## 2018 PROXY STATEMENT

The Board of Directors (the "Board") of Ormat Technologies, Inc. ("Ormat", "we", "us", "the Company" or "our Company") is making this proxy statement available to you in connection with the solicitation of proxies on its behalf for the 2018 Annual Meeting of Stockholders (the "2018 Annual Meeting of Stockholders" or the "meeting"). The meeting will take place at the Millennium Conference Center, 145 West 44th Street, New York, NY, 10036 on Monday, May 7, 2018, at 1:30 p.m. local time.

At the meeting, our stockholders will:

- (i) vote to elect the three director nominees named in this proxy statement;
- (ii) vote to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018;
- (iii) vote to approve the Ormat Technologies, Inc. 2018 Incentive Compensation Plan (the "2018 ICP");
- (iv) vote to approve the compensation of our named executive officers ("NEOs") on an advisory basis; and
- (v) transact any other business that may properly come before the meeting, although we know of no other business to be presented.

Only stockholders of record at the close of business on March 22, 2018 may vote at the meeting.

We are taking advantage of Securities and Exchange Commission ("SEC") rules that permit companies to furnish proxy materials to stockholders via the Internet. As a result, we are mailing to our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice"). If you received a Notice by mail, you will not receive a printed copy of our proxy materials unless you specifically request one by following the instructions contained in the Notice. The Notice instructs you on how to access our proxy materials, including this proxy statement, the proxy card, the Notice and our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 (the "2017 Annual Report"), via the Internet, as well as how to vote online or by telephone. We believe that this process allows us to provide our stockholders with important information more quickly, while reducing our environmental impact and lowering the costs of printing and distributing our proxy materials.

By submitting your proxy using any of the methods specified in the Notice, you authorize each of Isaac Angel, our Chief Executive Officer, and ETTY ROSNER, our Senior Vice President and Corporate Secretary, to represent you and vote your shares at the meeting in accordance with your instructions. Either one of them may also vote your shares to adjourn the meeting and will be authorized to vote your shares at any postponements or adjournments of the meeting.

Our 2017 Annual Report, which includes our audited financial statements, is being made available to stockholders together with this proxy statement. Except to the extent that we specifically incorporate information into this proxy statement by reference to our 2017 Annual Report, our 2017 Annual Report does not constitute a part of our proxy materials and is not incorporated by reference into this proxy statement.

We are first making this proxy statement and accompanying materials available to our stockholders on or about March 27, 2018.

YOUR VOTE IS IMPORTANT TO US. WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING, PLEASE PROMPTLY SUBMIT YOUR PROXY ON THE INTERNET, BY PHONE OR BY SIGNING AND DATING A PROXY CARD AND RETURNING IT TO US IN THE ENVELOPE THAT WE WILL SEND TO YOU UPON REQUEST.

## Questions and Answers about the 2018 Annual Meeting of Stockholders

What is the purpose of the 2018 Annual Meeting of Stockholders?

At the 2018 Annual Meeting of Stockholders, our stockholders will be asked to:

1. elect the three director nominees named in this proxy statement (Proposal 1);
2. ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018 (Proposal 2);
3. approve the 2018 ICP (Proposal 3);
4. approve the compensation of our NEOs on an advisory basis (Proposal 4); and
5. transact any other business that may properly come before the meeting.

Members of our management team and a representative of PricewaterhouseCoopers LLP, our independent registered public accounting firm, will be present at the meeting to respond to appropriate questions from stockholders.

Who is entitled to vote?

Only stockholders of record at the close of business on March 22, 2018 (the "Record Date") may vote at the meeting. The only class of stock entitled to vote at the meeting is our common stock, par value \$0.001 per share (the "Common Stock"). Each outstanding share of Common Stock is entitled to one vote for all matters properly brought before the meeting. At the close of business on the Record Date, there were 50,691,051 shares of Common Stock outstanding.

What is the difference between being a "record holder" and holding shares in "street name"?

A record holder holds shares in his, her or its name. Shares held in "street name" are shares that are held in the name of a bank or broker on a person's or entity's behalf.

Am I entitled to vote if my shares are held in "street name"?

If your shares are held by a bank or a brokerage firm, you are considered the "beneficial owner" of shares held in street name. If your shares are held in street name, the Notice will be forwarded to you by your bank or brokerage firm (the "record holder"), along with a voting instruction card. As the beneficial owner, you have the right to direct your record holder how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions.

Under the rules of the New York Stock Exchange (the "NYSE"), if you do not give instructions to your bank or brokerage firm, it may vote on matters that the NYSE determines to be "routine", but will not be permitted to vote your shares with respect to "non-routine" items. Under the NYSE rules, the ratification of appointment of the independent registered public accounting firm (Proposal 2) is a routine matter, but the election of directors (Proposal 1), the approval of the 2018 ICP (Proposal 3) and the approval of the compensation of our NEOs on an advisory basis (Proposal 4) are not considered to be routine matters. When a broker or bank has not received instructions from a beneficial owner or person entitled to vote and the broker or bank cannot vote on a particular matter because it is not routine, then there is a "broker non-vote" on that matter. Broker non-votes do not count as votes "For" or "Against" any proposal.

As the beneficial owner of shares, you are invited to attend the 2018 Annual Meeting of Stockholders. If you are a beneficial owner, however, you may not vote your shares in person at the meeting unless you obtain a proxy form from the record holder of your shares.

How many shares must be present to hold the meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the Record Date will constitute a quorum.

Who can attend the 2018 Annual Meeting of Stockholders?

All Ormat stockholders of record as of the close of business on March 22, 2018 may attend the 2018 Annual Meeting of Stockholders.

What if a quorum is not present at the meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the outstanding shares entitled to vote represented may adjourn the meeting.

What does it mean if I receive more than one Notice?

Some stockholders may receive more than one Notice, more than one e-mail notification or more than one paper copy of the proxy materials, including multiple proxy cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate Notice, a separate e-mail notification or a separate voting instruction form for each brokerage account in which you hold shares. Please vote all of your shares. To ensure that all of your shares are voted, please vote the shares held in each brokerage account in which you hold shares of our Common Stock.

How do I vote?

You may vote by submitting your proxy either (i) on the internet, (ii) by telephone or (iii) by signing and dating a proxy card and returning it to the Company.

The Notice we (or the bank or brokerage firm that holds your shares in street name) sent to you explains how you can:

- vote on the internet or by telephone and how you can receive a paper or email copy of a proxy card if you are a record holder of shares; or
- give voting instructions to your bank or brokerage firm if your shares are held in street name.

The return envelope that we will send you if you request a paper proxy card requires no additional postage if mailed in either the United States ("U.S.") or Canada.

If you are a record stockholder and attend the meeting, you may deliver your completed proxy card in person. Additionally, we will pass out written ballots to record stockholders who wish to vote in person at the meeting. Beneficial owners of shares held in street name who wish to vote at the meeting will need to obtain a proxy from their record holder.

Can I change my vote after I submit my proxy?

If you are a record holder of shares, you may revoke your proxy and change your vote at any time before it is actually voted:

by signing and delivering another proxy with a later date;

by giving written notice of such revocation to the Company's Corporate Secretary at or prior to the meeting; or

by voting in person at the meeting.

Please note, however, that if you are a beneficial owner of shares and you wish to revoke your proxy or vote at the meeting, you must follow the instructions provided to you by your bank, broker or other record holder and/or obtain from the record holder a proxy issued in your name. Your attendance at the meeting will not, by itself, revoke your proxy.

Who will count the votes?

Ormat's transfer agent, American Stock Transfer & Trust Company, will tabulate and certify the votes. A representative of the transfer agent may serve as an inspector of election.

How does the Board recommend I vote on the proposals?

Our Board recommends that you vote FOR the proposals to:

elect the three director nominees named in this proxy statement to the Board (Proposal 1);

ratify PricewaterhouseCoopers LLP as Ormat's independent registered public accounting firm for the year ending December 31, 2018 (Proposal 2);

approve the 2018 ICP (Proposal 3); and

approve the compensation of Ormat's NEOs on an advisory basis (Proposal 4).

What if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, the persons to whom you have provided a proxy will vote in accordance with the recommendations of the Board as described above.

Will any other business be conducted at the meeting?

We know of no other business that will be presented at the meeting. If any other matter properly comes before the stockholders for a vote at the meeting, however, the proxy holders will vote your shares in accordance with their best judgment.

How many votes are required to elect the director nominees?

Directors are elected by a majority of all votes cast for each director nominee, except for contested elections in which there are a greater number of candidates than there are seats to be filled. In contested elections, a plurality voting standard applies, meaning that the three director nominees who receive the greatest number of votes cast by the holders of our Common Stock entitled to vote at the annual meeting will be elected to the Board as directors.

How many votes are required to ratify the appointment of Ormat's independent registered public accounting firm?

The ratification of the appointment of PricewaterhouseCoopers LLP as Ormat's independent registered public accounting firm requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote.

How many votes are required to approve the 2018 ICP?

Approval of the 2018 ICP requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote.

How many votes are required to approve the compensation of Ormat's NEOs on an advisory basis?

Approval of the compensation of Ormat's NEOs requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote. This vote is advisory and will not be binding on us.

What is an abstention and how will abstentions be treated?

An "abstention" represents a stockholder's affirmative choice to decline to vote on a proposal. Under Delaware law, shares that "Abstain" are treated as shares present for quorum and entitled to vote, so they will have the same practical effect as votes "Against" a proposal except for the proposal for the election of directors. A stockholder's choice to "Abstain" in the election of any director nominee will have no effect on such nominee's election to the Board in accordance with the voting standard for the election of directors set forth in Ormat's Third Amended and Restated Certificate of Incorporation and described above, since a stockholder's choice to "Abstain" does not count as a vote cast.

How will broker non-votes be treated?

Broker non-votes will be treated as shares present for quorum purposes, but not considered entitled to vote on that matter. Therefore, broker non-votes do not count as votes "For" or "Against" any proposal.

Where can I find the voting results of the 2018 Annual Meeting of Stockholders?

We plan to announce preliminary voting results at the 2018 Annual Meeting of Stockholders and to publish final results in a Current Report on Form 8-K to be filed with the SEC within four (4) business days following the meeting.

## PROPOSAL 1 – ELECTION OF DIRECTORS

### Our Board

Our Board, which is currently composed of nine members, is classified into three classes of directors serving staggered, three-year terms as follows:

#### Class II Directors (term expiring at the meeting)

Ravit Barniv\*

Robert F. Clarke\*

Stan H. Koyanagi\*

#### Class III Directors (term expiring at the 2019 Annual Meeting of Stockholders)

Dan Falk\*

Todd C. Freeland\*

Byron G. Wong\*

#### Class I Directors (term expiring at the 2020 Annual Meeting of Stockholders)

David Granot\*

Yuichi Nishigori\*

Stanley B. Stern\*

\* Designated as an independent director.

### Current Nominees

Directors in each of the three classes are elected to serve for three-year terms that expire in successive years. The terms of the Class II Directors will expire at the 2018 Annual Meeting of Stockholders. Accordingly, our Board, following the recommendation of the Nominating and Corporate Governance Committee, has nominated Ravit Barniv and Stan H. Koyanagi as Class II Directors for three-year terms expiring at the annual meeting of stockholders to be held in 2021 and until their successors are elected and qualified. Each of Ms. Barniv and Mr. Koyanagi currently serves as a Class II Director.

On September 28, 2017, Mr. Clarke notified the Board of his decision not to stand for re-election to the Board upon the expiration of his current term at the 2018 Annual Meeting of Stockholders. Mr. Clarke informed the Company that his decision was made in order to pursue other goals and was not the result of a disagreement with the Company on any matter relating to the Company's operations, policies or practices. Accordingly, our Board, following the recommendation of the Nominating and Corporate Governance Committee, has nominated Dafna Sharir to serve as a Class II Director for a three-year term expiring at the annual meeting of stockholders to be held in 2021 and until her successor is elected and qualified.

The following sets forth, with respect to each nominee, the nominee's name, age, business experience, including principal occupation and employment during the past five years, the year in which the nominee first became a director of Ormat and directorships held at other public companies. See "CORPORATE GOVERNANCE" below for a further discussion of the process for nominating these candidates as well as other important information about our Board, the Board Committees and the composition thereof.

**Ravit Barniv.** Ravit Barniv has been a member of our Board since November 15, 2015. Ms. Barniv has served as the chairperson of the board of directors of Tnuva Group, the largest food group in Israel, since 2013 and as a board member of Clalit Health Care in Israel since November 2016. Previously, she served as chairperson of the board of directors of Shikun & Binui Ltd. and Derech Eretz Highways, and as CEO of Netvision Communications. She earned a BA in Economics and Philosophy and an MBA from Tel-Aviv University and an MA in Governance with a specialization in counterterrorism from IDC Herzliya. Ms. Barniv is 54 years old.

Our Board, following the recommendation of the Nominating and Corporate Governance Committee, has concluded that Ms. Barniv should serve as a director of the Company primarily because of her extensive management experience and overall business and financial knowledge, particularly in the construction and infrastructure and renewable energy industries.

**Dafna Sharir.** Dafna Sharir has served on the board of directors of Frutarom Industries Inc. since 2013 and the board of directors of Gilat Satellite Networks since 2016. From 2012 to 2015, she served on the board of directors of Ormat Industries Inc. Since 2005, Ms. Sharir has served as a consultant, providing mergers and acquisitions advisory services, including with respect to due diligence, structuring and negotiation, to public and private companies around the world. From 2002 to 2005, she served as Senior Vice President – Investments of AMPAL, a US public company, responsible for all of AMPAL's acquisitions and dispositions, and from 1999 to 2002, she served as Business Development – Director of Mergers and Acquisitions at AMDOCS, responsible for international acquisitions and equity investments. Ms. Sharir earned an LL.B from Tel Aviv University School of Law and a BA in Economics from Tel Aviv University School of Economics, as well as an LL.M. from New York University School of Law and an MBA from INSEAD. Ms. Sharir is 49 years old.

Our Board, following the recommendation of the Nominating and Corporate Governance Committee, has concluded that Dafna Sharir should serve as a director of the Company primarily because of her extensive domestic and international financial and legal experience and her overall business acumen.

**Stan H. Koyanagi.** Stan H. Koyanagi has been a member of our Board since July 26, 2017. Mr. Koyanagi has served on the board of directors of ORIX Corporation, a Tokyo-based diversified financial company, and was promoted to Corporate Senior Vice President and Global General Counsel of ORIX Corporation in June 2017. Previously, Mr. Koyanagi served in senior legal positions at ORIX USA Corporation, the US holding company of ORIX Corporation, and KB HOME, a NYSE-listed homebuilder. Mr. Koyanagi started his legal career in private practice in 1985 and became a partner at the international law firm of Graham & James LLP (now Squire Patton Boggs LLP) in 1993, representing public and private companies as a California-licensed lawyer for over 30 years, advising on corporate transactional, regulatory, compliance and governance matters. Mr. Koyanagi received a BS from the University of Southern California and a JD from Stanford University. Mr. Koyanagi is 57 years old.

Our Board, following the recommendation of the Nominating and Corporate Governance Committee, has concluded that Mr. Koyanagi should serve as a director of the Company primarily because of his extensive experience in domestic and international legal affairs and his overall management and business acumen.

Each nominee has consented to being named in this proxy statement and has agreed to serve if elected. If a nominee is unable to stand for election, our Board may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority.

Directors are elected by a majority of all votes cast for the election of each director at the annual meeting, except for contested elections in which there are a greater number of candidates than there are seats to be filled, in which case a plurality voting standard will apply.

OUR BOARD RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES NAMED ABOVE.

## Continuing Directors

### Class III Directors Continuing in Office Whose Terms Expire at the 2019 Annual Meeting of Stockholders

**Dan Falk.** Dan Falk has been a member of our Board since November 12, 2004. Mr. Falk also serves as a member of the board of directors of Orbotech Ltd., Nice Systems Ltd. and Attunity Ltd., all NASDAQ-listed companies. During the past five years, Mr. Falk served as a member of the board of directors of the following public companies, for which he no longer serves as a director: Advanced Vision Technology (AVT) Ltd., Orad Hi Tech Systems Ltd., Nova Measuring Systems Ltd., Amiad Water Systems Ltd., Plastopil Ltd. From 2001 to 2004, Mr. Falk was a business consultant to several public and private companies. From 1999 to 2000, Mr. Falk was Chief Operating Officer and Chief Executive Officer of Sapiens International N.V. From 1995 to 1999, Mr. Falk was an Executive Vice President of Orbotech Ltd. From 1985 to 1995, Mr. Falk was Vice President of Finance and Chief Financial Officer at Orbot Systems Ltd. and Orbotech Ltd. Mr. Falk received a BA in Economics and Political Science from Hebrew University in 1968 and an MBA from Hebrew University in 1972. Mr. Falk is 73 years old.

Our Board, following the recommendation of the Nominating and Corporate Governance Committee, has concluded that Mr. Falk should serve as director of the Company primarily because of his qualification as an "audit committee financial expert" under Section 407 of the Sarbanes-Oxley Act of 2002 ("SOX") and Item 407(d)(5) of Regulation S-K, his experience related to service on the audit committee of the Board, his financial reporting expertise and his general financial and business knowledge.

**Todd C. Freeland.** Todd C. Freeland has been a member of our Board since July 26, 2017. He currently serves as Co-Head of Energy and Eco Services Business Headquarters and CEO of Energy and Eco Services Europe at ORIX Corporation, where he is leading the firm's global expansion into sectors including renewable energy, resource and waste management, and other energy supply, conservation and storage activities. Between 2013 and 2016, prior to joining ORIX, Mr. Freeland served as the Director General of Private Sector Operations at the Asian Development Bank (ADB), where he was responsible for leading ADB's banking and investment activities throughout Asia, deploying over \$2 billion of capital annually in companies and transactions that promote environmentally sustainable and inclusive economic growth. Between 2008 and 2013, prior to joining ADB, Mr. Freeland was a senior executive at several leading financial services firms, including BMO Financial Group and Goldman Sachs & Co. Mr. Freeland holds a BA with Distinction in Economics from the University of North Carolina and a MA in International Finance and Marketing from the Kellogg Graduate School of Management, Northwestern University, where he was an Austin Scholar. Mr. Freeland is 51 years old.

Our Board, following the recommendation of the Nominating and Corporate Governance Committee, has concluded that Mr. Freeland should serve as director of the Company primarily because of his extensive experience leading a diverse range of businesses and investments across the Americas, Europe, the Middle East and Asia, in industries that include energy, infrastructure, financial services, communications, media, and technology.

**Byron G. Wong.** Byron G. Wong has been a member of our Board since July 26, 2017. Mr. Wong has been a private energy consultant following his retirement from Chevron Corporation at the end of 2012 after more than 31 years with Chevron, its affiliates and predecessor companies. While at Chevron, Mr. Wong was Senior Vice President - Commercial Development (Asia) for Chevron Global Power Company, managing a team of professionals in identifying and developing opportunities for independent power projects to monetize Chevron's gas in-region, and also participating as a member of a decision review board for overseeing Chevron's geothermal development opportunities in Indonesia and the Philippines. Mr. Wong also sat on the board of three joint venture companies in Singapore, Thailand and South Korea. Prior to the merger with Chevron, Mr. Wong established and staffed the initial Asian office location for Texaco Power and Gasification in Singapore in 1999. Before moving to Singapore, Mr. Wong was based in London with Texaco Europe, first as the Director of New Business Development (Downstream) for Central/Eastern Europe and Former Soviet Union, with primary responsibility for developing Texaco's downstream

entry into this region; then second, as Vice President of Upstream Corporate Development for Europe, Eurasia, Middle East and North Africa, focusing on opportunities for upstream oil and gas mergers, divestments and acquisitions. Mr. Wong received both his BA in Economics and his MBA in Finance from the University of California at Los Angeles. Mr. Wong is 66 years old.

Our Board, following the recommendation of the Nominating and Corporate Governance Committee, has concluded that Mr. Wong should serve as director of the Company primarily because of his extensive experience and proficiency in understanding, developing and managing energy and power projects globally.

Class I Directors Continuing in Office Whose Terms Expire at the 2020 Annual Meeting of Stockholders

David Granot. David Granot has been a member of our Board since May 22, 2012. Mr. Granot has served as the Temporary Acting Chairman of Bezeq Israeli Telecommunication Co. Ltd. since July 2017. He also serves on the board of directors of non-U.S. public companies Alrov (Israel) Ltd., Tempo Beverages Ltd. and Jerusalem Economy Ltd. and private companies Sonol Israel Inc. and Geregu Power PLC. During the past five years, Mr. Granot served as a member of the board of directors of the following non-U.S. public and private companies, for which he no longer serves as a director: Harel Insurance, Investment and Finance Ltd. (Chairman of nostro investment company), Ham-Let (Israel-Canada) Ltd, DIKLA Insurance Ltd, FBNDRC PLC and Scorpio Real Estate (Chairman). From 2001 through 2007, Mr. Granot served as the CEO of the First International Bank of Israel Ltd. He earned a BA in Economics and an MBA from the Hebrew University in Jerusalem. Mr. Granot is 71 years old.

Our Board, following the recommendation of the Nominating and Corporate Governance Committee, has concluded that Mr. Granot should serve as a director of the Company primarily because of his extensive management, banking and financial experience, and his overall business knowledge.

Yuichi Nishigori. Yuichi Nishigori has been a member of our Board since July 26, 2017. Mr. Nishigori presently serves as Head of Energy and Eco Services Business Headquarters at ORIX Corporation and has served as a member of the Board of Directors of ORIX since 2015. He also serves on the board of directors of Tokyo Stock Exchange-listed Ubiteq, Inc. and private companies around the world, including ONE Energy Corporation, UniEnergy Corporation and Green ARM co., Ltd. From 2012 to 2014, Mr Nishigori was Head of Investment Banking at ORIX. Prior to joining ORIX in 2003, Mr. Nishigori began his investment and finance career at The Industrial Bank of Japan, Limited (presently Mizuho Bank) in 1980 and engaged in structured finance and various other corporate finance business in Asia and the United States. Mr. Nishigori has a BA in Law from the University of Tokyo and Master of Laws from Boalt Hall School of Law, University of California, Berkeley. Mr. Nishigori is 61 years old.

Our Board, following the recommendation of the Nominating and Corporate Governance Committee, has concluded that Mr. Nishigori should serve as a director of the Company primarily because of his extensive experience and knowledge related to project development and investment and his overall financial and business acumen.

Stanley B. Stern. Stanley B. Stern has been a member of our Board since November 16, 2015. Mr. Stern is the Managing Partner of Alnitak Capital, which he founded in 2013 to provide board level strategic advisory services and merchant banking services, primarily to companies in technology-related industries. From 1981 to 2000 and from 2004 to 2013, he was a Managing Director at Oppenheimer & Co, where, among other positions, he was head of the investment banking department and technology investment banking group. He also held positions at Salomon Brothers, STI Ventures and C.E. Unterberg. Mr. Stern currently serves as Chairman of the board of directors of Audiocodes, Inc. (since 2012) and SodaStream International Ltd. (since 2015), and as a member of the board of directors of Ekso Bionics Holdings, Inc. (since 2015) and Foamix, Ltd. (since 2014). In the past, Mr. Stern served as a member of the board of directors of the following public and private companies, for which he no longer serves as a director: Given Imaging, Fundtech Inc., Tucows, Inc. (Chairman) and Odimo, Inc. He earned a BA in Economics and Accounting from City University of New York, Queens College, and an MBA from Harvard University. Mr. Stern is 60 years old.

Our Board, following the recommendation of the Nominating and Corporate Governance Committee, has concluded that Mr. Stern should serve as a director of the Company primarily because of his extensive management, banking and financial experience, particularly in technology-related industries.

## CORPORATE GOVERNANCE

## Overview

On May 4, 2017, the Company entered into a governance agreement (the "Governance Agreement") with ORIX Corporation ("ORIX") in connection with an agreement between ORIX, certain former stockholders of the Company, Mr. Isaac Angel, the Company's Chief Executive Officer (the "CEO"), and Mr. Doron Blachar, the Company's Chief Financial Officer (the "CFO"), pursuant to which ORIX agreed to purchase approximately 22.1% of our Common Stock (the "ORIX Transaction") for approximately \$627 million. The Governance Agreement, which became effective on July 26, 2017 upon the closing of the ORIX Transaction, sets forth the rights and obligations of the Company and ORIX with respect to certain corporate governance matters of the Company, including, but not limited to, the appointment of directors to our Board, the composition of Board Committees and voting with respect to matters submitted to a vote of the stockholders of the Company. The Governance Agreement also sets forth limitations on the ability of ORIX and its affiliates to acquire securities of the Company in excess of certain thresholds.

The Governance Agreement provides ORIX the right, for as long as ORIX and its affiliates collectively hold at least 18% of the voting power of all of the Company's outstanding voting securities, to nominate three directors to our Board and jointly propose and nominate with the Company a director who is independent in accordance with the NYSE listing standards and SEC rules and regulations and who does not have, and within the three years prior to his or her becoming a director nominee of the Company has not had, any material relationship with ORIX or its affiliates (the "Independent Director"). If ORIX and its affiliates collectively hold less than 18% of the voting power of all of the Company's outstanding voting securities but greater than or equal to 13% of the voting power of all of the Company's outstanding voting securities, ORIX will have the right to nominate two directors to our Board and jointly propose and nominate with the Company the Independent Director. If ORIX and its affiliates collectively hold less than 13% of the voting power of all of the Company's outstanding voting securities but greater than or equal to 5% of the voting power of all of the Company's outstanding voting securities, ORIX will have the right to nominate one director to our Board, but will no longer have the right to jointly propose and nominate with the Company the Independent Director. If ORIX holds less than 5% of the voting power of all of the Company's outstanding voting securities, ORIX will not have the right to nominate any directors to our Board.

See "TRANSACTIONS WITH RELATED PERSONS" below for further information concerning the ORIX Transaction.

On July 26, 2017, upon the closing of the ORIX Transaction and pursuant to the Governance Agreement, the number of directors serving on our Board was increased from eight to nine in accordance with our Fourth Amended and Restated By-Laws to provide for the appointment of the Independent Director. Our Board, acting upon the recommendation of the Nominating and Corporate Governance Committee, appointed Mr. Wong as a director to fill the newly created directorship on the Board after determining that Mr. Wong is independent in accordance with the NYSE listing standards, SEC rules and regulations and our Corporate Governance Guidelines, and does not, and in the three years prior to his appointment did not, have any material relationship with ORIX or any of its affiliates. Also upon the closing of the ORIX Transaction and pursuant to the Governance Agreement, our former directors Mr. Gillon Beck, Mr. Ami Boehm and Mr. Robert E. Joyal resigned from our Board, including, in the case of Mr. Beck, from his position as Chairman of our Board. Acting upon the recommendation of the Nominating and Corporate Governance Committee, our Board appointed ORIX's director nominees Mr. Freeland, Mr. Koyanagi and Mr. Nishigori to our Board to fill the vacancies caused by the resignation of Mr. Beck, Mr. Boehm and Mr. Joyal, respectively. Mr. Freeland was also appointed to serve as the Chairman of our Board.

In accordance with the NYSE listing standards, our Board evaluates the independence of directors at least annually and when a change in circumstances could potentially impact the independence of one or more directors. Most recently, our Board evaluated the independence of our directors in connection with the Company's implementation of the corporate governance changes related to the ORIX Transaction described above. Following this evaluation, the Board concluded that all nine directors are independent directors in accordance with the NYSE listing standards, SEC rules and regulations and our Corporate Governance Guidelines.

During fiscal year 2017, our Board held 14 meetings. Each of our directors attended all of the meetings of our Board and the Board Committees on which he or she serves, except for Mr. Falk who attended 13 of 14 Board meetings, Mr. Clarke who attended 12 of 14 Board meetings and the ORIX director designees, Mr. Freeland, Mr. Koyanagi, Mr. Nishigori, and the Independent Director, Mr. Wong, each of whom joined our Board on July 26, 2017. Each of Mr. Freeland, Mr. Koyanagi, Mr. Nishigori and Mr. Wong attended all of the meetings of our Board and the Board Committees on which they serve that were held after the date on which they joined our Board. In addition, on May 8, 2017, the Company held its 2017 Annual Meeting of Stockholders. All of our then-serving Board members were present at the meeting.

#### Board Committees

Our Board has the authority to appoint committees consisting of one or more directors with such powers and authority in the management of the business and affairs of the Company as the Board may determine, subject to our Fourth Amended and Restated By-Laws and applicable law. Our Board has established an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee and an Investment Committee.

Pursuant to the Governance Agreement, (i) the Compensation Committee, Nominating and Corporate Governance Committee and all other Board Committees must consist of two directors designated by the members of our Board that were not designated by ORIX and one director designated by ORIX and (ii) the Audit Committee must consist of two directors designated by the members of our Board that were not designated by ORIX and the Independent Director.

**Audit Committee.** The Company has a separately designated standing Audit Committee established in accordance with the Exchange Act and the NYSE listing standards. The members of the Audit Committee are Mr. Clarke, Mr. Falk, Mr. Granot and Mr. Wong, who was appointed to serve on the Audit Committee pursuant to the Governance Agreement in connection with his appointment as Independent Director upon the closing of the ORIX Transaction. All members of the Audit Committee are independent in accordance with, and otherwise satisfy the requirements of, the NYSE listing standards and Rule 10A-3 under the Exchange Act. The Board has determined that Mr. Falk, the Chair of the Audit Committee, qualifies as an "audit committee financial expert" as defined by SEC rules and that each member of the Audit Committee is financially literate. Mr. Falk also serves on the audit committees of three other companies publicly traded in the U.S. Our Board has determined that Mr. Falk's simultaneous service on these audit committees does not impair his ability to serve effectively on the Audit Committee.

The Audit Committee selects, on behalf of our Board, an independent public accounting firm to be engaged to audit our financial statements, discusses with the independent registered public accounting firm its independence, reviews and discusses the audited financial statements with the independent registered public accounting firm and manages and reviews our compliance with legal and regulatory requirements with respect to accounting policies, internal controls and financial reporting.

In fiscal year 2017, the Audit Committee continued its oversight of a procedure established by the Company for receiving and addressing anonymous complaints regarding financial or accounting irregularities, among other things. The Audit Committee also manages an ethics and compliance hotline maintained by an independent third party and accessible through the Internet and by telephone. The information received by the hotline is treated as confidential and anonymous and is reviewed by an agent of the Audit Committee before any relevant information concerning unethical behavior or noncompliance with legal, regulatory or internal policy requirements is reported to the Audit Committee.

The Audit Committee held four meetings in fiscal year 2017. Further information concerning the Audit Committee is set forth below under the heading "Audit Committee Report". The charter of the Audit Committee, as amended on August 5, 2016, is available on the Company's website at [www.ormat.com](http://www.ormat.com). The contents of our website, however, are not part of this proxy statement.

On February 22, 2018, the Board appointed Mr. Stern to serve on the Audit Committee, effective upon the conclusion of Mr. Clarke's tenure as a director of the Company and member of the Audit Committee at the 2018 Annual Meeting of Stockholders.

**Compensation Committee.** The Company has a separately designated standing Compensation Committee established in accordance with the Exchange Act and the NYSE listing standards. The members of the Compensation Committee are Ms. Barniv, who serves as the Chair of the Compensation Committee, Mr. Falk, Mr. Freeland, who was appointed to serve on the Compensation Committee pursuant to the Governance Agreement in connection with his appointment to our Board upon the closing of the ORIX Transaction, and Mr. Granot. All members of the Compensation Committee are independent in accordance with SEC rules and regulations, the NYSE listing standards and Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)").

The Compensation Committee operates pursuant to a written charter adopted by the Board, which sets forth the duties and responsibilities of the Compensation Committee, which include (i) annual review of corporate goals and objectives relevant to the compensation of our CEO and other executive officers and evaluation of the performance of our CEO and other executive officers in light of these goals and objectives, individual achievements of our CEO and other executive officers and the compensation of similarly situated executive officers at comparable companies, (ii) approval and recommendation to our Board for approval of the compensation of our CEO and other executive officers based on this evaluation and (iii) periodic review and approval of all elements of our CEO's and other executive officers' compensation, including cash-based and equity-based awards and opportunities, any employment agreements and severance agreements, any change in control agreements and any special or supplemental compensation and benefits for our CEO and other executive officers.

The Compensation Committee's duties and responsibilities also include:

- making recommendations to our Board as to changes in Ormat's general compensation philosophy;
- making recommendations to our Board with respect to the adoption, amendment, termination or replacement of incentive compensation, equity-based plans or other compensation plans, policies and programs;
- overseeing the development and implementation of such incentive compensation, equity-based plans or other compensation plans, policies and programs;
- establishing performance goals and metrics under any such plan, policy or program and certifying attainment of any such performance goals and metrics, including for purposes of Section 162(m); and
- monitoring Ormat's compliance with SEC rules and regulations regarding stockholder approval of certain executive compensation.

The Compensation Committee is authorized to establish subcommittees for the purpose of evaluating special or unique matters and may delegate its authority to a subcommittee or subcommittees.

The Compensation Committee held three meetings in fiscal year 2017. The charter of the Compensation Committee, as amended on August 5, 2016, is available on the Company's website at [www.ormat.com](http://www.ormat.com). The contents of our website, however, are not part of this proxy statement.

**Nominating and Corporate Governance Committee.** The Company has a separately designated standing Nominating and Corporate Governance Committee established in accordance with the NYSE listing standards. The members of the Nominating and Corporate Governance Committee are Ms. Barniv, Mr. Falk, Mr. Freeland, who was appointed to serve as the Chair of the Nominating and Corporate Governance Committee pursuant to the Governance Agreement in connection with his appointment to our Board upon the closing of the ORIX Transaction, and Mr. Granot. All members of the Nominating and Corporate Governance Committee are independent in accordance with SEC rules and regulations and the NYSE listing standards.

The Nominating and Corporate Governance Committee assists our Board in fulfilling its responsibilities by developing criteria and qualifications for Board membership, identifying and approving individuals who meet such criteria and are qualified to serve as members of our Board, selecting director nominees for our annual meetings of stockholders and developing and recommending to our Board corporate governance guidelines and monitoring compliance with such guidelines.

The Nominating and Corporate Governance Committee considers the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating and Corporate Governance Committee considers potential director candidates. Candidates may come to the attention of the Nominating and Corporate Governance Committee through current Board members, professional search firms, stockholders or other persons. The Nominating and Corporate Governance Committee is responsible for conducting appropriate inquiries into the backgrounds and qualifications of potential director candidates and their suitability for service on our Board.

The Nominating and Corporate Governance Committee develops guidelines that set forth the criteria and qualifications for Board membership, including, but not limited to, minimum individual qualifications, relevant career experience and technical skills, education, industry knowledge and experience, financial expertise, geographic ties, familiarity with the Company's business, independence under applicable SEC rules and regulations and the NYSE listing standards, diversity and ability to work collegially with others. The Nominating and Corporate Governance Committee uses these guidelines to identify, interview and evaluate potential director candidates to determine their qualifications to serve on our Board as well as their compatibility with the culture of the Company, its philosophy and its then-current Board and management.

The Nominating and Corporate Governance Committee will evaluate director candidates recommended by stockholders in the same manner in which the Nominating and Corporate Governance Committee evaluates any other director candidate.

Our Fourth Amended and Restated By-Laws provide that our stockholders may nominate director candidates for election to our Board at an annual meeting, provided that the nominating stockholder (i) follows the notice procedures set forth in the Fourth Amended and Restated By-Laws, (ii) was a stockholder of record at the time of giving notice of the proposed nomination and (iii) is entitled to vote at the annual meeting and follows the notice procedures. To be timely, a stockholder's notice for the 2018 Annual Meeting of Stockholders must have been delivered to the Corporate Secretary at 6225 Neil Road, Reno, Nevada 89511, not earlier than the close of business on January 8, 2018 and no later than the close of business on February 7, 2018.

The Nominating and Corporate Governance Committee held five meetings in fiscal year 2017. The charter of the Nominating and Corporate Governance Committee, as amended on August 5, 2016, is available on the Company's website at [www.ormat.com](http://www.ormat.com). The content of our website, however, is not part of this proxy statement.

Investment Committee. The Company has a separately designated standing Investment Committee. The members of the Investment Committee are Ms. Barniv, Mr. Granot, who serves as the Chair of the Investment Committee, and Mr. Nishigori, who was appointed to serve on the Investment Committee pursuant to the Governance Agreement in connection with his appointment to our Board upon the closing of the ORIX Transaction. All members of the Investment Committee are independent.

The Investment Committee assists our Board in evaluating and determining the hedging transactions that we may enter into to hedge our exposure to certain risks and makes recommendations as to the investment of our cash and cash-equivalents, all in accordance with the Investment Policy adopted by our Board.

The Investment Policy outlines general guidelines for investment by the Company, including the type and amount of investment, the desired time period for the investment, and the authority to and procedures for making the investment, and meets on an as-needed basis as instructed by our Board. The Investment Committee does not operate pursuant to a charter and instead acts in accordance with the Investment Policy and other instructions and guidelines outlined by our Board.

The Investment Committee held one meeting in fiscal year 2017.

Special Committee. During fiscal year 2017, the Board established and empowered a special committee of the Board comprised of independent directors Messrs. Falk, Granot and Stern to evaluate and negotiate the terms of the ORIX Transaction on behalf of the Company.

The special committee engaged independent legal advisors and each of the CCA, Governance Agreement and RRA between ORIX and the Company were executed by the Company following the unanimous recommendation of the special committee.

This special committee held 19 meetings in fiscal year 2017.

#### Majority Voting for Directors

Our Third Amended and Restated Certificate of Incorporation provides that directors shall be elected by a majority of all votes cast for each of the director nominees at an annual meeting of stockholders, except for contested elections in which there are a greater number of director candidates than there are seats to be filled on our Board, in which case the directors shall be elected by a plurality vote. This means that, in a contested election, the director nominees who receive the greatest number of votes of the shares of our Common Stock entitled to vote at the annual meeting will be elected to the Board as directors. As described above, our Board is classified into three classes of directors serving staggered three-year terms. At each annual meeting of stockholders, the successors of the class of directors whose term expires at that meeting shall be elected by a majority of all votes cast for each of the director nominees at such meeting, to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election.

#### Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee is a current or former officer or employee of the Company. Mr. Freeland, who was appointed to our Board and to serve on the Compensation Committee in accordance with the Governance Agreement upon the closing of the ORIX Transaction, is an officer of ORIX, the holder of approximately 22.1% of the outstanding shares of our Common Stock as of March 16, 2018. See "CORPORATE

GOVERNANCE—Overview" above and "TRANSACTIONS WITH RELATED PERSONS" below for additional information concerning the ORIX Transaction.

In fiscal year 2017, none of our executive officers served on the board of directors or compensation committee of any other company that has an executive officer serving on our Board or the Compensation Committee.

#### Code of Business Conduct and Ethics

Our Code of Business Conduct and Ethics is available on our website at [www.ormat.com](http://www.ormat.com). The contents of our website, however, are not part of this proxy statement. You may also request a printed copy of our Code of Business Conduct and Ethics free of charge, by writing to the Company at the address appearing in this proxy statement or by calling us at (775) 356-9029.

#### Corporate Governance Guidelines

Our Board has adopted Corporate Governance Guidelines, which are available on the Company's website at [www.ormat.com](http://www.ormat.com). The contents of our website, however, are not part of this proxy statement. You may also request a printed copy of our Corporate Governance Guidelines free of charge, by writing to the Company at the address appearing in this proxy statement or by calling us at (775) 356-9029.

#### Stockholder Communications with the Board

Stockholders and other interested parties may communicate with our Board or a specific director or directors by writing c/o the Corporate Secretary, Ormat Technologies, Inc., 6225 Neil Road, Reno, Nevada 89511. Communications received from stockholders are forwarded directly to Board members.

#### Board's Role in Risk Oversight

As part of our Board's quarterly meetings, our Board assesses on an ongoing basis the risks faced by the Company in executing its business plans. These risks include financial, industrial, technological (including cybersecurity exposures and the steps management has taken or plans to take with respect to these exposures), competitive and operational risks and exposures, both from a global perspective and on a power plant-by-power plant basis.

Our Board dedicates time at each of these meetings to review and consider the relevant risks that need to be addressed at the time of each Board meeting. Our CEO presents to the Board at each quarterly meeting a report outlining, among other things, operational risks faced by the Company. Similarly, our CFO presents to the Board at each quarterly meeting a report outlining the financial risks faced by the Company. In addition to the full Board, the Audit Committee and Investment Committee play an important role in the oversight of the Company's policies with respect to financial risk assessment and risk management, as well as assessing the Company's major financial risk exposures.

Our Board's role in risk oversight at the Company is consistent with the Company's leadership structure, with the CEO and other members of senior management having responsibility for assessing and managing the Company's risk exposures, and our Board and its Committees providing oversight in connection with those efforts and attempts to mitigate identified risks.

## AUDIT COMMITTEE REPORT

The Audit Committee consists solely of independent directors, as required by and in compliance with SOX, SEC rules and regulations and the NYSE listing standards. The Audit Committee operates pursuant to a written charter adopted by the Board.

The Audit Committee is responsible for assisting the Board in its oversight responsibilities related to accounting policies, internal controls, financial reporting and legal and regulatory compliance. Management of the Company has the primary responsibility for the Company's financial reporting processes, principles and internal controls as well as the preparation of its financial statements. The Company's independent registered public accounting firm is responsible for performing an audit of the Company's financial statements and expressing an opinion as to the conformity of such financial statements with accounting principles generally accepted in the United States.

The Audit Committee reviewed management's report on its assessment of the effectiveness of internal controls over financial reporting as of December 31, 2017 and the report from PricewaterhouseCoopers LLP on the effectiveness of internal control over financial reporting as of December 31, 2017.

As noted in the Company's Annual Report on Form 10-K for the year ended December 31, 2017, management, under the supervision and participation of the Chief Executive Officer and the Chief Financial Officer, has conducted an evaluation of the effectiveness of the Company's internal control over financial reporting as of December 31, 2017 using criteria established in Internal Control — Integrated Framework (2013) issued by the COSO and, based on this evaluation, concluded that the Company's internal control over financial reporting was not effective as of December 31, 2017 as a result of the material weakness in its internal control over financial reporting. A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.

In connection with the change in the Company's repatriation strategy and the related release of the US income tax valuation allowance in the second quarter of 2017, the Company did not perform an effective risk assessment related to its internal controls over the accounting for income taxes. As a result, the Company identified a deficiency in the design of its internal control over financial reporting related to its accounting for income taxes, which affected the recording of income tax accounts by the Company in its interim and annual consolidated financial statements during 2017, including audit adjustments to the income tax accounts. This deficiency resulted in immaterial adjustments to income tax expense and deferred tax liabilities, but did not result in a material misstatement in its previously issued interim or annual consolidated financial statements nor does it require a restatement of or change in the Company's consolidated financial statements for any prior interim or annual period. However, this control deficiency could result in a misstatement of the aforementioned balances and disclosures that would result in a material misstatement to the interim or annual consolidated financial statements that would not be prevented or detected. Management has concluded that this deficiency constitutes a material weakness in the Company's internal control over financial reporting. Based upon the Audit Committee's review and discussions with management, the Company's internal auditors and PricewaterhouseCoopers LLP, the Audit Committee approved the inclusion of management's report on its assessment of the effectiveness of internal control over financial reporting as of December 31, 2017 and the report of the independent auditors in the Company's Annual Report on Form 10-K for the year ended December 31, 2017 filed with the SEC.

The Audit Committee also received and reviewed the periodic internal audit reports from the Company's internal auditor. The Audit Committee also reviewed the Internal Audit Plan for fiscal year 2017 and approved its main target subjects. The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for its audits, and has met with such firm, with and without management present, to discuss the results of its examinations and its evaluations of the Company's internal controls. In addition, the Audit Committee evaluated the performance of the independent registered public accounting firm.

The Audit Committee has reviewed and discussed the Company's audited financial statements as of and for the year ended December 31, 2017 with management and the independent registered public accounting firm. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed under auditing standards generally accepted in the United States, including those matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended. The independent registered public accounting firm has provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board (United States) regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, as currently in effect, and the Audit Committee has discussed with the auditors their independence from the Company. The Audit Committee has also considered whether the independent registered public accounting firm's provision of tax services to the Company is consistent with maintaining the registered public accounting firm's independence. The Audit Committee has concluded that the independent registered public accounting firm is independent from the Company and its management.

Based on the review and discussions described above, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10 K for the year ended December 31, 2017, for filing with the SEC.

Submitted on March 16, 2018 by the Audit Committee of Ormat Technologies, Inc.'s Board of Directors.

Dan Falk, Chair  
Robert F. Clarke  
David Granot  
Byron G. Wong

The foregoing Report of the Audit Committee of the Board of Directors shall not be deemed to be soliciting material or be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended (the "Securities Act"), or under the Exchange Act, except to the extent the Company specifically incorporates this information by reference, and shall not otherwise be deemed to be filed with the SEC under the Securities Act or the Exchange Act.

## COMPENSATION DISCUSSION AND ANALYSIS

### Compensation Objectives and Design

The overall objective of our executive compensation program is to offer short-term, medium-term and long-term compensation components that enable us to attract, motivate and retain talented executives who contribute to our continued success. Equally important to us is to align the interests of our executives with those of our stockholders by designing our executive compensation program to "pay for performance", including the creation of stockholder value. As described below, the short-term component of our executive compensation packages consists of annual salary, the medium-term component consists of an annual bonus, and the long-term component consists of equity awards.

We aim to design executive compensation packages that, like our general compensation policies, meet or exceed competitive compensation averages for executives with similar responsibilities at companies with similar financial, operating and industry characteristics in similar locations. In most cases, we do not benchmark to a particular industry or companies, but we informally consider published data, such as labor indices and compensation surveys, in formulating our executive compensation packages.

### Compensation Elements

Our compensation program consists of three elements, namely, annual salary, annual bonus and equity awards:

1. Annual salary, which is paid monthly, is intended to provide annual income at a level consistent with the individual contributions of our executive officers.
2. Annual bonuses, which are paid annually to our executive officers, are intended to link our executive officers' compensation to the Company's overall performance, as well as, in most cases, their individual achievements.

Equity awards are designed to promote long-term leadership and align the interests of our executive officers with those of our stockholders, while their vesting schedule assists us in retaining our executive officers. Equity awards typically vest 25% on each of the one, two, three and four year anniversaries of the date of grant. All employees and consultants of the Company are eligible to receive equity awards pursuant to our Amended and Restated 2012 Incentive Compensation Plan (the "2012 ICP"), effective as of and approved by the Company's stockholders on May 8, 2012. The term of our equity awards typically ranges from six to ten years from the date of grant with respect to grants to our current executive officers. Except for equity awards granted to two of our current NEOs, there is no provision that provides for accelerated vesting upon a change in control and there is no holding period for vested options.

Each element is determined individually, based on the relevant criteria described in this discussion.

In addition to these main compensation components, executives who are residents of Israel receive, as a function of their salary payments, the standard social benefits (i.e., severance pay, defined contribution plan, and disability) paid to all of our employees who are based in Israel. These social benefits are fixed as a percentage of the employee's salary and are not subject to discretionary adjustments. Executives who are residents of the U.S. participate in a defined contribution plan (401(k) plan) and receive health insurance benefits, in addition to social security. We do not cover any tax payments or otherwise "gross-up" any part of the compensation packages of our executive officers regardless of their location.

## Compensation Consultant

In September 2017, the Compensation Committee engaged Moshe Zviran Ltd., a leading Israel-based executive compensation consulting firm ("Zviran"), to conduct a benchmark survey of senior executive compensation arrangements at comparable mid-cap and energy sector companies, focusing on the following four elements: (i) base salary (or base management fees), (ii) other fixed compensation elements (such as the value of use of a company car), (iii) bonus or other supplemental annual payments, and (iv) equity incentive compensation. Zviran presented a report to the Compensation Committee that included an analysis of the senior executive compensation levels at the comparable companies and the percentile position of the compensation levels of the Company's senior executives relative to such comparable companies. The Zviran report was based on compensation practices and information derived from a proprietary database of executive compensation information for the Israel market maintained by Zviran, as well as supplemental executive compensation information for the U.S. Market that Zviran obtained from Mercer, the U.S.-based executive compensation firm. The Company paid Zviran and Mercer an aggregate fee of \$37,432 for their services and the Zviran report.

Prior to engaging Zviran, the Compensation Committee conducted an independence assessment and considered the independence factors set forth in SEC rules and regulations and the NYSE listing standards. Following such assessment, the Compensation Committee concluded that Zviran is independent from the Company's management and their engagement, including the scope of work to be performed, would not raise any conflict of interest.

## Determination of Amounts and Formulas for Compensation

### Annual Salary

Consistent with our objectives with respect to our executive officers, the Compensation Committee provides guidance in setting base salaries for the Company's executive officers annually at levels that reflect the Compensation Committee's interpretation of competitive compensation averages for individuals with similar responsibilities at companies with similar financial, operating and industry characteristics, in similar locations. The Compensation Committee typically does not undertake or commission a formal study or survey to benchmark compensation to a particular industry or to particular companies and the members of the Compensation Committee evaluate executive compensation using their accumulated individual knowledge and industry experience, as well as publicly available compensation information with respect to companies that have a similar market capitalization or similar annual revenues, and that operate under a business structure similar to ours (although not necessarily in the same industry segment).

In addition, the Compensation Committee takes into consideration the performance of the Company, individual performance of each executive officer, and the executive officer's scope of responsibility in relation to other officers and key executives within the Company. Annual salaries reflect current practices within an NEO's specific geographic region and among executives holding similar positions. In addition to these factors, the annual salary for an NEO depends on a number of more subjective factors, including our evaluation of the executive's leadership role, professional contribution, experience and sustained performance.

Following publication of the prior year's audited financial statements, the CEO determines whether and to what degree to award salary increases to any of the NEOs. Factors that are considered include the net income of the Company during the prior year, the need for a salary adjustment to remain competitive with compensation averages for executives in similar positions, and the particular NEO's effectiveness in supporting the Company's long-term goals. We also consider the executive's department's contribution to our success as well as our general achievements during the preceding year. All salary increases are awarded retroactive to January 1. Salaries are paid on a monthly basis, except for Mr. Sullivan's salary and the portion of Mr. Angel's salary that is based in the U.S., each of which is paid bi-weekly, and with two exceptions, each of our current NEOs has a standard employment agreement that is based on

a form used company-wide.

On November 7, 2017, in connection with certain changes to our executive compensation program, the Compensation Committee and the Board approved increases to the annual base salaries of our CEO and CFO. Effective December 1, 2017, Mr. Angel, our CEO, will receive an annual base salary of approximately \$609,000, representing an increase in annual base salary of approximately 31%, and Mr. Blachar, our CFO, will receive an annual base salary of approximately \$381,250, representing an increase in annual base salary of approximately 4%.

## Annual Bonus

Each year, following publication of our financial statements for the preceding year, the Compensation Committee determines the basket of bonuses that may be awarded on a Company-wide basis for the prior year. The Compensation Committee determines and approves the amount of any annual bonus payable to our CEO and, based upon the recommendations of our CEO, reviews the annual bonus payable to our other NEOs.

Our CEO's annual bonus is payable in accordance with the terms of his employment agreement with the Company and Ormat Systems, which are described under "EXECUTIVE COMPENSATION—Employment Agreements" below. Under the terms of our CEO's employment agreement, our CEO is eligible for an annual bonus in an amount of up to .75% of our annual profits up to \$50 million (inclusive) and 1% of the portion of our annual profits, if any, above \$50 million. The maximum annual bonus payable to our CEO pursuant to his employment agreement was \$750,000. However, on November 7, 2017, the Compensation Committee and the Board approved a maximum annual bonus payable to our CEO of \$900,000, calculated as follows: 75% of the annual cash bonus will be based on achievement of specific performance metrics that measure the financial performance of the Company and 25% of the annual cash bonus will be determined at the discretion of the Compensation Committee based on the achievement of other goals, such as diversity, social and environmental responsibility and merger and acquisition activities. The increase is effective as of December 1, 2017.

Annual bonuses for our other NEOs are payable in accordance with the Company's Annual Management Incentive Plan (the "Management Plan") which was approved by the Board and the Compensation Committee on February 23, 2016. The Management Plan provides for annual cash incentive awards for participating employees based upon achievement of certain performance measures established by the Compensation Committee, based on the recommendations of our CEO. At the beginning of each fiscal year, our CEO reviews with the Compensation Committee the Company's objectives under the strategic plan, the Company's annual budget, the compensation practices of our peers and other market data, and recommends measurable financial and/or operational goals for the upcoming fiscal year. These measurable financial and/or operational goals may be with respect to the performance of the Company on a consolidated basis, the performance of the Company in a particular country or region and/or the performance of a business unit or operating segment of the Company, including a geographically based business unit.

Based upon the CEO's recommendations, the Compensation Committee establishes Company Performance Metrics (as defined in the Management Plan), other individual performance criteria and varying levels of achievement under such Company Performance Metrics that result in the payment of minimum and maximum cash incentive awards, specified by the Compensation Committee as a percentage of the Management Plan participant's base salary, for each Management Plan participant for each fiscal year. The Compensation Committee also assigns a weight to the Company Performance Metrics and individual performance criteria that reflects the contribution of achievement of each Company Performance Metric and the individual performance criteria to a Management Plan participant's incentive award. The Company Performance Metrics and individual performance criteria against which performance is measured for each Management Plan participant in a given fiscal year may include: consolidated revenue, consolidated adjusted EBITDA, net income, Electricity segment revenue, Electricity segment gross profits, generation (GWh), Product segment sales, Product segment gross margin, next year bookings, project costs as of project completion and/or manufacturing costs as of project completion. In the event the level of achievement of a Company Performance Metric falls between the levels corresponding to a minimum and maximum incentive award, the Management Plan participant's incentive award will be based on a linear interpolation between the minimum and maximum incentive award amounts. Levels of achievement for each Management Plan participant for each fiscal year are measured by the CEO (or the Compensation Committee, in the case of an incentive award to the CEO) based on the reported Company Performance Metrics in the Company's audited financial statements, Annual Report on Form 10-K for such fiscal year and/or internal budgets, within 45 days after approval of the Company's annual financial statements by our Board. The Management Plan also requires that (i) at least 50% of any performance-based award be based on achievement of the established Company Performance Metrics and/or individual performance criteria and (ii) no performance-based award be paid under the Management Plan for any fiscal year unless the Company's

consolidated annual net income for such fiscal year is positive. Under the Management Plan, the Compensation Committee has the authority to make incentive awards to any one or more Management Plan participants during any fiscal year as the Compensation Committee determines in its discretion is appropriate and in the best interests of the Company, regardless of the level of achievement of established Company Performance Metrics for such fiscal year. Such discretionary awards may be based upon the Management Plan participant's individual performance or achievement of individual goals and certain subjective assessments of the Management Plan participant's leadership and other contributions to the Company, as well as expected future contributions to the Company.

On November 7, 2017, in connection with certain changes to our executive compensation program, the Compensation Committee and the Board approved a maximum annual cash bonus to our CFO of \$297,000.

Awards under the Plan are generally payable as soon as practicable after the amount of such award is determined in accordance with the Plan, and in any event within the calendar year following the calendar year in which the bonus is earned.

For fiscal year 2017, incentive awards to each of our NEOs (other than our CEO) under the Management Plan were based upon (i) for all NEOs (other than our CEO), achievement of revenue and Adjusted EBITDA targets of \$699 million and \$348 million, respectively and (ii) for each NEO (other than our CEO), achievement of individual performance criteria specific to each NEO's role at the Company, including net income, Electricity and Product segment revenue, Electricity and Product segment gross margin, Product segment new sales (i.e., sales made in fiscal year 2017 for which the Company expects to recognize revenue after the end of fiscal year 2017) and electricity generation, compared to the Company's goals. The Company Performance Metrics applicable to all NEOs and the individual performance criteria specific to each NEO are based upon the Company's fiscal year 2017 corporate strategic initiatives, the Company's annual budget and individual performance. The chart below indicates the weight assigned to each Company Performance Metric and the individual performance criteria for each NEO for fiscal year 2017:

NEO	Revenue	Adjusted EBITDA	Individual Performance Criteria	Discretionary Bonus
Doron Blachar, Chief Financial Officer	13%	12%	54%	21%
Zvi Krieger, Executive Vice President, Electricity Segment	5%	5%	28%	62%
Shlomi Argas, Executive Vice President, Product Segment and Operations	14%	13%	29%	44%
Bob Sullivan, Executive Vice President, Business Development Sales and Marketing	11%	10%	54%	25%

The chart below indicates the target and actual level of performance achieved with respect to each of the Company Performance Metrics applicable to all NEOs (other than our CEO), as determined by the CEO (all dollar amounts are in millions) and approved by the Compensation Committee:

Company Performance Metric	Target	Actual
Revenue	\$699	\$693
Adjusted EBITDA	\$348	\$344

The Compensation Committee set minimum and maximum incentive award amounts for fiscal year 2017 at approximately 8.33% and 75% of the NEOs' annual base salaries, or approximately one month's base salary and nine months' base salary, respectively. The chart below indicates, for each of our NEOs (other than the CEO), after linear interpolation, the amount of the incentive award earned and paid out to him, expressed as a percentage of the maximum incentive award amount:

NEO	% of Award Earned Paid Out
Doron Blachar, Chief Financial Officer	74%
Zvi Krieger, Executive Vice President, Electricity Segment	100%
Shlomi Argas, Executive Vice President, Product Segment and Operations	70%
Bob Sullivan, Executive Vice President, Business Development Sales and Marketing	44%

Accordingly, Messrs. Blachar, Krieger, Argas and Sullivan received incentive awards of approximately 56%, 75%, 52% and 33% of their annual base salaries, respectively, under the Management Plan in respect of the level of performance achieved with respect to the Company Performance Metrics and individual performance criteria, as described above.

#### Equity Awards

We are committed to long-term incentive programs for executive officers that promote the long-term growth of the Company and align the interests of our executive officers with those of our stockholders. The determination of the overall basket of equity awards that may be awarded to our employees in a particular year is determined in a similar manner to our annual incentive bonuses. If we are to make equity awards in a particular year, then, following the publication of our financial results for the preceding year, our Compensation Committee determines the annual basket of equity awards that may be made to all of our employees. This basket is typically calculated as up to 1.5% of the outstanding shares of the Company per year.

Within one month after the Compensation Committee determines the annual basket of equity awards that may be made to all of our employees, including our NEOs, our CEO recommends to the Compensation Committee the particular amount of equity awards to be made to each of the NEOs after consideration of a variety of factors, including the Company's performance and relative stockholder return, the expected contribution of the NEO to the Company's growth and success, awards granted to the NEOs in past years and certain survey and other market data regarding our peers' compensation practices. These factors are not assigned any particular weight nor does the Compensation Committee use a formula to apply these factors in order to determine the number of equity awards to be made to each of our NEOs. Instead, the Compensation Committee uses its judgment and experience in considering these factors to determine the appropriate number of equity awards to be granted to each of our NEOs for each fiscal year to ensure there is a strong link between our NEOs' compensation and performance and alignment of our NEOs' interests with those of our stockholders. Additionally, the Compensation Committee benchmarks against the average value of long-term equity incentive awards granted to NEOs with similar responsibilities at peer companies based on information provided to the Compensation Committee by AON Hewitt and Zviran (Israel), with the goal of offering competitive equity compensation that allows us to retain and incentivize our NEOs, while remaining within appropriate ranges established by our peers and the broader market. In general, the equity awards we grant to our NEOs are subject to the same pricing, vesting and exercise terms that govern the grant of equity awards to all of our employees. All equity awards are made pursuant to the 2012 ICP.

Historically, we granted our executive officers stock options as the long-term component of their compensation. In 2012 and 2013, the Compensation Committee decided to grant our executives SARs instead of stock options because the Compensation Committee determined that SARs provide comparable long-term incentives while utilizing fewer shares of our Common Stock. In 2014, the Compensation Committee granted stock option awards to Mr. Angel, our CEO, and Mr. Blachar, our CFO. In addition, we may grant stock options to newly hired executives upon their commencement of employment.

On November 7, 2017, the Compensation Committee and our Board approved certain changes to the equity component of the compensation of each of our NEOs, including our CEO and CFO. The Compensation Committee and our Board, which previously approved the grant by the Company of solely stock options and SARs to all NEOs pursuant to the 2012 ICP as the equity component of our NEOs' annual incentive compensation, replaced a portion of the stock options and SARs with restricted stock units ("RSUs") so that from November 7, 2017, the Company will grant to our NEOs and certain other executive officers equity compensation with a target value mix of two-thirds SARs and one-third RSUs. The RSUs and SARs are time-vested and vest according to the following schedule: RSUs and SARs granted to our CEO will vest 22%, 22%, 28% and 28%, respectively, on the one, two, three and four year anniversaries of the date of grant and RSUs granted to the other NEOs, including the CFO, will vest 25% on each of the one, two, three and four year anniversaries of the date of grant. Each RSU represents the right to receive one share of Common Stock upon vesting and is valued on the date of grant based on the closing price of our Common Stock on the next business day following the date of grant. SARs will continue to vest according to the following schedule: SARs granted to all NEOs, except our CEO, will vest 25% on each of the one, two, three and four year anniversaries of the date of grant and are valued based on the closing price of our Common Stock on the next business day following the date of grant. Upon exercise, all SARs will be paid in shares of our Common Stock with a value equal to (a) the number of shares underlying the SARs that are being exercised, multiplied by (b) the excess (if any) of (i) the market price of a share of Common Stock on the date the SAR is exercised, over (ii) the exercise price specified in the SAR. RSUs and SARs granted to our CEO and CFO are subject to clawback in certain circumstances.

On December 5, 2017, the Compensation Committee and our Board rescinded and voided the grant of 243,300 SARs and 34,500 RSUs, comprising all of the equity incentive awards granted on November 7, 2017 to our CEO pursuant to the 2012 ICP. This was done because the grant and the awards exceeded the annual limit for 2017 under the terms of the 2012 ICP. The Compensation Committee and our Board intend to make an award to our CEO to equitably replace the award that was rescinded.

If the 2018 ICP (Proposal 3) is approved and adopted at the 2018 Annual Meeting of Stockholders, we will no longer make any grants under the 2012 ICP. However, the 2012 ICP will remain in effect with respect to outstanding equity awards previously made under the 2012 ICP.

Tax Considerations

Our Compensation Committee considers the potential impact of Section 162(m) on compensation. Section 162(m) disallows a tax deduction for any publicly held corporation for individual compensation exceeding \$1.0 million in any taxable year for our CEO and our other NEOs (except our CFO) other than compensation that is performance-based under a plan that is approved by the stockholders of the corporation and that meets certain other technical requirements. Based on these requirements, since none of the NEOs who are employed by the Company received compensation in excess of \$1.0 million, the Compensation Committee has determined that Section 162(m) will not prevent us from receiving a tax deduction for any of the compensation paid to our executive officers for fiscal year 2017.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management and based on the review and discussions, it has recommended to the Board that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017 and Proxy Statement.

Submitted on March 16, 2018 by the members of the Compensation Committee of the Board of Directors of Ormat Technologies, Inc.

This column reflects the amount of any discretionary bonus (cash or non-cash) earned for the fiscal year. All other (1) performance-based bonus awards, including those awarded pursuant to the Management Plan, are included in the 'Non-Equity Incentive Plan Compensation' column.

Represents the grant date fair value of all stock awards in accordance with accounting guidance for stock  
(2) compensation. Awards reflected are RSUs. Each RSU represents the right to receive one share of Common Stock upon vesting.

Represents the grant date fair value of all option awards in accordance with accounting guidance for stock  
compensation. Awards reflected are SARs. Each SAR represents the right to receive shares of Common Stock with  
a value equal to the amount by which the market value of the shares in respect of which the SAR is exercised  
(3) exceeds the grant price set forth in the SAR, multiplied by the number of shares in respect of which the SAR is  
exercised. Prior to 2016, the Company used the Black-Scholes formula to evaluate the fair value of the stock based  
compensation. Starting in 2016, the fair value of each grant of stock-based awards on the date of grant is estimated  
using the Exercise Multiple-Based Lattice SAR-Pricing Model and the assumptions noted in the following table.

	Year Ended		
	December 31,		
	2017	2016	2015
Risk-free interest rates	1.9 %	1.3 %	1.4 %
Expected lives (in years)	3.1	4.5	4.0
Dividend yield	0.62 %	1.1 %	0.7 %
Expected volatility	25.1 %	30.7 %	29.2 %
Forfeiture rate	0.0 %	8.4 %	0.0 %

The expected lives represents the period that our stock-based awards are expected to be outstanding. In the absence of enough historical information, the expected lives were determined using the simplified method giving consideration to the contractual term and vesting schedule. The dividend yield forecast is expected to be 20% of our annual net profits, which is equivalent to a 0.7% annual weighted average dividend rate in the year ended December 31, 2017. The risk-free interest rate was based on the yield from U.S. constant treasury maturities bonds with an equivalent term. The forfeiture rate is based on trends in actual stock-based awards forfeitures.

This column reflects the amount of any cash awards granted under the Management Plan, including the (4) discretionary component of any such cash award. Consistent with the terms of the Management Plan, these amounts reflect cash awards earned under the Management Plan for 2017 which are paid in 2018.

Includes payments of car-related expenses in the amount of \$26,259; Israel National Insurance in the amount of (5) \$10,101; U.S. Social Security in the amount of \$9,181; health insurance in the amount of \$245; convalescence pay in the amount of \$1,771; Education Fund in the amount of \$3,957 and perquisites amounting to \$3,763.

Includes payments of car-related expenses in the amount of \$22,632; Israel National Insurance in the amount of (6) \$10,101; health insurance in the amount of \$67; convalescence pay in the amount of \$1,771; Education Fund in the amount of \$3,957; and perquisites amounting to \$4,542.

Includes payments of car-related expenses in the amount of \$13,935; Israel National Insurance in the amount of (7) \$10,101; health insurance in the amount of \$67; convalescence pay in the amount of \$1,771; Education Fund in the amount of \$3,957; vacation redemption in the amount of \$13,315 and perquisites amounting to \$3,457.

Includes payments of car-related expenses in the amount of \$13,230; Israel National Insurance in the amount of (8) \$10,101; health insurance in the amount of \$67; convalescence pay in the amount of \$1,771; Education Fund in the amount of \$3,957; and perquisites amounting to \$3,394.

(9) Includes payments of social security in the amount of \$28,128; health insurance in the amount of \$22,879 and 401(k) plan contributions amounting to \$13,832.

## Grants of Plan-Based Awards

The following table sets forth grants of plan-based awards to each NEO during the year ended December 31, 2017:

Name	Grant Date	Non-Equity Incentive Plan Compensation (\$) <sup>(3)</sup>	All Other Option Awards: Number of Securities Underlying Options <sup>(2)</sup>	Exercise Price of Option Awards (\$/Share)	Grant Date Fair Value of Option Awards (\$) <sup>(1)</sup>
Isaac Angel <sup>(4)</sup>		762,500			
Doron Blachar	November 7, 2017	215,000	9,671 68,252	— 63.35	RSUs 62.70 SARs 17.20
Zvi Krieger	November 7, 2017	210,000	1,337 9,438	— 63.35	RSUs 62.70 SARs 17.20
Shlomi Argas	November 7, 2017	154,000	1,337 9,438	— 63.35	RSUs 62.70 SARs 17.20
Bob Sullivan	November 7, 2017	75,000	1,337 9,438	— 63.35	RSUs 62.70 SARs 17.20

(1) These amounts are the grant date fair value of each award, computed in accordance with accounting guidance for stock compensation using the binomial valuation model.

(2) Includes SARs and RSUs.

(3) These amounts reflect cash awards earned under the Management Plan for 2017 which are paid in 2018, consistent with the terms of the Management Plan. These amounts include all cash awards granted under the Management Plan, including the discretionary component of any such cash award.

(4) On December 5, 2017, the Compensation Committee and our Board rescinded and voided the grant of 243,300 SARs and 34,500 RSUs, comprising all of the equity incentive awards granted on November 7, 2017 to our CEO pursuant to the 2012 ICP. This was done because the grant and the awards exceeded the annual limit for 2017 under the terms of the 2012 ICP.

## Employment Agreements

The following are descriptions of the material terms of our NEOs' employment agreements, as well as other factors that may help with an understanding of the data disclosed in the Summary Compensation Table and under the heading "Grants of Plan-Based Awards" above.

## General

Each of Mr. Angel, our CEO, Mr. Blachar, our CFO, Mr. Krieger, our Executive Vice President, Electricity Segment, and Mr. Argas, our Executive Vice President, Operations and Products, is employed by Ormat Systems, one of the Company's subsidiaries. Mr. Sullivan, our Executive Vice President, Business Development, Sales and Marketing is employed by the Company.

Each of Mr. Angel, Mr. Blachar, Mr. Krieger and Mr. Argas is party to an employment agreement with Ormat Systems (and, in the case of Mr. Angel, with the Company as well) that sets forth their respective terms of employment, which terms are generally applicable to all of Ormat Systems' employees, covering matters such as

vacation, health, and other benefits. Mr. Sullivan has not entered into any such employment agreement with either Ormat Systems or the Company.

35

---

Under the employment agreements of Mr. Krieger, Mr. Argas and Mr. Blachar, either Ormat Systems or the applicable employee may terminate the employment relationship upon between 30 and 120 days' prior written notice, while Mr. Angel's employment agreement permits termination by the Company or Mr. Angel upon at least six months' prior written notice. However, termination for cause does not require any prior notice and an employee who is terminated for cause is not entitled to any subsequent payments.

The actual salary and other compensation arrangements of Mr. Angel, Mr. Blachar, Mr. Krieger, Mr. Argas and Mr. Sullivan are agreed upon separately with each employee. Except for Mr. Sullivan, each of these individuals is also covered by Ormat Systems' management insurance plan, to which Ormat Systems contributes a percentage of such individual's salary, and which covers any compensation that such individual may be entitled to receive upon termination, such as severance pay pursuant to Israeli law for Israel-based employees. In addition, each of the employees has the benefit of the use of a company-leased car.

The employment agreements of Mr. Angel, Mr. Blachar, Mr. Krieger and Mr. Argas also contain provisions that are designed to restrict them from engaging in activities competitive with the business of the Company for a period ranging from 12 to 36 months following termination of employment and, in the case of the employment agreements of Mr. Angel and Mr. Blachar, from soliciting any employee, customer or supplier of the Company for a period ranging from 12 to 24 months following termination of employment.

Isaac Angel

Pursuant to Mr. Angel's employment agreement, Mr. Angel is entitled to the following:

**Salary:** Annual gross salary of NIS 2,141,040 (equal to approximately \$619,335 based on the representative exchange rate set by the Bank of Israel on December 31, 2017), which is linked to the Israeli consumer price index.

**Annual Performance Bonus:** If the Company's annual consolidated net income is above \$20 million, an annual bonus equal to (a) 0.75% of the Company's annual consolidated net income up to \$50 million (inclusive) and (b) 1.00% of the portion of Company's annual consolidated net income that is above \$50 million, if any; provided that the annual bonus shall not exceed \$750,000. On November 7, 2017, the Compensation Committee and the Board approved an increase in the maximum annual bonus payable to our CEO from \$750,000 to \$900,000. The bonus calculation will be as follows: 75% of the annual cash bonus will be based on achievement of specific performance metrics that measure the financial performance of the Company and 25% of the annual cash bonus will be determined at the discretion of the Compensation Committee based on the achievement of other goals, such as diversity, social and environmental responsibility and merger and acquisition activities. The increase is effective as of December 1, 2017.

**Initial Option Grant:** Stock options granted on April 1, 2014 to purchase 100,000 shares of Common Stock at an exercise price of \$29.52 per share, the closing price of our Common Stock on the date of grant, under the 2012 ICP. The stock options vest in one installment on the seven year anniversary of the date of grant and expire seven and a half years following the date of grant.

**Second Option Grant:** Stock options granted on April 1, 2014 to purchase 300,000 shares of Common Stock at an exercise price equal to \$29.52 per share, the closing price of our Common Stock on the date of grant, under the 2012 ICP. The stock options vest 25% on each of the two, three, four and five year anniversaries of the date of grant and expire six years following the date of grant.

In connection with the ORIX Transaction, the remaining vesting period applicable to unvested stock options to purchase 350,000 shares of Common Stock awarded to our CEO under the two grants described above was accelerated and, upon exercise of such options, such shares were sold to ORIX as part of the ORIX Transaction.

Third Option Grant: 100,000 SARs granted on June 14, 2016 with an exercise price equal to \$42.87 per share of Common Stock underlying the SARs, the closing price of our Common Stock on the date of grant, under the 2012 ICP. The SARs vest in 3 equal installments on the two, three and four year anniversaries of the date of grant and expire seven years following the date of grant. The vesting period for these SARs was accelerated in connection with the ORIX Transaction. The Common Stock acquired through the exercise of these accelerated SARs that was not sold in connection with the ORIX Transaction is subject to a Lockup Agreement. Please see Note (1) to the "Outstanding Equity Awards at Fiscal Year-End" table below.

Termination: Each of the Company and Mr. Angel may terminate the employment agreement, for any reason, by providing six months' prior notice of such termination (the "Notice Period"). Other than in the case of termination of employment by the Company for "Cause" (as defined in the employment agreement), Mr. Angel will be entitled to continue to receive his compensation during the Notice Period.

Termination in connection with a Change of Control: In the event that Mr. Angel's employment is terminated by the Company without "Cause", or he resigns for a "Good Reason" (as defined in the employment agreement) within two (2) months before, or twelve months following, the consummation of a "Change of Control" (as defined in the Employment Agreement), Mr. Angel is entitled to the following: (i) the Notice Period (and consequently, the period during which compensation is payable to Mr. Angel) will be extended from six months to twelve months; and (ii) all the stock options and SARs described above will be accelerated and will become fully vested and exercisable.

		9,438 <sup>(4)</sup>	63.35	November 7, 2023
		1,337 <sup>(5)</sup>	—	—

The vesting period for these SARs was accelerated in connection with the ORIX Transaction (the “Accelerated Stock Options”) and are subject to a Lockup Agreement entered into between Mr. Angel and the Company on May 4, 2017. For a period of one year following the date of the Lockup Agreement (i.e. May 4, 2018), shares of Common Stock acquired through the exercise of the portion of the Accelerated Stock Options granted to Mr. Angel on June 14, 2016 may not be sold, transferred or otherwise disposed of. For a period of 180 days following the foregoing initial lockup period, no more than 50,000 shares of Common Stock acquired through the exercise of the portion of the Accelerated Stock Options granted to him on June 14, 2016 may be sold, transferred or otherwise disposed of.

These are Accelerated Stock Options subject to an Undertaking entered into between Mr. Blachar and the Company on May 4, 2017. Until June 30, 2018, shares of Common Stock acquired through the exercise of the (2) portion of the Accelerated Stock Options granted to Mr. Blachar on June 14, 2016 may not be sold, transferred or otherwise disposed of, unless Mr. Blachar resigns or is terminated from his position with the Company for any reason prior to June 30, 2018.

These are SARs which begin to vest two years after the June 2016 grant date, with 50% of the SARs vesting on the second anniversary of the grant date and 25% of the SARs vesting on each of the third and fourth anniversaries of the grant date. The SARs will become fully exercisable in June 2022. Each SAR represents the right to receive (3) shares of Common Stock with a value equal to the amount by which the market value of the shares in respect of which the SAR is exercised exceeds the grant price set forth in the SAR, multiplied by the number of shares in respect of which the SAR is exercised.

These are SARs which will vest 25% on each of the one, two, three and four year anniversaries of the November 2017 grant date. The SARs will become exercisable in November 2021. Each SAR represents the right to receive (4) shares of Common Stock with a value equal to the amount by which the market value of the shares in respect of which the SAR is exercised exceeds the grant price set forth in the SAR, multiplied by the number of shares in respect of which the SAR is exercised.

These are RSU which will vest 25% on each of the one, two, three and four year anniversaries of the November (5) 2017 grant date. Each RSU represents the right to receive one share of Common Stock upon vesting.

These are SARs which began to vest two years after the June 2013 grant date, with 25% of the SARs vesting on each of the second and third anniversaries of the grant date, and the remaining 50% on the fourth anniversary of the grant date. The SARs became fully exercisable in June 2017 and will expire on (6) June 2019. Each SAR represents the right to receive shares of Common Stock with a value equal to the amount by which the market value of the shares in respect of which the SAR is exercised exceeds the grant price set forth in the SAR, multiplied by the number of shares in respect of which the SAR is exercised.

## Option Exercises

Our NEOs exercised options to purchase 528,775 shares of our Common Stock during the year ended December 31, 2017.

Name	Number of Options/ SARs Exercised (#)	Number of Shares Acquired on Exercise (#)	Value Realized on Exercise (\$)
Isaac Angel	400,000	400,000	\$10,591,990
Doron Blachar	62,500	62,500	\$2,178,887.87
Zvi Krieger	25,000	15,267	\$911,746.59
Shlomi Argas	55,000	33,967	\$2,056,112.08
Bob Sullivan	27,500	17,041	\$1,047,422.91

## Potential Payments upon Termination or Change in Control

The employment agreements of our executives contain the following terms regarding post-termination and change in control payments:

Isaac Angel. Pursuant to the terms of Mr. Angel's employment agreement, if the Company or Mr. Angel terminates his employment agreement for any reason other than for "Cause", Mr. Angel will be entitled to his salary, bonus and other benefits for the applicable Notice Period. The Notice Period in Mr. Angel's employment agreement is six months. In the event of termination other than for "Cause", Mr. Angel will also be entitled to an assignment of his "executive manager's insurance policy" and funds accumulated under such policy based on deductions from his base salary, and a payment of the difference, if any, between the sums accumulated under such policy on account of his severance pay, and the amount of severance pay to which he is entitled based on his monthly base salary at the time of termination multiplied by the number of years he has been employed by the Company or Ormat Systems.

Mr. Angel is entitled to change of control payments if within two months prior to or twelve months following the occurrence of a "Change of Control", his employment is terminated by the Company other than for "Cause" or if he resigns for "Good Reason". In either of these events, Mr. Angel's Notice Period will be twelve months instead of six months, and all options and SARs granted to Mr. Angel will be accelerated and will become fully vested and exercisable (or payable) as of the date of the "Change of Control" (in the event the termination or resignation occurred prior to or at the date of the "Change of Control") or as of the termination date (in the event the termination or resignation occurred after the date of "Change of Control"). We will also be required to pay him any compensation to which he is entitled during the extended Notice Period.

On November 7, 2017 the Compensation Committee and our Board approved certain changes to "Change of Control" as defined in Mr. Angel's employment agreement and as of December 1, 2017 "Change of Control" applicable for Mr. Angel and Mr. Blachar is defined as the consummation of any of the following events, in a single transaction or in a series of related transactions: (i) the acquisition of the Company by another person(s) or entity by means of a merger, reorganization, consolidation, or similar event in which such person(s) will hold, immediately after such acquisition, more than 50% of the outstanding voting power of the Company, the acquiring, resulting or surviving corporation; or (ii) the sale of all or substantially all of the assets of us (on a consolidated basis) to another entity (except an entity that is one of the Company's subsidiaries or affiliates or affiliated with any of the Company's then-current principal stockholders). The term "Change of Control" excludes any transaction or series of related transactions that are part of an internal voluntary reorganization and/or restructuring of the Company and/or its subsidiaries and affiliates that does not involve the acquisition of control by a third party not affiliated with the Company, its subsidiaries and affiliates, such as a change in the state of incorporation of the Company and/or acquisition by the Company of its own shares

from any person.

39

---

"Good Reason" is defined in Mr. Angel's employment agreement as (i) a reduction in salary or diminution of Mr. Angel's annual bonus opportunity; (ii) diminution in authority, responsibilities or duties; (iii) diminution in the budget over which Mr. Angel has authority; (iv) an adverse change in reporting responsibilities; (v) relocation of Mr. Angel's main office; and (vi) any other breach of the employment agreement.

"Cause" is defined in Mr. Angel's employment agreement as (i) any of the reasons mentioned in Sections 16-17 of the Israel Severance Pay Law, 1963; (ii) conviction for any felony involving moral turpitude or affecting the Company or its affiliates (including a plea of guilty or no contest); (iii) conviction for the embezzlement of the Company's or its affiliates funds or an attempt to do so; (iv) conduct by Mr. Angel that constitutes gross misconduct or gross neglect of his duties to the Company or its affiliates, as well as any breach of Mr. Angel's fiduciary duties to the Company or its affiliates; and (v) breach of any material term of the employment agreement; provided that such breach was not cured (if capable of being cured) by Mr. Angel within 14 days following written notice thereof.

Doron Blachar. In the event of a "change in control" as defined above, all options, SARs and RSU granted to Mr. Blachar will be accelerated and will become fully vested and immediately exercisable (or payable). If Mr. Blachar's employment is terminated for any reason, he will be entitled to receive any unpaid annual bonus in respect of any completed fiscal year that has ended on or prior to the termination date. Additionally, subject to achievement of any applicable performance conditions, Mr. Blachar will be entitled to receive the annual bonus that would otherwise have been earned in respect of the fiscal year in which termination occurs, prorated to the termination date. The Company is required to make such payments on the days on which they would have otherwise been made had no termination occurred and in no event later than two and a half months after the last day of the fiscal year in which termination occurred.

We believe that the change in control provisions in the employment agreements for our executives are appropriate to help ensure that, if a change in control occurs, our executives can act in the best interest of all our stockholders without concern for the uncertainty and without the distraction that would result from the effects a change in control could have on our executives' personal interests. We believe the purpose of these change in control provisions is to protect our NEOs from termination of employment that frequently occurs upon a change in control, rather than to provide a payment when the change in control occurs even though the NEO's employment is continued. We also believe that the level of post-termination payments for our NEOs is competitive and appropriate.

Except as set forth above, our executives do not have specific change in control payment provisions in their employment agreements (however, see above with respect to acceleration of vesting of equity-based awards). All of our executives are entitled to salary and payment of other compensation during the relevant notice period.

Certain of our executive officers are based in Israel on a full-time or part-time basis, and thus are also entitled to lump sum severance pay amounting to their last monthly salary multiplied by the number of years of their service for the Company under Israeli law. Our executive officers are also entitled to payments under our defined contribution plan. The employment agreements of our current executive officers do not include non-compete or non-solicitation provisions, with the exception of the employment agreements of Mr. Angel and Mr. Blachar.

## Estimated Payments and Benefits upon Termination

The amount of compensation and benefits payable to each of our NEOs in the event of termination without cause or as a consequence of a change in control has been estimated in the table below. The Company does not provide excise tax gross-ups for change in control payments. There is no distinction in the calculation of the termination payments due to our executives in the event of termination without cause or termination upon a change in control, except in the case of our CEO, whose payments and benefits upon termination are described under "Potential Payments upon Termination or Change in Control" above. The amounts have been calculated based on the assumption that the termination occurred on December 31, 2017.

Name	Termination without Cause (\$)	Change in Control (\$)
Isaac Angel	447,861	895,722
Doron Blachar	307,008	307,008
Zvi Krieger	536,541	536,541
Shlomi Argas	668,257	668,257
Bob Sullivan	None	None

## Pay Ratio

Our CEO, Mr. Isaac Angel, had fiscal year 2017 total compensation of \$1,356,000, as reflected in the Summary Compensation Table included in this proxy statement. We estimate that the median of the annual total compensation of all Ormat employees as of February 13, 2018, except our CEO, was approximately \$77,700. As a result, Mr. Isaac Angel's annual total compensation was approximately 17.6 times that of the median annual total compensation of all employees.

We identified the median employee using compensation information derived from our payroll records. Our methodology in calculating the annual total compensation for employees other than our CEO included salary, social benefits, health insurance and bonus. Accordingly, the calculation included the following compensation components in the following jurisdictions: (a) in the U.S., annual total compensation included salary, health insurance (employer's portion) and 401K (employer's portion); (b) in Israel, annual total compensation included salary, bonus (including discretionary bonus) and social benefits; and (c) in jurisdictions where we have employees other than the U.S. and Israel, annual total compensation included salary, bonus and social benefits. Equity awards were not included in the calculation of annual total compensation because equity awards were only awarded to certain of our management team members in 2017 and thus would not have affected the median. Our CEO did not receive any equity awards in 2017.

In identifying the median employee and determining total compensation or any elements of total compensation, we did not make any cost-of-living adjustments or any other material assumptions, adjustments or estimates, except as otherwise disclosed herein.

## DIRECTOR COMPENSATION

The following table sets forth the total compensation paid to each member of our Board during the year ended December 31, 2017:

Name	Fee Earned or Paid in Cash (\$)	Options Awards (\$) <sup>(1)</sup>	Total (\$)
Ravit Barniv	\$73,611	\$119,939 <sup>(2)</sup>	\$193,550

(13) Mr. Nishigori has elected to forego the cash retainer to which members of our Board are entitled for 2017.

#### Cash Compensation

Prior to November 7, 2017, cash compensation of our non-employee directors was as follows:

· Base annual retainer of \$40,000 as fees related to their service on our Board.

· Board meeting fees of \$2,500 per day for each in-person meeting attended; \$500 per day for each telephonic meeting attended; and \$1,000 per day for telephonic participation in an in-person meeting.

· Committee meeting fees of \$1,500 per day for each in-person meeting attended and \$500 per day for each telephonic meeting attended.

· Any non-employee director who also serves as Chair of the Audit Committee receives an annual retainer of \$7,500. Chairs of our other Committees do not receive an annual retainer.

· We promptly reimburse all directors for transportation and lodging expenses actually incurred to attend meetings of our Board or Committees.

On November 7, 2017, following review of peer and other benchmarking data, the Compensation Committee and our Board approved certain changes to our directors' annual cash compensation. From November 7, 2017, cash compensation of our non-employee directors is as follows:

· Base annual retainer of \$60,000 as fees related to their service on our Board.

· Per Board and Committee meeting fees consistent with prior practice (as described above), subject to an aggregate \$35,000 cap, regardless of the number of meetings such director attends.

· The Chairs of the Audit Committee, Compensation Committee and Investment Committee receive supplemental annual cash retainers of \$15,000, \$10,000 and \$10,000, respectively, none of which are subject to the \$35,000 cap.

· The non-employee Chairman of the Board receives a supplemental annual retainer with an aggregate value of \$100,000, consisting of a \$40,000 cash retainer and equity compensation with a value of \$60,000, as further described below.

· We promptly reimburse all directors for transportation and lodging expenses actually incurred to attend meetings of our Board or Committees.

## Equity Compensation

Each newly appointed non-employee director receives an initial grant of options to purchase 7,500 shares of our Common Stock at an exercise price equal to the NYSE closing price on the date of the grant. Effective November 7, 2017, following review of peer and other benchmarking data, the Compensation Committee and our Board approved certain changes to our directors' annual equity compensation. The Compensation Committee and our Board, which previously approved the grant by the Company of solely stock options to our directors, replaced such stock options with RSUs and SARs so that from November 7, 2017, the Company will grant to its non-employee directors equity compensation with a target value mix of 80% RSUs and 20% SARs.

On November 7, 2017, five of our nine directors (excluding Mr. Freeland, Mr. Koyanagi, Mr. Nishigori and Mr. Wong) were granted annual equity incentive compensation with an aggregate value of \$120,000 and a target value mix of 80% RSUs and 20% SARs, with the actual number of RSUs and SARs based on the closing price of our Common Stock on the next business day following the date of grant. Mr. Freeland, the Chairman of our Board, was granted the \$60,000 equity component of his supplemental annual retainer described above with a target value mix of 80% RSUs and 20% SARs, with the actual number of RSUs and SARs based on the closing price of our Common Stock on the next business day following the date of grant. The Compensation Committee and our Board determined that participation of Mr. Freeland, Mr. Koyanagi, Mr. Nishigori and Mr. Wong, each of whom were granted options to purchase 7,500 shares of our Common Stock in connection with their appointment to our Board in July 2017, in the equity component of the director compensation package approved on November 7, 2017 will be deferred until November 2018 to avoid such directors receiving multiple equity grants during their first twelve months of service.

The Company customarily grants the annual award of equity compensation to its non-employee directors in November of each year. The Company does not have stock ownership guidelines for its directors.

## TRANSACTIONS WITH RELATED PERSONS

On May 4, 2017, the Company entered into a commercial cooperation agreement (the "CCA"), a registration rights agreement (the "RRA") and the Governance Agreement (collectively, the "Transaction Agreements") with ORIX in connection with the ORIX Transaction. The Transaction Agreements became effective upon the closing of the ORIX Transaction on July 26, 2017.

### Commercial Cooperation Agreement

Pursuant to the Commercial Cooperation Agreement, the Company and its affiliates have an exclusive right of first refusal to own, invest in, develop and operate new geothermal business opportunities outside the State of Japan that are sourced by or presented to ORIX or its affiliates after the effective date of the Commercial Cooperation Agreement, subject to certain limitations. The Company and its affiliates also have the exclusive right to provide certain geological, engineering, procurement, construction, operational and/or management services, and the option to acquire up to 49% ownership of all geothermal projects within the State of Japan that (i) are new geothermal business opportunities sourced by or presented to ORIX or its affiliates after the effective date of the Commercial Cooperation Agreement, (ii) have an expected generating capacity of greater than 15 MW and (iii) that are 100% owned by ORIX or its affiliates, or with respect to which ORIX or its affiliates have the ability to control all relevant decisions without being required to obtain any third party consent. Subject to certain limitations, ORIX and its affiliates must use their commercially reasonable efforts to engage the Company or its affiliates to provide certain geological, engineering, procurement, construction, operational and/or management services to all geothermal projects within the State of Japan that meet the foregoing criteria, but that have an expected generating capacity of 15 MW or less. Furthermore, ORIX must use commercially reasonable efforts to assist the Company and its affiliates in obtaining project financing for geothermal projects from certain providers of debt financing with which ORIX or its affiliates have a commercial relationship at the applicable time.

The Commercial Cooperation Agreement will be suspended during any period in which ORIX and its affiliates cease to own, collectively, at least 13% of the voting power of all of our outstanding Common Stock or other securities entitled to vote generally for the election of directors to the Board. During any such period, neither the Company nor ORIX will have any obligations under the Commercial Cooperation Agreement nor will they be liable for any claims under the Commercial Cooperation Agreement that arise during such period. The Commercial Cooperation Agreement may not be terminated except (i) by mutual agreement of the Company and ORIX, (ii) on the effective date of termination of the Governance Agreement (other than a termination resulting from the breach thereof by ORIX or its affiliates), (iii) in the event of an uncured event of default or (iv) upon certain bankruptcy or insolvency events with respect to any of the parties thereto.

### Governance Agreement

The Governance Agreement sets forth the rights and obligations of the Company and ORIX with respect to certain corporate governance matters of the Company, including, but not limited to, the appointment of directors to our Board, the composition of Board Committees and voting with respect to matters submitted to a vote of the stockholders of the Company. The Governance Agreement also sets forth limitations on the ability of ORIX and its affiliates to acquire our securities in excess of certain thresholds.

Pursuant to the Governance Agreement, the Company (i) appointed the three directors designated by ORIX to our Board to fill the vacancies created by the resignation of three of the Company's former directors from the Board upon the closing of the ORIX Transaction and (ii) increased the size of the Board to nine directors and appointed the Independent Director to our Board. See "CORPORATE GOVERNANCE—Overview" above for additional information concerning ORIX's and the Company's rights to designate director nominees for election to our Board and appointment to Board Committees pursuant to the Governance Agreement.

Under the Governance Agreement, the Company and our Board must cause each director nominee designated by ORIX and the Independent Director to be included in management's slate of nominees for election as a director at each annual or special meeting of stockholders of the Company at which directors are to be elected. The Company must also use reasonable best efforts to cause the election of each such director nominee and Independent Director and, in the event any such director nominee or Independent Director fails to be elected or, following election, ceases to be a director for any reason, ORIX has the right to designate replacement director nominees or fill the vacancy on our Board, as applicable, subject to approval by the Company. The Governance Agreement also provides that ORIX will vote or cause to be voted all securities beneficially owned by ORIX and its affiliates in favor of the election of all director nominees nominated by the Nominating and Corporate Governance Committee, and ORIX will not take, alone or in concert with others, any action to remove or oppose any director or director nominee nominated by the Nominating and Corporate Governance Committee.

The Governance Agreement also restricts ORIX and its affiliates from taking certain actions during the period that began upon the closing of the ORIX Transaction on July 26, 2017 and ends on the later of the third anniversary of such closing and the date on which ORIX is no longer entitled to nominate any directors to our Board (the "Standstill Period"), including:

- beneficially owning, individually or as part of a group, any class or series of voting securities of the Company in excess of 30% of the aggregate amount of the then-outstanding voting securities of such class or series;

- engaging in any "solicitation" of "proxies" (as those terms are defined under Regulation 14A under the Exchange Act) relating to the election of directors with respect to the Company, becoming a "participant" (as such term is defined under Regulation 14A under the Exchange Act) in any solicitation seeking to elect directors not nominated by our Board or otherwise seeking to influence any person or group with respect to the voting of any voting securities of the Company other than with respect to ORIX's director nominees;

- voting in favor of or otherwise supporting any transaction that would result in a Change of Control (as defined in the Governance Agreement) of the Company, if the transaction is opposed by our Board;

- making any public request or proposal seeking to have the Company waive or make amendments to our organizational documents in a manner that would either impede or facilitate a Change of Control of the Company; and

- making any public request or proposal that the Company effect any material change to its dividend policy.

Such restrictions will be suspended upon certain events, including, but not limited to, the Company's entering into a definitive agreement providing for a transaction that would result in a Change of Control.

During the Standstill Period, ORIX is also required to vote or cause to be voted, on any action to be taken by the Company's stockholders, in proportion to votes cast by all the stockholders of the Company (other than ORIX and its affiliates), all voting securities of the Company representing in excess of 25% of the outstanding voting power of the Company.

The Governance Agreement grants ORIX preemptive rights in the event of certain issuances of securities by the Company, as well as information rights with respect to the Company's business, operations, finances, personnel and prospects, upon ORIX's reasonable request, but in no event more than once during any twelve-month period.

The Governance Agreement will terminate or may be terminated as follows:

at the time ORIX and its affiliates collectively hold less than 5% of the voting power of all the outstanding voting securities of the Company;

upon the mutual written agreement of the Company and ORIX;

by ORIX, upon a material breach by the Company of the Governance Agreement that has not been cured within ten business days after written notice thereof has been received by the Company; or

by the Company, upon a material breach by ORIX of the Governance Agreement that has not been cured within ten business days after written notice thereof has been received by ORIX.

#### Registration Rights Agreement

The Registration Rights Agreement provides, among other things, that ORIX may, at any time, request that the Company file a registration statement with the SEC in order to permit a public offering and sale of Company securities held by ORIX. ORIX may exercise such demand registration rights twice, provided that ORIX will be entitled to exercise such demand registration rights a third time in the event the Company includes shares for its own account or other selling stockholders in an offering pursuant to either of the first two demand registrations. ORIX may not exercise such demand registration rights less than 120 days following the effective date of a registration statement filed by the Company in respect of such demand registration rights or any other registration of securities held by ORIX. The Registration Rights Agreement also provides that if at any time the Company proposes to file a registration statement with the SEC in connection with any public offering of its common stock, ORIX will be permitted to require the Company to include the securities held by ORIX in such registration. At least 5 business days before the Company files any registration statement registering securities held by ORIX or any related prospectus, or any amendment or supplement thereto, the Company must furnish to ORIX for review copies of all documents proposed to be filed and include in such documents reasonable changes as ORIX and the Company may agree should be included.

#### Lockup Agreement & Undertaking

In connection with the ORIX Transaction, the Compensation Committee approved the acceleration of the remaining vesting period applicable to unvested stock options to purchase 350,000 shares of our Common Stock and 42,500 shares of our Common Stock previously granted to Mr. Angel, our CEO, and Mr. Blachar, our CFO, respectively, under the 2012 ICP (the "Accelerated Stock Options"). Such approval was subject to the execution of a lockup agreement (the "Lockup Agreement") and undertaking (the "Undertaking") by Mr. Angel and Mr. Blachar, respectively, which were executed on May 4, 2017.

The Lockup Agreement provides that Mr. Angel will not sell, transfer or otherwise dispose of any shares of our Common Stock acquired through the exercise of the portion of the Accelerated Stock Options granted to him on June 14, 2016 for a period of one year following the date of the Lockup Agreement. For a period of 180 days following the foregoing initial lockup period, Mr. Angel will not sell, transfer or otherwise dispose of more than 50,000 shares of our Common Stock acquired through the exercise of the portion of the Accelerated Stock Options granted to him on June 14, 2016. If at the end of either lockup period, Mr. Angel is no longer employed by the Company other than by reason of a termination without "Cause" (as defined in Mr. Angel's employment agreement) or a termination by Mr. Angel for "Good Reason" (as defined in Mr. Angel's employment agreement), Mr. Angel will forfeit all Accelerated Stock Options.

The Undertaking provides that Mr. Blachar will not, for the period beginning on the date of the Undertaking and ending on June 30, 2018, sell, transfer or otherwise dispose of any shares of our Common Stock acquired through the

exercise of the portion of the Accelerated Stock Options granted to him on June 14, 2016, as long as he is employed by the Company.

Neither the Lockup Agreement nor the Undertaking will apply to any other stock options or incentive compensation which may be granted to Mr. Angel or Mr. Blachar after the date of the Lockup Agreement and the Undertaking.

REVIEW, APPROVAL OR RATIFICATION OF TRANSACTIONS WITH RELATED PERSONS

The Company recognizes that transactions between the Company and any of our executive officers, directors or beneficial holders of more than 5% of our capital stock or their respective immediate family members, may present potential or actual conflicts of interest or may create the appearance that Company decisions are based on considerations other than the best interests of the Company and its stockholders. Therefore, as a general matter, and in conformance with the Company's Code of Business Conduct and Ethics and financial reporting policies and procedures, transactions with related persons are consummated only if the requisite approvals are obtained and only if the terms of the transaction are determined to be in the best interests of the Company and its stockholders.

Pursuant to our Fourth Amended and Restated By-Laws, the Audit Committee shall review and approve related party transactions in excess of certain dollar thresholds set forth in SEC rules and regulations and the NYSE listing standards. To facilitate such review and approval, the Company has adopted a formal written policy which requires the executive officer or director initiating a related party transaction to prepare (i) a memorandum summarizing the terms and conditions of the proposed transaction, including pricing and market conditions, and (ii) a preliminary draft agreement, which memorandum and preliminary draft agreement are then provided to the Company's Disclosure Committee for review. The Disclosure Committee, comprised of our CFO, Corporate Secretary, VP and Corporate Controller, and VP Corporate Finance and Investor Relations, reviews the business terms of the transaction, materiality, and applicable corporate laws and regulations, and determines whether the transaction is required to be reviewed and approved by the Audit Committee, our Board, and/or the stockholders. In accordance with the determination of the Disclosure Committee, the proposed transaction is then reviewed by the Audit Committee, our Board, and/or the stockholders, as applicable. A related party transaction will only be approved or ratified if the transaction is in the best interests of the Company and its stockholders, as the Audit Committee, our Board, and/or the stockholders determine in good faith. In addition, the fairness of each related party transaction is evaluated to ensure that the terms are consistent with arm's length transactions of a similar nature according to prevailing market terms and conditions, where such comparisons are available and appropriate.

The Board formed a special committee comprised solely of independent and disinterested directors that engaged its own independent financial and legal advisors, to evaluate and approve the transactions contemplated by the ORIX Transaction that involved the Company as described above.

## EQUITY COMPENSATION PLAN INFORMATION

The following table summarizes share and exercise price information about the Company's equity compensation plans as of December 31, 2017.

	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights	Weighted Average Exercise Price of Outstanding Options, Warrants and Rights	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans	
Equity Compensation plans approved by security holders	1,547,600	* \$ 41.35	873,437	†
Equity Compensation plans not approved by security holders	—	—	—	
Total	1,547,600	* \$ 41.35	873,437	†

Stock options were issued pursuant to our 2004 Incentive Compensation Plan, as amended (the "2004 ICP"), and stock options, SARs and RSUs were issued pursuant to the 2012 ICP. Shares of our Common Stock to be issued upon exercise of these equity awards are registered on our Registration Statement on Form S-8 covering 1,250,000 shares filed with the SEC on November 9, 2005, our Registration Statement on Form S-8 covering 2,500,000 shares filed with the SEC on June 4, 2007 and our Registration Statement on Form S-8 covering 4,000,000 shares filed with the SEC on May 18, 2012.

No further awards will be granted under the 2004 ICP, though there are still unexercised options outstanding under the 2004 ICP. On May 18, 2012, the Company filed a post-effective Amendment No. 1 to Form S-8 whereby the Company removed from registration 51,149 unissued shares that had remained available for grant under the 2004 ICP. If the 2018 ICP is approved and adopted at the 2018 Annual Meeting of Stockholders, no further awards will be granted under the 2012 ICP.

PROPOSAL 2 — RATIFICATION OF APPOINTMENT OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Appointment of Registered Public Accounting Firm

You are being asked to ratify the appointment by the Audit Committee of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the year ending December 31, 2018. PricewaterhouseCoopers LLP audited Ormat Technologies, Inc.'s annual financial statements for the year ended December 31, 2017. A representative of PricewaterhouseCoopers LLP will be present at the 2018 Annual Meeting of Stockholders to respond to appropriate questions and to make a statement if the representative so desires.

Audit and Non-Audit Fees

The following table sets forth the aggregate fees billed to us for the fiscal years ended December 31, 2017 and 2016 by PricewaterhouseCoopers LLP:

	2017	2016
Audit Fees <sup>(1)</sup>	\$2,460,240	\$2,421,793
Audit-Related Fees <sup>(2)</sup>	\$546,585	\$450,645
Tax Fees <sup>(3)</sup>	\$948,306	\$263,410
All Other Fees <sup>(4)</sup>	\$43,870	\$3,870
Total:	\$3,999,001	\$3,139,718

Audit Fees represent the aggregate fees billed for the audits of the annual financial statements and the Company's internal control over financial reporting; for review of the financial statements included in the Company's Form 10-Q filings; for the audits and reviews of certain of our subsidiaries; and for services that are normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings.

Audit-Related Fees represent the aggregate fees billed for services related to the performance of the audit or review of our financial statements and that are not reported under paragraph (1) above, due diligence related to mergers and acquisitions and consulting on financial accounting/reporting standards.

Tax Fees represent the aggregate fees billed for international tax compliance, tax advice, and tax planning services.

All Other Fees represent annual software license fees.

Audit Committee Pre-Approval Procedures for Independent Registered Public Accounting Firm

The Audit Committee has set a pre-approval procedure, and thus all auditors' engagements are handled in accordance with such procedures, as follows:

A limited authority was delegated to the Chair of the Audit Committee to approve audit, audit-related and tax services in an amount of up to \$50,000, provided such approval is reported to the Audit Committee at its next meeting.

Non-audit services in excess of \$50,000 may only be approved by the full Audit Committee.

All engagements by the Company of the auditors for 2016 and 2017 were pre-approved by the Audit Committee.

Vote Required for Ratification

The Audit Committee is responsible for selecting our independent registered public accounting firm for the year ending December 31, 2018. Accordingly, stockholder approval is not required to appoint PricewaterhouseCoopers LLP as the independent registered public accounting firm for the year ending December 31, 2018. Our Board believes, however, that submitting the appointment of PricewaterhouseCoopers LLP to the stockholders for ratification is a matter of good corporate governance. If the stockholders do not ratify the appointment, the Audit Committee will review its future selection of an independent registered public accounting firm.

The ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote.

**OUR BOARD RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

## PROPOSAL 3 — APPROVAL OF THE ORMAT TECHNOLOGIES, INC. 2018 INCENTIVE COMPENSATION PLAN

Our Board has adopted and recommends for stockholder approval the Ormat Technologies, Inc. 2018 Incentive Compensation Plan (the "2018 ICP" or the "Plan").

The 2018 ICP will supersede the 2012 Incentive Compensation Plan (the "2012 ICP"), which is the only plan under which equity-based compensation may currently be awarded to our executives, non-employee directors, and other employees. Awards currently outstanding under the 2012 ICP will remain outstanding under the 2012 Plan in accordance with their terms. The purpose of the 2018 ICP is to:

Encourage share ownership by our key employees and directors and align compensation with performance results and stockholder interests;

Provide competitive incentive compensation sufficient to attract, motivate and retain key employees and directors with the Company; and

Promote decision-making that is consistent with the long-term goals of the Company and our stockholders.

All awards made pursuant to the 2018 ICP are in consideration of services performed or to be performed for the Company or any of its subsidiaries, or any division or business unit of the Company or any of its subsidiaries.

If the 2018 ICP is approved by our stockholders, the Plan will become effective on May 7, 2018 and no further awards will be made under the 2012 ICP. If our stockholders do not approve the 2018 ICP, the 2012 ICP will remain in effect in its current form, subject to its expiration date. However, there will be insufficient shares available under the 2012 ICP to make annual awards and to provide grants to new hires in the coming years. In this event, the Compensation Committee would be required to revise its compensation philosophy and devise other programs to attract, retain, and compensate its officers, non-employee directors, and key employees. The fair market value of a share of our Common Stock as of March 16, 2018 was \$54.22.

### Governance Highlights of the 2018 ICP

The 2018 ICP Plan incorporates certain governance best practices, including:

**Fungible plan design.** The 2018 ICP uses a so-called "fungible share pool" design. Accordingly, for purposes of determining the number of shares of Common Stock available under the 2018 ICP, so-called "full-value" awards (stock-based awards other than stock options and stock appreciation rights) will be counted against the authorized share pool at an accelerated rate differently than stock options and stock appreciation rights. We have adopted this plan design after consultation with Frederic W. Cook & Co., Inc. to determine what structure would best align the interests of the Company and our stockholders. This plan structure offers the Company flexibility in determining what types of equity awards are best suited for its needs within the overall authorized share pool. At the same time, this structure recognizes that certain types of awards may be more valuable than others. Under the fungible share pool, each share of our common stock issued pursuant to a stock option or stock appreciation right will reduce the number of shares available out of the authorized share pool by one share and each share issued pursuant to a full value award will reduce the number of shares available out of the authorized share pool by 3 shares. For example, this means that, for every 100 shares of restricted stock issued by us under the 2018 ICP, the number of shares available under the 2018 ICP will be reduced by 300 shares.

**No "Liberal" Share Recycling on Awards.** Shares that are tendered or withheld as payment for the exercise price or for tax withholding obligations will not be available for future issuance under the 2018 ICP.

No Dividends or Dividend Equivalents on Unvested Awards. Dividends or dividend equivalents may only be paid, if at all, upon vesting of the underlying award.

Prohibition against repricing. Except in connection with an equitable adjustment or a Change in Control (as defined in the 2018 ICP), the 2018 ICP prohibits the repricing of outstanding stock options and stock appreciation rights, whether by amending an existing award or by substituting a new award at a lower price. The 2018 ICP also prohibits the payment of cash or other securities in exchange for out-of-the-money awards.

No “Liberal” Change in Control definition. The Change in Control definition in the 2018 ICP is not “liberal” and, for example, would not occur merely upon shareholder approval of a transaction. A change in control must actually occur in order for the Change in Control provisions in the 2018 ICP to be triggered.

No Reloads. There is no automatic grant of additional options or stock appreciation rights in connection with exercise.

### Key Equity Plan Data

Our stock-based compensation, including the participation of employees and directors, results in a “burn rate” or share utilization rate presented in the table below. The table summarizes the number of awards granted and the burn rate for each of the last three fiscal years. The “burn rate” is not adjusted for forfeitures and expirations, which would reduce the burn rate if taken into account.

	2017	2016	2015
Stock options and stock appreciation rights (SARs) granted (a)	162,000	1,155,000	45,000
Restricted stock and restricted stock units granted (b)	23,000	0	0
Total equity awards (a+b) <sup>(1)</sup>	231,000	1,155,000	45,000
Weighted average common shares outstanding (c)	50,110,000	49,469,000	48,562,000
Burn rate (a+b/c)	0.46	% 2.33	% 0.09 %

<sup>(1)</sup> Reflects the gross number of shares underlying awards made to employees during the respective year as disclosed in the stock-based compensation footnote of the 10-K and adjusted using one share for every stock option granted and three shares for every full-value share granted.

The total potential dilution or “overhang” from the adoption of the 2018 ICP is shown below. The “overhang” assumes that the entire share reserve is granted in stock options.

	Shares
New shares requested for approval under the 2018 ICP	5,000,000
Shares subject to outstanding stock options/SARs under prior plans	1,524,828
Weighted - average exercise price of outstanding stock options/SAR’s	\$41.35
Weighted – average remaining term of outstanding stock options/SAR’s	4.2 years
Shares subject to outstanding full-value stock awards under prior plans	22,742
Total available and outstanding stock awards and stock options (a)	6,547,600
Common shares outstanding at 12/30/17 (b)	50,609,051
Fully-diluted Overhang (a/a+b)	11.46 %

We expect that the share reserve under the 2018 ICP, if this proposal is approved by our stockholders, will be sufficient for awards for approximately three to six years, depending on the mix of stock options and full-value awards that is granted under the Plan. Expectations regarding future share usage could be impacted by a number of factors

such as award type mix; hiring and promotion activity at the executive level; the rate at which shares are returned to the 2018 ICP's reserve upon the awards' expiration, forfeiture or cash settlement; the future performance of our stock price; the consequences of acquiring other companies; and other factors. While we believe that the assumptions we used are reasonable, future share usage may differ from current expectations.

## Summary of the 2018 ICP

The following is a summary of certain material features of the 2018 ICP which is qualified in its entirety by reference to the full text of the 2018 ICP attached hereto as Appendix A. To the extent there is a conflict between this summary and the Plan, the terms of the Plan will govern.

**Eligible Participants.** Officers, directors and employees (including prospective directors or employees) of the Company and its subsidiaries, and consultants or others who may provide services to the Company and its subsidiaries are eligible to receive awards under the 2018 ICP. As of the date of this Proxy Statement, the Company has -5 officers and -9-directors and the Company and its subsidiaries have approximately 1300 employees. As of the date of this Proxy Statement, the Company has not determined the number of consultants or others who provide services to the Company and its subsidiaries and who may receive awards under the 2018 ICP and such number may vary from time to time.

**Administration of the Plan.** The Plan will be administered by the Compensation Committee or a subcommittee thereof formed by the Compensation Committee (the "Committee"). The Committee determines the eligible individuals who will be granted awards, the terms of the awards, including the exercise price, the number of shares subject to each award, the exercisability of the awards and the form of consideration payable upon exercise. To the extent not inconsistent with applicable law, the Committee may (i) delegate to a committee of one or more directors of the Company the authority of the Committee under the Plan and (ii) authorize one or more executive officers to take certain actions under the Plan. As of the date of this Proxy Statement, the Company has not decided on any grant of awards under the 2018 ICP but intends to make an award to our CEO to equitably replace the award that was cancelled on December 5, 2017.

**Available Shares.** Subject to adjustment as provided in the 2018 ICP, a total of 5,000,000 shares of Common Stock will be authorized for issuance for awards granted under the Plan, less one share for every one share that was subject to an option or stock appreciation right granted after December 31, 2017 under the 2012 ICP and less three shares of Common Stock for every one share that was subject to an award other than an option or stock appreciation right granted after December 31, 2017 under the 2012 ICP. Any shares of Common Stock that are subject to options or stock appreciation rights will be counted against this limit as one share of Common Stock for every one share granted, and any shares of Common Stock that are subject to awards other than options or stock appreciation rights will be counted against this limit as three shares of Common Stock for every one share granted. After the effective date of the Plan, no further awards may be granted under the 2012 ICP.

If (i) any shares of Common Stock subject to an award are forfeited, an award expires or an award is settled for cash (in whole or in part), or (ii) after December 31, 2017 any shares of Common Stock subject to an award under the 2012 ICP are forfeited, an award under the 2012 ICP expires or is settled for cash (in whole or in part), then in each case the shares of Common Stock subject to such award under the 2012 ICP will, to the extent of such forfeiture, expiration or cash settlement, be added to the shares of Common Stock available for awards under the Plan, with certain exceptions as set forth in the Plan. Shares tendered or withheld to pay the exercise price or tax withholding liability will not become available for further grants.

Any shares of Common Stock that again become available for awards under the Plan will be added back as (i) one share for every one share subject to options or stock appreciations rights granted under the Plan or the 2012 ICP and (ii) three shares of Common Stock for every one share subject to awards other than options or stock appreciations rights granted under the Plan or the 2012 ICP.

The maximum number of shares subject to awards granted pursuant to the Plan during a single fiscal year to any non-employee director, together with any cash fees paid during the fiscal year to the non-employee director in respect of the director's service as a member of the Board during such year (including service as a member or chair of any committees of the Board), will not exceed \$500,000 in total value (calculated based on the grant date fair value of such awards). The independent members of the Board may make exceptions to this limit for a non-executive chair of the Board, provided that the non-employee director receiving such additional compensation does not participate in the decision to award such compensation.

In no event shall dividends or dividend equivalents be paid with respect to options or stock appreciation rights. Notwithstanding any other provision of the Plan to the contrary, with respect to any Award that provides for or includes a right to dividends or dividend equivalents, if dividends are declared during the period that an equity award is outstanding, such dividends (or dividend equivalents) shall either (i) not be paid or credited with respect to such Award or (ii) be accumulated but remain subject to vesting requirement(s) to the same extent as the applicable Award and shall only be paid at the time or times such vesting requirement(s) are satisfied.

#### Awards

The following awards may be made under the 2018 ICP.

Options. A stock option is the right to purchase shares of our Common Stock at a fixed exercise price for a fixed period of time. The Committee will determine the exercise price of options granted under the Plan, which will be
