ITEM 5. OTHER EVENTS

eResource Capital Group, Inc. (the "Company") has signed of a letter of intent to raise \$4,350,000 in cash and other assets through the sale of a minority interest of approximately 25% in the Company's home technology business.

On April 17, 2000, the Company executed a binding letter of intent (the "Letter of Intent") to exchange 100% of the common stock of its wholly owned subsidiary LST, Inc. for 16,000,000 restricted shares (the "Share Consideration") of PRNM in a non-taxable transaction (the "Princeton Transaction"). After the closing of the Princeton Transaction, the Company will own 16,000,000 shares of PRNM or approximately 75% of its then issued and outstanding voting Common Stock and will control PRNM. PRNM will file a registration statement to register the Share Consideration as soon as practicable following execution of the definitive acquisition agreement, but in no event later than six months from the date of the closing of the transaction.

The parties also agreed in the Letter of Intent to use their best efforts to sign a definitive agreement concerning this transaction by no later than May 24, 2002. The Princeton Transaction is contingent upon PRNM having no more than 5,500,000 shares outstanding as of the closing date, on a fully-diluted basis. PRNM has represented to the Company that its Board of Directors approved the Princeton Transaction on April 17, 2002. The Company's

Board of Directors approved the Princeton Transaction on April 10, 2002. The Company expects the Princeton Transaction to close on or before June 30, 2002 ("the Closing"). The Letter of Intent is attached hereto as Exhibit 99.1 to this filing.

Background

The Company acquired LST, Inc., d/b/a Lifestyle Technologies ("Lifestyle"), in April 2001. Lifestyle was formed to take advantage of the fast growing home technology and security market by integrating high-speed Internet, security, satellite and entertainment and communications applications in new and existing homes or commercial buildings. In the fourth quarter of fiscal 2001, the Company worked with Lifestyle to develop a national franchising program, which was implemented in September 2001. In connection with the launch of the franchising program, Lifestyle sold its Raleigh, NC, Hilton Head, SC, Greenville, SC and Columbia, SC locations to franchisees and has sold the franchise rights to ten additional markets. Also, in July 2001, LST acquired a home technology business located in Atlanta, GA. The Company currently operates locations in Charlotte, NC and Atlanta, GA.

BUSINESS OF PRNM

PRNM, an Idaho corporation, presently owns a small real estate investment in Dallas, Texas, but has no substantial operating business. PRNM trades under the ticker "OTCBB:PRNM". PRNM's principal executive offices are located at 1111 South Main Street, Suite 127, Grapevine, TX 76051. Subsequent to the Closing, PRNM's principal executive offices are expected to be re-located to Dallas, TX and its name changed to better reflect its new corporate direction.

Terms of the Princeton Transaction

The following is a summary of certain terms of the Letter of Intent. Any capitalized term not defined in this Form 8-K shall have the meaning set forth in the Letter of Intent.

Share Exchange

The Letter of Intent provides that the Company will exchange all of the issued and outstanding shares of the capital stock of Lifestyle for 16,000,000 restricted shares of PRNM's Common Stock, provided, however, that such number of shares shall be adjusted to the extent necessary to prevent the product of the number of PRNM shares issued to the Company and the average closing stock price of PRNM's common stock on the NASDAQ Bulletin Board over the twenty (20) days immediately preceding the Closing from falling below \$16,000,000. The Shares to be issued to RCG shall be registered by PRNM (A) pursuant to a registration statement on Form S-4 and (B) under any applicable state securities laws, as soon as reasonably practicable following execution of the merger agreement, but in any event no later than six months after the Closing.

Board of Directors and Management

The Letter of Intent also provides that the Company will be entitled to elect two (2) members of PRNM's Board of Directors as of the Closing. The Board of Directors at Closing will elect the new Chief Executive Officer of PRNM.

Stock options

The Letter of Intent also provides that each outstanding option or warrant issued to Lifestyle employees, or in connection with the Company's

Edgar Filing: ERESOURCE CAPITAL GROUP INC - Form 8-K

acquisition of Lifestyle, entitling the holder to purchase shares of the Company's Common Stock will be converted into an option or warrant to purchase a number of shares of PRNM common with an appropriate adjustment to share numbers and a similar adjustment in exercise price.

Bridge Loan

Within 15 days of the date of the signing of the Letter of Intent, PRNM shall extend a \$275,000 loan to LST. If the Princeton Transaction is not consummated, PRNM shall, and RCG shall cause LST to, enter into a loan agreement on such terms as the parties may agree.

Representations, Warranties, Conditions and Covenants

The Letter of Intent contains the following representations and covenants of PRNM: PRNM shall covenant to have approximately (A) (i) \$1,300,000 in cash and short-term liquid investments and (ii) \$3,050,000 worth of other net tangible assets and (B) not more than \$40,000 in liabilities, as of the Closing.

PRNM agreed not to take any action outside of the ordinary course of business without the prior written consent of RCG, provided, however, that PRNM shall be entitled to take such action as is reasonably necessary to limit the outstanding shares of PRNM common stock to no more than 5,500,000 as of the Closing. The Company agreed not to take any action outside of the ordinary course of business with respect to Lifestyle, to negotiate exclusively with PRNM with respect to the sale of Lifestyle and not to solicit, negotiate, enter into any agreement or entertain other offers or alternate acquisition or merger proposals for Lifestyle, its assets or stock from the date of the Letter of Intent until the earlier of (i) termination of the merger agreement and (ii) June 30, 2002.

The Company and PRNM will make certain customary representations and warranties in the definitive agreements for this transaction, including representations and warranties regarding their authority to enter into the Princeton Transaction and the respective due organization and good standing of the Company and PRNM. The obligations of each the Company and PRNM to consummate the transactions contemplated by the Princeton Transaction will be subject to the satisfaction or waiver of certain customary conditions, such as that the representations and warranties made by each party to the Princeton Agreement be true and correct as of Closing and the absence of litigation, pending or threatened, to enjoin the consummation of the Princeton Transaction. At the time of Closing, the Company and PRNM will determine whether all the foregoing conditions have been satisfied or waived and that all the covenants of PRNM have been fulfilled.

2

The foregoing description of the Princeton Transaction and the Letter of Intent is qualified in its entirety by reference to the Letter of Intent, which is filed as Exhibit 99.1 to this filing and is incorporated herein by reference.

ACCOUNTING TREATMENT

For accounting purposes, the Princeton Transaction will be treated as an issuance of equity in Lifestyle for cash and other assets, i.e. a capital stock transaction. RCG will continue to consolidate the financial statements of Lifestyle and will record minority interest equal to the fair value of the assets received in the Princeton Transaction, or approximately \$4,350,000. Neither the Company nor Lifestyle will not record any gain or loss as a result of the Closing of the Princeton Transaction.

Edgar Filing: ERESOURCE CAPITAL GROUP INC - Form 8-K

Lifestyle's historical financial statements will become the separately reported historical financial statements of the public entity PRNM. The fair value of PRNM's net assets acquired will be recorded on Lifestyle's financial statements as of the date of Closing with a corresponding increase in Lifestyle's stockholders' equity. PRNM will be required to continue to fulfill its reporting requirements as a public company.

PROPOSED DIVIDEND OF PRNM COMMON STOCK

The Company intends to distribute a portion of the PRNM shares that it receives in connection with this transaction to its stockholders (the "Distribution"). The establishment of a record date and the amount of the Distribution itself has not been determined, but it is the present intent of the Company's Board of Directors that any such distribution would occur after the effectiveness of the registration statement on which the Share Consideration is registered.

Charlotte, NC--April 22, 2002--eResource Capital Group, Inc. ("RCG," AMEX: RCG) announced today that it has signed a letter of intent to sell a portion of LST, Inc. d/b/a LifeStyle Technologies ("LST"), its' home technology subsidiary, to Princeton Mining Company ("PRNM," OTCBB: PRNM). The transaction has an approximate equity value of \$16 million and is expected to close no later than June 30, 2002, at which time LST will become a wholly-owned subsidiary of PRNM. Upon closing, RCG will receive 16,000,000 shares of PRNM common stock, which represents approximately 75% of the outstanding stock of PRNM. Upon assuming control, RCG anticipates changing PRNM's name to reflect the new corporate direction. approximately \$8.5 million to acquire the LST business and has spent the last 13 months developing the business. Significant milestones include establishing and initiating a national franchise program and entering the Atlanta market. As a result of internal growth and franchising, the LifeStyle Technologies' network has grown from one location in Charlotte with 5 employees to 13 locations with over 100 employees.

Mr. Pruitt indicated that RCG intends to both register and distribute a portion of the 16 million shares it receives in PRNM to shareholders of RCG at a future date. "We hope that this transaction will increase shareholder value by helping unlock the value of LST, as well as provide the investment community with the ability to invest directly in LST."
