

Item 8.01 Other Events

On March 21, 2008, Antigenics Inc. announced that Phase 3 clinical data results for Oncophage® (vitespen) in kidney cancer will be presented at the 23rd Annual European Association of Urology Congress, being held at the Milan Convention Center in Milan, Italy. Peter Mulders, MD, professor of urology at UMC St. Radboud, Nijmegen, The Netherlands, will present data from the largest randomized study conducted to date in the adjuvant setting in patients who are at high risk of recurrence after nephrectomy (surgical removal of the diseased kidney).

The full text of the press release issued in connection with the announcement is being furnished as Exhibit 99.1 to this current report on Form 8-K.

Item 9.01 Financial Statements and Exhibits
