PROPOSAL NO. 1

ELECTION OF CLASS A DIRECTORS

The Company's Certificate of Incorporation provides that the Board of Directors shall consist of not more than nine nor less than five members. The exact number of Directors is fixed by the Board prior to each year's Annual Meeting of Shareholders. The Board is divided into three staggered classes, each class having not less than one or more than three members. Each Director is elected to serve for a three-year term, and until the election and qualification of his or her successor. Any Director may resign at any time. Any Director may be removed by the vote of, or written consent of, the holders of a majority of the shares of Common Stock outstanding at a special meeting called for the purpose of removal or to ratify the recommendation of a majority of the Directors that such Director be removed.

The term of the Class A Directors expires at the fiscal 2012 Annual Meeting to be held on February 20, 2013. The Board has proposed John V. Winfield and Josef A. Grunwald as a Class A Directors to serve until the fiscal 2015 Annual Meeting and until the election and qualification of their successors. The Board of Directors has been informed that the nominees have consented to being named as nominees and are willing to serve as directors if elected. However, if the nominees should be unable, or decline to serve, it is intended that the proxies will be voted for such other persons as the proxies shall, in their discretion, designate. Unless otherwise directed in the accompanying Proxy, the persons named therein will vote FOR the election of the nominees. BOARD AND COMMITTEE INFORMATION

InterGroup is a Smaller Reporting Company under the rules and regulations of the Securities and Exchange Commission (“SEC”). The Company’s common stock is listed on the Capital Market tier of the NASDAQ Stock Market LLC (“NASDAQ”).

The Board of Directors of InterGroup currently consists of five members. With the exception of the Company’s President and CEO, John V. Winfield, all of InterGroup’s Board of Directors consists of “independent” directors as independence is defined by the applicable rules of the SEC and NASDAQ. The Board of Directors held four meetings during the 2012 Fiscal Year (in person, telephonically or by written consent). No Director attended (whether in person, telephonically, or by written consent) less than 75% of all meetings held during the period of time he served as Director during the 2012 Fiscal Year. The independent directors also meet in executive session at least two times per year.

Board Leadership Structure

The Chairman of the Board, Mr. Winfield, also serves as our Chief Executive Officer. The Board believes that combining the Chairman and Chief Executive officer roles is the most appropriate structure for the Company at this time because (i) this structure has had a longstanding history with the Company, which the Board believes has served our stockholders well through many economic cycles and business challenges; (ii) the Board believes Mr. Winfield’s unique business experience and history with the Company makes it appropriate for him to serve in both capacities; and (iii) the Board believes its corporate government processes and committee structures preserve Board independence by insuring independent discussions among directors and independent evaluation of, and communications with, members of senior management such that separation of the Chairman and Chief Executive Officer roles is unnecessary at this time.

Role of the Board in Oversight of Risk

The Board of Directors does not have a separate risk oversight body, but rather manages risk directly. The Board mitigates risk through discussing with management the appropriate level of risk for the Company and evaluating the risk information received by management. These risks include financial, competitive and operational risks. Further, on a quarterly basis, management reports to the Audit Committee regarding the Company's various risk areas to as part of the Committee's oversight role over financial reporting in accordance with the Audit Committee charter. In addition, other committees of the Board of Directors consider risks within their areas of responsibility.

We do not consider that our compensation policies encourage excessive risk-taking. The design of our compensation policies encourages employees to remain focused on both short-term and long-term financial and operational goals. Our equity awards typically vest over a number of years, which we believe encourages employees to focus on sustained stock price appreciation over time and the intrinsic value of the Company instead of short-term financial results.

Communications with the Board of Directors

The Board of Directors has not established a formal process for security holders to send communications to the Board of Directors and the Board has not deemed it necessary to establish such a procedure at this time. Historically, almost all communications that the Company receives from security holders are administrative in nature and are not directed to the Board of Directors. If the Company should receive a security holder communication directed to the Board of Directors, or to an individual director, said communication will be relayed to the Board of Directors or the individual director as the case may be.

Board Attendance at Annual Meetings of Shareholders

The Company does not have any formal policy with regard to board members attendance at annual meetings of shareholders but encourages each director to attend said meetings. With the exception of Director Grunwald, all of the Company's directors attended the fiscal 2011 annual meeting of shareholders.

Committees:

The Company has an Executive Committee that meets in lieu of the Board upon the request of the Chairman of the Committee. Mr. Winfield is Chairman of the Executive Committee. The Committee held one meeting (in person, telephonically or by written consent) during the 2012 Fiscal Year.

The Company's Administrative and Compensation Committee (the "Compensation Committee") is comprised of three "independent" members of the Board of Directors as independence is defined by the applicable rules of the SEC and NASDAQ. Mr. Nance, Mr. Grunwald and Mr. Jacobs were the members of the Compensation Committee during fiscal year 2012. None of the members of the Compensation Committee is or has been an executive officer of the Company, or had any relationships requiring disclosure by the Company under the SEC rules or NASDAQ listing requirements.

Mr. Nance serves as Chairman of the Compensation Committee. The Company has not established a charter for the Compensation Committee. The Compensation Committee reviews and recommends to the Board of Directors the compensation for the Company's Chief Executive Officer and other executive officers, including equity or performance based compensation and plans. The Compensation Committee seeks to design and set compensation to attract and retain highly qualified executive officers and to align their interests with those of long-term owners of the Company. The Compensation Committee may also make recommendations to the Board of Directors as to the amount and form of director compensation. The Compensation Committee has not engaged any compensation consultants in determining the amount or form of executive or director compensation, but does review and monitor published compensation surveys and studies. The Compensation Committee may delegate to the Company's Chief Executive Officer the authority determine the compensation of certain executive officers. The Compensation Committee held one meeting (in person, telephonically or by written consent) during the 2012 Fiscal Year. The Compensation Committee also oversees the Company's 2007 Stock Compensation Plan for Non-Employee Directors (the "2007 Stock Plan"), the Company's 2008 Restricted Stock Unit Plan (the "2008 RSU Plan") and the Company's 2010 Omnibus Employee Incentive Plan (the "2010 Incentive Plan").

The Company has a Real Estate Investment Committee, which is chaired by Mr. Nance. This Committee held ten meetings (in person, telephonically or by written consent) during the 2012 Fiscal Year. The Real Estate Investment Committee reviews and considers potential acquisitions, dispositions, and financings of properties.

The Company's Nominating Committee is comprised of two "independent" directors as independence is defined by the applicable rules of the SEC and NASDAQ. The Company has not established a charter for the Nominating Committee and the Committee has no policy with regard to consideration of any director candidates recommended by security holders. As a Smaller Reporting Company whose directors own in excess of seventy percent of the voting shares of the Company, InterGroup has not deemed it appropriate to institute such a policy. There have not been any material changes to the procedures by which security holders may recommend nominees to the Company's board of directors during the last fiscal year. Mr. Jacobs is the Chairman of the Nominating Committee. The Committee held one meeting during the 2012 Fiscal Year.

The Company's Securities Investment Committee oversees and establishes certain investment procedures and reports to the Board of Directors. The Committee's Chairman is Mr. Winfield. This committee held three meetings (in person, telephonically or by written consent) during the 2012 Fiscal Year.

The Company's Special Strategic Options Committee is chaired by Mr. Winfield. This committee held no formal meetings during the 2012 Fiscal Year, but its members consult with each other frequently on an informal basis. The Special Strategic Options Committee reviews and considers the Company's strategic options and provides guidance to accomplish its goals considering both current and prospective investment opportunities.

The Company is a Smaller Reporting Company under SEC rules. The Company's Audit Committee is currently comprised of three members: Directors Nance (Chairperson), Grunwald and Love, each of who meet the independence requirements of the SEC and NASDAQ as modified or supplemented from time to time. Directors Nance and Love also meet the Audit Committee Financial Expert requirement as defined by the SEC and NASDAQ based on their qualifications and business experience discussed above. The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility of overseeing management's conduct of the financial reporting process, the annual independent audit of the Company's financial statements, reviewing the financial reports provided by the Company to any governmental body or the public; the Company's system of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Company's auditing, accounting and financial processes generally. The Audit Committee is also responsible for the selection and retention of the Company's independent registered public accounting firm. The Audit Committee held six meetings during the 2012 Fiscal Year.

The Company's Board of Directors has adopted a written charter for the Audit Committee, which is reviewed on an annual basis. A copy of that written charter, as amended, is posted on the Company's website at www.intgla.com.

Code of Ethics.

The Company has adopted a Code of Ethics that applies to its principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the Code of Ethics is posted on the Company's website at www.intgla.com. The Company will provide to any person without charge, upon request, a copy of its Code of Ethics by sending such request to: The InterGroup Corporation, Attn: Treasurer, 10940 Wilshire Blvd., Suite 2150, Los Angeles, CA 90024. The Company will promptly disclose any amendments or waivers to its Code of Ethics on Form 8-K and will post such information on its website.

(1) Mr. Winfield also serves as President and Chairman of the Board of the Company's subsidiary, Santa Fe, and Santa Fe's subsidiary, Portsmouth. Mr. Winfield received a salary from Santa Fe and Portsmouth in the aggregate amount of \$255,000 from those entities for each of fiscal years 2012 and 2011, as well as director's fees totaling \$12,000 for each year. Those amounts are included in this item.

(2) For fiscal 2012 and 2011, the dollar amount reflects the fair market value of 15,000 shares of common stock issued to Mr. Winfield upon the vesting of 15,000 Restricted Stock Units (“RSUs”) on September 10, 2011 and 2010, respectively, as determined by reference to the closing price of the Company’s common stock as reported on the NASDAQ Capital Market on the vesting dates. With respect to the September 10, 2011 vesting, Mr. Winfield surrendered 4,958 shares of the 15,000 shares issued to him back to the Company to satisfy tax withholding requirements. All RSUs were issued pursuant to the Company’s 2008 RSU Plan. On December 21, 2008, Mr. Winfield surrendered to the Company 225,000 fully vested stock options in exchange for 84,628 RSUs pursuant to an exchange offer made by the Compensation Committee as authorized by 2008 RSU Plan. The RSUs are taxable as ordinary income to Mr. Winfield upon vesting and issuance of the shares of Common Stock.

(3) For fiscal 2012, the dollar amount reflects aggregate grant date fair value of options expected to vest, computed in accordance with FASB ASC Topic 718, of 90,000 stock options granted to Mr. Winfield on February 28, 2012 pursuant to the Company’s 2010 Incentive Plan. [See Note 16 to the Consolidated Financial Statements for assumptions.] The options expire 10 years from the date of grant and have an exercise price of \$19.77 per share, which was 100% of the fair market value of the Company’s common stock as determined by reference to the closing price as reported on the NASDAQ Capital Market on February 28, 2012, the date of grant. The options are subject to both time and performance based vesting requirements, each of which must be satisfied before the options are fully vested and eligible to be exercised. Pursuant to the time vesting requirements, the options vest over a period of five years, with 18,000 options vesting upon each one year anniversary of the date of grant. Pursuant to the performance vesting requirements, the options vest in increments of 18,000 shares upon each increase of \$2.00 or more in the market price of the Company’s common stock above the exercise price (\$19.77) of the options. To satisfy this requirement, the common stock must trade at that increased level for a period of at least ten trading days during any one quarter. Assuming that the highest level of performance conditions will be achieved, the total value of the grant is estimated at \$944,000.

(4) Amounts include an auto allowance and compensation for a portion of the salary of an assistant. The auto allowance was \$29,000 during each of fiscal years 2012 and 2011. The amount of compensation related to the assistant was approximately \$59,000 and \$55,000 for fiscal years 2012 and 2011, respectively. During fiscal 2012 and 2011, the Company and its subsidiaries also paid annual premiums in the total amount of \$85,000 for split dollar whole life insurance policies owned by, and the beneficiary of which are, a trust for the benefit of Mr. Winfield's family. Of the \$85,000 in premiums paid each year, Santa Fe and Portsmouth paid \$43,000 of that amount. The Company has a secured right to receive, from any proceeds of the policies, reimbursement of all premiums paid prior to any payment to the beneficiary.

(5) Mr. Nguyen's salary is allocated approximately 50% to the Company and 50% to Santa Fe and Portsmouth.

(6) For fiscal 2012 and 2011, respectively, these amounts include \$113,000 and \$97,000 in salary and bonus allocated to and paid by Portsmouth and \$25,000 and \$24,000 in salary allocated to Santa Fe.

(7) For fiscal 2012, the dollar amount reflects aggregate grant date fair value of options expected to vest, computed in accordance with FASB ASC Topic 718, of 5,000 stock options granted to Mr. Zybala on July 1, 2011 pursuant to the Company's 2010 Incentive Plan. [See Note 16 to the Consolidated Financial Statements for assumptions.] The options expire 10 years from the date of grant and have an exercise price of \$24.92 per share, which was 100% of the fair market value of the Company's common stock as determined by reference to the closing price as reported on the NASDAQ Capital Market on the date of grant. The options vest over a period of five years, with 1,000 options vesting upon each one year anniversary of the date of grant.

Compensation Committee and Executive Compensation

The Company's Compensation Committee is comprised of three "independent" members of the Board of Directors as independence is defined by the applicable rules of the SEC and NASDAQ. The Compensation Committee reviews and recommends to the Board of Directors the compensation for the Company's Chief Executive Officer and other executive officers, including equity or performance based compensation and plans. The Compensation Committee seeks to design and set compensation to attract and retain highly qualified executive officers and to align their interests with those of long-term owners of the Company. The Compensation Committee may also make recommendations to the Board of Directors as to the amount and form of director compensation. The Compensation Committee has not engaged any compensation consultants in determining the amount or form of executive or director compensation, but does review and monitor published compensation surveys and studies. The Compensation Committee may delegate to the Company's Chief Executive Officer the authority to determine the compensation of certain executive officers. The Compensation Committee also oversees the Company's 2007 Stock Plan, the 2008 RSU

Plan and the 2010 Incentive Plan.

On July 18, 2003, the disinterested members of the respective Boards of Directors of the Company's subsidiary, Santa Fe and Santa Fe's subsidiary, Portsmouth, established a performance based compensation program for the Company's CEO, John V. Winfield, to keep and retain his services as a direct and active manager of the securities portfolios of those companies. On January 12, 2004, the disinterested members of the Securities Investment Committee of InterGroup also established a performance based compensation program for Mr. Winfield, which was ratified by the Board of Directors. The Company's previous experience and results with outside money managers was not acceptable. Pursuant to the criteria established the Board of Directors, Mr. Winfield is entitled to performance compensation for his management of the securities portfolios of the Company and its subsidiaries equal to 20% of all net investment gains generated in excess of an annual return equal to the Prime Rate of Interest (as published by the Wall Street Journal) plus 2%. Compensation amounts are earned, calculated and paid quarterly based on the results of the Company's investment portfolio for that quarter. Should the companies have a net investment loss during any quarter, Mr. Winfield would not be entitled to any further performance-based compensation until any such investment losses are recouped by the Company. This performance based compensation program may be modified or terminated at the discretion of the respective Boards of Directors. No performance based compensation was earned or paid for fiscal years ended June 30, 2012 or 2011.

Internal Revenue Code Limitations

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), provides that, in the case of a publicly held corporation, the corporation is not generally allowed to deduct remuneration paid to its chief executive officer and certain other highly compensated officers to the extent that such remuneration exceeds \$1,000,000 for the taxable year. Certain remuneration, however, is not subject to disallowance, including compensation paid on a commission basis and, if certain requirements prescribed by the Code are satisfied, other performance based compensation. Since InterGroup, Santa Fe and Portsmouth are each public companies, the \$1,000,000 limitation applies separately to the compensation paid by each entity. Stock option expenses are also amortized over a several years. For fiscal years 2012 and 2011, no compensation paid by the Company to its CEO or other executive officers was subject the deduction disallowance prescribed by Section 162(m) of the Code.

EQUITY COMPENSATION PLANS

The Company currently has three equity compensation plans, each of which has been approved by the Company's stockholders. However, any outstanding stock options issued under the Company's prior equity compensation plans remain effective in accordance with their terms.

The purpose of the Company's equity compensation plans is to provide a means whereby officers, directors and key employees of the Company develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its shareholders. A further purpose of these plans is to provide a means through which the Company may attract able individuals to become employees or serve as directors of the Company and to provide a means for such individuals to acquire and maintain stock ownership in the Company, thereby strengthening their concern for the welfare of the Company.

The InterGroup Corporation 2007 Stock Compensation Plan for Non-Employee Directors

The InterGroup Corporation 2007 Stock Compensation Plan for Non-Employee Directors (the "2007 Stock Plan") was approved by the shareholders of the Company on February 21, 2007, and was thereafter adopted by the Board of Directors. The 2007 Plan will terminate upon the earlier of the date all shares reserved for issuance have been awarded or February 21, 2017, if not sooner terminated by the Board upon recommendation by the Compensation Committee. The stock available for issuance under the 2007 Stock Plan shall be unrestricted shares of the Company's common stock, par value \$.01 per share, which may be unissued shares or treasury shares. Subject to certain adjustments upon changes in capitalization, a maximum of 60,000 shares of the common stock will be available for issuance to participants under the 2007 Stock Plan.

All non-employee directors are eligible to participate in the 2007 Stock Plan. Each non-employee director as of the adoption date of the 2007 Stock Plan was granted an award of 600 unrestricted shares of the Company's common stock. On each July 1 following the adoption date of the 2007 Stock Plan, each non-employee director shall receive an automatic grant of a number of shares of company's common stock equal in value to \$18,000 based on 100% of the fair market value (as defined) of the Common Stock on the date of grant, provided he or she holds such position on that date and the number of shares of Common Stock available for grant under the 2007 Stock Plan is sufficient to permit such automatic grant. Any fractional shares resulting from such grant will be rounded up to next highest whole share. All stock awards to non-employee directors will be fully vested on the date of grant. The dollar amount of the annual grant is subject to further adjustment by the Board of Directors upon recommendation by the Compensation Committee. The stock awards granted under the 2007 Stock Plan are shares of unrestricted common stock and are fully vested on the date of grant. The right of the non-employee director to receive his or her annual grant of common stock is personal to the director and is not transferable. Once received, shares of common stock awarded to the non-employee director are freely transferable subject to any requirements of Section 16(b) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). On June 28, 2007, Company filed a registration statement on Form

S-8 to register the shares subject to the 2007 Stock Plan and the Company's two prior stock option plans under the Securities Act of 1933, as amended (the "Securities Act").

Upon recommendation of the Compensation Committee, the Board may, at any time and from time to time and in any respect, amend or modify the 2007 Stock Plan. The Board must obtain stockholder approval of any material amendment to the 2007 Stock Plan if required by any applicable law, regulation or stock exchange rule. The Board of Directors may amend the 2007 Stock Plan or any award agreement, which amendment may be retroactive, in order to conform it to any present or future law, regulation or ruling relating to plans of this or similar nature. No amendment or modification of the 2007 Stock Plan or any award agreement may adversely affect any outstanding award without the written consent of the participant holding the award.

Upon recommendation of the Compensation Committee, the Board of Directors, on February 23, 2011, voted to increase the annual grant awarded to each of the non-employee directors to a number of shares of Company's common stock equal in value to \$22,000, effective as of the July 1, 2011 grant, while decreasing the annual cash compensation payable to non-employee directors from \$16,000 to \$12,000 per year.

For the fiscal year ended June 30, 2012, the four non-employee directors of the Company, Josef A. Grunwald, Gary N. Jacobs, John C. Love and William J. Nance, each received a grant of 883 shares of Common Stock pursuant to the 2007 Stock Plan.

The InterGroup Corporation 2008 Restricted Stock Unit Plan

On December 3, 2008, the Board of Directors adopted, subject to shareholder approval, a new equity compensation plan for its officers, directors and key employees entitled, The InterGroup Corporation 2008 Restricted Stock Unit Plan (the “2008 RSU Plan”). The 2008 RSU Plan was approved and ratified by the shareholders on February 18, 2009.

The 2008 RSU Plan authorizes the Company to issue restricted stock units (“RSUs”) as equity compensation to officers, directors and key employees of the Company on such terms and conditions established by the Compensation Committee of the Company. RSUs are not actual shares of the Company’s common stock, but rather promises to deliver common stock in the future, subject to certain vesting requirements and other restrictions as may be determined by the Committee. Holders of RSUs have no voting rights with respect to the underlying shares of common stock and holders are not entitled to receive any dividends until the RSUs vest and the shares are delivered. No awards of RSUs shall vest until at least six months after shareholder approval of the Plan. Subject to certain adjustments upon changes in capitalization, a maximum of 200,000 shares of the common stock are available for issuance to participants under the 2008 RSU Plan. The 2008 RSU Plan will terminate ten (10) years from December 3, 2008, unless terminated sooner by the Board of Directors. After the 2008 RSU Plan is terminated, no awards may be granted but awards previously granted shall remain outstanding in accordance with the Plan and their applicable terms and conditions.

The shares of common stock to be delivered upon the vesting of an award of RSUs have been registered under the Securities Act, pursuant to a registration statement filed on Form S-8 by the Company on June 16, 2010. The grant of RSUs is personal to the recipient and is not transferable. Once received, shares of common stock issuable upon the vesting of the RSUs are freely transferable subject to any requirements of Section 16(b) of the Exchange Act. Under the 2008 RSU Plan, the Compensation Committee also has the power and authority to establish and implement an exchange program that would permit the Company to offer holders of awards issued under prior shareholder approved compensation plans to exchange certain options for new RSUs on terms and conditions to be set by the Committee. The exchange program is designed to increase the retention and motivational value of awards granted under prior plans. In addition, by exchanging options for RSUs, the Company will reduce the number of shares of common stock subject to equity awards, thereby reducing potential dilution to stockholders in the event of significant increases in the value of its common stock.

Pursuant to an exchange offer authorized by the Compensation Committee, a total of 8,245 RSUs were issued to five holders of Non-Employee Director stock options in exchange for a total of 15,000 stock options which were

surrendered to the Company on June 30, 2012. The number of RSUs issued was determined by multiplying the number of options that were surrendered by the difference between the exercise price of the options surrendered (\$11.23) and the closing price of the Company's common stock on June 30, 2012 of \$24.94, with that product divided by the closing price of the common stock on June 30, 2012. Of the 8,245 RSUs issued pursuant to that exchange offer, 4,125 will vest on October 1, 2012 and 4,120 will vest on April 1, 2013.

The InterGroup Corporation 2010 Omnibus Employee Incentive Plan

On February 24, 2010, the shareholders of the Company approved The InterGroup Corporation 2010 Omnibus Employee Incentive Plan (the "2010 Incentive Plan"), which was formally adopted by the Board of Directors following the annual meeting of shareholders. The 2010 Incentive Plan authorizes a total of up to 200,000 shares of common stock to be issued as equity compensation to officers and employees of the Company in an amount and in a manner to be determined by the Compensation Committee in accordance with the terms of the Plan. The 2010 Incentive Plan authorizes the awards of several types of equity compensation including stock options, stock appreciation rights, performance awards and other stock based compensation. The 2010 Incentive Plan will expire on February 23, 2020, if not terminated sooner by the Board of Directors upon recommendation of the Compensation Committee. Any awards issued under the Plan will expire under the terms of the grant agreement.

The shares of common stock to be issued under the 2010 Incentive Plan have been registered under the Securities Act, pursuant to a registration statement filed on Form S-8 by the Company on June 16, 2010. Once received, shares of common stock issued under the Plan will be freely transferable subject to any requirements of Section 16(b) of the Exchange Act.

On February 28, 2012, the Compensation Committee authorized the grant of 90,000 stock options to the Company's Chairman, President and Chief Executive, John V. Winfield to purchase up to 90,000 shares of the Company's common stock pursuant to the 2010 Incentive Plan. The exercise price of the options is \$19.77, which equals 100% of the fair market value of the Company's common stock as determined by reference to the closing price of the Company's common stock as reported on the NASDAQ Capital Market on February 28, 2012 the date of grant. The options expire ten years from the date of grant, unless earlier terminated in accordance with the terms of the 2010 Plan. The options shall be subject to both time and performance based vesting requirements, each of which must be satisfied before options are fully vested and eligible to be exercised. Pursuant to the time vesting requirements, the options vest over a period of five years, with 18,000 options vesting upon each one year anniversary of the date of grant. Pursuant to the performance vesting requirements, the options vest in increments of 18,000 shares upon each increase of \$2.00 or more in the market price of the Company's common stock above the exercise price (\$19.77) of the options. To satisfy this requirement, the common stock must trade at that increased level for a period of at least ten trading days during any one quarter. As of June 30, 2012, none of the performance vesting requirements of the options was satisfied.

On July 1, 2011, the Compensation Committee authorized a grant of 5,000 stock options to the Company's Assistant Secretary and General Counsel, Michael G. Zybala, to purchase up to 5,000 shares of the Company's common stock pursuant to the 2010 Incentive Plan. The exercise price of the options is \$24.92 and the options expire ten years from the date of grant, unless earlier terminated in accordance with the terms of the 2010 Plan. The options vest over a period of five years, with 1,000 options vesting upon each one year anniversary of the date of grant, July 1, 2011.

Change in Controls Provisions in Equity Compensation Plans.

Under the Company's 2008 RSU Plan and its 2010 Incentive Plan, RSUs, stock options and other incentive awards may vest upon a change in control of the Company in accordance with their respective grant agreements. Outstanding unvested RSUs issued pursuant to the 2008 RSU Plan in exchange for vested stock options will immediately vest upon a change in control. Outstanding stock options issued pursuant to the Company's 2010 Incentive Plan will also immediately vest and become exercisable upon a change in control. Except for the foregoing, there are no employment contracts between the Company and its Officers or Directors or any change in control arrangements.

SHAREHOLDER ADVISORY VOTES ON EXECUTIVE COMPENSATION

At its Fiscal 2010 Annual Meeting of Shareholders held on February 23, 2011, the Company submitted to its shareholders two proposals regarding executive compensation. The first proposal to approve, in a non-binding vote, the compensation of the Company's named executive officers was approved by the shareholders, having received more than 98% of the shares voted at the meeting in favor of the proposal. The second proposal was to determine, in a non-binding vote, whether a shareholder advisory vote to approve the compensation of the Company's executive officers should occur every one, two or three years. The shareholders overwhelmingly voted in favor of three years as the frequency in which the Company should have an advisory vote on executive compensation with more than 96% percent of the shares voted at the meeting being in favor of three years. The Compensation Committee and the Board of Directors have considered the guidance provided by these advisory votes and have set three years as the frequency in which it will have a non-binding vote on executive compensation.

Compensation of Directors

Until fiscal 2011, each non-employee director received an annual cash retainer in the amount of \$16,000, to be paid in equal quarterly payments. Upon recommendation of the Compensation Committee, the Board of Directors, on February 23, 2011, voted to decrease the annual cash compensation payable to non-employee directors from \$16,000 to \$12,000, effective as of fiscal year ended June 30, 2011. With the exception of members of the Audit Committee, non-employee directors do not receive any additional fees for attending Board or Committee meetings, but are entitled to reimbursement of their reasonable expenses to attend such meetings. Members of the Audit Committee are paid a fee of \$1,000 per quarter, with the Chair of that Committee to receive \$1,500 per quarter. As an executive officer, the Company's Chairman has elected to forego his annual board fees.

Non-employee directors are also eligible for grants of equity compensation under the Company's 2007 Stock Plan and 2008 RSU Plan. Pursuant to the 2007 Stock Plan, each non-employee director was entitled to an annual grant of a number of shares of common stock of the Company equal in value to \$18,000 based on the fair market value of the Common Stock on the date of grant. To compensate for the \$4,000 reduction in annual cash compensation payable to non-employee directors as discussed above, the Board of Directors, upon recommendation of the Compensation Committee, increased the annual grant of common stock to an amount equal in value to \$22,000, effective as of the July 1, 2011 grant. Non-employee directors may also be eligible to participate in exchange offers as may be authorized by the Compensation Committee under the 2008 RSU Plan to exchange previously issued stock options for RSUs.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On December 4, 1998, the Compensation Committee authorized the Company to obtain whole life and split dollar insurance policies covering the Company's President and Chief Executive Officer, Mr. Winfield. During fiscal 2012 and 2011, the Company paid annual premiums in the amount of approximately \$85,000 for the split dollar insurance policy owned by, and the beneficiary of which is, a trust for the benefit of Mr. Winfield's family. The Company has a secured right to receive, from any proceeds of the policy, reimbursement of all premiums paid prior to any payments to the beneficiary.

On June 30, 1998, the Company's Chairman and President entered into a voting trust agreement with the Company giving the Company the power to vote his 4.0% interest in the outstanding shares of the Santa Fe common stock.

Winfield, oversees the investment activity of the Company in public and private markets pursuant to authority granted by the Board of Directors.
