- (1) 100% of the shares subject to the option were fully vested and exercisable immediately prior to cancellation.

The option was cancelled with respect to the number of shares reported pursuant to an agreement between the reporting person and the issuer. The option cancellation was in partial satisfaction of the terms of a settlement of claims brought in a purported stockholder's derivative lawsuit against the reporting person, among other current and former officers and directors of the issuer, and the issuer as a nominal defendant.
