Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

At the July 18, 2007 annual meeting of stockholders (“Annual Meeting”), the stockholders of iCAD, Inc. (the “Company”), approved the adoption of the Company’s 2007 Stock Incentive Plan (the “2007 Plan”).

The 2007 Plan provides that it will be administered by the Company’s Board of Directors (“Board”) or a committee of two or more members of the Board appointed by the Board. The administrator will generally have the authority to administer the 2007 Plan, determine participants who will be granted awards under the 2007 Plan, the size and types of awards, the terms and conditions of awards and the form and content of the award agreements representing awards.

The 2007 Plan provides for the grant of any or all of the following types of awards: (a) stock options, (b) restricted stock, (c) deferred stock and (d) other stock-based awards. Awards may be granted singly, in combination, or in tandem. Subject to anti-dilution adjustments as provided in the 2007 Plan, (i) the 2007 Plan provides for a total of 2,250,000 shares of the Company’s common stock to be available for distribution pursuant to the 2007 Plan, and (ii) the maximum number of shares of the Company’s common stock with respect to which stock options, restricted stock, deferred stock, or other stock-based awards may be granted to any participant under the 2007 Plan during any calendar year or part of a year may not exceed 800,000 shares.

Awards under the 2007 Plan may be granted to employees, directors, consultants and advisors of the Company and its subsidiaries. However, only employees of the Company and its subsidiaries will be eligible to receive options that are designated as incentive stock options.

With respect to options granted under the 2007 Plan, the exercise price must be at least 100% (110% in the case of an incentive stock option granted to a ten percent stockholder within the meaning of Section 422(b)(6) of the Internal Revenue Code of 1986) of the fair market value of the common stock subject to the award, determined as of the date of grant. Restricted stock awards are shares of common stock that are awarded subject to the satisfaction of the terms and conditions established by the administrator. In general, awards that do not require exercise may be made in exchange for such lawful consideration, including services, as determined by the administrator.

The description of the 2007 Plan described in this report does not purport to be complete and is qualified in its entirety by the language in the 2007 Plan, which is incorporated herein by reference to Annex B of the Company’s definitive proxy statement on Schedule 14A (“Proxy Statement”) filed with the Securities and Exchange Commission (“SEC”) on June 13, 2007.

Each of these stock awards or options vest in three equal annual installments with the first installment vesting on July 18, 2008. Each of the options was granted at an exercise price of \$3.89 which is equal to the fair market value of the common stock on the date of grant.
