Section 8 - Other Events

Item 8.01 Other Events.

Carnival Corporation & plc is filing this Form 8-K to provide financial information that revises and corrects the accounting for one of our brand's marine and technical spare parts in order to consistently expense and classify them fleetwide. We evaluated the materiality of this revision and concluded that it was not material to any of our previously issued financial statements. However, had we not revised the accounting, this may have resulted in material inconsistencies to our financial statements in the future.

In order to assist investors prior to the time that we revise previously reported results in future filings, Carnival Corporation & plc is presenting certain financial information to reflect the impact of the revision described above on our annual financial information. This unaudited Carnival Corporation & plc revised consolidated financial information is filed as Exhibits 99.1, 99.2 and 99.3 to this report as follows:
