Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- Represents shares of the Issuer's common stock underlying restricted stock units ("RSUs") awarded to the Reporting Person. The RSUs will vest in a series of four successive equal annual installments, with the first installment to vest on January 30, 2015 and the remaining installments to vest on January 30th for the following three years provided that the Reporting Person remains in the Issuer's service
- (1) through each such date, subject to accelerated vesting upon the Reporting Person's termination of employment under certain prescribed circumstances within 12 months following certain changes in ownership or control of the Issuer or during the period commencing with the Issuer's execution of a definitive agreement to effect a change in control and ending on the earlier to occur of (i) the closing of the change in control transaction or (ii) the termination of such definitive agreement.
 - (2) Unless the Reporting Person elects to defer the issuance of the shares until the Reporting Person's separation from service from the Issuer, the shares of the Issuer's common stock will be issued as the RSUs vest.
 - (3) Includes 405,000 of the Issuer's common stock underlying RSUs previously awarded and the 275,000 of the Issuer's common stock underlying RSU's reported under this Form 4..
- Each performance stock unit represents a contingent right to receive one share of the Company's common stock; the number indicated represents the maximum number of performance stock units that can be earned by the reporting person. Unless the Reporting Person elects to defer the issuance of the shares until the Reporting Person's separation from service from the Issuer, the shares of the Issuer's common stock will be issued as the Performance Grant vests
- (4)
 - (5) The performance-vesting requirement is tied to a Company performance metric for the 1-year performance period beginning January 1, 2014 and ending on December 31, 2014. The actual number of shares of the Company's common stock into which the performance stock units will convert is calculated as follows, depending on how much of the performance metric is obtained by the end of the

Edgar Filing: ACTUATE CORP - Form 4

performance period: (i) none if less than 80%, (ii) 100% if 100% or greater, and (iii) between 80% and 100% the conversion rate matches the percentage of performance metric achieved.

- (6) The performance stock units earned on the basis of the Company's performance will vest in three equal installments at the end of calendar 2015, 2016 and 2017, with the vesting of each installment contingent on the reporting person's continued service with the Company through the underlying calendar year.

- (7) Each performance stock unit represents a contingent right to receive one share of the Company's common stock; the number indicated represents the maximum number of performance stock units that can be earned by the reporting person. Unless the Reporting Person elects to defer the issuance of the shares until the Reporting Person's separation from service from the Issuer, the shares of the Issuer's common stock will be issued as the Performance Grant vests.

- (8) The performance-vesting requirement is tied to Company revenue (R) and operating income (OI) goals for the 1-year performance period beginning January 1, 2014 and ending on December 31, 2014. The actual number of shares of the Company's common stock into which the performance stock units will convert is calculated depending on what percentage of the goals is obtained by the end of the performance period, with R weighted 65% and OI 35%

- (9) The performance stock units earned on the basis of the Company's performance will vest in two equal installments at the end of calendar 2015 and 2016, with the vesting of each installment contingent on the reporting person's continued service with the Company through the underlying calendar year.

- (10) The actual number of shares of the Company's common stock into which the performance shares will convert the 1-year performance period is calculated by multiplying the target number of performance shares (83,333 shares) by a percentage ranging from 50% to 150% based on the actual level at which the performance goal is attained, subject to certain threshold percentages for both R and OI.
