## **INFORMATION TO BE INCLUDED IN THE REPORT**

### **Section 1 – Registrant’s Business and Operations**

#### **Item 1.01. Entry into a Material Definitive Agreement.**

On August 28, 2013, American Public Education, Inc. (the “Company”) entered into a Stock Purchase Agreement (the “Agreement”) with National Education Seminars, Inc., an Ohio corporation operating as Hondros College, Nursing Programs (“HCON”), the stockholders of HCON, and the founders of HCON.

Pursuant to the terms of the Agreement, the Company has agreed to purchase all of the capital stock of HCON for an aggregate purchase price of \$46,000,000, subject to working capital adjustments to reflect, in part that neither cash nor bank debt will be acquired or assumed.

The Agreement contains customary representations and warranties, which will generally survive the closing until and through the fifth anniversary of the closing date. Other than with respect to limited fundamental representations, the indemnification obligations of the selling stockholders of HCON are secured by, and generally limited to, a \$6,900,000 escrow account, which account will be reduced over time.

Closing of the transaction is subject to the satisfaction of various closing conditions, including reviews by the U.S. Department of Education and other licensing, regulatory and accreditor bodies. After the closing of the transaction, the change of control of HCON will also be subject to further customary licensing, regulatory and accreditor approvals. The Agreement contains customary termination provisions, including that the Company and the stockholders of HCON have the right to terminate the Agreement if the closing has not happened by specified dates, which dates may be extended to March 14, 2014 if necessary to satisfy certain closing conditions related to required consents and approvals.
