SECTION 1 – REGISTRANT’S BUSINESS AND OPERATIONS

Item 1.01 Entry into a Material Definitive Agreement.

On September 21, 2010, Gastar Exploration USA, Inc. (“Gastar USA”), a wholly-owned subsidiary of Gastar Exploration Ltd. (collectively, the “Company”), entered into a purchase and sale agreement with Atinum Marcellus I LLC (“Atinum”), an affiliate of Atinum Partners Co., Ltd, a Korean investment firm (the “Joint Venture”). Pursuant to the agreement, at the closing of the transactions contemplated thereby, the Company will assign to Atinum an initial 21.43% interest in all of its existing Marcellus Shale assets in West Virginia and Pennsylvania, which consists of approximately 34,200 net acres and certain producing shallow conventional wells, for \$70 million. Atinum will pay the Company \$30 million in cash upon closing and will pay an additional \$40 million over time to cover a portion of the drilling costs (“drilling carry”). Upon completion of the funding of the drilling carry, the Company will make additional assignments to Atinum as a result of which Atinum will ultimately own a 50% interest in the 34,200 net acres of Marcellus Shale rights currently owned by the Company. The purchase and sale agreement is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

The terms of the drilling carry require Atinum to fund its ultimate 50% share of drilling, completion and infrastructure costs along with 75% of the Company’s ultimate 50% share of those same costs until the \$40 million drilling carry has been satisfied. The Company and Atinum are pursuing an initial three-year development program that calls for the partners to drill one horizontal Marcellus Shale well during the remainder of 2010 and a minimum of 12 horizontal wells in 2011 and 24 horizontal wells in each of 2012 and 2013. An initial area of mutual interests (“AMI”) will be established for potential additional acreage acquisitions in Ohio and New York along with the counties in West Virginia and Pennsylvania in which the existing Joint Venture interests are located. Within the initial AMI, the Company will act as operator and is obligated to offer any future lease acquisitions to Atinum on a 50/50 basis, and Atinum will pay the Company on an annual basis an amount equal to 10% of lease bonuses and third party leasing costs up to \$20 million and 5% of such costs on activities above \$20 million. Until June 30, 2011, Atinum will have the right to participate in any future leasehold acquisitions made by the Company outside of the initial AMI and within West Virginia or Pennsylvania on terms identical to those governing the existing Joint Venture. The form of participation agreement is attached hereto as Exhibit 2.2 and is incorporated herein by reference.

The transaction is expected to close within 30 to 45 days, subject to customary closing conditions, including the receipt of customary approvals from the government of the Republic of Korea.
