The Company expects to have a net loss for the fiscal year ended June 30, 2016 primarily due to the significant decrease in sales revenue of more than 60% during the year as compared to the fiscal year 2015. The decreased sales were mainly due to the current economy of PRC and lower demand of the products. As it is still in the process of finalizing the financial statements, the Company is not able to provide a reasonable estimate of results at this time.
