March 2, 2007

Dear Sirs

Hanson PLC - DIRECTORS' / PDMRs' SHARE INTERESTS

1. Vesting of March 1, 2004 Awards under Hanson Long Term Incentive Plan (the "LTIP") and Grants under Hanson Share Option Plan (the "Option Plan")

Following the end of the three year performance period for the conditional awards of shares made and conditional options granted on March 1, 2004 under the LTIP and Option Plan, respectively, on March 1, 2007 approximately 1.9 million Hanson ordinary shares of 10p each ("shares") vested in favour of approximately 230 LTIP participants and approximately 0.4 million shares vested (ie became capable of being exercised at a subscription price of 439.6p per share) in favour of 13 Option Plan participants.

There were two performance measures to be satisfied for participants to become entitled under the Plans.

Half of the conditional awards of shares under the LTIP and half of the conditional grants of options under the Option Plan were dependent on Hanson's total shareholder return ("TSR") (ie the average share price adjusted for the reinvestment of dividends) over a three year performance period, compared to the members of an international peer group of 13 companies, including Hanson. During the performance period, Hanson's TSR more than doubled and exceeded half of the members of the comparator group. In accordance with the performance criteria, 30% of the conditional awards / grants of options subject to the TSR performance measure vested on March 1, 2007.

The remaining half of the conditional awards of shares under the LTIP and the remaining half of the conditional grants of options under the Option Plan were subject to the attainment of an economic value added target with a linear vesting schedule applying. The improvement in economic value added over the three year performance period exceeded £37.2 million and means that 100% of the conditional awards / grants of options subject to the economic value added performance measure vested on March 1, 2007.

Overall, 65% of the conditional awards under the LTIP and 65% of the conditional grants of options under the Option Plan vested, with the balance of the awards and grants, respectively, lapsing.

Edgar Filing: HANSON PLC - Form 6-K

Details of the participation of the executive directors and PDMRs of Hanson in the LTIP vesting are set out below:-

<u>Director</u>	<u>Shares vesting</u>	<u>Reduction in shares vesting (a)</u>	<u>Shares retained</u>	<u>Resultant holding of shares</u>
A J Murray	133,075	54,561	78,514	441,426

a. The executive directors and PDMRs concerned elected to satisfy their liabilities to income tax and (where applicable) national insurance contributions, arising on the vesting of shares under the LTIP, out of the share award.

Shares retained by the executive directors, PDMRs and other participants in the LTIP will be transferred from treasury shares held by the Company.

Details of the participation of the executive directors and PDMRs of Hanson in the Option Plan are set out below:-

<u>Director</u>	<u>Number of shares under option vesting</u>	<u>Exercise price</u>	<u>Expiry date</u>
A J Murray	110,896	439.6p	February 28,
G Dransfield	46,133	439.6p	February 28,

P J O'Shea	31,050	439.6p	February 28,

2. 2007 conditional award under the LTIP

Edgar Filing: HANSON PLC - Form 6-K

The 2007 conditional award under the LTIP has been made on March 1, 2007 to approximately 200 Hanson senior executives, including the executive directors and PDMRs listed below:

<u>Director</u>	Maximum conditional number <u>of shares</u>
A J Murray	153,982
P S Binning	64,984
G Dransfield	54,464

<u>PDMR</u>	Maximum conditional number <u>of shares</u>
L S Cadzow	38,398
J K Kitzmiller	66,770
R C Manning	60,092
P J O'Shea	43,888
J R Read	36,152
D J Szymanski	29,754

The vesting of the conditional award under the LTIP is subject to the satisfaction of performance measures. The Remuneration Committee of the Board of Hanson has decided that 50% of the conditional award of shares under the LTIP will be subject to a total shareholder return ("TSR") measure, 25% of the conditional award of shares will be subject to an EPS measure and the remaining 25% of the conditional award of shares will be subject to a cash flow growth measure.

For the TSR measure, the Company must achieve a TSR over a three year performance period which is greater than the TSR achieved by at least 50% of the members of an international comparator group of companies. If so 30% of the conditional award subject to the TSR measure will vest. All of the conditional award subject to the TSR measure will vest if the Company achieves a TSR over the performance period which is greater than that achieved by 80% of the comparator group over the same period. Between these two points the award will vest in the proportion of 2.33% of the award for each 1% improvement in the Company's ranking.

The vesting of awards under the EPS and cash flow growth performance measures will depend on the performance of the Company's EPS (continuing operations before impairments) and the Company's net cash flow from operating activities (excluding additional pension contributions) over a fixed three-year performance period starting on the first date of the financial year in which the awards are granted. For the 2007 conditional award, performance will be measured against the results for the year ending December 31, 2006.

The extent to which awards will vest will depend on the extent to which growth in these two performance measures exceeds inflation over the three year performance period on the following bases:

i) **EPS measure**

Average annual EPS growth over the three year performance period	% of award vesting applicable to the EPS performance measure
Less than RPI +3%	0%
RPI + 3%	25%
RPI +9% or more	100%
Between RPI +3% and RPI +9%	Between 25% and 100%

on a straight line basis

ii) **Cash flow measure**

Average annual cash flow growth over the three year performance period	% of award vesting applicable to the cash flow growth measure
Less than RPI +5%	0%
RPI +5%	25%
RPI +10% or more	100%
Between RPI +5% and RPI +10%	Between 25% and 100%

on a straight line basis

This announcement is intended to satisfy obligations under both the Disclosure Rules 3.1.4R(1) and S329 of the Companies Act 1985.

Yours faithfully

Paul Tunnacliffe
Company Secretary
