**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On January 12, 2017, Gladstone Land Corporation, through a wholly-owned subsidiary of its operating partnership (collectively, the “Company”), acquired approximately 3,750 acres of real property located in Florida (the “Property”) from Pero Greenridge Farms, LLC, and PFF Land Holdings, LLC, (collectively, the “Sellers”) for total consideration of \$54.0 million. The Sellers, who also lease certain other real property owned by the Company, are not related parties to the Company or its affiliates and do not have a material relationship with the Company or its affiliates, other than in respect to this acquisition. In addition, at closing, the Company entered into an agreement with an affiliate of the Sellers to lease the Property (the “Lease”). The Lease is a 7-year lease that provides for annual rent escalations and includes three, 5-year extension options.

The Company funded the majority of the acquisition of the Property by issuing four separate bonds (the “Bonds”) under its \$125 million facility (the “Farmer Mac Facility”) with Federal Agricultural Mortgage Corporation (“Farmer Mac”). In connection with the issuance of the Bonds, Company received total proceeds of \$32.4 million. The Bonds, which are interest-only, have terms ranging from 3 to 7 years and will bear interest at a weighted-average fixed interest rate of 3.42% per annum throughout their terms. Bonds issued under the Farmer Mac Facility are secured by mortgage loans on agricultural real estate owned by the Company and have an effective loan-to-value ratio of 60% of the underlying agricultural real estate. The Company funded the remainder of the purchase price with cash it had on hand and by drawing on one of its existing \$25.0 million lines of credit with Metropolitan Life Insurance Company (the “Line of Credit”). The Line of Credit is scheduled to mature on April 5, 2024, and advances bear interest at a variable rate equal to the three-month LIBOR plus a spread of 2.25%, with a minimum annualized rate of 2.50%, plus an unused fee of 0.20% on undrawn amounts. The Line of Credit is collateralized by certain other real property owned by the Company.

The Company previously announced its entry into the agreement to acquire the Property under Item 1.01 on Current Report on Form 8-K, filed with the Securities and Exchange Commission on November 23, 2016.
