Statement comply fully with applicable law, to provide additional information to Resolute's stockholders, Resolute is making these Supplemental Disclosures. Nothing in the Supplemental Disclosures shall be deemed an admission of the legal necessity or materiality under applicable law of any of the disclosures set forth herein or in the Proxy Statement.

SUPPLEMENTAL DISCLOSURES

This supplemental information should be read in conjunction with the Proxy Statement, which should be read in its entirety. Defined terms used but not defined below have the meanings set forth in the Proxy Statement. All page references in the information below are to pages in the Proxy Statement. Paragraph references used herein refer to the Proxy Statement before any additions or deletions resulting from the supplemental disclosures. The information contained herein speaks only as of February 13, 2019 unless the information indicates another date applies.

1. The section of the Proxy Statement entitled "The Merger Resolute Board Recommendation and Its Reasons for the Merger Strategic Review Process" is hereby supplemented as follows:

The second bullet point on page 53 of the Proxy Statement is revised in its entirety:

Strategic Review Process.

- The Resolute board considered that (i) although Resolute's intention to review and consider its strategic alternatives had been publicly announced on multiple occasions during the period from May 2018 through November 2018, and (ii) during the fall of 2018, Resolute engaged in an organized process to solicit indications of interest for a business combination with or acquisition of Resolute, including contacting a total of 13 industry participants and entering into non-disclosure agreements with four of such industry participants, no indications of interest or proposals ultimately were received from any company or entity other than Cimarex. None of the non-disclosure agreements entered into with potentially-interested transaction counterparties during 2018 contain restrictive language that would prevent the counterparty from privately seeking a waiver of any standstill provision thereunder or otherwise from making a private proposal to Resolute.
