Board and Board Committees

Our board of directors conducts its business through its meetings and through meetings of certain committees of the board of directors. The Company is a controlled company under the applicable listing standards of the Nasdaq Global Market because more than 50% of the voting power is held by Dimensional Associates. A controlled company is not required to have a majority of its board of directors composed of independent directors. Director nominees are not required to be selected or recommended for the board's selection by a majority of independent directors or a nominating committee composed solely of independent directors, nor do the Nasdaq Global Market listing standards require a controlled company to certify adoption of a formal written charter or board resolution, as applicable, addressing the nominations process. A controlled company is also exempt from Nasdaq Global Market requirements regarding the determination of officer compensation by a majority of independent directors or a compensation committee composed solely of independent directors. A controlled company is required to have an audit committee composed of at least three directors, who are independent as defined under the rules of both the SEC and the Nasdaq Global Market. The Nasdaq Global Market further requires that all members of the audit committee have the ability to read and understand fundamental financial statements and that at least one member of the audit committee possess financial sophistication. The independent directors must also meet at least twice a year in meetings at which only they are present.

We comply voluntarily with the listing standards of the Nasdaq Global Market that otherwise do not apply to controlled companies, except that our Executive, Nominating and Corporate Governance Committee is not composed entirely of independent directors.

Executive, Nominating and Corporate Governance Committee. The Executive, Nominating and Corporate Governance Committee currently consists of Messrs. Stein (Chairman), Altschul, Dinh and Donahue. All such members, other than Mr. Stein, are independent directors under the applicable listing standards of the Nasdaq Global Market. The Executive, Nominating and Corporate Governance Committee is responsible for developing and recommending board member selection criteria, identifying and recruiting prospective board candidates, recommending nominees for election to the board, considering committee member qualifications, recommending corporate governance principles to the board, and providing oversight in the evaluation of the board and each

committee. The Executive, Nominating and Corporate Governance Committee also considers nominees proposed by stockholders. It further is responsible for monitoring the progress and status of management's efforts to acquire additional music catalogs and reviewing and approving the terms of all substantive content acquisition and long-term licensing contracts as well as reviewing and approving any new international expansion plans and proposed capital expenditures over a certain threshold. The Executive, Nominating and Corporate Governance Committee has a written charter, which is available on our website at www.theorchard.com/about/investor-relations by clicking on the link Highlights under the heading Corporate Governance .

TABLE OF CONTENTS

Nominations. Our Board believes that the Executive, Nominating and Corporate Governance Committee, a majority of the members of which are independent directors of the Company, can adequately identify appropriate candidates to the Board. The Executive, Nominating and Corporate Governance Committee considers properly submitted stockholder nominations for candidates for membership on the Board as described below under *Identifying and Evaluating Nominees for Directors*. Under our Bylaws, as amended, a stockholder seeking to propose a nominee for Board membership must deliver notice to our Secretary not less than sixty days (60) calendar days before the one year anniversary of the date on which we first mailed our proxy statement to stockholders in connection with the previous year's annual meeting of stockholders. Notwithstanding the foregoing, if no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than thirty (30) days from the date of the prior year's meeting, a stockholder must deliver notice to our Secretary no later than the close of business on the later of thirty (30) calendar days in advance of the annual meeting and twenty (20) calendar days following the date on which public announcement of the date of the meeting is first made in order to have their nominee considered. The stockholder's notice must set forth, as to each proposed nominee, the following: (a) the name, age, business address and residence address of such person; (b) the principal occupation or employment of such person; (c) the class and number of shares of the corporation that are beneficially owned by such person; (d) a description of all arrangements or understandings between the nominating stockholder and such nominee and any other person or persons (naming such person or persons) pursuant to which the nominations are to be made by the stockholder; and (e) any other information relating to such person that is required to be disclosed in solicitations of proxies for elections of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including without limitation such person's written consent to being named in the proxy statement, if any, as a nominee and to serving as a director if elected). In addition, the stockholder's notice must set forth, as to such stockholder, (a) a brief description of the business desired to be brought before the meeting and reasons for conducting such business at the annual meeting; (b) the name and address, as they appear on our books, of the stockholder proposing such business; (c) the class and number of our shares that are beneficially owned by the stockholder; (d) any material interest of the stockholder in such business; and (e) any other information that is required to be provided by the stockholder pursuant to Regulation 14A under the Exchange Act in the stockholder's capacity as a proponent to a stockholder proposal. The presiding officer of the meeting may refuse to acknowledge any stockholder nomination not made in compliance with the foregoing procedure.

Director Qualifications. While the Executive, Nominating and Corporate Governance Committee has not established formal procedures, specific minimum qualifications or a formal diversity policy for the evaluation of director candidates, the candidates for board membership should have the highest professional and personal ethics and values, and conduct themselves consistent with the Company's Code of Business Conduct. Additionally, candidates and nominees must ultimately reflect a board that is composed of directors who (i) have broad, relevant and diverse experience, (ii) are predominantly independent, (iii) are of high integrity, (iv) have qualifications that will increase overall board effectiveness and (v) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to Audit Committee members.

Identifying and Evaluating Nominees for Directors. Typically, any new candidates for nomination to the board are suggested by existing directors or our executive officers, although candidates may also come to our attention through stockholders, professional search firms or other persons. The Executive, Nominating and Corporate Governance Committee of the board will carefully review the qualifications of any candidates who have been properly brought to its attention. Such a review may, in the Committee's discretion, include a review solely of information provided to the Committee or it may also include discussion with persons familiar with the candidate, an interview with the candidate or other actions that the Committee deems proper. In the case of new director candidates, the questions of independence and financial expertise are important to determine what roles can be performed by the candidate, and the Executive, Nominating and Corporate Governance Committee determines whether the candidate will meet independence standards set forth in the SEC rules and regulations and the applicable listing standards of the Nasdaq

Global Market, and the level of the candidate's financial expertise. In the case of incumbent directors whose terms of service are set to expire, the Executive, Nominating and Corporate Governance Committee reviews such directors overall service to our Company during their terms, including attendance at meetings, level of participation, quality of

TABLE OF CONTENTS

performance, and whether the director continues to meet the independence standards set forth in the applicable SEC rules and regulations and the applicable listing standards of the Nasdaq Global Market. The Committee shall consider the suitability of each candidate, including the current members of the board, in light of the current size and composition of the board. In evaluating the qualifications of the candidates, the Committee considers many factors, including character, integrity, reputation, business judgment, independence, relevant business and industry expertise, diversity of experience, geographic location of the candidate, length of service and other criteria. The Committee evaluates such factors, among others, and does not assign any particular weighting or priority to any of these factors.

Candidates properly recommended by stockholders are evaluated by the Executive, Nominating and Corporate Governance Committee using the same criteria as other candidates. Candidates are first screened by the Executive, Nominating and Corporate Governance Committee, and if approved by the Executive, Nominating and Corporate Governance Committee, they are then screened by other members of the board. The full board approves the final nomination(s) based on recommendations from the Executive, Nominating and Corporate Governance Committee. The Chairman of the Board, acting on behalf of the full board, will extend the formal invitation to become a nominee of the board. Qualified candidates for membership on the board will be considered without regard to race, color, religion, sex, national origin, age, medical condition or disability, sexual orientation, veteran status or any other characteristic protected by law.

Audit Committee. The Audit Committee currently consists of Messrs. Peck (Chairman), Donahue and Straka. The Audit Committee is responsible for reviewing and monitoring our corporate accounting and financial reporting processes, the periodic public release of financial results and the periodic filing of financial reports with the SEC, and selecting the independent registered public accounting firm to audit our consolidated financial statements, including approving their compensation and monitoring their qualifications, independence and performance. Our board has determined that each member of the Audit Committee is independent under the applicable listing standards of the Nasdaq Global Market, and that Mr. Peck qualifies as an audit committee financial expert under Item 407(d)(5) of Regulation S-K promulgated by the SEC. Mr. Peck qualifies as an audit committee financial expert by virtue of his experience with KPMG Audit. In addition, Mr. Peck is a certified public accountant. The Audit Committee has a written charter, which is available on our website at www.theorchard.com/about/investor-relations by clicking on the link **Highlights** under the heading **Corporate Governance**.

Compensation Committee. The Compensation Committee currently consists of Messrs. Dinh (Chairman) and Straka. Both members are independent directors under the applicable listing standards of the Nasdaq Global Market. The Compensation Committee is responsible for determining salaries, incentives and other forms of compensation for our Company's executive officers and compensation for non-employee directors, as well as administering the Amended and Restated Orchard Enterprises, Inc. 2008 Stock Plan (the **Company Stock Plan**) and other incentive compensation and employee benefit plans of the Company. The Compensation Committee has a written charter, which is available on our website at www.theorchard.com/about/investor-relations by clicking on the link **Highlights** under the heading **Corporate Governance**.

Search Committee. In connection with the resignation of Greg Scholl as President and Chief Executive Officer and as a member of the board of directors on September 25, 2009, the board formed a search committee to identify qualified candidates to serve as the Company's chief executive officer and appointed Michael Donahue to head the committee. The other members of the search committee were Viet Dinh, Nathan Peck, Daniel Stein and Joel Straka. On February 17, 2010, the board elected Bradley Navin as Chief Executive Officer and a director of The Orchard effective February 18, 2010. Mr. Navin's election was unanimously recommended by the search committee and the committee was dissolved.

Special Committee. On October 19, 2009, the board formed a special committee of independent and disinterested directors to review and evaluate a proposal by Dimensional Associates to enter into non-binding discussions with the

Company regarding a potential transaction through which Dimensional would acquire all of the outstanding shares of common stock of the Company not currently owned by Dimensional.

Employment Agreements and Post-Termination Payments

We have entered into employment agreements with our current executive officers, including Messrs. Navin, Fong, and Haase. Each agreement has a term of three years, unless earlier terminated by us without cause (as defined in the agreements) upon 30 days written notice or for cause (as defined in the agreements) upon 10 days written notice, unless cured by the executive where applicable. In addition, each executive may terminate the agreement upon written notice for good reason (as defined in the agreements) or no reason, as defined in the agreements. These agreements provide that if the executive's employment is terminated by us for cause or voluntarily by the executive, such executive will be entitled to receive compensation and benefits through the date of termination, except that there will be no proration of any potential annual incentive bonus for the fiscal year in which termination occurs. In addition, these agreements provide that if the agreement is terminated by us without cause or by the executive for good reason, the executive will be entitled to receive compensation and benefits through the remaining term of the agreement or for a period of six months following the date of termination, whichever is shorter, and the executive shall be entitled to a pro rata portion of the annual incentive bonus otherwise due the executive for the fiscal year in which termination occurs.

As part of our employment agreement with Mr. Navin, he received 11,667 restricted shares of our common stock as well as the option to purchase 5,000 shares of our common stock, pursuant to the terms and

TABLE OF CONTENTS

conditions of the Company Stock Plan. As part of our employment agreement with Mr. Fong, he received 33,333 restricted shares of our common stock as well as the option to purchase 33,333 shares of common stock, pursuant to the terms and conditions of the Company Stock Plan. As part of our employment agreement with Mr. Haase, he received 10,000 restricted shares of our common stock as well as the option to purchase 5,000 shares of our common stock, pursuant to the terms and conditions of the Company Stock Plan. For each of these executives, the stock options and shares of restricted common stock granted are to vest 33.3% after the first twelve months and then quarterly in eight equal installments thereafter. In the event that the executive's employment is terminated by us without cause or by the executive for good reason, the vesting of the foregoing awards will be accelerated by six months. The stock options will expire seven years after the effective date of the agreement.

Each employment agreement includes provisions that prohibit the executives from disclosing our confidential information and trade secrets, assigns all intellectual property developed by the executives in the course of their employment to us and prohibits the executives from competing with us or soliciting our employees during the term of the employment agreement and for a period ranging from six months to one year following termination of employment as specified in each executive's agreement.

Each employment agreement also provides that each executive will be eligible to earn an incentive bonus on an annual basis payable as determined by the Management Incentive Bonus Plan. The Compensation Committee determines the targets, milestones, performance objectives and measurement criteria to be met each fiscal year and approves the payment of specific cash bonuses after the end of each fiscal year based upon the objective calculations and discretionary judgments called for in the bonus plan. In 2009, no bonuses were granted under the Management Incentive Bonus Plan.

In addition, to the grants made to the executive officers in connection with their employment agreements, in 2008 the following grants were made:

On February 28, 2008, Mr. Navin received an additional grant of 16,667 restricted shares of our common stock as well as a stock option to purchase 5,000 shares of our common stock pursuant to the terms and conditions of the Company Stock Plan. The options and restricted shares of our common stock vest over a three year period and become exercisable or earned as to one-third of the shares on February 28, 2009, with quarterly vesting thereafter for a period of 24 months, subject to acceleration or termination in certain circumstances. The stock options will expire seven years after the grant date.

On April 18, 2008, Mr. Haase received an additional grant of 10,000 restricted shares of our common stock as well as a stock option to purchase 5,000 shares of our common stock, pursuant to the terms and conditions of the Company Stock Plan. The options and restricted shares of our common stock vest over a three year period and become exercisable or receivable as to one-third of the shares on February 28, 2009, with quarterly vesting thereafter for a period of 24 months, subject to acceleration or termination in certain circumstances. The stock options will expire seven years after the grant date.

No awards were granted under the Company Stock Plan in 2009.

All grants made to the executive officers will vest immediately upon a change of control. Pursuant to the Company Stock Plan, a change of control means an event or the last of a series of related events by which:

- (a) any person directly or indirectly acquires or otherwise becomes entitled to vote stock having a 51% or more of the voting power in elections for directors;
- (b)

- the Company merges or consolidates with another corporation, and holders of outstanding shares of the our common stock immediately prior to the merger or consolidation do not own stock in the surviving entity having more than 50% of the voting power in elections for directors; or
- (c) the Company sells all or a substantial portion of its consolidated assets and the Company does not own stock in the purchaser having more than 50% of the voting power in elections for directors.
- The proposed merger with Dimensional Associates would not trigger a change of control event as defined in the Company Stock Plan. However, under the terms of the Agreement and Plan of Merger dated as of

TABLE OF CONTENTS

March 15, 2010, as amended, between the Company, Dimensional Associates and Merger Sub, all grants made under the Company Stock Plan vest immediately at the effective time.

Directors Compensation

On March 13, 2009, the Compensation Committee recommended, and our Board adopted a revised Non-Executive Directors Compensation Program (the 2009 DCP), effective June 2, 2009, upon stockholder approval of the proposed amendments to the Company Stock Plan. Under the 2009 DCP each director who was not also an employee was entitled to receive a fee of \$40,000 per year, with an additional annual fee of \$3,000 payable to each committee chairman. The directors do not receive any separate fees for attendance at board or committee meetings. Our directors are reimbursed for reasonable out-of-pocket expenses incurred in attending meetings of the board or the committees thereof, and for other expenses reasonably incurred in their capacity as directors.

In addition, under the 2009 DCP, each non-employee director received a restricted stock award for a number of shares of common stock having a value of \$50,000 based on the closing price of our common stock on the date of grant, with the initial grant on June 2, 2009 vesting one-half on the date of grant and one-half on the subsequent annual meeting date (provided that such director continues to serve until the time of such future annual meetings). The Chairman of the Board also received an additional restricted stock award with a grant date value of \$20,000 determined on the same basis and vesting in the same manner. These grants to non-employee directors were made pursuant to the terms of the Company Stock Plan.

Prior to the adoption of the 2009 DCP, each director who was not also an employee was compensated in the same amount and manner as set forth in the 2009 DCP, except that each director who was not also an employee received a grant of options on June 4, 2008 to purchase a number of shares of common stock equal to \$50,000 divided by an amount equal to one-third of the closing price of our common stock on the grant date. This division by one-third was intended to approximate the share-based compensation expense attributable to such options under the Trinomial Lattice Method, which we use for accounting purposes under Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation Stock Compensation (ASC Topic 718) (formerly Statement of Financial Accounting Standards No. 123 (Revised), Share-Based Payment (SFAS No. 123R)). These options had an exercise price per share equal to the closing price of our common stock on the date of grant and a term of 10 years, with the initial grant on June 4, 2008 vesting one-third on the date of grant and one-third on each of the subsequent two annual meeting dates (provided that such director continues to serve until the time of such future annual meetings). These grants to non-employee directors were made pursuant to the terms of the Company Stock Plan.

In addition, in 2009 the board approved additional payments of \$80,000 to Mr. Donahue for his service as chairman of both the search committee and the special committee, as well as an additional payment of \$15,000 for each of David Altschul, Viet Dinh, Nathan Peck and Joel Straka for their service on the special committee.

The following table summarizes compensation paid to those who served as non-employee directors during any portion of the year ended December 31, 2009.

Item 13. ***CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE***

Dimensional Associates is our controlling stockholder, owning approximately 54% of our voting common stock on a fully diluted basis as of April 19, 2010. From time to time, we have amounts due to and receivables from companies under common ownership with Dimensional Associates. These amounts are billed and paid on a regular basis in the ordinary course of our business. Our relationships with these related parties include the following:

Legal Costs One firm engaged by us to represent our general business interests employs a family member of one of our directors, Daniel Stein. Amounts included in operating expenses in connection with the services performed by this firm were \$105,577 and \$478,143 for the year ended December 31, 2009 and 2008, respectively. In addition, we incurred \$178,354 of expense for the year ended December 31, 2008 for fees in connection with the services performed by this firm related to the transaction costs of The Orchard's (formerly known as Digital Music Group, Inc. or DMGI) business combination with Orchard NY through a merger of a subsidiary of DMGI with and into Orchard NY and the acquisition of assets of TVT Records. No such expenses were incurred for the year ended December 31, 2009.

Distribution Services with eMusic eMusic (an entity controlled by Dimensional Associates) provides digital music distribution services to our company under a Digital Music Wholesale Agreement, dated January 1, 2004, as amended on March 12, 2007. We entered into a new agreement effective January 1, 2009. The agreement grants eMusic worldwide rights, on a non-exclusive basis, to exploit our master recordings digitally and via the internet through September 30, 2010. Under the agreement, we have a most favored nation clause, which provides that we are entitled to better royalty terms if eMusic allows any other independent record label such better terms. Amounts included in revenues in connection with these services were \$3,357,460 and \$4,531,245 for the years ended December 31, 2009 and 2008, respectively. Amounts included in accounts receivable in connection with these services were \$719,201 and \$1,012,658 at December 31, 2009 and December 31, 2008, respectively. In addition, Daniel Stein, one of our directors, served as the interim CEO of eMusic since October 2008 and on March 17, 2009 was formally appointed the CEO of eMusic.

Appointment of Interim Chief Executive Officer One of our Company's directors, who is also an executive officer and a director of Dimensional Associates and the Chief Executive Officer of eMusic, served as interim Chief Executive Officer of our Company in October 2009, for which he was paid \$16,666.

We have distribution agreements with certain labels whereby it is not permitted to charge distribution fees to the label or artist for sales by eMusic. For the years ended December 31, 2009 and 2008, we recognized revenues of \$304,543 and \$759,379, respectively, from eMusic relating to such agreements. These amounts were recorded in revenues with an equal amount recorded in cost of revenues.

Revenue Sharing Agreement with CGH Ventures, Inc. During 2003, Orchard Management, Inc., a wholly-owned subsidiary of the Company, entered into a revenue sharing agreement with CGH Ventures, Inc., an entity owned by two of the former stockholders of Orchard NY. Pursuant to this agreement, we are obligated to pay CGH Ventures 80% of the net revenues earned by Orchard Management. Orchard Management provides management services to a recording group. We recorded \$36,034 and \$31,933 for the years ended December 31, 2009 and 2008, respectively, as commission expense for CGH Venture's share of the net revenue earned under the management agreement. In April 2010, we amended this agreement to provide that CGH Ventures will receive 100% of the net revenues earned by Orchard Management until such time as Orchard Management earned \$500,000 of net revenues, after which time we will receive 80% of any further net revenues

earned by Orchard Management. In addition, CGH Ventures agreed to take over all of the back office responsibilities related to Orchard Management. The commission expense is included in cost of revenues in the accompanying consolidated statements of operations.
