Item 8.01 Other Events.

Ally Financial Inc. (“Ally”) today announced that it has completed the refinancing of \$15 billion in credit facilities at both the parent company and at its banking subsidiary, Ally Bank, with a syndicate of 21 lenders. The secured facilities can be used to fund retail, lease and dealer floorplan automotive assets in the U.S. and Canada.

The \$15 billion funding capacity is comprised of two \$7.5 billion facilities, one of which is available to the parent company, Ally, and one of its Canadian subsidiaries, and the other which is available to Ally Bank. Each new facility will have half the capacity maturing in two years and the other half maturing in 364 days. The two credit lines replace facilities at both Ally and Ally Bank that were due to mature in the second quarter of 2011.
