PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

December 21, 2005

General Information

This Proxy Statement is furnished to the stockholders of OraLabs Holding Corp., a Colorado corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board of Directors") for use at the Annual Meeting of Stockholders of the Company to be held on December 21, 2005, and any adjournment(s) thereof (the "Annual Meeting"). A copy of the notice of meeting, the Company's Annual Report on Form 10-KSB/A for the fiscal year ended December 31, 2004 (which also comprises the Company's Annual Report), the Company's quarterly report on Form 10-QSB for the quarter ended September 30, 2005 and form of proxy statement are first being sent to stockholders on or about November 25, 2005.

Only stockholders of record at the close of business on November 23, 2005, the record date for the Annual Meeting, will be entitled to notice of and to vote at the Annual Meeting. On the record date, there were issued and outstanding 4,693,015 shares of the Company's Common Stock, par value \$.001 per share (the "Common Stock"). Each share of Common Stock entitles the holder to one vote with respect to each of the matters to be voted upon at the Annual Meeting. The Common Stock is the only class of outstanding securities of the Company entitled to vote at the Annual Meeting.

Presence in person or by proxy of the holders of 2,346,508 shares of Common Stock will constitute a quorum at the Annual Meeting. Assuming a quorum is present, the affirmative vote of the holders of at least a majority of votes present and entitled to be cast at the Annual Meeting is required for (i) the election of Directors, (ii) the ratification of the selection of GHP Horwath, P.C. as our independent registered public accounting firm for the current fiscal year, and (iii) except as otherwise required by Colorado law or the Company's Articles of Incorporation or Bylaws, any other matters that properly come before the meeting. If a stockholder, present in person or by proxy, abstains on any matter, the stockholder's shares will not be voted on such matter. Abstentions may be specified on all proposals submitted to a stockholder vote other than the election of directors. Abstentions will be counted as present or represented and entitled to vote for purposes of determining the existence of a quorum regarding the proposal on which the abstention is noted, but will not be considered as votes cast in determining whether a matter has been approved by the stockholders. A proxy submitted by a stockholder also may indicate that all or a

Edgar Filing: ORALABS HOLDING CORP - Form DEF 14A

portion of the shares represented by such proxy are not being voted by such stockholder with respect to a particular matter. This could occur, for example, when a broker is not permitted to vote shares held in street name on certain matters in the absence of instructions from the beneficial owner of the shares.

If a proxy in the accompanying form is properly executed and returned, the shares represented thereby will be voted as instructed in the proxy. If no instructions are given, the persons named in the proxy intend to vote in favor of (i) the nominees for election as Directors as set forth below and (ii) the ratification of the selection of GHP Horwath, P.C. as our independent registered public accounting firm for the current fiscal year.

Brokers holding shares in street name, who do not receive instructions, are entitled to vote on the election of Directors and ratification of the appointment of the independent auditors, since such matters are considered to be routine. Since a broker is not required to vote shares held in "street name" in the absence of instructions from the beneficial stockholder, a stockholder's failure to instruct his broker may result in the stockholder's shares not being voted.

Each proxy granted may be revoked by the person granting it at any time (i) by giving written notice to such effect to the Secretary of the Company, (ii) by execution and delivery of a proxy bearing a later date, or (iii) by attendance and voting in person at the Annual Meeting, except as to any matter upon which, prior to such revocation, a vote shall have been taken pursuant to the authority conferred by such proxy. The mere presence at the Annual Meeting of a person appointing a proxy does not revoke the appointment.

ELECTION OF DIRECTORS

Nominees

The Bylaws of the Company provides that the number of Directors of the Company shall be fixed by resolution of the Board of Directors. Such number currently has been fixed at four persons. At the Annual Meeting, four persons will be elected to the Board of Directors to serve until the next annual meeting and until their successors have been elected and qualify. The persons named as proxies in the accompanying proxy intend to vote FOR these nominees of the Board of Directors or, if any of the nominees should be unable to serve, for such substitute nominee(s) as the Board of Directors then may propose.

The following table sets forth information about the nominees, each of whom is currently serving as a Director of the Company:

(2) See "Certain Relationships and Related Transactions" below.

Mr. Schlatter and Mr. Goldstone were elected to their positions in May 1997 upon consummation of the transaction by which the Company's subsidiary, OraLabs, Inc., was acquired by SSI Capital Corp. (the Company's predecessor). Mr. Friess was appointed as a Director on September 8, 1997 and Mr. Gust was elected as a director on May 26, 2000. All directors serve as such until their successors are elected and qualified. No family relationship exists among the Directors or between any of such persons and the Executive Officers of the Company. Mr. Goldstone resigned from the Board on August 24, 1999 and was reappointed to the Board on December 30, 1999.

Gary H. Schlatter is the founder (in 1990) of the Company's subsidiary, OraLabs, Inc., and has served as the President, Chief Executive Officer, Treasurer and Secretary of the subsidiary since that time. He also serves in the positions listed in the above table with respect to the Company. Mr. Schlatter holds his offices (other than the position of director) pursuant to an employment agreement (see, "Executive Compensation").

Michael Friess is a self-employed attorney licensed to practice law in the State of Colorado. He was a partner from January 1983 to December 1993 in the New York City law firm of Schulte, Roth & Zabel, where his practice emphasized taxation.

Allen R. Goldstone is the managing member of Creative Business, LLC, a company that is engaged in business consultation, and he has held that position since 1998 (and prior thereto he was and still serves as president of Creative Business Strategies, Inc., another business consulting firm). Mr. Goldstone has also served as a management consultant since 1988. For calendar year 1997, Mr. Goldstone was an employee of the Company's subsidiary, in which capacity he was in charge of investor relations.

3

Robert C. Gust is the co-founder (January 2002) and Partner of Apogee Group, a business brokerage and consulting firm. From April 1997 to December 2001, Mr. Gust was co-founder and Senior Vice-President of Business Development for Protocol Communications, Inc., a Massachusetts company engaged in the business of owning and operating integrated marketing services companies. From June 1993 until the formation of Protocol Communications, Inc., Mr. Gust was Vice-President of Sales (North America) for Indigo America.

The Board of Directors recommends that stockholders vote FOR the election of each of the nominees named herein.

Additional information with respect to the Board of Directors.

The Company has a standing Audit Committee consisting of Michael I. Friess, Robert C. Gust and Allen R. Goldstone (who became a member on July 9, 2005). The Audit Committee reviews the consolidated financial statements and independent registered public accounting firm report, including recommendations from the independent registered public accounting firm regarding internal

Edgar Filing: ORALABS HOLDING CORP - Form DEF 14A

controls and other matters. The Audit Committee held one meeting during fiscal year 2004 to discuss the financial statements to be part of the Company's Form 10-KSB/A for fiscal year 2003, and held one meeting with the Company's independent registered public accounting firm with respect to the Company's Annual Report on Form 10-KSB/A for fiscal year 2004. The meetings were held by telephone conference call.

The Board of Directors adopted in July 2005 an amended and restated charter for the Audit Committee, which is attached to this Proxy Statement as Appendix A. A report of the Audit Committee is found under the heading "Audit Committee Report" below.

During the fiscal year ended December 31, 2004, the Board of Directors did not meet in person but met three times by telephone conference, and each Director participated in the meeting. The Board also conferred informally on numerous occasions without a formal meeting.

Audit Committee Report

The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition (three independent directors) satisfies the rule of the National Association of Securities Dealers, Inc. ("NASD") that audit committee members be "independent directors" as that term is defined by those rules. The Board of Directors has determined that one of the Audit Committee members, Michael I. Friess, is both independent and is an "audit committee financial expert" as that term is used in Item 401 of Regulation S-B. Mr. Friess qualifies as an audit committee financial expert by means of his employment as a tax attorney in New York City as described above.

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee reviewed and discussed the audited financial statements with the independent registered public accounting firm and with management, discussed with the independent registered public accounting firm the material required to be discussed by Statement on Auditing Standards No. 61 (communications with audit committees), reviewed the written disclosures and the letter from the independent registered public accounting firm required by the Independence Standards Board's Standard No. 1, and discussed with the independent registered public accounting firm their independence.

4

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB/A for the fiscal year ended December 31, 2004, as filed with the Securities and Exchange Commission.

(the Company's subsidiary) that serves as the Company's headquarters, manufacturing facility and warehouse facility. The lease expires on September 30, 2006. Prior to the Company's relocation in 2004, Mr. Schlatter individually and an affiliated entity respectively leased the two facilities from which the Company conducted its business. The Company believes that its rental rate is comparable to that which would be paid to unaffiliated parties, and the Company believes that if the lease is not renewed, the Company could obtain alternative space. Mr. Schlatter was a party to a Stock Exchange Agreement entered into between the Company and NVC Lighting Investment Holdings Limited ("NVC"), under which Mr. Schlatter would acquire sole ownership of the Company's subsidiary in exchange for the Company's redemption of all of the shares of stock owned by him individually in the Company. Standard Compensation Arrangements for Directors

The directors other than Mr. Schlatter are compensated monthly for services provided as directors. Currently, all three non-employee directors receive \$2,000 monthly as directors fees. The Company may modify those arrangements at any time. There were no other arrangements pursuant to which any director of the Company was compensated during the past fiscal year for any service provided as a director. However, the Company has a Non-Employee Director Stock Option Plan under which directors who are not employees are granted (at the time of initial election or appointment to the Board) 10,000 options to purchase common stock and are thereafter granted 2,500 options annually so long as they continue to serve as non-employee directors. All of the options are exercisable at the market price of the common stock at the time of grant and vest proportionately over a four year period.

Agreements with Executive Officers

The only employment contract between the Company and any executive officer of the Company who received total salary and bonus during fiscal year 2004 in excess of \$100,000 is an Amended and Restated Employment Agreement with Gary H. Except for that Agreement as described below, the Company has not entered into any compensatory arrangement pursuant to which any executive officer of the Company will receive payment from the Company as a result of the executive officer's resignation, retirement or termination of employment or as a result of a change in control of the Company. There is no employment contract between the Company and Emile J. Jordan.

8

Effective May 1, 2003, the Company's subsidiary, OraLabs, Inc., entered into an Amended and Restated Employment Agreement ("Employment Agreement") with Gary Schlatter. The Employment Agreement extended the term of Mr. Schlatter's employment through April 30, 2006, unless terminated earlier pursuant to the provisions of the Employment Agreement. Under the Employment Agreement, Mr. Schlatter agrees to devote such time and attention to the business of OraLabs, Inc. as may be required to fulfill his duties, which is expected to require a substantial amount of his working time.

Under the Employment Agreement, Mr. Schlatter is paid a base salary of \$392,645 per year for the first twelve (12) months, \$431,909 per year for the next twelve (12) months, and \$475,100 for the final twelve (12) months. Mr. Schlatter agreed to forego the salary increases payable to him for the second year of the agreement and for the five months commencing May 1, 2005. Bonus compensation is payable to Mr. Schlatter as may be determined by the Board of Directors in its discretion. SELECTION OF INDEPENDENT AUDITORS

The Board of Directors has selected GHP Horwath, P.C. as the independent registered public accounting firm to audit the books and accounts of the Company for the current fiscal year. GHP Horwath, P.C. was retained as the independent registered public accounting firm on November 17, 2005. A representative of GHP Horwath, P.C. is expected to attend the Annual Meeting and will be available to respond to appropriate questions.

Ehrhardt Keefe Steiner & Hottman P.C. ("EKS&H") was the Company's independent registered public accounting firm during calendar year 2005, through November 16, 2005. On November 16, 2005, EKS&H notified the Company that it resigned as the Company's independent registered public accounting firm. The decision to retain the new accountants was recommended and approved by the Company's audit committee and Board of Directors.

EKS&H's report on the Company's financial statements for the fiscal years ended December 31, 2004 and December 31, 2003 did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles. During the Company's fiscal years ended December 31, 2004 and 2003, and the subsequent interim periods preceding EKS&H's resignation, there were not disagreements between the Company and EKS&H on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of EKS&H, would have caused EKS&H to make reference to the subject matter of the disagreement(s) in connection with their report, nor were there any reportable events as defined in Item 304(a)(1)(iv)(B) of Regulation S-B. A representative of EKS&H is not expected to be present at the Annual Meeting.

9

The following table presents fees for professional audit services rendered by the Company's previous independent registered public accounting firm, EKS&H, for the audit of our annual financial statements for the years ended December 31, 2004 and December 31, 2003, and the reviews of the financial statements included in each of our quarterly reports on Form 10-QSB during the fiscal years ended December 31, 2004 and 2003:

	2004	2003
Audit Fees	\$65,500	\$62,000
Audit-Related Fees	\$0	0
Tax Fees	\$0	0
All Other Fees	\$0	\$0

Audit Fees are fees incurred in connection with the audit of the Company's consolidated annual financial statements and the review of financial statements in the Company's quarterly reports on Form 10-QSB. All Other Fees are incurred for services other than those described above. The Audit Committee will pre-approve the performance by its independent registered public accounting firm of any services other than those relating to the audit or review of the Company's financial statements, but no other services are anticipated at this time.

The Board of Directors recommends that the stockholders vote FOR approval of the selection of GHP Horwath, P.C. as the Company's independent registered public accounting firm.

Edgar Filing: ORALABS HOLDING CORP - Form DEF 14A

STOCKHOLDERS PROPOSALS FOR NEXT ANNUAL MEETING

The Company typically holds its Annual Meeting of Stockholders during the last ten days of May, but the meeting was delayed in 2005. Therefore, stockholders of the Company wishing to include proposals in the proxy material relating to the Annual Meeting of Stockholders of the Company in 2006 must submit the same in writing so as to be received at the principal executive office of the Company (to the attention of the Secretary) on or before February 28, 2006, which is a reasonable time before the Company begins to print and mail its proxy materials, for such proposal to be considered for inclusion in the proxy statement for such meeting. Such proposals must also meet the other requirements of the rules of the Securities and Exchange Commission relating to stockholder proposals.

Stockholders who wish to submit any items of business to be addressed at an annual meeting of stockholders (rather than include the item in the proxy material) must make the submission in a timely manner as provided in the Company's Amended and Restated Bylaws. The Bylaws provide that only timely submissions of business items will be considered as proper business at the meeting. To be timely, a stockholder's written submission must generally be delivered to or mailed and received at, the principal business offices of the Company at least sixty (60) days in advance of the date that the Company's proxy statement was released to stockholders in connection with the previous year's annual meeting of stockholders. However, because of the delay in the 2005 meeting, the deadline for submissions of business items for the 2006 annual meeting will be February 20, 2006, which is consistent with the deadline that typically has applied for the Company's Annual Meeting of Stockholders held in late May each year. The Bylaws also specify what must be included in the written notice of submission in order for the submission to be considered timely and to be considered proper business to be conducted at the annual meeting.

10

OTHER MATTERS

The Board of Directors does not know of any other business to be presented for consideration at the Annual Meeting. If other matters properly come before the Annual Meeting, the persons named in the accompanying proxy intend to vote thereon in accordance with their best judgment.

The Company's Annual Report on Form 10-KSB/A for the fiscal year ended December 31, 2004 accompanies this Proxy Statement and constitutes the Company's Annual Report to stockholders. Also attached is the Company's Quarterly Report on Form 10-QSB for the quarter ended September 30, 2005. Copies of any exhibits thereto will be furnished to any stockholder of the Company upon the payment of a reasonable duplicating charge. Written requests for any exhibit should be directed to OraLabs Holding Corp., 18685 East Plaza Drive, Parker, Colorado 80134, Attention: Investor Relations.

SOLICITATION AND EXPENSES

The Company will bear the cost of the Annual Meeting and the cost of soliciting proxies, including the cost of mailing the proxy materials. In addition to solicitation by mail, Directors, officers and regular employees of the Company (who will not be specifically compensated for such services) may solicit proxies by telephone or otherwise. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward proxies and proxy material to their principals and the Company will reimburse
