Item 8.01

Other Events

On September 20, 2012, the company received the following question from shareholders via facebook and email. The Company has adopted the policy to only communicate to shareholders through written communication for the protection all parties involved. The Company thought it would be beneficial for all shareholders to see the response instead of sending the response directly to one shareholder. Additionally, the Company wanted to clear up some misunderstandings (that were created intentionally or unintentionally by 3 parties).

Question: How many shares does Asher currently have? When can they sell the shares they receive?

Answer: The Company does not know how many shares Asher currently owns. The Company does know that Asher (as disclosed in our 8-K on September 13, 2012) did receive the following shares:

Date	Shares Received
9/11/2012:	4,347,826
9/12/2012:	6,521,739
9/13/2012:	3,826,087

The Company has also noticed on the following large blocks appeared during the trading of the stock as follows:

9/20/2012:	3,826,087 for \$.0065
9/19/2012:	6,521,739 for \$.0075
9/18/2012:	4,347,826 for \$.0108

The Company cannot state that those trades were shares belonging to Asher. As such, the Company does not have any knowledge as to the number of shares Asher currently owns.

Once Asher receives the stock they can begin selling as they choose. There are no agreements between the Company and Asher regarding the stock they own except that Asher may not own more the 9.9% of the Outstanding Stock.
